Academic Enrichment Program – Spring 2020

Program begins January 13, 2020: The Academic Enrichment Program strives to provide quality academic support in a group setting for students experiencing academic difficulty in entry level BIOS 600, EPID 600, SPHG 711 & SPHG 712 (online) courses. Tutors are also available outside of the scheduled hours by appointment, please email to schedule time.

Cost: Students do not pay for this service - FREE. The Gillings School of Global Public Health assumes the cost of group tutoring.

Online Sessions: Request an online session by emailing the tutor directly at the below link.

What will be covered: Content of the sessions will be determined by the tutors from questions received 72 hours in advance of the session. Other questions may be addressed as time permits. Students are asked to submit their questions via email to an assigned tutor. Please email a tutor below to attend a session.
