CURRICULUM VITAE

Revised: November 2009

Last Name: Belizán

First Name: José

Address (home): Brassey 7611
2000 Rosario, Argentina
Phone: (54-341) 4515272

Address (work): Instituto de Efectividad Clínica y Sanitaria (IECS)
Dr Emilio Ravignani 2024
Buenos Aires C1414CPV
Argentina

Phone/ FAX: +5411 47778767

Phone home (+54-341) 4515272

E-Mail: belizanj@allstat.org

EDUCATION

1970 M.D., Universidad Nacional de Rosario, Argentina, Medicine

1974 Ph.D., Universidad del Salvador Buenos Aires, Argentina, Biology of Reproduction

1975 Ph.D., Universidad Nacional de Rosario, Argentina, Medicine

1975 Certification of Speciality, College of Physicians Santa Fe, Argentina, Obstetrics

LANGUAGES

Spanish: mother tongue; English and French proficiency (reading, writing, and speaking); Portuguese proficiency (reading)

PROFESSIONAL EXPERIENCE

Jan 1970 – Mar 1971 School of Medicine, Rosario, Argentina
Resident in the Department of Obstetrics and Gynecology

Mar 1971 - Mar 1973 World Health Organization. Argentina, Chile, Uruguay
Fellow of the Latin-American Fellowship in Biology of Reproduction

Sept 1972 - Mar 1974 Pan American Health Organization (PAHO), Montevideo, Uruguay
Scientific Officer, Latin American Center for Perinatology (CLAP)

Mar 1974 - Sept 1976 School of Medicine, Rosario, Argentina

	Assistant Professor, full time, Obstetrics and Introduction to Research
Sept 1976 – Apr 1977	Hospital 20 de Noviembre, Institute of Social Security of State Workers (ISSTE) Mexico City, Mexico Chief, Perinatal Intensive Care Unit
Apr 1977 – Sept 1980	Institute of Nutrition of Central America and Panama (INCAP) Pan American Health Organization, Guatemala City, Guatemala, C.A Scientist, Medical Officer, Division of Human Development
Oct 1980 – Oct 1981	Institute of Nutrition of Central America and Panama, (INCAP). Pan American Health Organization, Guatemala City, Guatemala. C.A Scientist, Division of Nutrition and Human Biology
Oct 1981 – Oct 1983	School of Medicine, University of Rosario, Argentina Assistant Professor, Obstetric Department
Oct 1981 – July 1997	School of Medicine, University of Rosario, Argentina Director, Centro Rosarino de Estudios Perinatales. Collaborative Centre of the World Health Organization in Maternal-Infant Health and Population.
Oct 1989 – July 1997	School of Medicine, University of Rosario, Argentina Director, Post-Graduate Course on Methodology of Research and Epidemiology, Centro Rosarino de Estudios Pernatales
Jul 1977 – Dec 2004	Pan American Health Organization/ World Health Organization, Montevideo, Uruguay Director, Latin American Center for Perinatology and Human Development (CLAP)
Jan 2002- Present	Department of Maternal and Child Health, School of Public Health, University of North Carolina at Chapel Hill. Adjunct Professor
Dec 2003 – Present	School of Public Health and Tropical Medicine, Tulane University Adjunct Professor, Department of Epidemiology
Dec 2004 – Present	Institute for Clinical Effectiveness and Health Policy (IECS), School of Public Health, University of Buenos Aires, Buenos Aires, Argentina Scientific Officer, Department of Mother & Child Health Research
Jan 2008- Present	International Director, Fogarty fellowship site, Fogarty, NIH

LECTURES AND SCIENTIFIC PRESENTATIONS IN CONGRESSES, WORKSHOPS AND SCIENTIFIC MEETINGS.

COUNTRIES (cities).

Argentina (Bahia Blanca, Buenos Aires, Córdoba, La Plata, Mendoza, Neuquén, Rosario, Salta, Santa Fe, Santiago del Estero, Pilar, Tucumán); **Belgium** (Bruxelles, Ghent); **Bolivia** (La Paz, Santa Cruz); **Brazil** (Campinas, Goiania, Pelotas, Porto Alegre, Rio de Janeiro, Sao Paulo); **Canada** (Calgary, London, Ottawa, Québec); **Chile** (Concepción, Santiago); **Colombia** (Bogotá, Bucamaranga, Cali, Santa

