

CURRICULUM VITAE:Updated July, 2009

Personal Information:

Name: Russell Peyton Harris, M.D., M.P.H.

Home Address: 101 Parkview Crescent
Chapel Hill, NC 27516

Phone: Office: 919-966-2949; 919-966-4065
Home: 919-933-1283

Date & Place of Birth: December 27, 1944
Winston-Salem, NC

Marital Status: Married, 2 children

Education – Postgraduate Training Fellowships, Residences and Traineeships

1967 BA in Human Biology, The Johns Hopkins University

1970 M.D., The Johns Hopkins University School of Medicine

1970-71 Intern in Internal Medicine, Baltimore City Hospitals, Baltimore, MD

1973-75 Resident in Internal Medicine, Cleveland Metropolitan General Hospital, Cleveland, OH

1973-76 Robert Wood Johnson Clinical Scholar, Case Western Reserve University, Cleveland, OH, 1973-1975

University of North Carolina, Chapel Hill, NC, 1975-1976

1974-75 Chief Resident in Medicine, Cleveland Metropolitan General Hospital, Cleveland, OH

1976-77 Resident in Family Medicine, Duke University Family Medicine Program, Durham, NC

1987 MPH Degree in Epidemiology, UNC School of Public Health, Chapel Hill, NC

Employment History:

2005-present Professor of Medicine
Division of General Medicine and Clinical Epidemiology,
Department of Medicine, UNC School of Medicine, Chapel Hill, NC

Adjunct Professor
Department of Epidemiology, UNC School of Public Health, Chapel Hill, NC

1997-2004 Associate Professor of Medicine,
Division of General Medicine and Clinical Epidemiology,
Department of Medicine, UNC School of Medicine, Chapel Hill, NC

Adjunct Associate Professor, Department of Epidemiology, UNC School of Public Health, Chapel Hill, NC

Adjunct Associate Professor, Department of Social Medicine, UNC School of Medicine, Chapel Hill, NC

2002-present Director, UNC School of Medicine Program on Prevention in Education and Practice
 Director, Health Care and Prevention MPH Program (within Public Health Leadership Program) UNC School of Public Health

1990-1997 Assistant Professor of Medicine,
 Division of General Medicine and Clinical Epidemiology
 Department of Medicine, UNC School of Medicine, Chapel Hill, NC

1993-2002 Co-Director, UNC School of Medicine Program on Health Promotion and Disease Prevention, Chapel Hill, NC

1993-1997 Adjunct Assistant Professor, Department of Social Medicine, UNC School of Medicine, Chapel Hill, NC

1992-1993 Co-Associate Director, UNC Medical School Program on Health Promotion and Disease Prevention, Chapel Hill, NC

1990-1992 Director, UNC-Rockefeller Foundation-International Clinical Epidemiology Network (INCLIN) Program, UNC School of Medicine, Chapel Hill, NC

1990-1993 Acting Chair, Cancer Prevention Task Force, UNC Center for Health Promotion and Disease Prevention & Lineberger Comprehensive Cancer Center, Chapel Hill, NC

1988-1997 Adjunct Assistant Professor, Department of Epidemiology, UNC School of Public Health, Chapel Hill, NC

1988-present Research Associate, Sheps Center for Health Services Research, Chapel Hill, NC

1988-present Member, UNC Lineberger Comprehensive Cancer Center, UNC School of Medicine, Chapel Hill, NC

1987-1990 Research Assistant Professor of Medicine, Division of General Medicine & Clinical Epidemiology, Department of Medicine, UNC School of Medicine, Chapel Hill, NC

1987-1990 Associate Director, UNC - Rockefeller Foundation International Clinical Epidemiology Network (INCLIN) Program, UNC School of Medicine, Chapel Hill, NC

1988-1990 Vice Chair, Cancer Prevention Task Force, UNC Center for Health Promotion and Disease Prevention & Lineberger Comprehensive Cancer Center, Chapel Hill, NC

1985-1987 Clinical Assistant Professor of Medicine, University of North Carolina School of Medicine, Chapel Hill, NC

1985-1987 Part-time faculty member, Internal Medicine Teaching Program, Moses Cone Memorial Hospital, Greensboro, NC

