CEPH: We did it!! (With a lot of help)

- Reaccredited for 7 years!
- Add Social and Behavioral Sciences requirement for BSPH students
- More exposure to EPI for some ESE students
- Also some other issues, like paucity of standard procedures across SPH
- Monitoring and metrics now are a way of life.

Vangie Foshee, PhD, MEd
Beth Mayer-Davis, PhD, MS
Gary Rozier, DDS, MPH

**NUTRITION**
Chair - Morris Weinberger, PhD, MS
Gerardo Heiss, MD, PhD, MSc
Sandy Martin, PhD, MSc
Gene Orringer, MD, PhD, MPhil
Fund Raising Results

$24.5M raised:
- 63% in gifts ($4.5M)
- 22% in grants from private foundations and corporations ($20M)

[Image of bar chart and a circle with the text: Raised $24.5M, $4.5M in gifts, $20M in private grants]
Fund Raising Results

This year’s top 3 foci: building debt, scholarships & professorships

Many thanks to the 100 faculty and staff who supported the School in FY2010!
Gillings Gift Investments 2009-2010

- Innovation Labs: 62%
- Visiting Professors & Executive in Residence: 16%
- Strategic Investments: 12%
- Students: 10%
3 New Innovation and Inspiration Awards for SPH Faculty and Staff

- Faculty research
- Faculty teaching
- Staff innovation
Student Diversity for Fall 2010

Note: Race/Ethnicity classifications are derived directly from datasets available with the ERP System, and are highly subject to change during census.
Percentage of Total Class by Race/Ethnicity for Fall 2010

Note: Race/Ethnicity classifications are derived directly from datasets available with the ERP System, and are highly subject to change during census.
Faculty Headcount by Race/Ethnicity

Note: Retired and Phased Retired are not included.
Faculty Headcount by Race/Ethnicity by Percentage for FY2010

- White: 81.5%
- African-American: 5.6%
- Asian: 10.3%
- Hispanic: 2.1%
- Other: 0.4%

Note: Retired and Phased Retired are not included.
Note: Graduate Assistants, Research Assistants and Teaching Assistants are not included.
Staff Headcount by Race/Ethnicity by Percentage for FY2010

78.37% White
10.03% African-American
2.42% American Indian
0.69% Asian
0.35% Hispanic
8.13% Other

Note: Graduate Assistants, Research Assistants and Teaching Assistants are not included.
Our Fellows
Diversity & Inclusion Task Force

- Celebrate diversity and inclusion.
- Identify barriers to diversity and inclusion.
- Recommend action steps.
- Incorporate into overall school plan.
- Implement steps to increase diversity.
- Measure progress.
- Continue efforts.

More than 60 faculty, staff and students volunteered!
1st National Research Council (NRC) rankings since 1995

Study to assess quality and characteristics of research doctorate programs at U.S. institutions
  ✓ Most comprehensive study to date (4,838 doctoral programs in 62 fields)

New methodology is quite different and more robust
  ✓ Will produce estimates of program quality

The world in 2020: Thrift, hard work – and no smoking. What will our lives be like a decade from now?
Diverse, welcoming, tolerant, accepting
Leadership in global solutions

Social justice with global competency

Leadership in global solutions
Balance technology and tradition

More resources to help faculty master new technologies for teaching

Fewer, better degree and non-degree programs
Web 2.0
Engaging students in learning in the 21\textsuperscript{st} century
Use social and interactive media to promote collaboration and creative thinking.
Public and private partnerships are vital to SPH

Carolina Global Water Partnership to develop plan to get clean water in poorer homes
Interdisciplinary

We work in teams across departments.
Over at Edutopia, Clayton M. Christensen and Michael B. Horn take a look at how technology could be the catalyst for an educational shift to one that is student-centered.
