

CURRICULUM VITAE
Morris Weinberger, PhD
December 2019

CONTACT INFORMATION

Vergil N. Slee Distinguished Professor of Healthcare Quality Management
Chair, Department of Health Policy and Management
University of North Carolina at Chapel Hill
1101A McGavran-Greenberg Hall, CB# 7411
Chapel Hill, NC 27599-7411

Phone: 919-966-7385
Fax: 919-966-6961
E-mail: mweinber@email.unc.edu

EDUCATION

B.A. 1970-1974 State University College of New York at Cortland, Cortland, NY.
Dual Major: Sociology and Mathematics (graduated with honors).

M.S. 1974-1975 Purdue University, West Lafayette, IN. Sociology.

Ph.D. 1975-1978 Purdue University, West Lafayette, IN. Sociology.

Post-PhD 1988-1990 Center for the Study of Aging and Human Development, Duke
University Medical Center, Durham, NC. Gerontology.

ACADEMIC APPOINTMENTS

2017-Present Chair, Department of Health Policy and Management, University of North
Carolina at Chapel Hill

2001-Present Vergil N. Slee Distinguished Professor of Healthcare Quality Management,
Department of Health Policy and Management, University of North Carolina at
Chapel Hill

2001-Present Professor of Medicine, Division of General Internal Medicine, University of North
Carolina at Chapel Hill School of Medicine (Joint Appointment)

2001-Present Investigator, Center for Health Services Research in Primary Care, Durham
VAMC (Without Compensation since 2016)

2001-2016 Senior Research Career Scientist and Director, Intervention Core, Center for
Health Services Research in Primary Care, Durham VAMC

2003-2017 Director, PhD Training Program, Department of Health Policy and Management,
University of North Carolina at Chapel Hill

- 2004-Present Member, Cancer Prevention and Control Program, Lineberger Comprehensive Cancer Center, University of North Carolina at Chapel Hill
- 2001-Present Research Fellow, Cecil G. Sheps Center for Health Services Research; Research Professor, Department of Medicine, School of Medicine; Adjunct Professor, Division of Pharmaceutical Outcomes and Policy, School of Pharmacy, University of North Carolina at Chapel Hill
- 2001-Present Adjunct Professor of Medicine, Duke University Medical Center
- 2005-2007 Director, Program on Health Outcomes, Department of Health Policy and Management, University of North Carolina at Chapel Hill
- 2001-2006 Co-Director: Clinical Scholars Program, Robert Wood Johnson Foundation.
- 1994-2001 Director, Center for Health Services Research, Roudebush (Indianapolis) VAMC; Professor, Department of Medicine, Indiana University School of Medicine; and Senior Scientist, Regenstrief Institute for Health Care, Indianapolis, IN
- 1999-2000 Acting Chief of Staff for Research, Roudebush (Indianapolis) VAMC
- 1993-1994 Acting Director, Center for Health Services Research in Primary Care, Health Services Research and Development Field Program, Durham VAMC
- 1989-1994 Associate Director, Center for Health Services Research in Primary Care, Durham VAMC; Associate Medical Research Professor, Duke University Medical Center; Senior Fellow, Center for the Study of Aging and Human Development, Duke University Medical Center; and Research Professor, Center for Health Policy Research and Education, Duke University Medical Center
- 1991-1994 Research Associate, Cecil G. Sheps Center for Health Services Research, University of North Carolina at Chapel Hill
- 1990-1994 Lecturer, Department of Sociology, Duke University
- 1988-1989 Visiting Associate Medical Research Professor, Department of Medicine, Duke University Medical Center
- 1984-1989 Associate Professor, Department of Medicine, Indiana University School of Medicine; Scientist, Regenstrief Institute for Health Care; and Adjunct Associate Professor, Department of Sociology, Indiana University at Indianapolis
- 1978-1984 Assistant Professor, Department of Medicine, Indiana University School of Medicine; Scientist, Regenstrief Institute for Health Care; Adjunct Assistant Professor, Department of Sociology, Indiana University at Indianapolis

HONORS

- 2017 Award for Teaching Excellence and Innovation, Gillings School of Global Public Health, University of North Carolina at Chapel Hill

