Project Management Institute, since 1996
University of North Carolina at Chapel Hill, General Alumni Association, since 1980
University of North Carolina at Chapel Hill, Gillings School of Global Public Health Alumni Association, since 1989

TEACHING – GRADUATE INSTRUCTION and INVITED LECTURES / WORKSHOPS:

Student Reach	# taught as course faculty instructor	# advised	# mentored
Spring 2005 – Spring 2017	699	77	12

Fall 2016 Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; Grace Nissao: “Tumaini Medical Centre: Review and Evaluation of HIV/AIDS Services Program”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; Kristin Said: “The Right Direction for North Carolina and Paid Maternity Leave”

Faculty Instructor Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Julia Considine, Enhancing Understanding of Healthful Living Standards in North Carolina Middle and High Schools (part 2 of 2).

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; Jennifer Price Lutrell: Communication Plan Development for Member Advisory Group at BCBSNC.

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Kristen Said: Duke University Ergonomics Evaluations.

“PM Practices to Leverage Leadership – ACCLAIM”, Invited training for UNC Healthcare System Leadership Institute, Cohort III, Chapel Hill, NC, November 16, 2016.

“Applying Project Management Principles in Academic Research”, Invited Lecture for Speech and Hearing Sciences ProSems, University of North Carolina at Chapel Hill, October 11, 2016

Guest Instructor, Introduction to Health Organization Leadership, Management, and Behavior HPM 330, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, “Project Management Contemplation & Action”, September 26, 2016.

Lori A. Evarts, MPH PMP CPH, MBTI®

Guest Instructor, Clinical Research Skills I EPID 802, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, "Introduction to Leadership", September 20, 2016.

Summer 2016

Faculty Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Faculty Co-Instructor, The AIDS Course Online, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 725

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Brett Weed, "Outcomes of US Food Regulation: Assessing the Evidence of Public Health Protection"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Brett Weed, Food safety extension project – analysis of food inspections results performed by local health departments in NC to help inform food safety interventions and the behaviors targeted by food safety education programs.

Faculty Instructor Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Julia Considine, Enhancing Understanding of Healthful Living Standards in North Carolina Middle and High Schools (part 1 of 2)

Spring 2016

Faculty Instructor, Project Management: Strategy & Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC: 3-credit hour cross-listed graduate course, PUBH 784

Faculty Co-instructor, Team Leadership in Research Navigation; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 767

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; Kehinde Enola: "Diagnosis of Child Maltreatment: A Family Medicine Physicians' Dilemma"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; Laura Gastrell: "Homelessness Prevention in Lesbian, Gay, Bisexual, and Transgender, and Adolescents"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; Darren Hearn: "Barriers to Wellness Amongst Military Hospital Employees"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; Freiler Thompson: "An Examination of the Causal Relationship between Soft Drink Consumption and Kidney Disease with Policy Suggestions"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Diego Garza, "A Feasibility Study of Retinal Screening Using the RetinaVue 100 Hand-Held (non-mydriatic) Camera in Outpatient Dialysis Centers"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Christie Pettitt-Schieber, "Investigating the Sustainability of Photovoltaic Water Systems in Kenya"

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 696; student: Mary Pyle, "Faith Based Organization Network of Networks Project"

Guest Instructor, Program Assessment in Maternal and Child Health MHCH 712, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, "Help 5c: The Consulting Conundrum", March 31, 2016.

Guest Instructor/Coach, ACCLAIM Scholars, UNC Health System Leadership Institute – Cohort II, University of North Carolina at Chapel Hill, "ACCLAIM Presentation Session", March 23, 2016.

"Using Project Management Principles in Academic Research", Invited Lecture for UNC Network for Research Professionals, Chapel Hill, NC, January 29, 2016.

Students Mentored: Omar Alhudaib, Pooja Jani, Marvin Joel Jennings, Manish Kumar

Fall 2015

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Nancy Brittain Kenney "Public Health's Role in Promoting Literacy to Help Children Become Healthy, Successful Adults".

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Bree Barbeau "HPV Vaccine Uptake in the U.S. and Utah: Predictors and Recommendations".

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Philippe Chedaille, "Implementation of a Smoking Cessation Program at ADATC, Butner, NC"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 4-credit hour graduate course, PUBH 886; student: Deane Quillen, "Intern, Education Team, Nashville CARES"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Barbara Wujciak, "Optometry school loan repayment/forgiveness programs via the re-inclusion of optometrists in the National Health Services Corps"

"Building Leadership and Team Skills", Invited training for Orange County Department of Aging, Project EngAGE Participants, November 12, 2015.