1977-1985 Medical Practice Founding Member, Organizer: Wilkes Family Health Center, PA, North Wilkesboro, NC

1977-1985 Clinical Assistant Professor of Medicine, Bowman Gray School of Medicine, Winston-Salem, NC (primary responsibility for medical outpatient department)

Certification/Licensure:

- 1971 Diplomat, National Board of Medical Examiners
- 1977-present Medical license, North Carolina (certificate # 20011)
- 1977 Certified, American Board of Internal Medicine (certificate # 061975; 6/22/77)
- 1978 Certified, American Board of Family Practice (Re-certified, 1984 but not since)
- 1993 Certified, American Board of Preventive Medicine (certificate # 051034; 2/2/93)

Professional Societies:

- 1992- 2005 North Carolina Medical Society (member)
- 1977-present American College of Physicians (member)
- 1977-present Society of General Internal Medicine (member)

Consultant/Visiting Professor

- Jan-June 2008 Visiting Professor. Wolfson Institute of Preventive Medicine
Barts and The London School of Medicine, London, UK
- Jan-June, 2008 Senior Fellow, National Institute for Health and Clinical Excellence (NICE)
London, UK
- 1990 University Center for Health Sciences (CUSS), Yaounde, Cameroon
University of Nairobi, Nairobi, Kenya
- 1989 University Center for Health Sciences (CUSS), Yaounde, Cameroon
University of Nairobi, Nairobi, Kenya
Makerere Medical College, Kampala, Uganda
- 1988 All India Institute of Medical Sciences, New Delhi, India
Christian Medical College, Vellore, India
Madras Medical College, Madras, India
Trivandrum Medical College, Trivandrum, India
- 1984 Visiting Professor. Cleveland Metropolitan General Hospital Cleveland, Ohio

Grants Funded:

Harris R, Co-Principal Investigator, Promoting Informed Decisions about Prostate Cancer Screening. Award from Association of Teachers of Preventive Medicine and Centers for Disease Control and Prevention to Research Triangle Institute International. (UNC is subcontractor for this grant) Total award \$710,368; dates 10/1/02-9/30/05 (Lauren McCormack, Principal Investigator; 25% effort)

Technical Support for US Preventive Services Task Force. Co-Principal Investigator. AHCPR (contract) 07/98, \$2 million over 4 years. (UNC was subcontractor to Research Triangle Institute; Kathleen Lohr, Principal Investigator; 50%-60% effort)

Harris R, Principal Investigator. Comorbidities as Barriers in Breast Cancer Screening. (funded by CDC for two years, 10/94, \$150,000; 20% effort)

Harris R, Principal Investigator. Increasing Cancer Prevention in Primary Care: Patient Activation. (submitted to National Cancer Institute, 10/94, funded 11/95 for four years - \$780,000 total direct costs; 20% effort)

Ransohoff D, Principal Investigator, Harris R, Co-Principal Investigator. Increasing Cancer Prevention in Primary Care- Practice Activation. (submitted to National Cancer Institute 10/94; funded 10/95 for four years - \$1.45 million total direct costs; 30% effort)

Earp JA, Principal Investigator, Harris R and Eng E, Co-Principal Investigators. The North Carolina Breast Cancer Screening Program, 9/92. (funded, five year grant from National Cancer Institute, part of "Specialized Program on Research Excellence" grant to UNC-Lineberger Comprehensive Cancer Center; total direct costs for first 3 years \$1.17 million; 10% effort)

Kaluzny A, Principal Investigator, Harris R and Strecher V, Co-Principal Investigators. The North Carolina Cancer Early Detection Program, 6/91. (funded, four year grant from National Cancer Institute, \$2.2 million, priority score 115; 30%-40% effort)

Harris RP, Principal Investigator. Evaluation of an Intervention to Narrow the Racial Gap in Mammography. Part of Lineberger Comprehensive Cancer Center grant: Minority Cancer Control Research Program, Joseph S. Pagano, M.D., Principal Investigator. (entire grant funded, starting 8/89; total direct costs \$25,000; 5%-10% effort)

Harris RP, Principal Investigator. Increasing the Performance of Preventive Procedures in the Practice Setting: Evaluation of an Intervention for Elderly Patients. (funded for \$5,000, UNC Department of Medicine Faculty Grant, 12/88; 5% effort)