- 2015 Class of 1996 Award for Advising Excellence, University of North Carolina at Chapel Hill
- 2013 John E. Larsh, Jr. Award for Mentorship, Gillings School of Global Public Health, University of North Carolina at Chapel Hill
- 2010 Distinguished Investigator Award, Cecil G. Sheps Center for Health Services Research.
- 2005 John M. Eisenberg Excellence in Mentorship Award, Agency for Healthcare Research and Quality
- 2003 Under Secretary's Award for Outstanding Achievement in Health Services Research, Department of Veterans Affairs
- 2002 Vision Award for Groundbreaking Research in Chronic Illness Care, Improving Chronic Illness Care Program, Robert Wood Johnson Foundation
- 1996-2016 Senior Research Career Scientist, Department of Veterans Affairs HSR&D Service
- 1991-1996 Associate Research Career Scientist, Department of Veterans Affairs HSR&D Service
- 1984 Distinguished Young Alumnus, State University College of New York at Cortland
- 1977 David Ross Summer Fellowship, Purdue University
- 1974-1976 United States Public Health Fellow, Purdue University
- 1970-1974 New York State Regents Scholarship

COURSES TAUGHT, UNIVERSITY OF NORTH CAROLINA

Course Number	Course Title	Schedule
HPM 762	Quality of Care	Since 2001
HPM 330	Introduction to Health Organization Leadership, Management, and Behavior	Since 2019
HPM 697	BSPH Capstone	2017, 2018
HPM 874	Advanced Research Seminar in Health Policy and Management	Since 2008
HPM 789	Master's Paper Development Course	2009-2017
HPM 496	Seminar in Comparative Effectiveness Research	2010-2012
HPM 472	Program Evaluation	2014
HPM 885	Health Services/Health Policy Research Methods II	2012-2014

ACTIVITIES RELATED TO PROFESSIONAL JOURNALS

2006-present Editorial Board, *Journal of Clinical Epidemiology*

- 2003-2013 Editorial Board, *American Journal of Geriatric Pharmacotherapy*
- 2004-2006 Deputy Editor, *Journal of General Internal Medicine*
- 1997-2002 Editor-in-Chief, *Medical Care*
- 1996-1997 Associate Editor, *Diabetes Care*

Reviewer for *American Journal of Preventive Health, American Journal of Managed Care, Annals of Behavioral Medicine, Annals of Internal Medicine, Annals of the Rheumatic Diseases, Arthritis Care and Research, Effective Clinical Practice, Health Services Research, International Journal of Aging and Human Development, JAMA, Journal of the American Geriatrics Society, Journal of Applied Gerontology, Journal of Behavioral Medicine, Journal of Clinical Epidemiology, Journal of General Internal Medicine, Journals of Gerontology, Journal of Health and Social Behavior, Journal of Rheumatology, Mayo Clinic Proceedings, Medical Care, North Carolina Medical Journal, Preventive Medicine, Social Science and Medicine, Southern Medical Journal*

MEMBERSHIPS IN PROFESSIONAL ORGANIZATIONS AND SOCIETIES

Academy Health
Society of General Internal Medicine

PROFESSIONAL ACTIVITIES

Department of Veterans Affairs

- 2016-Present Member, Steering Committee, Center for Health Services Research in Primary Care, Durham VAMC
- 2016 Member, Search Committee, Director of Center for Health Services Research in Primary Care, Durham VAMC
- 2015-Present One-on-one mentor, HSR&D Career Development Award Enhancement Initiative
- 2014-Present Member, VA HSR&D Career Development Award Enhancement Initiative Advisory Committee
- 2002-2016 Member, VA Information Resource Center (VIReC) Steering Committee
- 2001-2014 Member, Research Career Scientist Review Committee, HSR&D Service
- 2001-Present Member, External Advisory Committee, Center for Research in the Implementation of Innovative Strategies in Practice (Previously Research Enhancement Award Program), Iowa City
- 2015 Cyber Seminar Faculty Facilitator, Research Mentor Training: Supporting Evidence and Resources
- 2013 Review Panel, Under Secretary's Award for Outstanding Achievement in Health Services Research, HSR&D Service
- 2012 Co-Chair, Annual HSR&D Research Career Development Award meeting
- 2011 Panel Participant, Early Career Mentoring Issues, Annual HSR&D Research Career Development Award meeting
- 2010 Abstract Reviewer, HSR&D Annual Meetings
- 2008 Facilitator, Breakfast Session on Randomized Controlled Trials in Health Services Research, Annual HSR&D Research Career Development Award meeting

2008 Member, Review Committee, HSR&D Research Enhancement Award Program

2008 Facilitator, Breakout Session, Annual HSR&D Research Career Development Award meeting

2007 Chair, Review Panel, Under Secretary's Award for Outstanding Achievement in Health Services Research, HSR&D Service

2006-2013 Member, Review Committee, HSR&D Career Development Awards

2006 Review Panel, Under Secretary's Award for Outstanding Achievement in Health Services Research, HSR&D Service

2006 Member, Review Committee, HSR&D Research Enhancement Award Program

2006 Panel Participant, Career and Time Management Strategies: Advice from Successful Colleagues. Department of Veterans Affairs HSR&D National Meeting, Washington DC