Guest Instructor, Leadership in Biostatistics BIOS 844, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, “Team Leadership, Project Leadership and Project Management”, October 6, 2015.

Guest Instructor, Introduction to Health Organization Leadership, Management, and Behavior HPM 330, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, “Project Management Contemplation & Action”, September 14 2015.

Students Mentored: Omar Alhudaib, Marvin Joel Jennings, Manish Kumar, Mary Pyle, Mike Runyon, Navjyot Vidwan, Dane Warner

Summer 2015

Faculty Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Hallie Ericson Pritchett (topic: using “mixed race” data in research-clinical trial)

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 2-credit hour graduate course, PUBH 696; student: Darren Hearn, Field Practicum completion

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Maria Jimenez, “Access to Community Resources in Disadvantaged Areas and its Impact on Hospital Readmission in Cardiovascular Disease Patients”

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Grace Nissao, “Blood Water Mission, Kenya”

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Laura Gastrell, “Granville-Vance District Health Department”

Spring 2015

Faculty Instructor, Project Management: Strategy & Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC: 3-credit hour cross-listed graduate course, PUBH 784

Faculty Co-instructor, Team Leadership in Research Navigation; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 767

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Barbara Wujciak “A Vision for Optometry in The National Health Service Corps”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit

hour graduate course, PUBH 992; MPH student: Philippe Chedaille “Summary of Existing Data Supporting the Use of Baclofen in the Treatment of Alcohol Use Disorder”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Emily George Nicholson “Improving Health Workers’ Ability to Provide Good Quality of Care: What do they believe would be most helpful? A secondary analysis of responses to the Health Worker Interview Questionnaire included in the 2009 Namibia Health Facility Census and the 2010 Kenya Service Provision Assessment survey”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Deane Quillen “Reducing the Burden of Prescription Opioid Abuse in Eastern Kentucky by Improving Florida’s Prescription Drug Monitoring Program”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: HanFu Shi “Exploring Opportunities for Chinese Citizens Educated Outside of China’s Higher Education System: The China Center for Disease Control and Prevention Example”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Barbara Wujciak “A Vision for Optometry in The National Health Service Corps”

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Kehinde Eniola, “Improving Blood Donor Recruitment and Retention at the American Red Cross Greensboro, NC”

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Brittany White, organization: the NC Affiliate of American College of Nurse-Midwives

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 696; student: Mary Pyle, “Faith Based Organization Network of Networks Project”

Guest Instructor/Coach, ACCLAIM Scholars, UNC Health System Leadership Institute – Cohort II, University of North Carolina at Chapel Hill, “ACCLAIM Presentation Session”, March 17, 2015 and April 7, 2015

Students Mentored: Omar Alhudaib, Pooja Jani, Marvin Joel Jennings, Manish Kumar

Fall 2014

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Nancy Brittain Kenney “Public Health’s Role in Promoting Literacy to Help Children Become Healthy, Successful Adults”.

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Bree Barbeau “HPV Vaccine Uptake in the U.S. and Utah: Predictors and Recommendations”.

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Philippe Chedaille, "Implementation of a Smoking Cessation Program at ADATC, Butner, NC"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 4-credit hour graduate course, PUBH 886; student: Deane Quillen, "Intern, Education Team, Nashville CARES"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Barbara Wujciak, "Optometry school loan repayment/forgiveness programs via the re-inclusion of optometrists in the National Health Services Corps"

"PM Practices to Leverage Leadership – ACCLAIM", Invited training for UNC Healthcare System Leadership Institute, Cohort III, Chapel Hill, NC, November 11, 2014.

"Working with Interdisciplinary Teams: Application to Researchers in an Academic Environment", Invited seminar for UNC School of Nursing Fall 2014 Seminar Series; October 1, 2014.

Guest Instructor, Introduction to Health Organization Leadership, Management, and Behavior HPM 330, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, "Project Management Workshop", September 9, 2014.