Committees:

- | | |
|--------------|--|
| 2004- 2006 | Leader, Integrative Course Committee, First and Second years of Medical School |
| 2004-2006 | Member, NC Medical Society Task Force on the Quality of Care |
| 2003-2007 | Member, US Preventive Services Task Force |
| 2001-present | Member, Data Safety and Monitoring Board, National Lung Screening Trial; National Cancer Institute |
| 2001-present | Member, Office of Medical Applications of Research (OMAR) Discussion Group; National Institutes of Health, Bethesda, MD |
| 2001-present | Member, Physician Data Query (PDQ) Advisory Board for Cancer Prevention and Control; National Cancer Institute |
| 1998 | Search Committee for Chair of UNC Department of Social Medicine |
| 1997-1998 | Managed Care Systems Committee, UNC Hospitals |
| 1995-2000 | Chair, Prevention and Public Health Committee, North Carolina Medical Society |
| 1995-present | Chair, Course Committee, Health Promotion and Disease Prevention "Course Without Walls," course for all four years of medical school |

- 1995-1996 Course Committee, Medical Practice and the Community Course
- 1993-1998 Chair, Health Promotion and Disease Prevention Task Force, UNC School of Medicine
- 1993-2004 Training Advisory Committee, UNC Lineberger Cancer Control Education Program
- 1994-1995 Planning Committee, Workgroup Chair, and Executive Committee for "Medical Practice and the Community", new course for first and second year medical students
- 1994-present Member, Planning Committee, "Health Care and Prevention," new MPH curriculum within UNC School of Public Health, co-sponsored by School of Medicine
- 1993-2005 Operations Committee, UNC Center for Health Promotion and Disease Prevention
- 1993-1997 Scientific Integrity Program Advisory Committee UNC School of Medicine
- 1993-1994 Planning Task Force, UNC Institute for the Generalist Physician
- 1990-1992 Course Committee, Clinical Epidemiology and Preventive Medicine, one semester course for second year medical students, UNC School of Medicine
- 1990-1993 Acting Chair, Cancer Prevention Task Force, UNC Center for Health Promotion and Disease Prevention and Lineberger Comprehensive Cancer Center
- 1988-1992 Admissions Committee, Department of Epidemiology, UNC School of Public Health
- 1986-1990 Research Committee, Hospice of North Carolina, Raleigh (Chair, 1986-88)
- 1983-1988 Education and Training Committee, Hospice of North Carolina, Raleigh
- 1984 Board of Directors and Executive Committee, Hospice of North Carolina, Raleigh

Other Administrative Activities:

- 1983-1985 Medical Director, Hospice of Wilkes, Inc. North Wilkesboro, NC
- 1983-1984 President, Hospice of Wilkes, Inc. North Wilkesboro, NC

Teaching Responsibility:

Medical Residents

UNC School of Medicine

- 1991-2003 Medicine Consultation Service Attending
- 1990-1992 Inpatient Attending Physician, Department of Medicine
- 1985-present Precepting in Medical Walk-in (Urgent Care) and Resident Clinic settings
- 1985-1987 Inpatient Attending Physician, Internal Medicine Teaching Program, Moses Cone Memorial Hospital, Greensboro, N.C.

Bowman Gray School of Medicine

1977-1985 Precepting in Medical Outpatient Department one day/week

Medical Students

UNC School of Medicine

2003- present Small group leader, Clinical Epidemiology Course for 2nd year medical students

1997-1999 Co-Course Director, Clinical Epidemiology, required course for second year medical students

1996-present Co-Course Director, Prevention "Course Without Walls" for students in all four years of medical school

1995-1997 "Medical Practice and the Community" tutor, course for first and second year medical students

1994-1995 "Medical Problems" Course instructor, course for second year medical students

1993-1995 Lecture on Prevention, "Introduction to Medicine," course for first year medical students

1993-1995 Large group discussion on Breast Cancer Screening in African-American Women; "Medicine and Society," course for first year medical students

1987-1995 Lecture on Clinical Breast Examination, part of second year Physical Diagnosis course

1989-1999 Clinical Epidemiology Course instructor, course for second year medical students

