Public Health Nursing/Occupational Health Nursing Application Supplement Form*

Application Supplement Instructions

Admission to Public Health Nursing/Occupational Health Nursing is limited; therefore we encourage you to begin the application process as soon as possible. We look forward to your application.

*Fieldwork is required in the program. If your fieldwork requires nursing interventions or directly influencing nursing interventions, you will need a valid RN license in the state you do your practicum. For North Carolina licensure information, please contact:

North Carolina Board of Nursing
PO Box 2129
Raleigh, NC 27602