Marta); **Croatia** (Zagreb); **Cuba** (Havana); **Costa Rica** (San Jose); **France** (Paris, Strasbourg); **Denmark** (Copenhagen); **Dominican Republic** (Santo Domingo); **Ecuador** (Quito); **El Salvador** (San Salvador); **Guatemala** (Guatemala); **India** (Goa, Mumbai); **Ireland** (Dublin); **Italy** (Bologna, Assissi); **Jamaica** (Kingston); **Mexico** (Cuernavaca, D.F., Puebla); **Nicaragua** (Managua); **Panama** (Panama); **Pakistan** (Karachi); **Paraguay** (Asuncion); **Peru** (Lima); **Spain** (Barcelona, Madrid); **South Africa** (Johannesburg, Pretoria); **Sweden** (Uppsala, Stockholm); **Switzerland** (Geneva); **United Kingdom** (Aberdeen, Cambridge, London, Oxford); **USA** (Arlington, Atlanta, Baltimore, Bethesda, Chapel Hill, Chatam, Charleston, Fort Lauderdale, Miami, New York, San Francisco, Rockville, Tampa, Seattle, Washington DC); **Uruguay** (Montevideo, Paysandu); **Venezuela** (Caracas); **Zimbabwe** (Harare, Nyanga)

AWARDS AND DISTINCTIONS

Golden Medal "Prof. Adelda L. de Moraes" for the Collaboration on Reproductive Health Development through education. Brazilian Center of Population Dynamics and Human Reproduction. Rio de Janeiro, Brasil. Oct. 1982

Condecoration of the heraldry Order of Cristóbal Colon in the degree of Knight, granted by the President of the Dominican Republic on March 12, 2000. (Honour given to those who have provided eminent services to the world and prominent services to the unification and development of the countries of America)

Roberto Caldeyro-Barcia Prize. 5th World Congress on Perinatal medicine (For his contribution to the development of Perinatal Medicine at world level.)

Charter Day lecturer 2006, National Maternity Hospital, Dublin, Ireland.

First Annual Lawton Chiles International Lecture on Maternal and Child Health in the Americas, sponsored by the Fogarty International (NIH), The National Institute of Child Health and Human Development (NICHD/NIH) and the Rhea Chiles Center for Healthy Mothers and Babies, University of South Florida, USA.
Lecture: "Is the Developed World's Research Agenda in Perinatal Health Applicable to the Developing World?" Washington, D.C. and Tampa, Florida. May 1999.

Visiting Lecturer. XII Berzelius Symposium: Maternal Health Care in an International Perspective. The Swedish Society of Medicine, Stockholm, Swedish. International Maternal Care: Social and environmental factors. May 1991.

Superior Clinical Researcher, National Council of Scientific Research, Argentina

2010 Hope Award for International Excellence in Preeclampsia. Preeclampsia Foundation. USA.

ADVISORY COUNCILS, COMMITTEES, AND BOARDS (current and past):

- National Committee of Perinatal Clinical Records, Chairman. Minister of Health, Argentina