1990-1993 Screening and Preventive Medicine lectures, Clinical Epidemiology course for second year medical students

Fellows

UNC Division of General Medicine & Clinical Epidemiology

1987-1996 Lecturer in Clinical Scholars Core Curriculum, topics in clinical epidemiology and preventive medicine (six sessions/year);

1987-present Advisor for fellows for clinical research

Graduate Students

UNC School of Public Health

2004-present Co-Course Director, "Master's Seminar," course for MPH students in the Health Care and Prevention curriculum

2004-present Course Director, "Critical Appraisal of Health Literature," course for MPH students in the Health Care and Prevention curriculum

2002-present Course Director, "Strategies of Prevention for Clinicians," course for MPH students in the Health Care and Prevention curriculum

1998-2004 Instructor, "Health Care Epidemiology," course for MPH students in Department of Epidemiology

- 1996-2002 Co-Course Director, "Strategies of Prevention for Clinicians," course for MPH students in the Health Care and Prevention curriculum
- 1988-1992 Instructor in Epidemiology 201, Epidemiologic Research Methods course
- 1988-present Advisor for Degree Candidates (both Masters' and Ph.D. levels)

Presentations:

Comparison of Guideline Development Methods: US Preventive Services Task Force and National Institute for Health and Clinical Excellence. Invited Lecture, Technical Forum, National Institute for Health and Clinical Excellence. London, UK. May, 2008

Replacing Effective Screening Tests with New Technologies: What Evidence Do We Need? Special Lecture, Wolfson Institute for Preventive Medicine, Barts and The London School of Medicine, London, UK. April, 2008

Screening with Spiral CT for Lung Cancer: Ready for Prime Time? Presented at UNC Internal Medicine Conference, March, 2007

Screening for Carotid Artery Stenosis. Presented at national meeting of Society of General Internal Medicine, April 2006, Los Angeles

Screening for Abdominal Aortic Aneurysm. WakeMed Grand Rounds, Raleigh, NC, August 9, 2005

Screening for Abdominal Aortic Aneurysm. Presented at national meeting of Society of General Internal Medicine, May, 2005, New Orleans

Evidence-based Medicine and the US Preventive Services Task Force. Panel discussion, conference sponsored by NIH. Medicine in the Media: The Challenge of Reporting Clinical Research, June, 2005

The UNC MD-MPH Program. Presentation at the national meeting of MD-MPH Programs sponsored by the American Association of Medical Colleges, Chicago, June, 2005

What should we do with USPSTF “C” and “I” recommendations? Presented at American College of Preventive Medicine Annual Meeting, February 2005

Formal systems for grading the strength of evidence. Delivered at NIH Conference on “Assessing Evidence: Why do we sometimes get it wrong?” January 10, 2005

Priorities in prevention for older people: what should we do first? Program on Aging Distinguished Lecturer. Challenges in Geriatric Practice Conference, February, 2004

Screening for Prostate Cancer, UNC Internal Medicine Conference, March, 2003

Screening for Prostate Cancer, Continuing Medical Education Talk, Alamance Regional Medical Center, Burlington, NC, February, 2003

Screening for Prostate Cancer, National Medical Association Annual Meeting, August, 2002

Screening for Prostate Cancer, Grand Rounds. High Point Regional Medical Center, High Point, NC, June, 2002

Primary Prevention and Screening for Diabetes. UNC Department of Medicine Annual Conference. April, 2002

Screening for Prostate Cancer. American College of Physicians Annual Meeting, Philadelphia. April, 2002

Primary Prevention of Diabetes. UNC Department of Medicine Grand Rounds. December, 2001

Evidence-based Medicine, Grand Rounds. Cleveland Regional Medical Center, Shelby, NC, October, 2000

Issues in Development of Guidelines. UNC Preventive Medicine Conference, December, 1998

Hormone Replacement Therapy vs. Tamoxifen: An Exercise in Complex Decision Making. Medical Grand Rounds, UNC Department of Medicine, November, 1998

Hormone Replacement Therapy vs. Tamoxifen: An Exercise in Complex Decision Making. Department of Medicine Grand Rounds, Moses Cone Memorial Hospital, Greensboro, NC, October, 1998

