William A. Sollecito, DrPH
Public Health Leadership Program
UNC Gillings School of Global Public Health
University of North Carolina at Chapel Hill, CB# 7469
Chapel Hill, North Carolina 27599-7469
(919) 966-6878
bill_sollecito@unc.edu

Education

Dr.P.H. in Biostatistics, University of North Carolina at Chapel Hill, 1982
M.S. (HYG.) in Biostatistics, University of Pittsburgh, 1970
B.B.A. in Statistics, Baruch College (C.U.N.Y.), 1969

Professional Experience

2011 – Present	Certificate Administrator, Online Certificate Programs, Public Health Leadership Program, UNC Gillings School of Global Public Health, University of North Carolina at Chapel Hill, Chapel Hill NC
2011 – Present	Faculty Director, Core Public Health Certificate Curriculum, Public Health Leadership Program, UNC Gillings School of Global Public Health, University of North Carolina at Chapel Hill, Chapel Hill NC
2008 – 2012	Faculty Director, Online Global Health Certificate Curriculum, Public Health Leadership Program, UNC Gillings School of Global Public Health, University of North Carolina at Chapel Hill, Chapel Hill NC
2006 – 2008	Faculty Director, Leadership Certificate Curriculum, Public Health Leadership Program, School of Public Health, University of North Carolina at Chapel Hill, Chapel Hill NC
2005 – Present	Clinical Professor, Public Health Leadership Program, School of Public Health, University of North Carolina at Chapel Hill, Chapel Hill NC
2000 – 2009	Director, Public Health Leadership Program, School of Public Health, University of North Carolina at Chapel Hill, Chapel Hill, NC.
1997 – Present	Graduate Studies Director, Public Health Leadership Program, School of Public Health, University of North Carolina at Chapel Hill, Chapel Hill, NC.
1997 – 2007	Research Professor, Department of Health Policy and Administration, School of Public Health, University of North Carolina at Chapel Hill, Chapel Hill, NC.

1997 – 2000	Associate Director, Public Health Leadership Program, School of Public Health, University of North Carolina at Chapel Hill, Chapel Hill, NC.
1995 – 1996	President, Quintiles Americas, Research Triangle Park, NC.
1993 – 1995	President, Quintiles, Inc. & Quintiles Pacific, Inc., Research Triangle Park, NC, and Mountain View, CA.
1992 – 1993	Executive Vice President, Quintiles North America, Research Triangle Park, NC.
1988 – 1991	Vice President, Statistical Operations, Quintiles, Inc., Research Triangle Park, NC.
1986 – 1988	Vice President of Biostatistical Services, Quintiles, Inc., Chapel Hill, NC.
1983 – 1986	Biostatistical Director, Quintiles, Inc., Chapel Hill, NC.
1983 – 1990	Adjunct Assistant Professor, Department of Health Policy and Administration, University of North Carolina at Chapel Hill, Chapel Hill, NC.
1982 – 1983	Biostatistician, Quintiles, Inc., Chapel Hill, NC.
1981 – 1983	Research Associate, Department of Biostatistics, University of North Carolina at Chapel Hill, Chapel Hill, NC.
1980 – 1981	Principal Investigator, Study of Quasi-Experimental Designs in Health Services Research, Department of Biostatistics, University of North Carolina at Chapel Hill, Chapel Hill, NC. Funded by National Center for Health Services Research.
1978 – 1983	Statistical Consultant in Health and Medical Research.
1977 – 1980	Graduate Research Assistant, Department of Biostatistics, University of North Carolina at Chapel Hill, Chapel Hill, NC.
1975 – 1977	Biostatistician, Health Insurance Plan of Greater New York, Peer Review Program, New York, NY.
1971 – 1975	Biostatistician, Health Insurance Plan of Greater New York, Multiphasic Health Testing Project, New York,

NY.