Students Mentored: Omar Alhudaib, Marvin Joel Jennings, Manish Kumar, Bianca Patel, Mary Pyle

Summer 2014

Faculty Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Heather Helms (*working title* "Public health programs: strategies and planning for sustainability addressing the challenges with public cord blood banking")

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Brook McCall (*working title* "A program plan for health knowledge, attitudes, and practices for equal standards of care in hospital settings for those with chronic physical disabilities")

Students Mentored: Omar Alhudaib, Marvin Joel Jennings, Manish Kumar, Bianca Patel, Mary Pyle

Spring 2014

Faculty Instructor, Project Management: Strategy & Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC: 3-credit hour cross-listed graduate course, PUBH 784

Faculty Co-instructor, Team Leadership in Research Navigation; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 767

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Barbara Hocevar Kalkas "A Framework for Improving Workplace Wellness Programs Through Implementation of a Health Program Planning Model"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Bonnie R. Lesko "Genetically Modified Salmon Controversies in the United States: Does the Current Regulatory Paradigm Address all the Issues?"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Brook McCall "ACE Community-Based Program to Increase Health Knowledge, Change Attitudes, and the Delivery Process of Medical Care by Providing Universally Accessible Healthcare Equipment for Those with Physical Disabilities"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Spencer Lindgren "An Integrated Approach to Community Care: Stay Up and Active in Orange County" and Poster Presentation "Falls Prevention Program for a High Risk Population", March 21, 2014

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Adam Lee Turner "Mobile Technology as an Optimal Method for Assisting in the Management of Diabetic Patients in Kenya"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: HanFu Shi, "Great Experience at Chinese Center for Disease Control and Prevention"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Heather Helm, "Public Cord Bank Strategic Planning Effort"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Hallie Evenstar Ericson Pritchett, "Idaho Public Health Association Legislative Policy Internship"

Guest Instructor/Coach, ACCLAIM Scholars, UNC Health System Leadership Institute – Cohort I, University of North Carolina at Chapel Hill, "ACCLAIM Presentation Session", April 28, 2014

"Working with Interdisciplinary Teams: Application to Researchers in an Academic Environment", Invited training for The North Carolina Translational and Clinical Sciences (NC TraCS) Institute, Team Science Series, March 14, 2014

Guest Instructor, Program Assessment in Maternal and Child Health MHCH 712, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, "Help 5¢: The Consulting Conundrum", February 10, 2014

Students Mentored: Omar Alhudaib, Marvin Joel Jennings, Manish Kumar, Mary Pyle

Fall 2013

Faculty Co-instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Chigozie Ekpe "Engaging Men in Eliminating Mother to Child Transmission (EMTCT) of HIV in Sub-Saharan Africa"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Spencer Lindgren, "Stay Up and Active Community Program"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Brittain Nicholson Kenney, "Literacy Builds Health"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Emily George Nicholson, "Honduran Health Alliance (HHA) Public Health Leader"

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 690; student: HanFu Shi – complete each of the Research Basics tutorials, supplemented with weekly meetings to prepare for and conduct a formal literature review and define topic to pursue for Practicum and Master's Paper – Comparison of Chinese and US CDC. Fall 2013 - Summer I 2014

Master's Paper 2nd Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Zinaida Mahmutefendic "Let's Talk About It" Mobile Application for Teen Pregnancy and STI Prevention: mHealth Implementation Plan"

"PM Practices to Leverage Leadership – ACCLAIM", Invited training for UNC Healthcare System Leadership Institute, Cohort II, Chapel Hill, NC, December 2, 2013

Guest Instructor, Leadership in Biostatistics BIOS 844, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, "Conflict Management", November 18, 2013

Guest Instructor, Leadership in Biostatistics BIOS 844, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, "Team Leadership, Project Leadership & Project Management", October 4, 2013

"Creating Successful Change: How to Lead QI Efforts in Your Organization", Invited training for Center for Public Health Quality, North Carolina Division of Public Health, Quality Improvement 101 Program; September 27, 2013

Summer 2013

Faculty Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North

Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Ann Hallyburton "Gender and Online Health Information Seeking Analysis"

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Bonnie Lesko – literature search and systematic review on genetically engineered foods

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Barbara Hocevar Kalkas, "Let's Move Virginia Beach; Community Garden Project: *Plant It! Grow It! Eat It!*"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Adam Turner, "Creation of Pilot Study to Reduce Re-Hospitalizations After Discharge"

"Project Management 101: Fundamentals, Follies and Formulas for Success", Invited training for Maternal and Child Health Public Health Leadership Institute, University of North Carolina, Chapel Hill; May 22, 2013

