Academic Enrichment Program – Spring 2019

Program begins January 24, 2019: The Academic Enrichment Program strives to provide quality academic support in a group setting for students experiencing academic difficulty in entry level BIOS 600, EPID 600, and SPHG 711 (online) courses.

Cost: Students do not pay for this service - FREE. The Gillings School of Global Public Health assumes the cost of group tutoring.

Online Sessions: Request an online session by emailing the tutor directly at the below link.

What will be covered: Content of the sessions will be determined by the tutors from questions received 72 hours in advance of the session. Other questions may be addressed as time permits. Students are asked to submit their questions via email to an assigned tutor. Please email a tutor below to attend a session.
