

Summary of Professional Experience

Kathleen MacQueen is a Senior Scientist in Social and Behavioral Health Sciences at FHI 360. She provides leadership in the development, implementation and management of research projects that integrate qualitative and quantitative methodologies and conducts formative, participatory, and ethics-oriented research related to clinical trials, with a focus on biomedical interventions to prevent HIV transmission. Prior to joining FHI 360, Dr. MacQueen worked at the Centers for Disease Control and Prevention (CDC) for ten years. For her last two years at the CDC, Dr. MacQueen held the position of Deputy Associate Director for Science, Office of the Director, National Center for HIV, STD, and TB Prevention. She received her Ph.D. in Anthropology from Binghamton University and her M.P.H. from Emory University.

Education

M.P.H., Emory University School of Public Health, Atlanta, GA, 1993

Ph.D., Anthropology, Binghamton University, NY, 1989

M.A., Anthropology, Binghamton University, NY, 1981

B.A., Anthropology, Miami University, Ohio, 1978

Professional Experience

2001 to Present	Senior Social Scientist, FHI 360, Durham, NC
2005 to 2013	Coordinator of Interdisciplinary Research Ethics, Office of International Research Ethics, FHI 360, Durham, NC
2012 to Present	Adjunct Associate Professor, Health Behavior, School of Public Health, University of North Carolina at Chapel Hill
2003 to 2011	Adjunct Assistant Professor, Health Behavior and Health Education, School of Public Health, University of North Carolina at Chapel Hill
2006 to Present	Adjunct Associate Professor, Department of Social Medicine, School of Medicine, University of North Carolina at Chapel Hill
1999 to 2001	Deputy Associate Director for Science, Office of the Director, National Center for HIV, STD, and TB Prevention, Centers for Disease Control and Prevention, Atlanta, GA

- 1992 to 1999 Research Anthropologist, Epidemiology Branch, Division of HIV/AIDS Prevention, National Center for HIV, STD and TB Prevention, Centers for Disease Control and Prevention, Atlanta GA
- 1991 to 1992 Post-Doctoral Fellow, HIV/AIDS Training Program for Behavioral and Social Scientists, Emory University School of Public Health and the Division of HIV/AIDS, National Center for Infectious Diseases, Centers for Disease Control, Atlanta GA
- 1989 to 1991 Visiting Assistant Professor, Department of Anthropology and Linguistics, University of Georgia

Major Activities

- 2016-2021 *Coalition to Accelerate and Support Prevention Research (CASPR)* (FHI 360 sub-agreement to AVAC USAID Cooperative Agreement AID-OAA-A-16-00031. Role: FHI 360 Sub-project lead)
- 2015-2021 *University of North Carolina at Chapel Hill Center for AIDS Research* (NIH P30 AI50410. Role: Developmental Core Director)
- 2013-2016 *Adherence Measurement and Optimization of Long-Acting ARV-Based Vaginal Rings* (USAID funding, Cooperative Agreement AID-OAA-A-14-00003. Role: Project lead/PI)
- 2013-2015 *Developing a Theory of Change for Evaluating Participatory Practices in TB Trials* (NIAID/NIH R21AI108519. Role: PI)
- 2013-2014 *Piloting an Organizational Network-Building tool to Assess HIV Service Linkages in Durham, North Carolina.* (UNC CFAR Developmental Award. Role: co-PI)
- 2012-2014 *CAPRISA 106 Tenofovir Gel Social and Health Systems Research Study* (USAID funding. Role: Project lead and Co-PI)
- 2011-ongoing *HPTN 069 Phase II Randomized, Double-Blind, Controlled Study of the Safety, Tolerability, and Adherence of Maraviroc, Maraviroc + Emtricitabine, or Tenofovir/Emtricitabine for Pre-Exposure Prophylaxis (PrEP) To Prevent HIV in At-Risk Men Who Have Sex with Men* (NIAID/NIH HIV Prevention Trials Network funding. Role: Protocol Team, Ethics Working Group Representative)
- 2009-2011 *Gender and Multiple and Concurrent Sexual Partnerships in Zambia* (Jointly funded by the National AIDS Commission Zambia, United Nations, and USAID. Role: Scientific Lead)
- 2008-2013 *HPTN 061 Feasibility of a community-level, multi-component intervention for Black MSM in preparation for a Phase IIB community-level randomized trial to test the efficacy of the intervention in reducing HIV incidence among Black MSM* (NIAID/NIH HIV Prevention