Spring 2013

Faculty Instructor, Project Management: Strategy & Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC: 3-credit hour cross-listed graduate course, PUBH 784

Faculty Co-instructor, Team Leadership in Research Navigation; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 767

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 2-credit hours graduate course, PUBH 690; student: Ann Hallyburton – conduct systematic review of health information finding and usage, prepare poster "Relationships Between Gender and Online Health Information Seeking: A Meta-analysis of Large US Surveys" for presentation at The Institute for Healthcare Advancement's 12th Annual Health Literacy Conference: "Operational Solutions to Low Health Literacy" on May 9, 2013

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Chigozie Ekpe, "Internship at the Permanent Mission of the Federal Republic of Nigeria to the United Nations"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Brook McCall, "Access and Functional Needs Awareness: Creating Equal Opportunities in Emergency Planning"

Guest Instructor/Coach, ACCLAIM Scholars, UNC Health System Leadership Institute – Cohort I, University of North Carolina at Chapel Hill, "ACCLAIM Presentation Session", May 8, 2013

Guest Instructor, Clinical Research and Professional Development Seminar EPID 896, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, "Project Management 101", March 1, 2013

Guest Instructor, Program Assessment in Maternal and Child Health MHCH 712, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, "Help 5c: The Consulting Conundrum", February 18, 2013

Guest Instructor, Health Operations Management HPM 738, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, "Project Management 101 for HPM 738", January 24, 2013

Fall 2012

Faculty 2nd instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Allison Walker Rice "A Public Health Leadership Opportunity: Implementation of Worksite Wellness Programs to Maximize Return on Investment in Small Businesses"

Guest Instructor, ACCLAIM Scholars, UNC Health System Leadership Institute – Cohort I, University of North Carolina at Chapel Hill, "Project Management 101", December 5th and 10th, 2012

Summer 2012

Faculty Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Ann Hallyburton, "Analysis of College Student Health Data"

"Operational Leadership Academy 2012: Systems Thinking – Time and Project Management", Invited workshop for UNC HealthCare, College of Leadership Excellence, Chapel Hill, North Carolina; June 13, 2012

"Project Management 101: Fundamentals, Follies and Formulas for Success", Invited training for Maternal and Child Health Public Health Leadership Institute, University of North Carolina, Chapel Hill; May 23, 2012

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Yvonne Greene "Newborn Screening for Hemoglobinopathies in North Carolina: Analysis of Follow-up Care"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Andrea Orben "Dipping tobacco in the New England boarding school environment"

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Allison Rice – literature search and review on employee-wellness initiatives, stress reduction

“Project Management 101: Looking deeper into successfully leading and managing complexity”, Invited training for Maternal and Child Health Public Health Leadership Institute, University of North Carolina, Chapel Hill; July 31, 2012

Spring 2012

Faculty Instructor, Project Management: Strategy & Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour cross-listed graduate course, PUBH 784

Faculty Co-instructor, Team Leadership in Research Navigation; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 767

Faculty 2nd instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

“Project Management 101: Looking deeper into successfully leading and managing complexity”, Invited training for Maternal and Child Health Public Health Leadership Institute, University of North Carolina, Chapel Hill; January 19, 2012.

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Liesl Page-Shipp “TB/HIV integration at primary care level: A quantitative assessment at three clinics in Johannesburg, South Africa”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Bethany Burgon “The Division of Health Service Regulation as an Eligible Entity Reporting to the Data Bank”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Sarah Eber “Potential impact of health literacy on readmission rates, health outcomes, and implications for public health practice”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Jessica Ford “The Foundations for the Ethical Conduct of Placebo-Controlled Pediatric Trials: Kenya’s Progress Exemplified”

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Allison Rice – Development of workplace wellness resources with a particular focus on stress at the National Bone Marrow Program

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Bonnie Lesko – Support to WIC parents via guided shopping tours (mini grant application through program implementation and assessment)

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Darren Hearn – Process improvement: Is there a correlation between scores on the Functional Movement Screen (FMS) and musculoskeletal injuries in a combat theater?

