

Name	Graduation Yr.	Minor Area	First Position	Current Position	Dissertation
Akazawa, Manabu	2007	Decision Science	Steven M. Teutsch Prevention Effectiveness Fellowship, National Center for Injury Prevention and Control, Centers for Disease Control and Prevention	Professor, Department of Public Health and Epidemiology, Meiji Pharmaceutical University (Japan)	Economic evaluation of treating chronic obstructive pulmonary disease: The effects of early initiation of inhaled corticosteroids on exacerbation risks, utilization and costs
Lin, Pei-Jung	2008	Decision Science	Post-doctoral Fellow, Department of Pharmaceutical Health Services Research, School of Pharmacy, University of Maryland	Project Director, Center for the Evaluation of Value and Risk in Health, Institute for Clinical Research and Health Policy Studies; Associate Professor, Tufts University School of Medicine	Predictive modeling of health care expenditures for Medicare beneficiaries with Alzheimer's disease
Wheeler, Stephanie	2010	Decision Science	Assistant Professor, Department of Health Policy and Management, Gillings School of Global Public Health, UNC--Chapel Hill	Associate Professor, Department of Health Policy and Management, Gillings School of Global Public Health, UNC--Chapel Hill	A closer look: Health services structure and organization, health disparities, and receipt of high quality breast cancer treatment
Ku, Li-Jung Elizabeth	2011	Decision Science	Institute of Gerontology, College of Medicine, National Cheng Kung University (Taiwan)	Assistant Professor, Department of Public Health, College of Medicine, National Cheng Kung University (Taiwan)	The health impact of caring for grandchildren on grandparent caregivers: A longitudinal study in Taiwan
Trantham, Laurel Clayton	2012	Decision Science	Associate Informatics Scientist, Blue Cross/Blue Shield of North Carolina	Senior Health Outcomes Scientist, RTI Health Solutions	PSA surveillance following radical prostatectomy: What we know and why it matters
Beadles, Christopher	2013	Decision Science	Post-doctoral Fellow, Center for Health Services Research in Primary Care, Durham Veterans Affairs Medical Center	Senior Research Public Health Analyst, Health Care Quality and Outcomes Center, RTI International	Effect of policy and practice changes on oral anticoagulation use in North Carolina
Federspiel, Jeffrey	2013	Decision Science	Student, School of Medicine, UNC-Chapel Hill	OB/GYN Resident Physician, Johns Hopkins Hospital	Observational methods of cardiovascular outcomes research
Chirovsky, Diana	2014	Decision Science	Associate Director, Global Health Outcomes, Oncology, Merck and Co., Inc.	Director, Global Outcomes Research, Oncology, Merck and Co., Inc.	Comparative effectiveness of surveillance and current treatment approaches for the detection and management of hepatocellular carcinoma in East Asia
Gillen, Emily	2015	Decision Science	Clinical Informatics Scientist, Blue Cross/Blue Shield of North Carolina	Research Economist, RTI International	Determinants and effects of plan selection in the non-group health insurance market
Durham, Todd	2016	Decision Science	Director, Biostatistics, Real-World and Late Phase Research, IQVIA; President & Statistical Consultant, Durham Statistical Consulting, LLC	Director, Biostatistics, Real-World and Late Phase Research, IQVIA; President & Statistical Consultant, Durham Statistical Consulting, LLC	Can novel competing risks prediction models improve population health in adults with newly diagnosed atrial fibrillation?

Rim, Sun Hee	2016	Decision Science	Epidemiologist & Health Services Researcher, Epidemiology and Applied Research Branch, Division of Cancer Prevention and Control, Centers for Disease Control and Prevention	Epidemiologist & Health Services Researcher, Epidemiology and Applied Research Branch, Division of Cancer Prevention and Control, Centers for Disease Control and Prevention	Ovarian cancer treatment decisions: Accessing gynecologic oncology care
Coles, Theresa	2017	Decision Sciences/Outcomes Research	Director, Patient-Centered Outcomes Assessment, RTI Health Solutions	Director, Patient-Centered Outcomes Assessment, RTI Health Solutions	Sleep disturbance in individuals diagnosed with colorectal cancer: Factors associated with sleep disturbance and changes in sleep disturbance
Jarmul, Jamie Bell	2017	Decision Sciences/Outcomes Research	Resident, School of Medicine, UNC--Chapel Hill	Resident, School of Medicine, UNC--Chapel Hill	The clinical utility and cost-effectiveness of cardiovascular genetic risk testing for targeting statin therapy in the primary prevention of atherosclerotic cardiovascular disease
Pinheiro, Laura	2017	Decision Sciences/Outcomes Research	Assistant Professor of Health Services Research in Medicine, Weill Cornell Medicine, Cornell University	Assistant Professor of Health Services Research in Medicine, Weill Cornell Medicine, Cornell University	Predicting health-related quality of life changes and endocrine therapy under-utilization in breast cancer
Winn, Aaron	2017	Decision Science/Outcomes Research	Assistant Professor, Pharmacy Administration, Department of Clinical Sciences, Medical College of Wisconsin Pharmacy School	Assistant Professor, Pharmacy Administration, Department of Clinical Sciences, Medical College of Wisconsin Pharmacy School	The impact of market structure on oncology care
Georgieva, Mihaela	2018	Decision Science/Outcomes Research			Appropriate use and value of surveillance among Medicare patients with non-muscle-invasive bladder cancer
Karmali, Ruchir	2018	Decision Science/Outcomes Research			Running out of options: Is the supply of non-pharmacologic pain management providers linked to opioid use?