- Trials Network funding. Role: Protocol Team, Ethics Working Group Representative)
- 2008-2013 *A Partnership Initiative for HIV Prevention Trials (LinCS 2 Durham)* (NINR/NIH 1R01NR011232. Role: PI)
- 2007-2014 *Stakeholder Toolkit for Community Engagement* (USAID funding. Role: Project lead)
- 2007-2008 *Gender and Multiple and Concurrent Sexual Partnerships in Lesotho* (Jointly funded by UNAIDS and USAID; collaboratively led with National AIDS Commission Lesotho and UNAIDS. Role: Scientific lead)
- 2007-2013 *CAPRISA 104: Microbicide Case Control Study to Evaluate Behavioural Patterns of Risk and Gel Use in a Phase 2b Trial* (USAID funding. Role: PI)
- 2007-2013 *Evaluating Informed Consent Comprehension* (USAID funding. Role: Co-Investigator)
- 2007 *Measuring Disinhibition in HIV Vaccine Trials* (Merck funding. Role: Project lead)
- 2006-2010 *CAPRISA 004 Phase IIb Trial to Assess the Safety and Effectiveness of the Vaginal Microbicide 1% Tenofovir Gel for the Prevention of HIV Infection in women in South Africa* (USAID funding. Role: Behavioral technical assistance)
- 2006-2009 *Site Identification and Development Initiative* (USAID funding. Role: Behavioral Lead)
- 2004-2006 *HIV Prevention Trials Network Partnering for Care Project.* (NIAID/NIH HIV Prevention Trials Network funding. Role: Protocol chair)
- 2002-2007 *Formative Research for a Phase 2b Preventive HIV Intervention Trial with Tenofovir in Africa.* (Bill and Melinda Gates Foundation funding. Role: Lead investigator)
- 2002-2004 *Evaluation of Standard of Care in Research Settings: A Preparedness Study for HPTN Protocol 035.* (NIAID/NIH HIV Prevention Trials Network funding. Role: Project lead)
- 2002-2003 *HIV Prevention Trials Network Ethical Guidance for Research.* (NIAID/NIH HIV Prevention Trials Network funding. Role: Project lead)
- 2002 *Capacity Building and Technical Assistance in Qualitative Research.* (USAID funding. Role: Project lead)
- 2001-2002 *HIV, STD, and TB Public Health Ethics, Practice, and Research: A Workshop and Case Study Review.* (CDC project lead)
- 1999 *Phase III Trial to Determine the Efficacy of AIDSVAX B/E Vaccine in Intravenous Drug Users in Bangkok, Thailand.* (Bangkok Metropolitan Administration, VaxGen Inc., Mahidol University, HIV/AIDS Collaboration, and CDC. Role: CDC Behavioral lead).

- 1998-1999 *Conduct and Evaluation of On-going Phase III HIV Vaccine Efficacy Trials in the U.S.: Social and Behavioral Research* (CDC project lead)
- 1997 *Building Community Partnership in Health Research.* (CDC project lead)
- 1996-1998 *Assessment of Willingness to Participate in a Prospective HIV Vaccine Efficacy Trial among Injecting Drug Users in Bangkok, Thailand.* (CDC PI)
- 1995-1998 *Project LinCS: Linking Communities and Scientists.* (CDC project director)
- 1993-2001 *AnSWR (Analysis Software for Word-based Records)* (CDC project collaborator).
- 1992-1994 *CDC Collaborative HIV Seroincidence Study.* (CDC project director)
- 1992-1994 *Belle Glade Project: Ethnographic Research.* (CDC project director)