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Sara Eber – a review of health education research re: health literacy and patient outcomes to identify outcomes and methods related to health literacy interventions in community, hospital, and primary care settings, and for other proven processes and methodologies to reduce readmissions, improved health outcomes, or increased patient satisfaction

Students mentored: Heidi Harkins

Fall 2011

“Essential Communication Systems for Project Teams”, Invited training for Maternal and Child Health Public Health Leadership Institute, University of North Carolina, Chapel Hill, August 4, 2011

“Operational Leadership Academy: Systems Thinking – Time and Project Management”, Invited workshop for UNC HealthCare, Chapel Hill, North Carolina; September 29, 2011

“Project Management 101: Honing Communication Skills”, Invited training for Maternal and Child Health Public Health Leadership Institute, University of North Carolina, Chapel Hill; October 13, 2011

“Team Leadership, Project Leadership and Project Management”, Guest lecture for BIOS 844 – Leadership in Biostatistics, University of North Carolina, Chapel Hill; October 17, 2011

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Sara Crocoll, “Taking Control of the Zombie Epidemic: Immunizing the Public through Infectious Disease & Emergency Preparedness Public Health Entertainment“

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Sara Crocoll -- An Expanded Survey of Nutrition and Exercise Programs

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Yvonne Greene – Secondary data analysis of the optimal follow up of care for newborns with hemoglobinopathies in North Carolina

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 2-credit hours graduate course, PUBH 690; student: Bonnie Lesko – readings pertaining to and summary of the basics of grant writing for a local public health department

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Jessica Ford – literature search basics to explore

publications concerning ethics and the conduct of placebo-controlled clinical trials in resource poor settings

Students mentored: Heidi Harkins

Summer 2011

Faculty Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Yvonne Greene – abnormal hemoglobin screening to identify, treat and follow-up newborns with sickle cell

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Sarah Eber – Increasing primary case access for rural Missourians: Distance limitations for advanced practice nurses and physician assistants in collaborative practice agreements

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Ann Hallyburton – Analysis of college student health data

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Andrea Orben – NC Public Health Leaders in Practice at the Henderson County Health Department

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Jessica Clark Ford – assessing the dissemination of a colorectal cancer screening toolkit to Community Health Centers across North Carolina

“Project Management 101: Fundamentals, Follies and Formulas for Success”, Invited training for Maternal and Child Health Public Health Leadership Institute, University of North Carolina, Chapel Hill; May 26, 2011

Students mentored: Heidi Harkins

Spring 2011

Faculty Lead Instructor and developer, Project Management: Strategy & Practice; offered via School of Information and Library Science and the Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC: 3-credit hour cross-listed graduate course, INLS 890.180/PUBH 690.009

Faculty Co-instructor, Team Leadership in Research Navigation; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 767

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Jamie Berg – reorganization of local health departments

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit

hour graduate course, PUBH 992; MPH student: Jessica Sayers Barker, "Policy Implications for Access to Remote Monitoring and Consultation in Healthcare"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Samuel Bell, "The HPV Vaccination Debate"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Jamie Berg, "Considering Consolidation to Build Stronger Local Health Departments"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Katharine DeBurgh, "Satellite Syringe Exchange: An approach incorporating harm reduction within harm reduction"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Michelle Robinson, "Shifting Tasks to Community Health Workers in South Africa: How Does National Policy Align with International Guidelines"

"Project Management 101: Looking deeper into successfully leading and managing complexity", Invited training for Maternal and Child Health Public Health Leadership Institute, University of North Carolina, Chapel Hill; January 13, 2011.

Students mentored: Megan Popielarczyk, Monica Schmidt

Fall 2010

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; students: Katharine DeBurgh, Zenovia Wright – Exploration of the 100 foot rule on needle exchange programs; student: Jessica Sayers Barker – Implications of the HITECH Act and telehealth

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Jamie Lynn Berg – Quality improvement in a local public health department

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Katharine DeBurgh – Syringe Exchange in Yolo County, California

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 4-credit hour graduate course, PUBH 886; student: Liesl Page-Shipp, Development of quality improvement skills in relation to NIH funded TB and HIV universal testing program in primary care study in South Africa

"Operational Leadership Academy: Project Management", Invited workshop for UNC HealthCare, Chapel Hill, North Carolina; September 14, 2010.