2003-2006 Chair, Review Committee, HSR&D Merit Review Entry Program

2001-2003 Member, Research and Methodology Committee, Quality Enhancement Research Initiative (QUERI), HSR&D Service

2004 Review Panel, Under Secretary's Award for Outstanding Achievement in Health Services Research, HSR&D Service

2002 Member, Search Committee, Director, Cooperative Studies Program, Hines VAMC

2002 Abstract Reviewer, 2003 VA HSR&D National Meetings

2002 Faculty: Conducting Cooperative Studies in Health Services Research, Clinical Research Methods Course, Cooperative Studies Program

2002 Workshop Leader, Becoming a Research Career Scientist, HSR&D Service

2001 Panel Member, Cross-cutting issues, VA QUERI Annual Meeting

2000 Review Panel, Under Secretary's Award for Outstanding Achievement in Health Services Research, HSR&D Service

2000 Keynote Speaker: VA HSR&D Career Development and Research Career Scientist Awardees Conference: Designing, Implementing and Evaluating a Pharmaceutical Care Program

1999 Chair, Abstract Selection Committee (General Health Services Research), HSR&D Service, HSR&D Service

1999 Moderator, Health Services Research, HSR&D Service

1998 Review Panel, Under Secretary's Award for Outstanding Achievement in Health Services Research HSR&D Service Affairs

1998-1999 Cooperative Studies Program Planning Committee, Glycemic Control and Complications in Diabetes Mellitus Type 2, Department of Veterans Affairs

1998-2001 Executive Committee, Diabetes Quality Enhancement Research Initiative (QUERI)

1997 Search Committee Member, Director, HSR&D

1997 Member, Diabetes Research Planning Committee

1997 Faculty: Outcome measurement in primary care. Outcome Measures to Enhance Clinical Performance in the Department of Veterans Affairs

1996 Member, Managed Care/Primary Care Committee

1996 Member, Task Force to Restructure Research Career Development and Research Career Scientist Programs

1996 Chairman, VA Cluster of the Health Policy Committee, Society of General Internal Medicine

1996 Member, Diabetes Advisory Group

1994-2000 Executive Committee, Evaluation of Geriatric Evaluation and Management Units and Geriatric Follow-up

1995 Program Committee, HSR&D Service

1995 Chairman, Doctoral Awards Committee, HSR&D Service

1995 Presider, Invited Papers Session, HSR&D Service

1995- Ad Hoc Reviewer, Cooperative Studies Program

1993-1994 External Advisory Committee, Developing a Registry of Spinal Cord Injured Veterans

1993 Co-Chair, Future Directions in VA Ambulatory Care: Research in Primary Care

1993-1994 Co-Chair, HSR&D State-of-the-Art Conference: Primary Care

1993 Facilitator, HSR&D Conference State-of-the-Art Conference: Databases: A Resource for Research and Decision-Making

1994 Consultant, Evaluation of the Expansion of Women Veterans Programs in the VA

1993 Ad hoc Grant Reviewer, HSR&D Service

1992 Co-Organizer, VA Medical Care Section, American Public Health Association

1991 Co-Chair, Program Committee, HSR&D Service

1991 Moderator, Scientific Session, HSR&D Service

1991 Review Committee, Associate Research Career Scientist and Research Career Scientist Awards, HSR&D Service

Society of General Internal Medicine

2013-2017 Member, Founders Award Selection Committee

2014 Chair, Founders Award Selection Committee

2012 Selection Committee, Robert J. Glaser Award

2011 Abstract Reviewer, Organization of Care/Chronic Care Management, National SGIM meeting

2010 Member, Committee to nominate SGIM representative for the Patient Centered Outcomes Research Institute Methodology Committee

2008 Abstract Reviewer, Chronic Care Management/Healthcare Delivery, National SGIM meeting

2007 Moderator, Clinical Care Management, Annual Meeting

2007 Co-Chair, Chronic Care Management/Healthcare Delivery Abstract Committee, SGIM Scientific Abstract Committees

2005 Workshop Leader, Writing and Publishing Papers in Peer-Reviewed Journals

2004- Deputy Editor, *Journal of General Internal Medicine*

2003 Selection Committee, John M. Eisenberg Award

2000 Co-Chairperson, Special Scientific Symposium on Innovations in Quantitative Methods

1998 Co-Chair, Scientific Program Abstracts (Health Services Research)

1995-2000 One-on-One Mentor

1993-1995 Membership Committee, Society of General Internal Medicine

1992 Chairman, Health Services Research Abstract Review Committee
 1992 Abstract Reviewer
 1988-1989 Task Force on the Place of Geriatrics in the Society of General Internal Medicine
 1987 Abstract Reviewer