- National Committee for the Promotion of Breastfeeding, Minister of Health, Guatemala.
- National Committee of Maternal Mortality, Argentinean Society of Obstetrics and Gynecology, Argentina.
- Committee for the Promotion of Clinical Research, Chairman. Secretary of Public Health, Rosario, Argentina.
- Jury Committee for the Award Professor Juan Leon, Society of Obstetrics and Gynecology of Buenos Aires, Argentina.
- Jury Committee for the award to the best paper in obstetrics. XXXII Argentinean Congress of Obstetrics and Gynecology
- Scientific Committee on Perinatal Mortality, Argentinean Federation of Obstetrics and Gynecology
- Jury Committee of Doctoral Thesis, Faculty of Health Sciences, University of the Witwatersrand, Johannesburg, South Africa.
- Jury Committee of Research Projects, Programa Latinoamericano de Investigacion en Reproduccion Humana, (PLACIRH).
- Member of the Expert Advisory Panel on Maternal and Perinatal Health and Obstetrics. International Federation of Gynecology and Obstetrics (FIGO)
- Member of the Regional Advisory Panel for the Americas, UNDP/UNFPA/WHO/WORLD BANK, Special Programme of Research, Development and Research Training in Human Reproduction, World Health Organization.
- Chairman of the Jury Committee for the best paper in Obstetrics, 4th World Congress of Perinatal Medicine, April 18-22, Buenos Aires, Argentina.
- Member of the Steering Committee of the Randomised Controlled Trial for the Evaluation of a New Antenatal Care Model, WHO; Geneva, Switzerland.
- Member of the International Advisory Group of the Project: Magnesium Sulphate for the prevention of Eclampsia, Oxford, UK
- Chairman of the Steering Committee of the Project: Second Opinion in caesarean Section. European Commission, Bruxelles, Belgium
- Member of the International Advisory Panel of the Project: Amnioinfusion in meconium staining. Quebec, Canada.
- Member of the International Advisory Panel of the Project: Term Breech Trial, Toronto, Canada.
- Member of the Scientific Committee of the International Conference on Humanization of Childbirth, 2-4 November 2000, Fortaleza, Ceará, Brasil.
- Board of the World Association of Perinatal Medicine
- Member of the International Advisory Committee of CesmiT (Maternal and Infant Study Center of Tucumán, Argentina)
- Member of the Programme Advisory Committee of STIRRHS (Strategic Training Initiative in Research in Reproductive Health Sciences), Canada.
- Member of the Expert Panel CATALYST Consortium USAID, WHO, and UNICEF.
- Member of the Steering Committee, Global Network for Women's and Children's Health Research, National Institute of Child Health and Human Development, National Institute of Health (NICHD/NIH), USA.
- Chairman of the Project Review Subcommittee, Global Network for Women's and Children's Health Research, National Institute of Child Health and Human Development, National Institute of Health (NICHD/NIH), USA.
- Member of the External Scientific Committee IMMPACT (Initiative for Maternal Mortality Programme Assessment), University of Aberdeen, UK
- Member of the Scientific Committee, Network of Maternal and Perinatal Health Centers, City of Buenos Aires and Province of Buenos Aires, Argentina.
- Member of the Technical Expert Advisory Group. Evidence Report: The Use of Episiotomy in

Obstetrical Care: A Systematic Review. Agency for Health Care Research and Quality (AHRQ), USA
- Member of the Data Safety Motoring Committee, International Trial of Antioxidants for the Prevention of Preeclampsia, Montreal University, Canada.
- Member of the Steering Committee of the Tulane/Xavier Minority Health and Health Disparities International Research Training (MHIRT) Program. Tulane School of Public Health and Tropical Medicine, New Orleans, USA.
- Member of the Scientific Advisory Committee (SAC) for the Trans-NIH Dissemination and Implementation Conference. Fogarty International Center, National Institutes of Health, USA
- Member of the Evaluation Committee, Doctoral Thesis of candidate Mette Tollanes, "Caesarean Section; indications and consequences". University of Bergen, Norway.
- Chairman of the Training Subcommittee, Global Network for Women's and Children's Health Research, National Institute of Child Health and Human Development, National Institute of Health (NICHD/NIH), USA.
- Chairman of the Data Safety Monitoring Board: Cluster Randomized Control Trial: The Non-pneumatic Anti-Shock Garment for Obstetric Hemorrhage in Zambia and Zimbabwe.
- Member of the Steering Committee of the project: An economic and policy assessment of different approaches to reducing postpartum hemorraghe. Abt Associates, Bethesda, USA.
- Board member: Partnership for Maternal, Newborn & Child Health. Academic expert (maternal health).
-

EDITOR

Editor in Chief. Current Women's Health Review. Bentham Science Publishers.

EDITORIAL BOARD

Member of the editorial board of the following scientific journals (past and current):

- Editorial Consultant. The Lancet.
- Editorial Board, PLoS One.
- Editorial Board. PLoS Clinical Trials. The Public Library of Science.
- Board of Corresponding Editors. American Journal of Obstetrics and Gynecology.
- Editorial Board. Archivos Latinoamericanos de Nutrición.
- Editorial Board. Revista Iberoamericana de Fertilidad y Reproducción Humana.
- Editorial Board. Paediatric and Perinatal Epidemiology
- Editorial Board. Perinatal and Neonatal Medicine.
- International Advisory Board. British Journal of Obstetrics and Gynaecology.
- International Advisory Board. Board of Specialty Editors. The Journal of Maternal-Fetal and Neonatal Medicine (Parthenon Publishing)
- Editorial Board. ObGynWorld.
- Member of the Board. Progresos en Obstetricia y Ginecología (Spain)
- Editorial Board. The Open General and Internal Medicine Journal (OGIM). Bentham Science Publishers.
- Editorial Advisory Board. The Open Public Health Journal.
- Editorial Board of the Maternal and Child Health Journal

PEER REVIEW

Journals:

