

CURRICULUM VITAE

Chirayath M. Suchindran

Addresses:

Home: 8608 Yorkshire Lane
Chapel Hill, NC 27516

Office: 3103A McGavran-Greenberg Hall
University of North Carolina at Chapel
Chapel Hill, NC 27599-7400

Telephone: (919) 929-3835

(919)966-7258

Citizenship: U.S. Citizen

EDUCATION:

University of Kerala, India B.Sc. 1960 Mathematics

University of Kerala, India M.Sc. 1962 Statistics

University of North Carolina MSPH 1968 Biostatistics
at Chapel Hill

University of North Carolina Ph.D. 1972 Biostatistics
at Chapel Hill

PROFESSIONAL EXPERIENCE:

1985-present Professor of Biostatistics, University of North Carolina at Chapel Hill

1999- Director of Graduate Admissions, Department of Biostatistics,
University of North Carolina at Chapel Hill

1977-present Fellow, Carolina Population Center, University of North Carolina at
Chapel Hill

1980-1985 Associate Professor of Biostatistics, University of North Carolina at
Chapel Hill

1974-1980 Assistant Professor of Biostatistics, University of North
Carolina at Chapel Hill

1972-1974 Visiting Assistant Professor and Instructor of Biostatistics,
University of North Carolina at Chapel Hill

1963-1967 Research Analyst, Research Assistant, Research Officer, Department
of Statistics, University of Kerala, India

HONORS

Fellow, American Statistical Association (Elected August 1995)

President, Triangle Area Population Society (1995-97)

Fellow, Indian Society for Medical Statistics (Elected in 1993)

Membership in Delta Omega and Sigma Xi

Fellowship for Graduate Studies from the Ford Foundation and the Carolina Population Center (1967-72)

EDITORIAL RESPONSIBILITIES

Deputy Editor: *Demography*, (1975-1978).

Associate Editor, Co-Editor: *Mathematical Population Studies*, (1986-2005)

Advisory Board Member, *Mathematical Population Studies*(2005 – present)

Member, Editorial Board, *Canadian Studies in Population* (2007-Present)

Associate Editor: *Survey Methodology*, (1991-1994)

Co-Editor: *Mathematical Population Studies*, (1991- 2005)

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

American Statistical Association

Biometrics Society

Population Association of America

International Union for the Scientific Study of Population

Triangle Area Population Society

GRANTS RECEIVED:

Training Grant

Principal Investigator (Program Director), "Research Training in Population Statistics", Training Grant awarded by the National Institute of Child Health and Human Development, 1980-2008. (Co-Investigator 1972-1980)

Center Grant

Statistical Services Core, "Carolina Population Center", Center Grant awarded by the National Institute of Child Health and Human Development, 1984- present

Senior Research Fellowship

Principal Investigator, "Demographic Processes of India's Kerala State", Senior Research Fellowship awarded by the Fogarty International Center, National Institutes of Health 1988-89.

Research Grants

Statistician, "Promoting Safer Sex Among HIV+ Patients", National Institute of Mental Health, 2005-2009

Statistician, "Obesity development and CVD risk factor clustering in Filipino and Offspring", National Heart, Lung, Blood Institute 2006-2010

Statistician, "Craniosacral Therapy in Migraine: Feasibility Study", National Institute of Complementary and Alternative Medicine. 2006-2008

Statistician, "Effects of Neighborhood SES on CHD Burden in Communities", National Heart, Lung and Blood Institute, 2005-2009

Statistician (Principal Investigator of a core project), "Center for Excellence in Health Statistics: Statistical Methods for Spatial Analysis, Centers for Disease Control, 1999-2003

Statistician, "Violence towards peers, dates and self: A developmental focus", Centers for Disease Control, 2003-2007

Statistician, "Mediators and Moderators of the Family Violence and Adolescent Dating Violence Relationship" Centers for Disease Control, 2000-2003

Co-Investigator, "Behavioral Dynamics of HIV/AIDS in Uttar Pradesh, India, National Institute of Child Health and Human Development, 2001-2004

Statistician, "Pathways", National Heart and Lung Institute, 1998-2001

Statistician, "Understanding the Healthy Worker Survivor effect", National Institute of Occupational Health, 1998-2001

Statistician, "National Epidermolysis Bullosa Registry", Statistical Coordinating Center, National Institute of Arthritis and Musculoskeletal and Skin Diseases (1992- 2002)

Co-investigator (Principal Investigator of a core project), "Information technology to advance population research skills in developing countries" Andrew Mellon Foundation, 1999-2003

Statistician, MEASURE (Monitoring and Evaluation to Assess and Use Results) project, US AID 2001-2008

Principal Investigator, "Infant Mortality in North Carolina: A Comprehensive Study", Research Grant awarded by the National Institute of Child Health and Human Development, 1988-1993.