Kaufman, Brystana	2018	Decision Science/Outcomes Research			Impacts of the Medicare Shared Savings Program on utilization, clinical outcomes and quality of end-of-life care: Findings from Get With the Guidelines--Stroke Registry
Link Anderson, Seri	2018	Decision Science/Outcomes Research			The cost-effectiveness of improved communication of pregnancy risk and contraceptive information
Schaffer, Elisabeth	2018	Decision Science/Outcomes Research			

Zhu, Ye (Julia)	2018	Decision Science/Outcomes Research			Outcomes following hospital discharge: The roles of post-acute care pathway and patient socioeconomic status
Bian, John	2003	Economics	Assistant Professor of Preventative Medicine, University of Alabama at Birmingham	Associate Professor of Clinical Pharmacy and Outcomes Sciences, South Carolina College of Pharmacy, University of South Carolina	Impacts of Medicare HMO penetration on utilization and health outcomes of stroke care
Hodlewsky Konetzka, Rita Tamara	2003	Economics	Post-doctoral Fellow, Philadelphia Veterans Affairs Medical Center	Associate Professor of Health Services Research, Department of Public Health Sciences, University of Chicago	Effects of Medicare payment changes on quality of care and access to care in skilled nursing facilities
Yang, Zhou	2003	Economics	Assistant Professor of Medicine, Michigan State University	Assistant Professor of Health Policy and Management, Rollins School of Public Health, Emory University	The relationship between utilization of outpatient prescription drugs and inpatient care by Medicare beneficiaries
Johri, Nalin	2004	Economics	Senior Research Associate, François-Xavier Bagnoud Center, Rutgers School of Nursing, Rutgers University	Assistant Professor of Healthcare Administration, School of Health and Medical Sciences, Seton Hall University	Effect of integrated program design on child health inputs and outcomes: Estimates from a nutrition and health program in India
Kwong, Jacqueline	2004	Economics	Health Outcomes Manager, GlaxoSmithKline	Executive Director, Health Economics & Outcomes Research, Daiichi Sankyo, Inc.	Effect of advertising on market competition in the pharmaceutical market
Chung, Sukyung	2005	Economics	Post-Doctoral Fellow, Philip R. Lee Institute for Health Policy Studies, University of California at San Francisco	Assistant Scientist, Health Policy Research, Palo Alto Medical Foundation Research Institute	Retirement and obesity among the near elderly
Gonzalez Morganti, Kristine	2005	Economics	Senior Consultant for Strategy and Operations, Deloitte Touche Tohmatsu Consulting	Associate Health Policy Researcher, RAND Corporation	The effect of health insurance on health care utilization in Mexico
Wang, Hua	2005	Economics	Associate Service Fellow, National Center for Health Statistics	Research Associate, Department of Policy Analysis and Management, College of Human Ecology, Cornell University	The effects of the State Children's Health Insurance Program on health insurance coverage and access to care
Xie, Jipan	2005	Economics	Health Services Researcher, Division for Heart Disease and Stroke Prevention, Centers for Disease Control and Prevention	Vice President, Analysis Group, Inc.	Effects of fertility change and son preference on intergenerational support for Chinese elders
Yi, Deokhee	2005	Economics	Research Fellow, Health Economics Research Unit, Institute of Applied Health Sciences, University of Aberdeen (Scotland)	Health Economist, Department of Palliative Care, Policy and Rehabilitation, Cicely Saunders Institute, King's College London	Effect of health on changing labor outcomes in transition China

Dunlap, Laura	2006	Economics	Research Economist, RTI International	Senior Director, Behavioral Health Services, Policy and Economics Research, RTI International	The relationship between health insurance characteristics and the use of behavioral health treatment services
Han, Euna	2006	Economics	Post-doctoral Fellow, Department of Nutrition, UNC-Chapel Hill	Associate Professor, Department of Pharmacy, Yonsei University (South Korea)	The effect of obesity on labor market outcomes
Priez Weaver, France	2006	Economics	Post-Doctoral Scholar, Center for Health Care Policy and Research, Pennsylvania State University	Assistant Professor, Health Services Administration, Xavier University	The effect of proximity to death on long-term care use
Kim, Jinkyung	2007	Economics	Research Fellow, Graduate School of Public Health, Yonsei University (South Korea)	Associate Professor, Department of Hospital Administration and Management, College of Medical Science, Konyang University (South Korea)	Transportation brokerage services and Medicaid beneficiaries' access to care
Ma, Ke-Zong (Michelle)	2007	Economics	Assistant Professor of Health Economics, Graduate Institute of Healthcare Administration, Kaohsiung Medical University (Taiwan)	Unknown	Fertility rate, use of cesarean delivery, and the role of information gap: Evidence from Taiwan