- The Lancet
- British Medical Journal
- Obstetrics and Gynecology
- American Journal of Obstetrics and Gynecology
- Hypertension in Pregnancy
- Archivos Argentinos de Pediatría
- European Journal of Obstetrics and Gynecology and Reproductive Biology
- British Journal of Obstetrics and Gynaecology
- Paediatric and Perinatal Epidemiology
- Pan American Journal of Public Health
- Archives of Medical Research
- Cochrane Pregnancy and Childbirth Group. The Cochrane Collaboration.
- Studies in Family Planning
- International Journal of Epidemiology
- Circulation
- Current Women's Health Reviews
- Journal of Pediatric Gastroenterology and Nutrition
- Health Policy and Planning
- BioMed Central Pregnancy and Childbirth
- PLoS Clinical Trials (also serving as academic editor)
- PLoS One (also serving as academic editor)
- PLoS Medicine (also serving as academic editor)
- Journal of Perinatal Medicine
- Revue d'Epidémiologie et de Santé Publique
- Expert Review of Obstetrics and Gynecology
- Epidemiology
- Salud Pública de México
- Obstetric Medicine.
- Expert Review of Endocrinology and Metabolism.
- Bulletin of the World Health Organization

Research Institutions**:**

- Grants proposals, UK. Wellbeing and Royal College of Obstetricians and Gynaecologists.
- Research protocols. The Wellcome Trust.
- WellBeing. The Health Research Charity for Women and Babies, London, UK.
- Canadian Institutes of Health Research, Canada
- Agency for International Development, USA
- Research Triangle Institute, University of North Carolina, USA
- Agency for Healthcare Research and Quality (AHRQ), USA
- Swiss National Science Foundation, Switzerland.
- Special Emphasis Panel, Units for AIDS Clinical Trial Networks. February, 2006 National Institute of Allergy and Infectious Diseases, National Institute of Health

(NIAID/ NIH), USA.

- Programa Nacional de Ciencia y Tecnología de la Salud, COLCIENCIAS, Bogotá, D.C., Colombia. August, 2009 (Nacional Programme of Science and Technology)

SELECTED INTERNATIONAL CONSULTATIONS

1. Consultant for Latin American projects of the National Academy of Sciences, USA. Feb 1984- Feb 1986
2. Short-time consultant. Pan American Health Organization. Aug-Sept 1974, Brasilia;
3. Short-time consultant. Pan American Health Organization June-July 1978, Washington;
4. Short-time consultant. Pan American Health Organization May 1985, Guatemala.
5. Consultant. Centro Internacional de Investigación y Asesoría en Salud. San Jose, Costa Rica.
6. Consultant. Institute for Infant Research, Santo Domingo, República Dominicana. International Development Research Centre (IDRC), Canada.
7. Consultant. Swedish Agency for Research in Developing Countries/Swedish International Development Cooperation Agency (SAREC/SIDA). Programmes in Reproductive Health in Southern Africa; Zimbabwe, March 1995; Zimbabwe, Tanzania, Mozambique, Zambia, Stockholm, October 1996.
8. Consultant. Pathfinder International, USA. Assist the CATALYST Consortium in developing high quality documents on Birth spacing. June 1-July 15, 2005
9. Consultant. School of Public Health and Tropical Medicine, Tulane University, New Orleans, USA.
10. Consultant, Special Programme of Research, Development and Research Training in Human Reproduction, World health Organization (RHR/WHO) and Division of Family Health/WHO, Geneva, Switzerland. Several opportunities. Geneva, Switzerland.
11. Consultant. National Institute of Child Health and Human Development, National Institute of Health (NICHD/NIH), San Franciso, USA. 2006.
12. Consultant. National Institute of Child Health and Human Development, National Institute of Health (NICHD/NIH) Karachi, Pakistan. 2007
13. Consultant. National Institute of Child Health and Human Development, National Institute of Health (NICHD/NIH , Ottawa, Canada. September, 2009
14. Swedish Agency for Research in Developing Countries/Swedish International Development Cooperation Agency (SAREC/SIDA). Uppsala, Sweden September 27-28, 2006
15. Consultant. World Health Organization. Technical consultation and Review of the Scientific Evidence for Birth Spacing., Geneva, June 13-15, 2005.
16. Consultant. World Health Organization. Ad hoc meeting on perinatal mortality and Low Birth Weight estimates, Geneva, Switzerland, February, 2003.

SCIENTIFIC SOCIETIES

Member:

- Latin American Society for Research in Human Reproduction (ALIRH).
- International Study Group on E.P.H. Gestosis and Nutrition Switzerland.

