

THE UNIVERSITY
of NORTH CAROLINA
at CHAPEL HILL

Once again our nation is faced with a tragedy borne of hate, perpetrated this time by an individual against all Jews. First, we extend to our community of students, faculty and staff here in our department and across UNC our sincere compassion to all who are impacted by this awful act of October 27, 2018, as we honor those who were lost. It is a core tenant of Judaism to make the world a better place, to be part of the healing of the world. Together, we stand to do just that; through the mission of our department and of our School, as well as our own personal drive to be intentional, tenacious and ever dedicated as we do all we can to make our world a better place for those we love in our local communities and for communities around the globe.