- 1998 **MacQueen KM**. “Participatory Models for HIV Prevention Research.” Paper presented at the conference on Public Health in the 21st Century: Behavioral and Social Science Contributions, May 7-9, 1998, Atlanta, GA
- 1997 **MacQueen KM**, Trotter RT. “Project LinCS: A Multisite Ethnographic Design for Public Health Research.” Paper presented at the American Anthropological Association Annual Meeting, November, Washington DC
- 1996 **MacQueen KM**, Kay K, Bartholow B, Buchbinder S, McKirnan D, Judson F, Douglas J “The Relationship Between Perceived Exposure to HIV and Actual Risk in a Cohort of Gay and Bisexual Men.” Poster presentation at the XI International Conference on AIDS, July 7-12, Vancouver, BC, Canada
- 1995 **MacQueen KM**, Trotter RT, Bartholow B and the CDC HIV Vaccine Studies Team “‘If you were in my place...’: the social context of individual decisions to participate in HIV vaccine trials.” Paper presented at the American Anthropological Association Annual Meeting, November, Washington DC
- 1995 **MacQueen KM**, Edlin BR, Faruque S, Von Bargen J, Serrano Y and the Multicenter Crack Cocaine and HIV Infection Study Team. “Geographic networks and HIV prevalence among young women in the inner city, New York City, 1991-92.” Paper presented at the Third Science Symposium: HIV Prevention Research, Current Status and Future Directions, August 16-18, Flagstaff, AZ
- 1995 **MacQueen KM** “The significance of social context for the implementation of HIV vaccine efficacy trials.” Paper presented at the Third Science Symposium: HIV Prevention Research, Current Status and Future Directions, August 16-18, Flagstaff, AZ
- 1995 **MacQueen KM** “The emergence of a social research agenda for community participation in preparation for HIV vaccine trials.” Paper presented at the Society for Applied Anthropology Annual Meetings, March 29 - April 2, Albuquerque, NM
- 1994 **MacQueen KM**, Buchbinder S, Douglas J, Judson F, McKirnan D, Bartholow B “HIV vaccine trials and the social significance of immunologic response.” Paper presented at the American Anthropological Association Annual Meetings, November 30 - December 4, Atlanta, GA
- 1994 **MacQueen KM**, Buchbinder S, Douglas J, Judson F, McKirnan DJ, Bartholow B “Required HIV antibody testing, social harm, and HIV vaccine efficacy trials.” Paper presented at the Conference on Advances in AIDS Vaccine Development, Seventh National Collaborative Vaccine Development Group Meeting, November 6-10, Reston, VA
- 1994 **MacQueen KM**. “Evaluating the feasibility of conducting vaccine efficacy trials among gay men.” Paper presented at the Conference on HIV Preventive Vaccines: Social, Ethical, and

Political Considerations for Domestic Efficacy Trials, AIDS Action Foundation, May 9-10, Washington, D.C.

- 1993 **MacQueen KM**, S Buchbinder, J Douglas, F Judson, and DJ McKirnan “The decision to enroll in HIV vaccine efficacy trials: concerns elicited from gay men at increased risk for HIV infection.” Paper presented at the Conference on Advances in AIDS Vaccine Development, Sixth National Collaborative Vaccine Development Group Meeting, October 30 - November 4, Alexandria, VA
- 1993 **MacQueen KM**. “Scientific Constraints: Issues in the Design of Large Scale Preventive HIV Vaccine Trials.” Paper presented at the American Anthropological Association Annual Meetings, November 17-21, Washington, DC
- 1991 **MacQueen KM**. “Parading Identities: Presentations of Self in Saba Carnival.” Paper presented at the American Anthropological Association Annual Meetings, Nov. 20 - 24, Chicago, IL
- 1990 **MacQueen KM**. “Selectivity of migrants by social class in a Caribbean community.” Paper presented at the American Association of Physical Anthropologists Annual Meeting, April 4-7, Miami, FL
- 1986 **MacQueen KM**. “Household relations in a white West Indian community.” Paper presented at the American Anthropological Association Annual Meetings, Dec. 3-7, Philadelphia, PA
- 1986 **MacQueen KM**. “Sailors, laborers and students: the migrants of Saba, Netherlands Antilles.” Paper presented at the Northeastern Anthropological Association Annual Meeting, March 20-23, Buffalo, NY
- 1985 **MacQueen KM**. “Migration as a historical process in a Caribbean community.” Paper presented at the American Anthropological Association Annual Meetings, Dec. 4-8, Washington DC
- 1983 **MacQueen KM**. “The effect of loss of estrus on hominid reproductive strategies.” Paper presented at the American Anthropological Association Annual Meetings, Nov. 16-20, Chicago, IL
- 1978 **MacQueen KM**. “Flexibility in the sexual division of labor in the Circumpolar region.” Paper presented at the Annual Meeting of the Central States Anthropological Society, Great Bend, Indiana (as K. M. McGregor)