Park, Jeongyoung	2007	Economics	Post-doctoral Researcher, Division of General Internal Medicine, University of Pennsylvania	Assistant Professor, School of Nursing, George Washington University	The effects of state minimum staffing standards on staffing, quality of care, and financial performance in nursing homes
Yoon, Jangho	2007	Economics	Post-doctoral Fellow, National Institute of Mental Health Mental Health Economics, University of California, Berkeley	Associate Professor of Health Policy, School of Social and Behavioral Health Sciences, College of Public Health and Human Sciences, Oregon State University	The effects of reductions in public psychiatric hospital beds on crime, arrests, and jail detentions of severely mentally ill persons
Ng, Shu Wen	2009	Economics	Research Assistant Professor of Nutrition, Gillings School of Global Public Health, UNC-Chapel Hill	Associate Professor, Department of Nutrition, Gillings School of Global Public Health, UNC--Chapel Hill	Understanding changes in diet, physical activity and weight among adults in China
Rajan, Suja	2009	Economics	Assistant Professor, College of Pharmacy, University of Houston	Associate Professor, Department of Management, Policy & Community Health, School of Public Health, University of Texas Health Science Center at Houston	Effects of primary prophylaxis of neutropenia on outcomes, utilization and expenditures for elderly breast cancer patients receiving chemotherapy
Stewart, Scott	2009	Economics	Senior Technical Advisor, Office of HIV/AIDS, United States Agency for International Development (USAID)	Senior Health Economist, United States Agency for International Development (USAID)	Orphans, poverty and human capital in sub-Saharan Africa
Lee, I-Heng	2010	Economics	Research Fellow, Program in Health Services and Systems Research, Duke-NUS Graduate Medical School (Singapore)	Associate Director of Medical Affairs, Health Economics and Outcomes Research, Gilead Sciences	Three essays on HIV/AIDS related issues in Southern Africa

Yeh, Wei-Shi (Danny)	2010	Economics	Principal Research Associate, Global Health Outcomes Strategy and Research, Allergan	Head of Evidence Science & Innovation, Real-World Evidence Medical Unit, US Medical Affairs, Genentech	Association between cancer and the detection and management of comorbid health conditions among elderly men with prostate cancer in the United States
Kimmey, Laura D'Arcy	2011	Economics	Health Researcher, Mathematica Policy Research, Inc.	Senior Researcher, Mathematica Policy Research, Inc.	The effect of geriatric care on health care use
Keeler, Courtney	2012	Economics	Assistant Professor, School of Nursing and Health Professions, University of San Francisco	Assistant Professor, School of Nursing and Health Professions, University of San Francisco	Substance use, risky sexual behavior, and employment among young people
Geissler, Kimberly (Heard)	2013	Economics	Post-doctoral Fellow, Health Economics and Computer Science, Questrom School of Business, Boston University	Assistant Professor, Department of Health Policy and Management, School of Public Health and Health Sciences, University of Massachusetts Amherst	The effect of crime in Mexico on healthcare access and utilization in the United States-Mexico border region
Miller, Kathleen L.	2014	Economics	Oak Ridge Institute for Science and Education (ORISE) Fellow, Office of the Commissioner, US Food and Drug Administration	Economist, Office of the Commissioner, US Food and Drug Administration	The signaling effects of FDA drug designations
Jakubowski, Aleksandra	2017	Economics	Post-Doctoral Research Fellow, General Internal Medicine, Center for Population Health Sciences, Stanford University	Post-Doctoral Research Fellow, General Internal Medicine, Center for Population Health Sciences, Stanford University	Impact of large-scale health interventions on population health, economic functioning, and investments in human capital in sub-Saharan Africa
Lin, Ching-Ching (Claire)	2017	Economics	Post-doctoral Fellow, Health Resources & Services Administration	Post-doctoral Fellow, Health Resources & Services Administration	The effect of mental health specialist use on healthcare utilization of adults with co-occurring diabetes and depression
Masters, Sam	2017	Economics	Health Services Researcher, RTI International	Health Services Researcher, RTI International	The impact of new technologies on health knowledge and behavior: Evidence from Kenya, Uganda, and the United States
Savitz, Sam	2018	Economics	Research Post-Doctoral Fellow, Kaiser Permanente Division of Research		Predictors of poor medication adherence among newly diagnosed stable angina patients
Harrison, David	2003	Epidemiology	Manager, Pfizer Global Health Outcomes	Manager, Amgen Global Health Outcomes	The association of obesity and incident mobility disability in middle-aged adults
Wasserman, Melanie	2004	Epidemiology	Post-doctoral Fellow, Center for Gerontology & Healthcare Research, School of Public Health, Brown University	Managing Consultant, The Lewin Group	Latina immigrants, bridge persons, and utilization of preventive health services