Robert Wood Johnson Foundation Improving Chronic Illness Care Program

2000-2004 Chairperson, National Advisory Committee
 2000-2004 Chair, Grant Review Committee
 2000 Member, Improving Arthritis Care Expert Panel
 1998-2000 Member, National Advisory Committee
 1997 Committee Member, Chronic Disease Management in Organized Health Systems: Developing a Plan for National Research, Demonstration, and Dissemination Program

Other Professional Activities

2019 Member, Planning Committee, Annual Research Meeting, AcademyHealth
 2016-Present Member, External Advisory Board, Wake Forest University CTSA
 2013-Present Member, External Advisory Board, University of Kentucky CTSA
 2010-Present Abstract Reviewer, NRSA annual meeting, Agency for Healthcare Research and Quality
 2008-2018 Board of Directors of the North Carolina Healthcare Quality Alliance (NCHQA)
 2018 Reviewer, Health Policy Research Scholars Program, Robert Wood Johnson Foundation
 2005-Present Abstract Reviewer, National Research Service Award Program
 2018 Reviewer, Pilot Grant Program, Clemson University
 2016 Session Chair, Social and External Impacts on Disparities, NRSA Annual Research Meeting
 2015 Review Committee, Department of Quantitative Health Sciences, University of Massachusetts Medical Center
 2015 Session Chair, Assessing the Impact of Clinical Practice Transformation, Annual AcademyHealth Research Meeting
 2015 Abstract Reviewer, Improving Safety, Quality and Value, Annual AcademyHealth Research Meeting
 2013 Alice S. Hersh Student Scholarship Selection Committee, Academy Health
 2012 Phase 2 Grant Reviewer, Improving Healthcare Systems, Patient-Centered Outcomes Research Institute
 2012-2015 External Advisory Board, Establishing PhD Program in Applied Health Research and Evaluation, Department of Public Health Sciences, Clemson University
 2010 Grant Reviewer, PROSPECT Studies: Building New Clinical Infrastructure for Comparative Effectiveness Research, Agency for Healthcare Research and Quality
 2008 Grant Reviewer, Canadian Institute of Health Research
 2008 Grant Reviewer, Arthritis Foundation

- 2008 Workshop Leader, Developing Successful Multidisciplinary Research Teams, National Annual Meeting CTSA-KL2, K12 and K30 Clinical Research Scholars and Association for Clinical Research Training, Washington DC
- 2008 Participant, NIH Office of Behavioral and Social Sciences Workshop on Patient Adherence, Jersey City, NJ
- 2007 Workshop Co-Chair, Can mentoring be taught? Training of mentors and mentees. National Leadership Workshop on Mentoring Women in Biomedical Careers, Office of Research on Women's Health and NIH Working Group on Women in Biomedical Careers
- 2007 Invited Speaker, Publishing in peer-reviewed journals. Practice-based research network, Agency for Healthcare Research and Quality
- 2007 Discussant, Managing complexity in chronic care within the largest integrated health system in the US: Current and future directions. AcademyHealth Annual Meeting
- 2006 Member, Expert Panel, Medication Events and Adverse Drug Events Recording System, Agency for Healthcare Research and Quality
- 2006 Chair, Selection Committee, John M. Eisenberg Excellence in Mentorship Award, Agency for Healthcare Research and Quality
- 2006 Ad hoc Patient Safety Proposal Reviewer, Agency for Healthcare Research and Quality
- 2005 Session Chair, Enhancements to Primary Care in the Treatment of Chronic Disease, Academy Health, Boston MA
- 2005 Abstract Reviewer, AcademyHealth
- 2005 Member, Peer Review Panel, Cancer Care Quality Measures: Diagnosis and Treatment of Colon Cancer, Agency for Healthcare Research and Quality
- 2005 Expert Panel, Medicaid Disease Management Initiatives, Center for Health Care Strategies
- 2005 Consultant, Ambulatory Intensive Caring Unit (A-ICU), California HealthCare Foundation Bug Project
- 2005-2008 Member, Data Safety and Monitoring Board, Low Carbohydrate Ketogenic Diet versus Orlistat for Weight Loss, Durham VAMC
- 2005 Member, Search Committee, *Medical Care* Editor
- 2005 Ad Hoc Grant Reviewer, Robert Wood Johnson Foundation
- 2004 Participant, Crossing the Quality Chasm Summit, Institute of Medicine
- 2004-2012 Member, Data Safety and Monitoring Board, Duke Center for Nicotine and Smoking Cessation Research, Duke University Medical Center
- 2004-2008 Chair, Data Safety and Monitoring Board, Take Control of Your Blood Pressure, Duke University Medical Center
- 2004 External Reviewer for Proposed PhD Program, Department of Health Policy and Management, University of Kansas
- 2003 Panel Chair, Disease Management: Implications for cost and Care, Academy Health, Nashville TN
- 2003 Mock Study Section Member, NRSA Fellowship Program, Nashville, TN
- 2001-2005 Member, Data Safety and Monitoring Board, Heart study, Indiana University Medical Center
- 2000 Member, Search Committee, *Medical Care* Editor