Guidelines and Mammography Screening Practices. American College of Obstetrics and Gynecology Leadership Course, Chapel Hill, NC, August, 1998

Controversies in Breast Cancer Screening and Prevention. UNC Department of Family Medicine Grand Rounds, August, 1998

Office Systems for Preventive Care. Western Rockingham Family Medicine, Madison, NC, May, 1998

Screening in the Elderly: Effectiveness, Cost-Effectiveness and Clinical Strategy. Greater Greensboro Society of Medicine, Greensboro, NC, April, 1998

Screening for Colorectal Cancer. Greater Greensboro Society of Medicine, Greensboro, NC, April 1998

Breast Cancer Screening: Consensus vs. Confusion? Annual UNC Public Health Leadership Seminar, Chapel Hill, NC, March, 1998

Challenges of Preventive Care in the 21st Century, Program on Aging Distinguished Lecturer, Challenges in Geriatric Practice Conference, Chapel Hill, NC, January, 1998

Continuing Medical Education: Do We Know How Well We Are Doing? Medical Grand Rounds, UNC Department of Medicine, September, 1997

Breast Cancer and Breast Cancer Screening. Board Review Course for UNC Internal Medicine Residents. June, 1997

Preventive Health Care for College Students. North Carolina State University Student Health Service, Raleigh, NC, February, 1997

Variation of Benefits and Harms of Breast Cancer Screening with Age. Presentation to NIH Consensus Development Conference on Breast Cancer Screening for Women Ages 40-49. Bethesda, MD, January, 1997

Screening for Cancer: Breast, Prostate, and Colon. UNC-CME Conference, Research Triangle Park, NC, November 1996

Counseling for Behavior Change: Does it Work? Medical Grand Rounds, UNC Department of Medicine, October, 1996

Quality of Care in the Community: The Role of the Academic Medical Center. Medical Grand Rounds, UNC Department of Medicine, January, 1996

Screening: The Need for Evidence. UNC Internal Medicine Conference, Chapel Hill, March, 1996

Breast Cancer Screening. Discussion for fellows, UNC Division of Oncology. Annual discussion 1995-1997

The Periodic Health Exam: 1996; Medical Grand Rounds, New Hanover Memorial Hospital, Wilmington, NC November, 1995

Breast Cancer. Annual meeting of the NC Academy of Family Physicians, Asheville, NC, December, 1995

Breast Cancer Screening. Cancer Conference 1995. Cancer Center of Southwest Virginia, Roanoke, VA, November, 1995

Screening: A Double-Edged Sword. Medical Grand Rounds, UNC Department of Medicine, October, 1995

North Carolina Prescribe for Health Final Conference. Presented results to practices participating in the NCI-funded five-year study. Asheville, NC, October, 1995

An Examination of Options for Measuring the Quality of Breast Cancer Screening. Presented at the annual meeting of The Center for Clinical Quality Education. Washington, DC, May, 1995

Breast Cancer Screening: 1995; part of special session "Controversies in Screening," American College of Physicians national meeting, Atlanta, GA, March, 1995

Controversies in Screening for Colon Cancer. Challenges in Geriatric Practice conference, UNC, Chapel Hill, January, 1995

Strategies to Implement a Health Promotion and Disease Prevention Program. North Carolina Medical Society Annual Meeting, Greensboro, NC, November, 1994

Breast Cancer Screening: 1994; Medical Grand Rounds, Wake Medical Center, Raleigh, NC, September, 1994

Preventive Care 1994. Mountaintop Medical Assembly, Waynesville, NC, July, 1994

Screening for Colorectal Cancer, Medical Grand Rounds, UNC Department of Medicine August, 1994

Breast Cancer Screening: 1994, part of special session "Controversies in Screening," American College of Physicians national meeting, Miami, FL, March, 1994

Practical Prevention in the Office, workshop, annual meeting of American College of Physicians, 1992, 1993, 1994 (Atlanta, San Diego, and Washington)

Science and Politics in Breast Cancer Screening Guidelines, UNC Preventive Medicine Seminar, February, 1994

Research in Increasing Breast Cancer Screening in North Carolina. UNC Bicentennial Symposium, February, 1994