- Latin American Society of Nutrition.
- Obstetrics and Gynaecology Society, Uruguay.
- Obstetrics and Gynaecology Society of Rosario, Argentina.
- American College of Nutrition, USA.
- International Society for the Study of Hypertension in Pregnancy.
- International Population and Reproductive Council.
- American Association for the Advancement of Science.
- Obstetrics and Gynaecology Society, Argentina.
- New York Academy of Sciences.
- Argentinean Group of Perinatal Research.
- Society for Pediatric and Perinatal Epidemiology Research

PUBLICATIONS

a) Books

1. Belizán JM, Díaz AG, Giacomini H, Horcher R, Martell M, Oneto M, Quaranta P, Schwarcz RL, Caldeyro-Barcia R. Historia clínica perinatal. Propuesta de un modelo. Buenos Aires: Centro Latinoamericano de Administración Médica, 1976.
2. Schwarcz R, Belizán JM, Nieto F, Tenzer SM. *Effect of early rupture of membranes upon progress of labor and the newborn*. Montevideo: Latinamerican Center of Perinatology and Human Development, 1975.
3. Delgado HL, Belizán JM, Valverde VE, Girón, EM, Mejía-Pivaral V, Klein RE. *A simplified health care program in rural Guatemala: the Patutul Project.* Guatemala: Institute of Nutrition of Central America and Panama, 1980
4. Valverde V, Delgado H, Martorell R, Belizán JM, Ramírez R, Mejía-Pivaral V, Klein RE - *The measurement of individual´s food intake in longitudinal nutritional studies in poor rural communities in Guatemala*. Guatemala: Institute of Nutrition of Central America and Panama, 1980.
5. Belizán JM, Villar J. *Nutrición de la embarazada*. Montevideo: Centro Latinoamericano de Perinatología y Desarrollo Humano, 1983
6. Valverde V, Delgado H, Belizán JM, Martorell R, Mejía-Pivaral V, Bressani R, Elias LG, Molina M, Klein RE. *The Patutul Project: production, storage, acceptance, and nutritional impact of opaque-2corns in Guatemala.* Guatemala: Instituto de Nutrición de Centro América y Panamá , 1983

CONTRACTS AND GRANTS RECEIVED

8/86 – 2/89 Prevention of hypertension in pregnancy. (Principal Investigator (PI))
International Development Research Centre, Ottawa, Canada
US$ 200,000

1/89 – 12/91 Psychosocial support and pregnancy outcome. (Co-PI)
International Development Research Centre, Ottawa, Canada
US$ 170,000

1/90 – 12/90 Training program for 7 fellows at the Rosario Center for Perinatal Studies. (PI)
International Development Research Centre, Ottawa, Canada

US$ 70,000

1/91 – 12/91 Research, training and community health services. (PI)
International Development Research Centre, Ottawa, Canada
US$ 70,000

3/91 – 10/91 Data base analysis: Maternal Anthropometry and perinatal outcome. (PI)
Divisions of Nutrition, World Health Organization, Geneva, Switzerland
US$ 15,000

8/91 – 12/94 Randomized clinical trial. Magnesium sulphate and diazepam in the management of eclampsia. (Co-PI)
Safe Motherhood Programme, World Health Organization, Geneva, Switzerland.
US$ 22,000

1/91 – 12/91 Grant for Institutional Development. (PI)
Human Reproduction Programme, World Health Organization, Geneva, Switzerland.
US$ 5,000

1/92 – 12/92 Grant for Institutional Development. (PI)
Human Reproduction Programme, World Health Organization, Geneva, Switzerland.
US$ 5,000

1/92 – 12/92 Fellows training programme in Methodology of Research. (PI)
International Development Research Centre, Ottawa, Canada
US$ 70,000

1/92 – 12/92 Basic funds for fellows training. (PI)
Human Reproduction Programme, World Health Organization, Geneva, Switzerland
US$ 21,000

3/92 Workshop for collaborators of the eclampsia project. (Co- PI)
Overseas Development Administration, United Kingdom
US$ 17,000

6/92 Workshop for the Epidemiology of Hypertension in Argentine (PI)
Pan American health Organization, Buenos Aires, Argentina
US$ 3,000

1/93 – 12/93 Grant for Institutional Development (PI)
Human Reproduction Programme, World Health Organization, Geneva, Switzerland.
US$ 15,000

1/93 – 12/93 Postgraduate training for Latin American Fellows. (PI)
International Development Research Centre, Ottawa, Canada
US$ 70,000

