

CURRICULUM VITAE

Sharon Stucker Weir

PERSONAL

Email address: sharon_weir@unc.edu Telephone: 1-919-843-9474

EDUCATION

1997	School of Public Health University of North Carolina	PhD in Epidemiology
1985	School of Public Health University of North Carolina	MPH in Maternal and Child Health
1980	Duke University Durham, North Carolina	MA in Policy Sciences and Public Affairs
1978	University of North Carolina Chapel Hill, North Carolina	BA in Journalism

PROFESSIONAL EXPERIENCE

Current:	Research Assistant Professor, Department of Epidemiology, UNC Population Fellow, Carolina Population Center, UNC Senior M&E Specialist, MEASURE/ <i>Evaluation</i> Project, UNC Instructor: Epidemiology and Social Aspects of HIV in Developing Countries, UNC
mid-1999	MEASURE Fellow (Epidemiology), Carolina Population Center, UNC
1998-1999:	Epidemiologist II, Family Health International (FHI), Durham, NC, USA
1994-1997	Epidemiologist I in Contraceptive Use and Epidemiology Division, FHI
1989-1993	Research Associate in Operations Research, AIDSTECH Division, FHI
1988-1989	Program Coordinator for Africa, AIDSTECH Division, FHI
1985-1988	Senior Research Analyst, Program Evaluation Division, FHI
1982-1984	Policy Analyst, Research Triangle Institute, RTP, USA.
1980-1982	Policy Analyst, Office of Legislative and Regulatory Policy, Social Security Administration, Department of Health and Human Services, Washington DC, USA.

Expert Groups: Co-Chair, Technical Working Group of Monitoring and Evaluation of Prevention for Most at Risk Populations, Monitoring and Evaluation Reference Group, UNAIDS

Member of the Prevention Technical Working Group for the General Population and Most at Risk Populations, the President's Emergency Program for AIDS Relief (PEPFAR)

Computing skills: SAS, STATA, SPSS, Epi-Info

Dissertation: *The Use of Capture-Recapture Methods to Evaluate AIDS Prevention Programs*

Funded Research

Principal Investigator: Current and Ongoing Research

- Comparison of PLACE and Respondent Driven Sampling among Sex workers in Liuzhou, China (\$300,000, USAID)
- Evaluation of HIV Prevention in Jamaica (\$166,000, USAID/Jamaica)
- PLACE Angola: Luanda (USAID/Washington)
- PLACE Kenya: 5 Districts (USAID/Washington)

Principal Investigator: Completed Research through MEASURE

- HIV-Prevalence Study in Malawi (\$135,700, DFID)
- HIV/STI & Behavioral Surveillance: Men who Have Sex with Men (\$177,800, USAID/Jamaica)
- HIV/STI & Behavioral Surveillance: Sexworkers and Dancers (\$76,600, USAID/Jamaica)
- Randomized Cluster Trial of PLACE Interventions in Jamaica (\$331,000, USAID/Washington)
- MEASURE Technical Core Area: PLACE (\$531,700, USAID/Washington)
- Ghana PLACE Study (\$448,000, USAID/Ghana)
- Prevention Service Availability Mapping Protocol Development (\$195,200 USAID/Washington)
- PLACE Madagascar: Seven City Study (USAID/Washington)
- PLACE India: Bhubaneswar (UNAIDS and USAID/Washington)
- PLACE Mexico: Chetumal and Ciudad Hidalgo (USAID/Washington)
- PLACE Russia: St Petersburg (USAID/Washington)
- PLACE Central Asia: Tashkent, Almaty, Karaganda, Osh (USAID/Central Asia)
- PLACE Tanzania: Magu District (USAID/Washington)
- PLACE South Africa: Capetown, Port Elizabeth, East London (USAID/Washington)

Co-Principal Investigator: Completed Research through MEASURE

- Zimbabwe PLACE Study: Focus on Orphans (\$382,400, UNICEF & USAID/Washington)
- High Point PLACE Study: (\$20,000 UNC CFAR)
- San Diego PLACE Study: Focus on MSM (\$25,000 USC CFAR)
- STI Surveillance: PLACE Patrons in Kingston, Jamaica (\$140,000, CDC)
- PLACE Congo: Kinshasa (Supported through MEASURE technical core)
- PLACE Burkina Faso: 2 Districts (World Bank and USAID/Washington)

Student Advising

- Carolina Population Center: Currently advise 1 pre-doctoral trainee: Completed advising 3 trainees.
- Dissertation Committees: Have served on 6 committees

Selected Publications

Khan MR, Behrend L, Adimora AA, Weir SS, White BL, Wohl DA. Dissolution of primary intimate relationships during incarceration and implications for post-release HIV transmission. *J Urban Health*. 2011 Apr;88(2):365-75.

Khan MR, Behrend L, Adimora AA, Weir SS, Tisdale C, Wohl DA. Dissolution of primary intimate relationships during incarceration and associations with post-release STI/HIV risk behavior in a Southeastern city. *Sex Transm Dis*. 2011 Jan;38(1):43-7.

Selected Publications cont.