Principal Investigator, "End of Childbearing: Its Timing and Variations". Sub-grant from the Research Triangle Institute and National Institute of Child Health and Human Development (1987-1994).

Co-Investigator, "Evaluating Family Planning Program Impact", U. S. Agency for International Development (1991-1996)

Co-Investigator, "Work During Pregnancy: Relationship to Low Birth Weight". Research Grant from the National Institute of Child Health and Human Development (1986-88)

Co-Investigator, "Effects of Community Level Factors on Fertility". Research Grant from the National Institute of Child Health and Human Development (1987-1990)

Principal Investigator, "Family and Marital Life Course in Midlife and Older Age" Sub-grant from the Research Triangle Institute and the National Institute of Aging (1983-87).

Principal Investigator, "End of Childbearing: Its Timing and Variations." Sub-grant from the Research Triangle Institute and the National Institute of Child Health and Human Development (1983-86).

Statistician, Central Patient Registry and Coordinating Center for the Lipids Research Program, National Heart, Lung and Blood Institute (1982-1988)

Principal Investigator, "Remarriage, Fertility and Stability of Remarriages" Research Grant awarded by the National Institute of Child Health and Human Development (1980-83)

Co-Investigator (Task Leader), "Patterns and Determinants of Breast Feeding and Mortality in the Near East" Research Contract by the Agency for International Development (1980-84)

Co-Investigator, "The Impact of Food Crisis on Fertility in Bangladesh: An Analysis of Birth Interval Data." Research Grant awarded by Population Council (1982-84).

Co-Principal Investigator, "Interrelationships between Infant Mortality and Fertility in Jordan and Sri Lanka" Research Grant awarded by the Agency for International Development (1978-81).

Principal Investigator, "Consequences of Adolescent Pregnancy and Childbearing" Research Contract awarded by the National Institute of Child Health and Human Development (1976-78).

Principal Investigator, "Demographic and Socio-economic Effects of Childlessness and One Child Families" Subcontract awarded by the Research Triangle Institute and the National Institute of Child Health and Human Development (1979-81).

Co-Investigator, "Comparison of Two Methods of Natural Family Planning" Subcontract awarded by the Cedar-Sinai Medical Center, Los Angeles, and National Institute of Child Health and Human Development (1978).

Principal Investigator, "Relationships between Fertility, Marital Dissolutions and Remarriages" Subcontract awarded by the Research Triangle Institute and the National Institute of Child Health and Human Development (1975-78).

Principal Investigator, "Study of cumulative Mortality Risks Associated with Alternative Patterns of Reproductive Behavior." Research project awarded by Center for Disease Control, Atlanta (1975-76)

Co-Principal Investigator, "New Estimation Techniques for Demographic Analysis" Research Contract awarded by the National Institute of Child Health and Human Development (1974-76).

Co-Investigator, "Measurement Methods of Population Change." Grant awarded by the National Institute of Child Health and Human Development (1972-74).

S. Sudha, E. J. Mutran, I. C. Williams and C. M. Suchindran, "Childbearing History and Self-reported Well-being in Later Life: Contrasting Older African American and White Women", Presented at the Gerontological Society of America Annual Meetings, November 25-27, 2002 Boston, MA.

Quio, Xiochen and C. M. Suchindran, " Changes and Challenges of Population Aging in China", Paper presented at the Annual meetings of the Population Association of America, Minneapolis, Minnesota, May, 1-3, 2003.

Quio, Xiochen and C. M. Suchindran, " From sex preference of children to its reality: Sex Ratio at birth and its determinants in China", Poster presentation at the Annual meetings of the Population Association of America, Minneapolis, Minnesota, May, 1-3, 2003.