1999 Consultant, Center for Health Care Research, Kansas University Medical Center

1998-1999 Technical Advisory Group, Fleetwood Project, American Society of Consultant Pharmacists Research and Education Foundation

1998-2000 Outcomes Research Task Force, American Diabetes Association

1998-2001 Grant Review Committee, American Diabetes Association

1998 Advisory Committee, President's Initiative on Race, National Academy of Science

1997 Small Group Moderator, Outcomes Research: Engine for Quality Improvement, Agency for Health Care Policy and Research

1997-2001 Medical Care Section, American Public Health Association

1995 Co-Chair, Clinical Epidemiology Session, Association for Health Services Research

1995 External Grant Reviewer, Education, Epidemiology and Health Services Research Component, University of Alabama at Birmingham Multipurpose Arthritis Center

1995 External Grant Reviewer, Rehabilitation in Stroke Patient Outcomes Research Team, University of Kansas Center on Aging

1994 Session Chair, Demographic Status and Health. Gerontological Society of America

1994 Session Chair, Health Services Research: Outcomes. Gerontological Society of America

1994 Abstract Reviewer, Clinical Medicine Section, Gerontological Society of America

1994 Scientific Reviewer, Centers for Disease Control/Division of Diabetes Translation: Comprehensive Community-Based Diabetes Prevention and Control Interventions

1993 Session Chair, Access to and Delivery of Health Care Services. Gerontological Society of America

1993 Ad hoc Grant Reviewer, Small Grants Program, Agency for Health Care Policy and Research

1993-95 Consultant, Advanced Directives, Proxies and Electronic Medical Records, Regenstrief Institute for Health Care

1992-1994 Abstract Reviewer, Behavioral Science Section, Gerontological Society of America

1992 Abstract Selection Committee, Behavioral Science Section, Gerontological Society of America

1992 Session Chair, Mental and Functional Disorders. Gerontological Society of America

1992 Grant Reviewer, Small Grant Program, Agency for Health Care Policy and Research

1992 Study Section, Agency for Health Care Policy and Research, Study of Patient Outcomes Associated with Pharmaceutical Therapy

1992 Technical Evaluation Panel, Agency for Health Care Policy and Research, Schizophrenia Patient Outcome Research Team

1992-94 Inter-PORT Work Group on Outcomes Assessment. Agency for Health Care Policy and Research.

1991-92 Abstract Review Panel, Arthritis Health Professions Association

1991 Session Chair, Caregiving Interventions. Gerontological Society of America

1991 National Institutes of Health Special Review Team, University of Alabama at Birmingham Multipurpose Arthritis Center

1991 External Grant Reviewer, Education, Epidemiology and Health Services Research Component, University of Connecticut Multipurpose Arthritis Center

1991 External Grant Reviewer, Indiana University Multipurpose Arthritis Center

1991 External Reviewer for Development and Feasibility Studies in Health Services Research, UCLA Multipurpose Arthritis Center

1990 Session Chair, Health Service Use: Prediction and Analysis. Gerontological Society of America

1990 Program Committee, Behavioral and Social Sciences Committee, Gerontological Society of America

1990-91 Grant Consultant, Medication Use and Depressed Elderly Patients in Primary Care, Regenstrief Institute for Health Care

1990 Special Advisory Committee for Community Models Project in Diabetes Mellitus, Centers for Disease Control, Division of Diabetes Translation

1989 External Reviewer for Development and Feasibility Studies in Health Services Research, UCLA Multipurpose Arthritis Center

1989 Consultant, University of Alabama Multipurpose Arthritis Center

1988 Grant Reviewer, Research Retirement Foundation

1987 National Institutes of Health Special Review Team, University of California at Los Angeles Multipurpose Arthritis Center