1969 Assistant Statistician, New York City Department of Health, Division of Statistics, New York, NY.

Professional Societies/Memberships

Selected Presentations

"Team Leadership in Research Navigation," Invited lecture, HSR Matrix Project Management Seminar, Leading Effective Research Programs, Cincinnati Children's Hospital Medical Center, June 12, 2012

"Ensuring Quality in the Data to Decision Cycle," Invited lecture, HSR Matrix –Data Management Initiative, Cincinnati Children's Hospital Medical Center, June 11, 2012

"Pioneering Change – Strategies to Support and Lead Quality Improvement in Public Health – Establishing a Culture of Continuous Quality Improvement", Keynote address and panel discussion: Quality Improvement 101 Training Program, NC Center for Public Health Quality, March 22, 2012

"Leadership and Quality Improvement", Invited Presentation, Leadership Summit, Kybele Organization, Winston-Salem, NC, November 1, 2011

"Pioneering Change – Strategies to Support and Lead Quality Improvement in Public Health – Establishing a Culture of Continuous Quality Improvement", Keynote address and panel discussion: Quality Improvement 101 Training Program, NC Center for Public Health Quality, June 14, 2011

"The Business of Higher Education - Project Management as a Strategic Tool" Human Resources Symposium for UNC Directors, October 6, 2010.

"Essentials of Project Management: Understanding Project Structure and Team Roles/Organizational Structure Considerations". Symposium on Project Management for Operational Leaders Academy, UNC Health Care System, September 14, 2010.

"Project Management Tips," Department of Preventive Medicine, UNC School of Medicine, September 8, 2010.

"Transformational Change – Leadership in Implementing Quality Improvement", Keynote address: Workshop on Leadership for Local Health Directors, NC Center for Public Health Quality, May 13, 2010.

"Implementing a Matrix Organizational Structure", Organized and presented workshop (along with L. Evarts) to the faculty and staff of the Clinical Studies Coordinating Center, Biostatistics Department, Gillings School of Global Public Health, December 10, 2009.

"Quality Improvement in Public Health: Lessons from Pediatrics". Presented at a Workshop for the Mid-America Regional Public Health Leadership Institute, Indianapolis IN, April, 4, 2004.

"The Distance Learning Engine." Provost Office Symposium on the Transformation of Higher Education through Technology, UNC – Chapel Hill, November 28, 2001.

"Biostatistics, Public Health and the Pharmaceutical Sector" Duke Institute for Learning in Retirement, Duke University, Durham, NC, Feb. 14, 2001.

"Implementation of a Matrix Organizational Structure – Lessons from Industry." Symposium with the Division of Cancer Prevention, National Cancer Institute, Glaxo-Wellcome and Quintiles Transnational, Research Triangle Park, NC, August 15th, 2000.

"Continuous Quality Improvement in Public Health," Presented in a workshop for the Mid-America Regional Public Health Leadership Institute, April, 2000, October 2000.

"Business Trends in Clinical Trials for New Drug Development," Presented at the training session for reviewers at the Food and Drug Administration, Rockville, MD, December, 1999.

"Implementation of a Matrix Organizational Structure," Presented at the Division of Cancer Prevention, National Cancer Institute, Rockville MD, May 1999.

"Contract Research in the Pharmaceutical Industry." Presented at the training session for reviewers at the Food and Drug Administration, Rockville, MD, May, 1998.

Honors

2003	Award for Excellence in Teaching - The Hubert H. Humphrey Fellowship Program
2002	Nominated for Mc Gavran Award for Teaching Excellence, School of Public Health, University of North Carolina at Chapel Hill
2002	Inducted as Legacy Laureate, University of Pittsburgh
1982	Awarded Doctoral Dissertation Grant, National Center for Health Services Research, Washington, D.C.