Practical Prevention in the Office: Deciding What to Do and Getting It Done. Carolinas Medical Center Spring Symposium, Charlotte NC, May, 1993

Breast Cancer Risk: Facts and Perceptions. Presented at the International Workshop on Screening for Breast Cancer, sponsored by the National Cancer Institute, February, 1993

Developing Preventive Care Guidelines: Should we Screen Older Patients for Hearing Impairment? Medical Grand Rounds, UNC Department of Medicine, January, 1993

Preventive Care in Rural Primary Care Practices. American Cancer Society National Conference on Cancer Prevention and Early Detection, Chicago, September, 1992 (with Linda Leininger, MD, MPH)

Breast Cancer Screening: 1992, UNC Department of Medicine Continuing Medical Education Conference, April, 1992

Preventive Care Guidelines: 1992, Wilmington AHEC Medical Grand Rounds, July, 1992

Defining the Racial Gap in Breast Cancer. Triangle Area Cancer Epidemiologists meeting, 1990, and 1991 Minority Health Conference, UNC School of Public Health

69 Year old Female with Neck and Arm Pain, Weight Loss and Paresthesias CPC, UNC Department of Medicine, 1990

Effects of Community-Based Intervention to Increase Breast Cancer Screening. Presentation before Department of Health Behavior and Health Education, UNC School of Public Health, 1990

Increasing the Performance of Preventive Procedures in the Practice Setting: Evaluation of an Intervention for Elderly Patients. Presented before UNC Health Services Research Center, 1990

Advanced Directives for Health Care. Talk given to 12 different senior citizens' groups in Raleigh, Durham, Chapel Hill, Prospect Hill, and Siler City, NC, 1987-1990

Screening Mammography for Women in Their 40's, Medical Grand Rounds, UNC Department of Medicine, January, 1989

83 Year Old Man With Multiple Medical Problems, CPC, UNC Department of Medicine, 1988

Screening Mammography for Women in Their 40's: Ten Reasons Why the Issue Isn't Settled. Presented before Division of General Medicine and Clinical Epidemiology, 1989

Physician Barriers to Breast Cancer Screening. Presented before Pennsylvania State Consensus Conference on Breast Cancer Screening, 1989

Women's Attitudes and Knowledge about Breast Cancer Screening. Presentation before Department of Health Behavior and Health Education, UNC School of Public Health

Rationale for Breast Cancer Screening, presentation before meeting of North Carolina Department of Health, sponsored by the North Carolina Division of Adult Health Services, Raleigh, NC, March, 1989

Hospice Care in Perspective, Keynote Speaker for Hospice of Wilkes Annual Meeting, North Wilkesboro, NC, May, 1989

Preventive Medicine in Primary Care, Continuing Medical Education Session to physicians at Heritage Hospital, Tarboro, NC., May, 1988

Diabetes Mellitus, Two-session presentation for Internal Medicine Teaching Program, Moses Cone Memorial Hospital, Greensboro, NC, March, 1987

Advanced Pain Control, Presentation at Hospice of North Carolina Annual Meeting, October, 1987

The Science of Test Ordering, Department of Medicine conference (two sessions), Bowman Gray School of Medicine, September, 1976

Teaching in the Medical Clinic, Medical Grand Rounds, Bowman Gray School of Medicine, February, 1981

Advanced Directives for Health Care, Talk given to 12 different senior citizens' groups in Raleigh, Durham, Chapel Hill, Prospect Hill, and Siler City, NC, 1987-90

Honors and Awards

- Phi Beta Kappa, The Johns Hopkins University, 1967
- Delta Omega Honorary Society, UNC School of Public Health, 1987
- UNC Department of Epidemiology Alumni Conference Award, 1989, for service to department.
- Arnold P. Gold Foundation Humanism in Medicine Award, presented by the graduating class of the UNC School of Medicine, May, 2003
- Teaching Award, UNC Department of Medicine, 2005
- Fellow in UNC School of Medicine Academy of Educators, 2007
- W.R. Kenan Leave (competitive), January – June, 2008, Visiting Professor with National Institute for Health and Clinical Excellence (NICE) and the Wolfson Institute of Preventive Medicine, Barts and The London School of Medicine, London, U.K.