1986 Co-chair, Coping in the Elderly. Gerontological Society of America

1985-1987 Chairman, Research Committee, American Diabetes Association, Indiana Affiliate

1984-1987 Board of Directors, American Diabetes Association, Indiana Affiliate

1984-1985 Vice-Chairman, Research Committee, American Diabetes Association, Indiana Affiliate

1983-1987 Budget and Finance Committee, American Diabetes Association, Indiana Affiliate

1981-1983 Member, Research Committee, American Diabetes Association, Indiana Affiliate

1982-84 Hypertension Review Committee, Indiana State Board of Health

Fellows and Junior Faculty (Mentor for Career Development Received Awards in Parentheses)

Department of Veterans Affairs

Primary Mentor

- Jeffrey Ferguson, MD: VA HSR&D Research Career Development Award
- M. Sue Kirkman, MD
- Eugene Oddone, MD
- Stacey Kovac, PhD: VA HSR&D Research Career Development Award
- Jaya Rao, MD(VA HSR&D Research Career Development Award and Picker-Commonwealth Award in Patient-Centered Care)
- Courtney VanHoutven, PhD: VA HSR&D Merit Review Entry Program
- Linda Williams, MD: VA HSR&D Research Career Development Award)

Secondary Mentor

- Mimi Butterfield, MD: VA HSR&D Research Career Development Award
- Cathleen Colon-Emeric, MD: Paul B. Beeson Career Development Award in Aging
- Patricia Cowper, PhD
- Kelly Dominick, PhD: VA HSR&D Merit Review Entry Program
- David Edelman, MD
- Deborah Fisher, MD: VA HSR&D Research Career Development Award
- Jennifer Gierisch, PhD
- Joseph Hanlon, PharmD
- S. Nicki Hastings, MD: VA HSR&D Research Career Development Award
- Cristina Hendrix, PhD
- George Jackson, PhD: VA HSR&D Merit Review Entry
- William Jones, MD: VA HSR&D Research Career Development Award
- Dee Melnyk, PharmD
- Paul Mulhausen, MD

- Marta Render, MD
- Gregory Samsa, PhD
- Mark Stanton, MD
- Jennifer Strauss, PhD: VA HSR&D Research Career Development Award
- Usha Subramanian, MD
- Corinne Voils, PhD: VA HSR&D Merit Review Entry Program
- Virginia Wang, PhD: Comparative Effectiveness Research K12, AHRQ
- Sandra Zinn, PhD: VA Rehabilitation Service Career Development Award
- Leah Zullig, PhD: VA HSR&D Research Career Development Award

Robert Wood Johnson Clinical Scholars Program

Primary Mentor

- Andrea Cherrington, MD
- Daniel Bradford, MD
- Erin Krebs, MD

Secondary Mentor

- Molly Berkoff, MD
- David Bundy, MD
- Darren Dewalt, MD (Pfizer Health Literacy Award)
- Angela Gantt, MD:
- Kristin Ito, MD
- Marjorie Rosenthal, MD
- Russell Rothman, MD: (K23 Award from NIDDK):
- Rand Rupper, MD

Other Faculty Mentoring

Primary Mentor

- Sarah Birken, PhD
- Remy Coeytaux, MD: K18, Agency for Healthcare Research and Quality
- Teresa Damush, PhD: Arthritis Foundation New Investigator Award for Arthritis Health Professionals
- Stefanie Ferreri, PharmD: AFPE–NACDS Foundation Pharmacy Faculty Development Fellowship in Community Pharmacy Practice
- Kristen Hassmiller Lich, PhD
- Mary Roth, PharmD: K23, National Institute on Aging
- Christopher Shea, PhD
- Asheley Skinner, PhD
- Abbie Smith-Ryan, PhD: KL2, National Institutes of Health
- Angela Smith, MD: K08, Agency for Healthcare Research and Quality
- Stephanie Wheeler, PhD

- Lea Watson, MD: Multidisciplinary Clinical Research K12

Secondary Mentor

- Spencer Dorn, MD: Comparative Effectiveness Research K12, AHRQ
- Nicole Pinelli, PharmD: Campbell Mentoring Award
- Asheley Skinner, PhD: Building Interdisciplinary Careers in Women's Health K12, NIH

INVITED LECTURES

"Behavioral Science and Clinicians: My Career in Interdisciplinary Research." Visiting Professor, Department of Population Health, Dell Medical School, Austin TX, May 10, 2017.

"Designing and Evaluating Interventions to Improve the Process and Outcomes of Care in Real World Clinical Practices." Improve Care Now Community Conference, Dallas TX, April 8, 2016.

"Managing Your VA Research Career." HSR&D Career Development Conference, February 9, 2016.