Beskow, Laura	2005	Epidemiology	Research Associate, Frank Porter Graham Child Development Center, UNC-Chapel Hill	Professor, Health Policy, Vanderbilt University Medical Center; Director of Research Ethics, Biomedical Ethics & Society, Vanderbilt University	Research recruitment through cancer registries: Stakeholder perspectives
Campione, Joanne	2005	Epidemiology	Director, Quality Management Services, Center for Hospital Quality and Patient Safety, North Carolina Hospital Association	Senior Study Director, Healthcare Quality Research, Westat	Physician and patient influences in statin treatment adherence and associated outcomes in V.A. patients with hypercholesterolemia
DiSantostefano, Rachael	2005	Epidemiology	Research Fellow, GlaxoSmithKline Global Health Outcomes	Senior Director, Benefit-Risk/Epidemiology, Johnson & Johnson	The long-term cost-effectiveness of treatments for benign prostatic hyperplasia
Ruiz, Rafael	2007	Epidemiology	Assistant Director of Clinical Research, Health Economics and Outcomes Research Institute, Greater New York Hospital Association	Assistant Professor, Division of Hospital Medicine, Department of Medicine, Albert Einstein College of Medicine; Director, Performance Informatics, Montefiore Medical Center	Mexican-American adolescents and metabolic syndrome: Deciphering the role of acculturation
Bhat, Anita	2008	Epidemiology	Assistant Professor, Augusta University	Assistant Professor, Department of Health Management and Informatics, College of Graduate Studies, Augusta University	Literacy in arthritis
Salz, Talya	2008	Epidemiology	Assistant Research Scientist, Memorial Sloan Kettering Cancer Center	Assistant Attending Outcomes Research Scientist, Memorial Sloan Kettering Cancer Center	Underuse and overuse of colonoscopy among survivors of colorectal cancer
Robinson, Allison Gilbert	2009	Epidemiology	Post-doctoral Fellow, Program on Mental Health and Substance Abuse Systems and Services Research, Sheps Center for Health Services Research, UNC-Chapel Hill	Assistant Professor, Department of Psychiatry and Behavioral Sciences, Sanford School of Public Policy, Duke University	Women with co-occurring disorders and histories of abuse: Moderators of treatment effect on services use and costs
Karim, Saleema	2014	Financial Management	Assistant Professor of Health Policy and Management, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences	Assistant Professor, Department of Health Policy and Management, Fay W. Boozman College of Public Health, University of Arkansas for Medical Sciences	The Magnet Recognition Program: What are the effects on financial performance?
Gaydos, Laura	2004	Health Politics and Policy	Senior Research Associate, Women's and Children's Center, Rollins School of Public Health, Emory University	Associate Professor of Health Policy and Management, Rollins School of Public Health, Emory University	Factors influencing the creation of contraceptive equity laws
Goldsmith, Laurie	2007	Health Politics and Policy	Assistant Professor of Health Policy, Faculty of Health Sciences, Simon Fraser University (Canada)	Assistant Professor, Faculty of Health Sciences, Simon Fraser University (Canada)	Access to health care for disadvantaged individuals: A qualitative inquiry

Staley, John	2008	Health Politics and Policy	Post-doctoral Fellow, Injury Prevention Research Center, UNC-Chapel Hill	Assistant Professor, Department of Health Policy and Management, College of Public Health, Kent State University; Co-Assistant Director, Office of Public Health Practice and Partnerships, College of Public Health, Kent State University	The determinants of firefighter physical fitness: An inductive inquiry into firefighter culture and coronary risk salience
Sterling, Rene	2008	Health Politics and Policy	Post-doctoral Fellow, Center for Genomics and Society, UNC-Chapel Hill	Public Health Program Specialist, Health Resources and Services Administration, U.S. Department of Health & Human Services	"Not ready for prime time": The commercialization of nutrigenomic services
King, Jennifer	2011	Health Politics and Policy	Public Health Analyst, Office of Economic Analysis, Evaluation, and Modeling, Office of the National Coordinator for Health Information Technology, US Department of Health and Human Services	Acting Director, Office of Economic Analysis, Evaluation, and Modeling; Office of the National Coordinator for Health Information Technology, US Department of Health and Human Services	Variation in the structure and performance of Community Care of North Carolina
Wright, D. Bradley	2011	Health Politics and Policy	Post-doctoral Fellow, Center for Gerontology and Healthcare Research, Brown University	Department Head, Department of Public Administration and Policy, School of Public and International Affairs, University of Georgia	The last shall be first? Mission versus margin and the role of consumer governance in federally qualified health centers
