BIOSTATISTICS SEMINAR

UNC BIOS Doctoral Alumni Panel

This panel brings together a group of doctoral alumni to discuss a range of topics from advice on worthwhile activities for current students to career options. This seminar is designed to be interactive, so bring your questions! The discussion will feature:

- Annie Green Howard, PhD, 2012, Clinical Assistant Professor, UNC Department of Biostatistics,
- Guochen Song, DrPH, 2013, Strategic Director at the Center of Statistics in Drug Development, Quintiles
- Daniela Sotres-Alvarez, DrPH, 2010, Research Assistant Professor, UNC Department of Biostatistics
- Xiaofei Wang, PhD, 2003, Associate Professor of Biostatistics and Bioinformatics, Duke University

The panel will be moderated by Todd Schwartz, DrPH, 2004, Research Associate Professor in our department.

Thursday, March 19, 2015