"Top Ten List of Strategies for Launching a Successful Academic Career." American Association of Dental Research: Fundamentals for Research Career Success of New Faculty. Charlotte, NC, March 18, 2014.

"Experimental Comparative Effectiveness Research." Chapel Hill Drug Conference, May 12, 2011.

"Opportunities and Challenges for Pharmacy and Practice-Based Research." Visiting Professor, Sonderegger Research Center, University of Wisconsin, November 12, 2010.

"Randomized Controlled Trials in Health Services Research." HSR Methods Cyber Seminar, Department of Veterans Affairs, January 12, 2009.

"The Chronic Care Model." Visiting Professor, Pace University Physicians' Assistant Program. November 9, 2007.

"Conducting Randomized Trials of Health Services Research Interventions in Non-Academic Practice Settings." John G. Demakis Annual Lecture in Health Services Research. Iowa City VAMC, September 25, 2007.

"Strategies to Develop and Implement a Successful Doctoral Program in Public and Community Health." Visiting Professor, Medical College of Wisconsin, September 25-26, 2006.

"What is Health Services Research and Why is it Important to Pharmacy Practice?" American College of Clinical Pharmacy, Dallas TX, October 25, 2004.

"Evaluating Interventions in Practice-Based Research Networks." Agency for Healthcare Research and Quality, Practice-Based Research Networks Grantee Meeting, Washington DC, July 15, 2004.

"Community-Based Pharmaceutical Care for Older Patients." Visiting Professor, Distinguished Guest Lecture Series, Duke University, November 5, 2003.

“Clinical and Health Services Intervention Research.” Hartford Interdisciplinary Geriatric Research Center, Duke University, October-November, 2003.

“Developing an Interdisciplinary Research Career: Health Services Research.” Keynote Speaker, Scholars Day, State University College of New York at Cortland, April 9, 2003.

“Conducting Multi-Site Trials in Health Services Research.” University of Iowa/ Iowa City VAMC, Iowa City IA, April 3, 2003.

“The Effectiveness of Pharmaceutical Care for Patients with Reactive Airways Disease.” Faculty and Invited Speaker, Drug Information Association Pharmaceutical Outcomes Research Conference, Newport RI, October 16-18, 2002.

“Improving Chronic Illness Care: Challenges and Opportunities.” Keynote Speaker, Congress on Improving Chronic Care: Innovations in Research and Practice, Seattle WA, September 9, 2002.

“A Randomized Study of Community-Based Pharmaceutical Care Trial: Methods, Results and Implications.” Visiting Professor, University of Cincinnati School of Pharmacy and Cincinnati VAMC Health Services Research Program, May 9-10, 2002.

“Conducting Cooperative Studies in Health Services Research.” Faculty, Clinical Research Methods Course, Cooperative Studies Program, Department of Veterans Affairs, April 11, 2002.

“Arthritis Clinical Care Improvement Strategies.” Keynote Speaker: Improving Arthritis Clinical Care Conference (Co-sponsors: Centers for Disease Control and Arthritis Foundation), October 18, 2000.

“Designing, Implementing and Evaluating a Pharmaceutical Care Program.” Keynote Speaker: VA HSR&D Career Development and Research Career Scientist Awardees Conference, March 22, 2000.

“Update on Indiana’s Eye on Patients: Clinical Variations Project.” Hospital Accountability Summit, Indiana Health and Hospital Association, March 9, 2000.

“Being an Editor.” Visiting Professor: Baylor College of Medicine and Houston VAMC Center of Excellence, September 7-8, 1999.

“Telephone-Based Interventions for Patients with Osteoarthritis.” Stepping Away from OA - A Scientific Conference on the Prevention of Onset, and Disability of Osteoarthritis” National Institute of Arthritis and Musculoskeletal and Skin Diseases. Washington, DC, August, 1999.

“Publishing Health Services Research: What Counts?” Association for Health Services Research. Chicago, IL, June 1999.

“Writing and Publishing Research Papers.” Society of General Internal Medicine Pre-course. San Francisco, CA, May, 1999.

“Writing for Publication.” American Public Health Association. Washington, DC, November, 1998.

“Patient-Centered Outcomes Research.” Visiting Scholar: Department of Health Care Management, Chuang Gung University. Taipei, Taiwan, June 1998.

“Designing Interventions in Health Care Research.” Visiting Scholar, NHRI Conference on Health Services Research Methodology and Data Banks. Taipei, Taiwan, June 1998.

“Community-Based Pharmaceutical Care.” Faculty, American Pharmaceutical Association. Miami FL, March, 1998.