Boyer, Greg	2013	Health Politics and Policy	Post-doctoral Fellow, Center for Gerontology and Healthcare Research, Brown University	Assistant Executive Director of Accreditation Council for Pharmacy Education; Director, Professional Degree Program Accreditation, Accreditation Council for Pharmacy Education	Medicaid home- and community-based long-term care services in the age of Olmstead
Haynes-Maslow, Lindsey	2014	Health Politics and Policy	Food Systems and Health Analyst, Food and Environment Program, Union of Concerned Scientists	Assistant Professor & Extension Specialist, Department of Agricultural and Human Sciences, North Carolina State University	Access to fruits and vegetables for low-income individuals: A mixed methods study to healthy eating
Lichstein, Jesse	2014	Health Politics and Policy	Oak Ridge Institute for Science and Education (ORISE) Research Fellow, Health Resources and Services Administration	Social Science Research Analyst and Performance Measurement Office, Health Resources and Services Administration, U.S. Department of Health and Human Services	Do community care of North Carolina-induced changes spill over to non-target populations?
Morrison, Marisa	2015	Health Politics and Policy	Public Health Research Analyst, RTI International	Public Health Research Analyst, RTI International	Medicaid expansion programs: Effects on Medicaid enrollment and healthcare employment
Alegria-Flores, Kei	2017	Organization/Implementation Science	Global Health Services Specialist, Advance Access & Delivery	Global Health Services Specialist, Advance Access & Delivery	Complex systems: An innovative approach to improve drug-resistant tuberculosis treatment adherence

DiMartino, Lisa	2017	Organization/Implementation Science	Implementation Scientist, RTI International	Implementation Scientist, RTI International	Implementation and effectiveness of triggered palliative care consults in oncology
Alishahitabriz, Amir	2018	Organization/Implementation Science			
Kirk, Alexis	2018	Organization/Implementation Science			Adapting an evidence-based intervention to improve hospice referrals for home- and community-based populations
Turner, Kea	2018	Organization/Implementation Science			Piloting a Medicaid population health management intervention in community pharmacies: An implementation study
Skinner, Asheley	2007	Quality and Access	Post-doctoral Fellow, Program on Health Care Quality and Patient Outcomes, School of Nursing, UNC-Chapel Hill	Associate Professor, Population Health Sciences, Department of Medicine, Duke University	Is childhood overweight a special health care need?
Do, Young Kyung	2008	Quality and Access	Post-doctoral Fellow, Asia Health Policy Program, Walter H. Shorenstein Asia-Pacific Research Center, Stanford University	Associate Professor, Department of Health Policy and Management, Seoul National University College of Medicine	Effects of informal care on caregivers' labor market outcomes and health in South Korea
Thaker, Samruddhi	2008	Quality and Access	Health Services Researcher, RTI International	Health Services Researcher, RTI International	The development of a tool to assess individual provider's cultural competence
Wiley-Exley, Elizabeth	2009	Quality and Access	Out of the labor force	Out of the labor force currently	Assertive Community Treatment (ACT) and ACT-like services: Associations with primary care, general medical services, and rural areas
Beil, Heather	2010	Quality and Access	Post-doctoral Fellow, Program on Health Care Quality and Patient Outcomes, School of Nursing, UNC-Chapel Hill	Senior Research Public Health Analyst, RTI International	Effect of early preventive dental care on dental treatment, expenditures, and oral health among Medicaid enrolled children
Geonnotti, Kristin	2010	Quality and Access	Health Researcher, Mathematica Policy Research, Inc.	Associate Director, Mathematica Policy Research	Prescription drug plan enrollment and patient outcomes in Medicare Part D beneficiaries with diabetes
Melton, L. Doug	2010	Quality and Access	Health Economic Evaluator, Evaluation Informatics Department, CIGNA Healthcare	Analytics Director, CIGNA Healthcare	Employees' choice of health benefits and its effect on utilization and third-party payments
Dinan, Michaela	2011	Quality and Access	Post-doctoral Research Fellow, Duke Clinical Research Institute	Assistant Professor, Department of Medicine, Duke University School of Medicine	The effect of increased PET imaging on the staging, outcomes, and health care utilization of Medicare non-small cell lung cancer patients

Poley, Stephanie	2011	Quality and Access	Informatics Scientist, Healthcare Economics, Clinical Informatics Division, Blue Cross/Blue Shield of North Carolina	Program Manager, PCORnet Coordinating Center, Duke Clinical Research Institute; Director of Research Solutions, Analytic Center of Excellence, Duke Health Technology Solutions, Duke University Health System	Geographic variation in knee replacement surgery: Provider or population driven?