Honors and Awards

2000	Special Act or Service Award, National Center for HIV, STD, and TB Prevention
2000	Performance Award, National Center for HIV, STD, and TB Prevention, CDC
1999	Performance Award, National Center for HIV, STD, and TB Prevention, CDC
1998	Certificate of Appreciation in Recognition of Significant Contributions to the Behavioral and Social Sciences Working Group and Outstanding Leadership to the Advisory Subcommittee, BSSWG, CDC
1998	Performance Award, National Center for HIV, STD, and TB Prevention, CDC
1997	Performance Award, National Center for HIV, STD, and TB Prevention, CDC
1996	Performance Award, National Center for HIV, STD, and TB Prevention, CDC
1996	Certificate of Special Recognition for Successfully Working Across Organizational Boundaries as a Member of the Formalization Committee to Establish the Behavioral and Social Sciences Working Group, Office of the Director, CDC
1995	Performance Award, National Center for Infectious Diseases, CDC
1994	Performance Award, National Center for Infectious Diseases, CDC
1991-1993	NIMH National Research Service Award, HIV/AIDS Post-Doctoral Training Program
1994-1995	Fulbright-Hays Scholarship

Other Experience and Professional Memberships

1993-2001	CDC Behavioral and Social Science Working Group
1993-94	AIDS Action Foundation Working Group on HIV Preventive Vaccines: Social, Ethical, and Political Considerations for Domestic Efficacy Trials.
1994-97	American Anthropological Association Commission on AIDS Research and Education. CDC Liaison.
1994-99	HIV Network for Prevention Trials (HIVNET), NIH/NIAID/DAIDS Steering Group, 1994-1996 Behavioral Science Direction Group, 1995-1996 Microbicides/Barriers/STDs Science Direction Group, 1995-1996 Vaccine Preparedness Study Full Protocol Team, 1994-1997 Social Harms Working Group, 1996-1997 Community Education and Media Relations Group, 1997-1999
1998-99	Institutional Review Board, CDC Human Subjects Office: Co-chair, 1999
1999	Decisional Impairment Working Group, Department of Health and Human Services. CDC representative. Interagency group established to review and comment on the National Bioethics Advisory Commission report on "Research Involving Persons with Mental Disorders That May Affect Decisionmaking Capacity."
1999-2001	Vaccine Advisory Group, Vaccine Research Center, Emory University.
2002 ongoing	HIV Prevention Trials Network (HPTN) Ethics Working Group
2002-2004	Society for Medical Anthropology, Task Force on Bioethics and Anthropology, Chair.
2002-2012	Fiscal Years 2004-2014 Behavioral and Social Science Planning Group, Office of AIDS Research, National Institutes of Health
2003	NIH Scientific Review Group, BSPH, ad hoc reviewer
2004	NIH Scientific Review Group, SEP ZRG1 ICP-2 International Bioethics Education & Development

2004-2005	Steering Committee, UNAIDS consultations on Ground Rules for HIV Prevention Trials
2005	NIH Scientific Review Group, SEP for RFA AI 05-002 Units for HIV/AIDS Clinical Trial Networks
2006-2009	Coalition Advisory Board, Global Health Initiative, Families USA
2006	NIH Scientific Review Group, SEP ZAI1 BLG-A(M1)(2) & Fogarty International Ethics Training Program
2009 ongoing	Editorial Board, Journal of Empirical Research on Human Research Ethics
2009	UNAIDS Expert Panel on Revising the 2000 Guidance Document “Ethical Considerations in HIV Preventive Vaccine Research”
2009	NIH Scientific Review Group, SEP ZRG1 AARR-F(08); SEP ZRG1 HDM-P(58)R; SEP ZRG1 IDM-P(50)
2009-2015	UNC-Chapel Hill Center for AIDS Research Internal Advisory Boards for the Clinical Core and Social & Behavioral Science Research Core
2010 ongoing	Editorial Board, Journal of the International AIDS Society
2010-2011	Planning Committee, 1st International HIV Social Science and Humanities Conference, 11-13 June 2011, Durban, South Africa
2011-2015	Founding member, Association for the Social Sciences and Humanities in HIV
2011	ACTG-HPTN Inter-network Scientific Committee
2012	Planning Committee, 2 nd International HIV Social Science and Humanities Conference, 7-10 July 2013, Paris, France
2012	Behavioral and Social Science Approaches to Preventing HIV/AIDS Study Section (BSPH), NIH, ad hoc member 19-20 March
2013	External portfolio review of the trans-NIH AIDS-related behavioral and social science research program
2014-2018	Behavioral and Social Science Approaches to Preventing HIV/AIDS Study Section (BSPH), Center for Scientific Review, NIH