Bloom, S., K. K. Singh, Sunita Singh, and C. M. Suchindran, "Men's Sexual Behavior and Women's vulnerability to HOV in Urban North India", paper presented at the Annual meetings of the Population Association of America, Minneapolis, Minnesota, May 1-3, 2003.

C, M . Suchindran , " Methodological Issues in Fertility Research", Discussant, Annual meetings of the Population Association of America, April 1-3, 2004, Boston , Massachusetts

C. M. Suchindran, "Multi-state Life Tables", Methodology Seminar, Carolina Population Center, February 26, 2004

Von Holle, A. and C. M. Suchindran, “A Non-Parametric application for exploratory multivariate data analysis using infant mortality rates”, Poster presentation at the annual meetings of the Population Association of America, Boston , Massachusetts, April 1-3,, 2004

Kuo, Tzy-Mey, C. M. Suchindran, and H. P. Koo (2004), “ Contraceptive Switching Behavior: An Application of Multi-State Life Tables”, Poster presentation at the annual meetings of the Population Association of America, Boston , Massachusetts, April 1-3, 2004 (*Won Blue Ribbon Award for Best Poster*)

Wasserman, M, D. Bender, W.L. Kalsbeek and C. M. Suchindran, “ Viability of a Church based sampling strategy for Latina Immigrant women”, paper presented at the annual meetings of the Population Association of America, Boston , Massachusetts, April 1-3,, 2004

Bloom, S. S, Singh, K. K., and C. M. Suchindran, “ The effect of communication on the probability of husband’s extramarital sex in North India”, Poster presentation at the XV International AIDS Conference, Bangkok, Thailand July 11-16, 2004

Singh, K. K., Bloom, S. S, and C. M. Suchindran, “Influence of Mobility on the likelihood of non-regular partnership among married men in North India”, Poster presentation at the XV International Aids Conference, Bangkok, Thailand July 11-16, 2004

K. K. Singh, S. S. Bloom, C. M. Suchindran, B. P. Singh and S. Mishra, “ Male Sexual Behavior: A Study of Uttar Pradesh”, Paper presented at the Annual Meetings of the India Association of Population Studies, Annamalai, Tamilnadu , February 2004

Lee, L. C, C. T. Halpern, S. L. Martin, I. Hertz-Picciotto and C. M. Suchindran, “ Childcare and Social Support Modify the Impact of Maternal Depression”, Poster presentation at the Annual Meetings of the American Psychiatric Association, May 2004

Lee, L. C, C. T. Halpern, , I. Hertz-Picciotto, S. L. Martin and C. M. Suchindran, “ The Continuity of Maternal Depression in the First 3 years after Childbirth”, Poster presentation at the Annual Meetings of the American Psychiatric Association, May 2004

C. M. Suchindran, May Kuo, and H. P. Koo (2005), “Covariate Analysis of Multi-state Life Tables: Application to women’s Contraceptive Dynamics” Poster presentation at the Annual Meetings of the Population Association of America, Philadelphia, April 2005

K. Chantala and **C. M. Suchindran** (2005), “Adjusting for Unequal Selection probability in Structural Equation Model and Multilevel Models: Applications to Demographic Survey Data”, Poster presentation at the Annual Meetings of the Population Association of America, Philadelphia, April 2005 (*won a blue ribbon award for the best poster*)

Kuo-Poing Li and C.M. Suchindran, “ Comparison of Spatial Characteristics of Local Air Quality Reported Using the Air Quality Index in the State of North Carolina , 1999-2004”, Paper presented at the Joint Statistical Meetings, Minneapolis, MN , August 2005

S.Bloom, K. K. Singh and C. M. Suchindran, “Gender and the Risk of HIV in North India: Couple Communication as a Protective factor”, Paper presented at the XXV IUSSP International Population Conference, Tours, France, 18-23 July 2005

D. Devries, S. Bloom, K. K. Singh and C. M. Suchindran, “Masculinity and the risk of HI/AIDS in India , Paper presented at the XXV IUSSP International Population Conference , Tours, France, 18-23 July 2005

C. M. Suchindran, “Elderly Population: Spatial Distribution and its Implication on Health”, *Invited paper*, Beijing Forum 2006 organized by Peking University, Beijing, China, October 27-29, 2009