Students mentored: Megan Popielarczyk, Monica Schmidt

Lori A. Evarts, MPH PMP CPH, MBTI®

Summer 2010

Faculty Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Kirsten Durzy, "Bridging the Gap: The Tribal Community Health Representative Program as a Model for Care: Lessons Learned and Implications for Replication With sub-Saharan African Refugee Communities in Manchester, New Hampshire"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 4-credit hour graduate course, PUBH 886; student: Michelle Robinson, Healthy Schools Program with the North Carolina Department of Health and Human Services

Students mentored: Megan Popielarczyk, Monica Schmidt

Spring 2010

Faculty Co-instructor, Team Leadership in Research Navigation; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 767

"Project Management 101", Invited training for Maternal and Child Health Public Health Leadership Institute, University of North Carolina, Chapel Hill; May 26, 2010

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Kathy Abode, "Evaluation of a Comprehensive Discharge Planning Program for Young Children with Newly Placed Tracheostomy Tubes"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Jason Blevins, "Importance of Immunizations and Immunization Registries"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Humberto Carvalho, "Situation analysis and review of data on influenza illness in Vietnam"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Joanne Gonwa, "A Community's Response to Infant Mortality: Forsyth County, North Carolina"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Mitch Herndon, "Human Papillomavirus in the United States: What Males Need to Know?"

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Karen Maddox, "Evaluating the Present and Future Role of Faith-based Organizations in Improving Underserved Communities in the U.S."

Students mentored: Megan Popielarczyk, Monica Schmidt

Fall 2009

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 690; student: Megan Popielarczyk – Public Health Project Management and Best Practices

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Jason Blevins – examination of pediatric immunization registries

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Michelle Robinson - Creating Opportunities for Community Advancement (COCA) program evaluation plan

Master's Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Anubha Singh, "Tuberculosis trends and recommendations: Disproportionate decline of tuberculosis in United States populations and recommendations to eliminate these disparities"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Kirsten Durzy, "Team management in the development of the Integrated Epidemiological Profile for HIV services for the state of New Hampshire"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Jessica Sayers Barker, "Determining HCBS Rate Setting Methodologies: American Network of Community Options and Resources (ANCOR)"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Humberto Carvalho, "Patient Satisfaction with Medicated Assisted Therapy in Vietnam"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Joanne Gonwa, "Effects of Maternal Health Role Modeling, Education, and SES on Health Habits Adopted by Adolescents"

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Karen Maddox, "Public Health Programming in a Non-Profit Faith-Based Organization"

Students mentored: Megan Popielarczyk, Monica Schmidt

Summer 2009

Faculty Co-instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour

graduate course, PUBH 690; student: Jeffrey Mitch Herndon – examination of HPV and cervical cancer

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Anubha Singh – examination of tuberculosis rates since 1993 to explore decrease and the disproportionate decline in various US populations

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Humberto Carvalho – examination of surveillance systems for bird flu in Vietnam

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Kathy Abode, “Quality improvement 101: A toolbox for improvement”

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Anubha Singh, “*Clostridium difficile* Infection (CDI) management and prevention at Emory Johns Creek Hospital (EJCH)”

Students mentored: Megan Popielarczyk, Monica Schmidt

Spring 2009

Faculty Lead Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747

Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Jeffrey Mitchell Herndon, “Human papillomavirus & cervical cancer: Are educational efforts needed for males?”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Khaula Baloch, “Designing and validating a stress questionnaire on informal caregivers: Baseline data from telephone interviews with caregivers from the Family Caregiver Support Program at the Durham Council for Senior Citizens”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Sandra Ruth Brady, “ Under construction: Micro-finance architecture and public health benefits”

Master’s Paper Adviser and 1st Reader; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 992; MPH student: Charles Muiruri, “Enhancing research administration in low- and middle-income countries (LMICs): Research administrators hub in Eastern Africa”

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Charles Muiruri “Proposal for the establishment of the Association of African Research Administrators (AARA)”, supplement to NIH Fogarty

Lori A. Evarts, MPH PMP CPH, MBTI®

International Center Grant Award to Duke University (Dr. John Hamilton, PI); Proposal was funded, \$107,499 total budget for period of Sep 22, 2008 – May 31, 2009

Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 2-credit hour graduate course, PUBH 690; student: Sandra Ruth Brady “Development of a Health Communications Plan”