Weaver, Emily	2011	Quality and Access	Post-doctoral Fellow, Program on Health Care Quality and Patient Outcomes, School of Nursing, UNC-Chapel Hill	Research Associate, Measurement, Evaluation & Learning (MLE) Project, Carolina Population Center, UNC--Chapel Hill	Contraceptive practice in Indonesia: Did the Village Midwife Program make a difference?
Kavalieratos, Dio	2012	Quality and Access	Post-doctoral Health Services Research Fellow, Division of General Internal Medicine, School of Medicine, University of Pittsburgh	Assistant Professor, Section of Palliative Care and Medical Ethics, Division of General Internal Medicine, Department of Medicine, University of Pittsburgh; Director, Implementation Research, University of Pittsburgh Medical Center Palliative & Supportive Institute	Exploring the role of palliative care in heart failure: Referral barriers, care gaps, and quality of care
Meed, Jessica	2012	Quality and Access	Curriculum Developer/Research Associate/Project Manager, Citizen Soldier Support Program, Odum Institute, UNC-Chapel Hill	Program Analyst-Policy and Compliance, U.S. Marine Corps; Professor, Webster University at Camp Lejeune Marine Corps Base	Home front--Exploring associations between household structure, coping strategies and behavioral health visits within the military
Ellis, Shellie	2013	Quality and Access	Post-doctoral Research Fellow, Health Policy and Management, UNC-Chapel Hill	Assistant Professor, Department of Health Policy and Management, University of Kansas School of Medicine	Declining overuse of hormone therapy for localized prostate cancer: Predictors of reimbursement responsiveness and emerging patterns of care
Fortune-Greeley, Alice (Britt)	2013	Quality and Access	Post-doctoral Fellow, Center for Health Services Research in Primary Care, Durham Veterans Affairs Medical Center	Informatics Scientist, Blue Cross/Blue Shield of North Carolina	Comparative effectiveness and cost of preoperative breast MRI in elderly breast cancer patients
Kranz, Ashley	2013	Quality and Access	Post-doctoral Fellow, Department of Dental Research, School of Dentistry, UNC-Chapel Hill	Associate Health Policy Researcher, RAND Corporation	Comparative effectiveness of the mode of delivery for preventing dental caries in young children
Park, Michael	2013	Quality and Access	Monitoring and Evaluation Technical Advisor, Global health Division, International Development Group, RTI International	Health Scientist, Division of Global Health Protection, Centers for Disease Control and Prevention; Adjunct Assistant Professor, Department of Health Policy and Management, Gillings School of Global Public Health, UNC--Chapel Hill	Impact of social protection programs on child health and education in Ghana

Zullig, Leah	2013	Quality and Access	Core Research Investigator, Center for Health Services Research in Primary Care, Durham Veterans Affairs Medical Center	Assistant Professor, Duke University School of Medicine; Member, Duke Cancer Institute	Equity in an equal access system? Quality & timeliness of cancer care in the Veterans Affairs Healthcare System
Broyles, Ila	2014	Quality and Access	Research Public Health Analyst, RTI International	Research Public Health Analyst, RTI International	Community versus facility long-term care: Impacts on Medicare spending and service use
Kilany, Mona	2014	Quality and Access	Post-doctoral Fellow, Mental Health and Substance Abuse Systems and Services Research, Sheps Center for Health Services Research, UNC-Chapel Hill	Health Care Policy Researcher, Effective, Efficient, and Patient-Centered Health Care Practice Area, American Institutes for Research (AIR)	Patient-centered medical homes for patients with severe mental illness: Utilization and quality of care variation in rural and urban areas
La, Elizabeth	2014	Quality and Access	Senior Research Health Economist, RTI Health Solutions	Associate Director, Health Economics, RTI Health Solutions	The systemic effects of a state psychiatric hospital waitlist policy on mental health services use
Hilliard, Tandra	2015	Quality and Access	Researcher, Health and Social Development Program, American Institutes for Research	Researcher, Health and Social Development Program, American Institutes for Research	Examining rural vs. urban disparities in community-based helper support and residential care transitions among Medicare beneficiaries with dementia and functional limitations
Kohler, R. Kelly	2015	Quality and Access	Post-doctoral Research Fellow, Cancer Prevention, Dana Farber Cancer Institute, Harvard T.H. Chan School of Public Health, Harvard University	Post-doctoral Research Fellow, Cancer Prevention, Dana Farber Cancer Institute, Harvard T.H. Chan School of Public Health, Harvard University	Enhancing breast cancer early detection in Malawi: A mixed methods study to understand knowledge and preferences