1/93 – 4/94 Support to the eclampsia project. (Co- PI)
Overseas Development Administration, United Kingdom
US$ 17,000

1/93 – 12/93 Basic funds for capacity building. (PI)
Human Reproduction Programme, World Health Organization, Geneva, Switzerland.
US$ 15,000

1/94 – 12/94 Technical cooperation among developing countries. (PI)
Human Reproduction Programme, World Health Organization, Geneva, Switzerland.
US$ 12,000

4/94 – 8/94 Fellow's fee for data analysis. (PI)
World Health Organization, Geneva, Switzerland
US$ 5,000

1/94 – 12/94 Basic funds for capacity building. (PI)
Human Reproduction Programme, World Health Organization, Geneva, Switzerland.
US$ 15,000

1/95 – 12/95 Technical cooperation among developing countries. (PI)
World Health Organization, Geneva, Switzerland
US$ 15,000

1/95 – 12/95 Basic funds for capacity building. (PI)
Human Reproduction Programme, World Health Organization, Geneva, Switzerland.
US$ 15,000

12/95 – 12/98 Project of Alternatives prenatal control. (PI)
National Institute of Child Health and Human Development, National Institute of Health, Bethesda, USA
US$ 100,000

8/96 – 12/96 Development of a model of auditory in maternal mortality. (PI)
UNICEF (United Nations Children's Fund)
US$ 10,000

3/98 – 10/00 Project of Second Opinion in Cesarean Sections. (Co-PI)
European Commission
US$ 375,000

1/02 – 1/07 Network of Collaborating Centers in Latin American. (PI)
Spanish Agency for International Cooperation.
US$ 200,000

6/02 – 6/05 Creation of a Network of Collaborating Centers in the Andean Countries. (PI)
Italian Ministry of Foreign Affairs
US$ 175,000

08/01 – 4/12 "A Trial for Improving Perinatal Care in Latin America/ Evidence-Based Global Health Interventions for Mothers and Children, Argentina" (Co- Principal Investigator)
NIH/NICHD (5 U01 HD 40477-08)
(US $4,695,564)

04/01 – 03/07 "Latin American Perinatal Health Training Program" (Co-Principal Investigator)
NIH/Fogarty International Center (1 D43 TW 05492-01)
(US $819,642)

09/06 – 4/11 NIH/Fogarty Training for Evidence-Based Health Care Research, Argentina (Co-Principal Investigator)
NIH/Fogarty International Center (D43 TW007784)
(US $726,093)

06/09 – 04 14 NIH/NICHD Training in Global Reproductive Epidemiology (Co- Principal Investigator)
NIH/NICHD (1T32HD057780-01A1)
(US $714,600)

09/09 – 09/14 Perinatal Tobacco Cessation Intervention for Women in Argentina and Uruguay. (co-investigator)
CDC
(US$482,536)

09/09 – 09/11 ARRA Supplement for Framework for Global Health Program. (co-investigator)
NIH/Fogarty
(US$ 106, 908)

09/09 – 09 /11 ARRA Supplement for Training for Evidence-Based Health Care Research, Argentina. (co-investigator)
NIH/Fogarty
(US$ 42,241)

09/09 – 09/11 ARRA Supplement, Evidence-Based Global Health Interventions for Mothers and Children, Argentina. (co-investigator)
NIH/NICHD
(US$ 227,835)

07/05 – 11/13 Tulane-Xavier Training in International Health Program. (co-investigator)
NIH/NCMNHD
(US$ 120,000)

07/06 – 06/07 Increasing the Impact of Maternal and Neonatal Health Systematic Reviews. (co-investigator)
Agency for Health Care Research and Quality (AHRQ), USA
(US$ 49,512)

09/08 – 08/11 Tulane Framework for Global Health Program. (co-investigator).
NIH/Fogarty
(US$ 364,500)

01/09	Fogarty Fellows International Training Center. (Co-PI) NIH/Fogarty
01/08 08/ 09	Ocytocin in Uniject: Moving to the Field (Principal Investigator) PATH (GAT. 5001-06-07392-SUB) ($95,292)
01/08	CAMBIO project: implementation of AMTSL in Ghana. (Co-PI) USAID (US$ 20,000)
01/09	Implementation trial of ANC WHO package in Mozambique and Malawi. (co-investigator) WHO/Flemish International Cooperation Agency (US$ 3,924,605)
08/09 - 08/10	A maternal and neonatal health programme implementation helpline. (Co-PI) McArthur Foundation. (US$ 87,000)