Students mentored: Megan Popielarczyk, Monica Schmidt

- Fall 2008 Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Samuel F. Bell “The HPV Vaccination Debate”
- Summer 2008 Faculty Lead Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747
- Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Khaula Baloch “Assessment of Caregiver Program”, at the Council for Senior Citizens, Durham, NC
- Spring 2008 Faculty Co-instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747
- Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Sandy Brady “Family Planning Resource Package”, at Family Health International, RTP, NC
- Fall 2007 Faculty Instructor, Field Practicum in Public Health; Public Health Leadership Program; Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 886; student: Charles Muiruri “Formation of a community directed health commission”, at the El Kilombo Intergaláctico community center, Durham, NC
- Faculty Instructor, Special Studies; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 1-credit hour graduate course, PUBH 690; student: Mariama McNeil, “Public Health Practitioners and the Project Management Certification Exam”
- Students mentored: Megan Esporas
- Summer 2007 Faculty Lead Instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747
- Spring 2007 Faculty Co-instructor, Project Management Principles and Practice; Public Health Leadership Program, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 747 (formerly PUBH 247)
- Summer 2006 Faculty Lead Instructor, Project Management Principles and Practice; Public Health Leadership Program, School of Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 247
- Spring 2006 Faculty Co-instructor, Project Management Principles and Practice; Public Health

Lori A. Evarts, MPH PMP CPH, MBTI®

Leadership Program, School of Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 247

Spring & Summer 2005 Faculty Peer review of Project Management Principles and Practice; Public Health Leadership Program, School of Public Health, University of North Carolina at Chapel Hill, NC; 3-credit hour graduate course, PUBH 247

2000 – 2005 Director, Quintiles University, School of Project Management:

- Global Project Management Curriculum Committee (courseware development, delivery, train-the-trainer, and courseware improvement)
- Project Management Audio Distance Learning (ADL) Curriculum development, delivery and courseware improvement/maintenance
- Global Project Management Self Study Curriculum development and courseware improvement/maintenance
- Global Corporate Project Management Institute (PMI) Registered Education Provider (R.E.P.) status; enabled certified Project Management Professionals (PMP) to earn continuing education credits

2000 Dotson, Maria Mele and Evarts, Lori A., “Matrix Management” Invited training developed and provided to the National Cancer Institute, Division of Cancer Prevention Retreat, Gaithersburg, MD, October 18, 2000.

1997 – 2000 “Project Management Leadership” – monthly topics in support of corporate reorganization and Quintiles Americas Senior Management Team – internal training provided at Quintiles, Inc.

1996 – 1997 “World-wide Project Manager Training” – internal 3-day annual training course provided at Quintiles, Inc.

1995 – 1999 “Quintiles Project Manager Training” – internal 3-day semi-annual training course provided at Quintiles, Inc.

1993 “Annotated Report Outline (Quality Action Team Implementation)” – internal training provided at Quintiles, Inc.

1991 - 1993 “Statistical Operations Team Members Responsibilities” – internal semi-annual training module provided at Quintiles, Inc.

1990 “Integration of Data Cleaning and Query Specifications (Quality Action Team Implementation)” – internal training provided at Quintiles, Inc.

1988 – 1993 “Research Data Quality Control Department” – internal semi-annual training module provided at Quintiles, Inc.

1988 – 1993 “Quality Control Audits – Purpose and Interpretation” – internal quarterly training module provided at Quintiles, Inc.

1985 “Personal Computer Implementation for Statistical Services Department” – internal training provided at Blue Cross & Blue Shield, North Carolina

FACULTY ENGAGEMENT – COMMITTEES & SERVICE:

Gillings School of Global Public Health Delta Omega Committee, one of two UNC SAFO (Student Activities Fund Officer) responsible officials, September 2015 to **present**

Lori A. Evarts, MPH PMP CPH, MBTI®

Public Health Leadership Program Faculty Search Committee Chair (1 clinical faculty & 1 research faculty), University of North Carolina at Chapel Hill, Gillings School of Global Public Health, May 2016 to **present**

National Board of Public Health Examiners (NBPHE), Mapping CPH Exam Items Project, December 2015 to March 2016

Gillings School of Global Public Health Delta Omega Committee, Public Health Leadership Program faculty representative, December 2015 to **present**

Public Health Leadership Program Faculty and Staff Handbook Committee, University of North Carolina at Chapel Hill, Gillings School of Global Public Health, June 2015 to **present**

Public Health Leadership Program Director Review Committee Member and PHLP Liaison, University of North Carolina at Chapel Hill, Gillings School of Global Public Health, April 2015 to August 2015

Gillings School of Global Public Health's 2017 Council on Education for Public Health (CEPH) Self Study Report Team, Master's Programs Committee, Admissions Practices Committee, Distance Education Committee, University of North Carolina at Chapel Hill, Gillings School of Global Public Health, March 2015 to **present**