Roberts, Megan	2015	Quality and Access	Post-doctoral Fellow, Cancer Prevention, National Cancer Institute	Assistant Professor, Department of Health Behavior and Health Promotion, College of Public Health, The Ohio State University	Racial variation in the use of oncotype DX testing for women with breast cancer
Rutstein, Sarah	2015	Quality and Access	Student, School of Medicine, UNC-Chapel Hill	Resident, Internal Medicine, School of Medicine, UNC--Chapel Hill	Optimizing HIV therapy: Outcomes, challenges, and opportunities for virological monitoring in resource-limited settings
Schmidt, Monica	2015	Quality and Access	Senior Data Scientist, Center for Outcomes Research and Evaluation, Carolinas HealthCare System	Senior Data Scientist, Cone Health	Design and validation of two predictive models for mortality and readmission following surgery in patients with liver cirrhosis
Toth, Matthew	2015	Quality and Access	Public Health Research Analyst, RTI International	Science Director, Barth Syndrome Foundation	Outcomes and costs of post-hospitalization transitions in urban and rural settings

Burgette, Jacqueline	2016	Quality and Access	Post-doctoral Fellow, Cecil G. Sheps Center for Health Services Research, UNC-Chapel Hill	Assistant Professor, Department of Dental Public Health, School of Dental Medicine, University of Pittsburgh	The impact of Early Head Start on children's oral health
Check, Devon	2016	Quality and Access	Delivery Science Post-doctoral Research Fellow, Division of Research, Kaiser Permanente of Northern California	Delivery Science Post-doctoral Research Fellow, Division of Research, Kaiser Permanente of Northern California	Investigating racial disparities in quality of chemotherapy-induced side effect management among Medicare beneficiaries with early-stage breast cancer
Lewis, Sarah	2016	Quality and Access	Prevention Effectiveness Research Fellow, Office of the Assistant Secretary for Planning and Evaluation, Health Policy, U.S. Department of Health and Human Services	Prevention Effectiveness Research Fellow, Office of the Assistant Secretary for Planning and Evaluation, Health Policy, U.S. Department of Health and Human Services	Assessing quality of non-cancer chronic care and medication adherence for comorbidities among prostate cancer survivors
Liu, Tsai-Ling (Ginger)	2016	Quality and Access	Associate Data Scientist, Carolinas HealthCare System	Associate Data Scientist, Carolinas HealthCare System	Management and outcomes of patient with cirrhosis and diabetes
Lorenzetti, Lara	2016	Quality and Access	Associate Scientist, Behavioral, Epidemiological, and Clinical Services Division, FHI 360	Associate Scientist, Behavioral, Epidemiological, and Clinical Services Division, FHI 360	Microfinance, health, and empowerment: Evaluating the effect of an integrated intervention on client revenue and profit in Benin
Machta, Rachel	2016	Quality and Access	Health Services Researcher, Mathematica Policy Research	Health Services Researcher, Mathematica Policy Research	Unpacking transitional care: Facilitators, barriers, and quality impacts of a multidisciplinary program to reduce 30-day readmissions
Rutledge, Regina	2016	Quality and Access	Public Health Research Analyst, RTI International	Public Health Research Analyst, RTI International	Health care system characteristics associated with postpartum contraceptive utilization, birth spacing and short interpregnancy intervals among privately insured women in North Carolina
Agala, C. Bernard	2017	Quality and Access	Research Analyst, Carolina Population Center, UNC-Chapel Hill	Research Analyst, Carolina Population Center, UNC-Chapel Hill	Referral network factors and health outcomes among HIV-positive women in Ethiopia
Dolin, Rachel	2017	Quality and Access	David A. Winston Health Policy Post-Doctoral Fellow, Committee on Ways and Means, U.S. House of Representatives	Professional Staff for Medicare Policy, Committee on Ways and Means, U.S. House of Representatives	Drivers of live discharge from the Medicare hospice program: A mixed methods study

Mose, Jason	2017	Quality and Access	Assistant Professor, Department of Health Services and Information Management, College of Allied Health Sciences, East Carolina University	Assistant Professor, Department of Health Services and Information Management, College of Allied Health Sciences, East Carolina University	Estimating the effects of electronic health records (EHRs) sophistication and EHRs years of experience on health care quality, patient experience, 30-day readmissions, and profitability in U.S. acute care hospitals
Muiruri, Charles	2017	Quality and Access	Program Director, Global Health Institute, Duke University	Program Director, Global Health Institute, Duke University	Quality of cardiovascular disease prevention for people living with HIV
Sheahan, Kate	2018	Quality and Access		Deputy Director, Evidence, Learning, and Policy, ThinkWell	Integration of family planning and child immunization services: its determinants and effects on service delivery and postpartum contraceptive use in health facilities in urban areas of Nigeria