C. M. Suchindran, “Emerging Issues in demographic Research”, *Invited talk*; Ma Yinchu Population Science Distinguished Lecture, Peking University, October 31, 2006

K. Chantala and C. M. Suchindran (2006), “Adjusting for Unequal Selection probability Probability in Multilevel models: A comparison of Software Packages” *Invited Talk*: Joint Statistical Meetings, Survey Research Section, August 2006

Kuo-Ping Li and C. M. Suchindran, “ Effects of Air Pollution, Social Economical Status, and Spatial Clustering Effects on Lung Cancer Mortality Rates of North Carolina Counties of Year 2000 ‘ Paper presented at Biometric Society (ENAR), Tampa, Florida March 28, 2006

Kuo-Ping Li and C. M. Suchindran, “ Effects of Local Air Quality Reported Using the Air Quality Index and Spatial Clustering Effects on Lung Cancer Mortality Rates of North Carolina Counties of 2000” , Poster presentation, Annual meetings of the Population Association of America, Los Angles, CA , March 31, 2006 (*won Blue Ribbon award*)

K. M. Rose, Randy Foraker, G. Heiss, Kuo Ping Li, W. D. Rosamond , C. M. Suchindran and Joy Wood, “ Neighborhood Socioeconomic status and disparities in Angiography and cardiovascular revascularization: The ARIC Community Surveillance” Paper presented at the American Heart Association (Council on Epidemiology and Prevention), Annual Meetings March 2-5, 2006, Phoenix Arizona

C. M. Suchindran, “Statistical Applications in Population Research”, Discussant, Annual Meetings of the Population Association of America, New York, NY April 2007

C. M. Suchindran, "Analysis of Recurrent Event Data", Methodology seminar, Carolina Population Center, UNC-Chapel Hill

Kuo-Ping Li and C. M. Suchindran, "Univariate and multivariate autoregressive spatial modeling in the analysis of aerial population data", Poster presentation, Annual meetings of the Population Association of America, New York, April 2007

SERVICE ACTIVITIES (2000 -)

Member, SBIR grant Review Committee, Center for Scientific Research, National Institutes of Health (1995- 2000)

Treasurer, Delta Omega Theta Chapter (Honorary Society in Public Health) 1996-2000

Chair, Appointments, Promotions and Tenure Committee, School of Public Health, 2001-2002 (Member 1999-2001)

Member, Steering Committee, Middle East Population Research Training, University Center for International Studies (UCIS) (2001)

Grant Proposal Reviewer, National Science Foundation (2001)

Full Voting Member, Tenure Committee, National Institute of Environmental Health Sciences (2002)

External Examiner of Doctoral dissertation, "On Some Random Walk Models and Their Applications to Fertility Analysis", Andhra University, India

External Examiner of Doctoral Dissertation, "A Study of Health Transition in a Rural Setting with Special Reference to Prevalence and Burden of Sickness", University of Madras, India

Member, special panel to review grants entitled, "Clinical Research Education and Career Development in Minority Institutions", *National Center for Research Services* (NIH), July 2003

Member, Special emphasis panel to review grants entitled " Oldest-old mortality demographic models and analysis", *National Institute of Aging* (NIH), July 2003

Member, Special emphasis panel for review of grants entitled "The National Institute of Aging Multi-center study on exceptional survival in families", *National Institute of Aging* (NIH), December 2003

External Examiner of doctoral dissertation, “A study on statistical modeling using artificial neural networks”, University of Madras, India, 2003

External Examiner, of doctoral dissertation, “Measures for reporting small area variation: Application to health data evaluation of small area estimation techniques for health data” , University of Madras, India, 2004

Member (Chair, Subcommittee on Data and Methods Session Organizing Committee), 2006 Annual Meetings Program Organizing Committee, Population Association of America,

Member (*Chair, Data and Methods Section*), 2007 Annual Meetings Program Organizing Committee, Population Association of America

Member, *Expert Committee* on “Use of the Vaccine Safety Data Link to Assess Time Trends in Autism”, National Institute of Environmental Health Sciences and Centers for Disease Control and Prevention, 2006

Member, Scientific Review Group Health of the Population (HOP) Integrated Review Group, National Institutes of Health (March, July and November 2007)

Member (mail), Special Emphasis Panel, Scientific Review Group (SSPS), National Institutes of Health (October 2007)