1977	Awarded Graduate Research Assistantship, Department of Biostatistics, School of Public Health, University of North Carolina at Chapel Hill
1969	Awarded Public Health Service Traineeship, Department of Biostatistics, Graduate School of Public Health, University of Pittsburgh

UNC Teaching Experience

2011	Leadership in Biostatistics (BIOS 844) Co-instructor (75%). Face to face course for BIOS doctoral candidates. Development (Spring/Summer 2011) and Implementation (Fall 2011)
2010-2011	Project Management Strategy & Application (INLS 890/PUBH 690). Hybrid course. Co-instructor (online)/Guest lecturer (face to face). Course Development (2010) and Implementation (2011). Gillings School of Global Public Health and UNC School of Information and Library Science.
2010-Present	Team Leadership in Research Navigation (PUBH 767). Hybrid course (combined online and face to face format). Course Development (2009) and Implementation (2010). Gillings School of Global Public Health and UNC School of Medicine.
2010	Data Skills Online (PUBH 450). Online asynchronous courses taught to MPH students in Public Health Leadership Program, Gillings School of Global Public Health
2008	Seminar series on the Role of Vision and Leadership in Public Health, Southeast Public Health Leadership Institute, Gillings School of Global Public Health
2005 – Present	Project Management Principles and Practices - Quality Project Management (PUBH 247/747) Taught in distance format to masters and doctoral students in the School of Public Health.
2001	Community Assessment Methodology (PUBH 307). Residential Course for Doctoral Fellows in the Public Health Leadership Program.
2000 – 2002	Project Management Seminar (distance format) Taught annually for Management Academy for Public Health.
1999 – 2005	Management Principles and Practices - Quality Project Management (PUBH 247 / HPAA 204). Taught annually in both residential (through 2003) and distance format to masters and doctoral students in the School of Public Health.

1997 – 2004	Doctoral Leadership Seminar – Principles of Leadership in Public Health (PUBH 301,302,303). Residential course co-taught in Fall and Spring and Summer I for Doctoral Fellows in the Public Health Leadership Program.
1997 – 2004	Doctoral Dissertation Seminar (PUBH 395) – Quantitative Methods for Leaders. Residential course taught annually (Summer II) for Doctoral Fellows in the Public Health Leadership Program.
1997 – 2004	Doctoral Dissertation (PUBH 394). Served as committee member or Chair on dissertation committees for Doctoral fellows in the Public Health Leadership Program (jointly with HPAA and MCH departments).
1997 – Present	Master's Paper (PUBH 392). Served as advisor / primary reader on Masters Paper for MPH students in Public Health Leadership Program
1997 – Present	Master's Practicum (PUBH 396). Served as advisor on Masters Practicum for MPH students in Public Health Leadership Program
1997 – Present	Guest lectures in various residential and on line courses in the Department of Health Policy and Administration and Biostatistics Department.
1983 – 1990	Taught Research Methods course and served on dissertation committees for PhD students in Department of Health Policy and Administration.

UNC Student Advising

1997 – Present	Served as adviser and supervisor of Master's paper for over 100 MPH students in the Public Health Leadership Program, UNC School of Public Health
1997 – Present	Served as dissertation adviser/chair or committee member for eleven doctoral candidates in the Leadership DrPH cohort of the Departments of Epidemiology, Health Policy and Administration, and Maternal and Child Health, UNC School of Public Health

UNC Service Activities

2011 – Present	Chair, Admission Committee, Core Public Health Certificate, Public Health Leadership Program, Gillings School of Global Public Health