Swietek, Karen	2018	Quality and Access			The patient-centered medical home: Impact on racial/ethnic disparities in quality of care
Wood, Elizabeth Blodgett	2018	Quality and Access			Insurance instability and people with disabilities
Carpenter, William	2004	Sociology/Organizational Studies	Post-doctoral Fellow, Lineberger Comprehensive Cancer Center, UNC--Chapel Hill	Associate Professor of Health Policy and Management, Gillings School of Global Public Health, UNC--Chapel Hill; Senior Research Associate, Lineberger Comprehensive Cancer Center, UNC--Chapel Hill	The impact of managed care on the National Cancer Institute's community clinical oncology program
Helfrich, Christian	2005	Sociology/Organizational Studies	Post-doctoral Fellow, Northwest HSR&D Center of Excellence, VA Puget Sound Health Care System	Core Investigator, Northwest HSR&D Center of Excellence, VA Puget Sound Health Care System; Research Assistant Professor, Department of Health Services, School of Public Health, University of Washington	Exploring a model of innovation implementation: Cancer prevention and control trials in community clinical oncology program research bases
Chen, Wendy	2007	Sociology/Organizational Studies	Adjunct Lecturer, San Jose State University	Researcher, Division of Family Medicine, Tri-Service General Hospital, National Defense Medical Centre (Taiwan)	State interventions and hospital response in community health promotion: A comparative study of California, Texas and Florida
Bae, Sung-Heui	2008	Sociology/Organizational Studies	Research Assistant Professor of Nursing, State University of New York at Buffalo	Assistant Professor, College of Nursing, Ewha Woman's University (South Korea)	Nursing unit turnover, workgroup processes, and unit-level patient outcomes

Pahel, Bhavna Talekar	2008	Sociology/Organizational Studies	Post-doctoral Fellow, Sheps Center for Health Services Research, UNC-Chapel Hill	Pediatric dentist, Village Family Dental (NC); Adjunct Assistant Professor, Pediatric Dentistry, School of Dentistry, UNC--Chapel Hill	Referrals for dental care in a medical office-based preventive dental program
Wang, Virginia	2008	Sociology/Organizational Studies	Post-doctoral Fellow, Center for Health Services Research in Primary Care, Durham Veterans Affairs Medical Center	Associate Professor, Department of Medicine, Duke University School of Medicine	Location, location location? A study of peritoneal dialysis services in the United States
Fraher, Erin	2009	Sociology/Organizational Studies	Director, NC Health Professions Data System, Sheps Center for Health Services Research, UNC-Chapel Hill	Assistant Professor, Department of Family Medicine, School of Medicine, UNC--Chapel Hill; Director, Program on Health and Workforce Research and Policy, Cecil G. Sheps Center for Health Services Research, UNC--Chapel Hill	Physician careers in rural areas: Transitions and trajectories
Masselink, Leah	2009	Sociology/Organizational Studies	Post-doctoral Fellow, Program on Health Care Quality and Patient Outcomes, School of Nursing, UNC-Chapel Hill	Assistant Professor, Department of Health Policy and Management, Milken Institute School of Public Health, George Washington University	Health professions education as a national industry: Framing of controversies in nursing education and migration in the Philippines
Chuang, Emmeline	2010	Sociology/Organizational Studies	Post-doctoral Research Scholar, Department of Mental Health Law & Policy, College of Behavioral and Community Sciences, University of South Florida	Assistant Professor, Department of Health Policy and Management, Fielding School of Public Health, University of California at Los Angeles	Facilitating service access for children and families in child welfare: An ecological perspective
Cohen, Monique	2010	Sociology/Organizational Studies	Junior Service Fellow, Agency for Healthcare Research and Quality (AHRQ), U.S. Department of Health & Human Services	Health Scientist Administrator, Agency for Healthcare Research and Quality (AHRQ), U.S. Department of Health & Human Services	The effect of race on rehabilitation utilization among stroke patients in North Carolina
Seibert, Julie	2010	Sociology/Organizational Studies	Evaluator, Division of Mental Health, North Carolina Department of Health and Human Services	Deputy Director, Quality Measurement and Health Policy Program, RTI International	The impact of social policy and social networks on the employment status of persons with disabilities
Birken, Sarah	2011	Sociology/Organizational Studies	Post-doctoral Fellow, Lineberger Comprehensive Cancer Center, UNC--Chapel Hill	Research Assistant Professor, Department of Health Policy and Management, Gillings School of Global Public Health, UNC--Chapel Hill	Where the rubber meets the road: A mixed-method study of middle managers' role in innovation implementation in health care organizations