2011	Member, Revenue Generation Task Force, Gillings School of Global Public Health
2010 – Present	Member, Global Health Advisory Committee, Gillings School of Global Public Health
2010 – Present	Chair, Admission Committee/Faculty Advisory Committee, Online Global Health Certificate, Public Health Leadership Program, Gillings School of Global Public Health
2009	Member, Assessment Committee for Academic Certificate Programs, Gillings School of Global Public Health
2008 – 2009	Chair, Interdisciplinary Promotions Committee, Public Health Leadership Program, Gillings School of Global Public Health
2008	Member, Access Committee, UNC Tomorrow Initiative, Provost Office, UNC Chapel Hill
2008	Member, School of Public Health Naming Events Committee, UNC School of Public Health
2008 – Present	External Advisory Board Member, UNC Center for Infant and Young Child Feeding and Care, Department of Maternal and Child Health, UNC School of Public Health
2007 – Present	Member, Liaison Committee, NCIPH, UNC School of Public Health
2007	Co-chair, Search Committee, Chief Information Officer, Provost Office, UNC Chapel Hill
2006 – 2007	Member, Assessment Committee for NCIPH, UNC School of Public Health
2005 – 2009	Member, Committee of Department Chairs, Gillings School of Global Public Health
2004 – 2006	Member, Partnership Council, Quality in Pediatric Subspecialty Care, UNC School of Public Health, UNC School of Medicine, American Board of Pediatrics, American Academy of Pediatrics.
2003 – 2010	Member, Academic Programs Committee, UNC School of Public Health
2003 – 2006	Member, Policy Board, North Carolina Partnership for Improving Children's Health Care, Department of Pediatrics, UNC School of Medicine

2002 – 2011	Chair, Rachel Stevens Scholarship Committee, UNC School of Public Health
2001 – 2007	Member, Distance Education Steering Committee (campus-wide), UNC Provost Office
2001 – 2002	Served as Acting Associate Dean for Instructional and Information Systems; including serving as school representative on all matters related to Distance Education at both the campus-wide and university-wide level
2001 – 2002	Member, Search Committee, Associate Dean for Administration, UNC School of Public Health
2000 – 2009	Chair, Interdisciplinary Curriculum Committee, Public Health Leadership Program, UNC School of Public Health
2000 – 2009	Member, Dean's Council, UNC School of Public Health
1998 – 2007	Member, Distance Education Steering Committee (school-wide), UNC School of Public Health
1997 – 2006	Consultant, Center for Children's Health Improvement (formerly North Carolina Center for Children's Health Improvement), Department of Pediatrics, UNC School of Medicine
1997 – 2009	Chair, Admissions Committee, Public Health Leadership Program, UNC School of Public Health
1997 –1998	President, Biostatistics Alumni Section, School of Public Health Alumni Association, UNC School of Public Health
1996 –1997	Member, Advisory Board, Interdisciplinary Curriculum in Practice and Leadership, UNC School of Public Health

Other Service Activities

2011	Member, Oral Board Examination Panel of Candidates for Health Director, Orange County Health Department
2011	Reviewer for Journal of Public Health Management and Practice, Special issue on CQI in Public Health.
2007 – Present	Board Member, North Carolina Local Public Health Department Accreditation (NCLHDA) Board, North Carolina Department of Health and Human Services.
2004 – 2006	Board Member, Data Quality Research Institute, Chapel Hill NC.

2004 – 2011	Board Member, Friends of the Tarheel Angels, Durham NC. Led fund raising initiative for successful establishment of Endowed Professorship in UNC School of Medicine
1998 – 2001	Board Member, Water Partners International, Kansas City, MO.
1998	Invited participant in Science Review Symposium for the Electromagnetic Fields Research and Public Information Dissemination Program, National Institute of Environmental Health Sciences, Research Triangle Park, NC.
1997 – Present	Member, Advisory Committee, Harvard Program in Oral Epidemiology, Harvard University, Boston, MA.
1997 – Present	Endowment Member, Educational Foundation, UNC Chapel Hill
1997 – 2004	Trustee, Board of Trustees, National Institute of Statistical Sciences, Research Triangle Park, NC.
1997 – 1999	Member, Scientific Advisory Board, Valence Research, L.L.C., Chicago, IL.
1996 – 1997	Director, Quintiles Transnational Corporation Board of Directors, Research Triangle Park, NC.