“Publishing in Scientific Journals.” American Public Health Association. Indianapolis, IN, November, 1997.

“Designing Interventions in Aging Research.” Visiting Professor, University of Michigan Older American Independence Center. Ann Arbor, MI, October, 1997.

“Outcome Measurement in Primary Care.” Faculty, Conference on Outcome Measures to Enhance Clinical Performance in the Department of Veterans Affairs. Tampa, FL, April, 1997.

“Patient-centered Care.” Eli Lilly Corporation. Indianapolis, IN, January, 1997.

“Integrating Patient Education into the Network of Care.” Department of Veterans Affairs. San Diego, CA, 1997.

“Improving Glycemic Control in Patients with Non-insulin-dependent Diabetes Mellitus: Immediate Feedback about Glycosylated Hemoglobin Results.” HSR&D Career Development/Career Scientist Meeting. Washington, DC, February, 1995.

“Conducting Cooperative Studies in Health Services.” HSR&D Annual Meeting, Department of Veterans Affairs. Washington, DC, February, 1995.

“Non-traditional Research Careers for Social Scientists.” Department of Psychology, Indiana University. Bloomington, IN, April, 1995.

“Cooperative Studies in Health Services: Testing a Primary Care Model.” Association for Health Services Research. San Diego, CA, June, 1994.

“Getting Started in Clinical Research.” Faculty, Society of General Internal Medicine Symposium on Clinical Research in Geriatrics. American Geriatrics Society. Washington, DC, May, 1992/

“Can the Provision of Primary Care Prevent Hospital Readmissions?” Department of Veterans Affairs HSR&D Service. Washington, DC, February, 1991.

“Introduction to Methodologies for Clinical Research in Geriatrics.” Workshop Leader, Annual Workshop of the American Geriatrics Society. Durham, NC, June, 1991.

“Coping with Bone and Joint Diseases.” Department of Veterans Affairs Conference on Bone and Joint Diseases in Older Men. Durham, NC, 1990.

“Physicians' Knowledge, Attitudes, and Behaviors with Respect to Breast Cancer Screening in Older Women.” Forum on Breast Cancer Screening in Older Women. Sponsored by the National Cancer Institute and National Institute on Aging, Sturbridge MA, 1990.

“Introduction to Methodologies for Clinical Research in Geriatrics.” Workshop Leader, Annual Workshop of the American Geriatrics Society. Durham, NC, June, 1999.

“Social and Economic Consequences of Osteoarthritis, and the Effects of Social Support.” Faculty, International Workshop on Epidemiology of Osteoarthritis. Reisenburg, West Germany, October, 1997

“Clinical prediction: Is it necessary? Is it possible?” Society of General Internal Medicine. Chicago, IL, September, 1997.

LOCAL UNIVERSITY/HOSPITAL COMMITTEES

University of North Carolina

- 2018-2019 Chair, Committee to Enhance the Gillings Environment for Faculty
- 2017-Present Member, Advisory Committee, Sheps Center for Health Services Research
- 2016 Member, Search Committee, Director of Sheps Center for Health Services Research

- 2016 Member, Graduate School’s Strategic Planning Group
- 2016-Present Faculty Advisor, Academy Health, UNC-Chapel Hill Chapter
- 2015-Present Member, Internal Advisory Committee, The Genetic Epidemiology of Heart, Lung, and Blood Traits Training Grant (GenHLB)
- 2013-Present Member, Strategic Advisory Committee (Formerly Executive Committee), NC TraCS
- 2012-Present Member, Steering Committee, NC TraCS
- 2014-Present Member, Preventive Medicine Fellowship Research Advisory Committee
- 2014-Present Member, Graduate School’s Continuous Enrollment Working Group
- 2013-Present Member, MD/PhD Admissions Committee, School of Medicine
- 2013-Present Member, BSPH Advisory Committee, Department of Health Policy and Management
- 2013-Present Chair, Evaluation Committee, Reproductive Mood Disorders Fellowship Program
- 2013-Present Member, NextGen T90/R90 Program Advisory Committee, School of Dentistry
- 2013-Present School of Public Health Faculty Advisor, Student Health Action Coalition
- 2013-Present Member, Conflict of Interest Committee for Kurt Ribisl, School of Public Health
- 2012-Present SPH2020 Admissions Practices Committee, School of Public Health
- 2011-Present Member, Conflict of Interest Committee for Alan Brookhart, School of Public Health

- 2009-Present Space Committee, School of Public Health
- 2006-Present Member, Dissertation Completion and Off-Campus Dissertation Research Review Committee

- 2006-Present Member, Graduate School Fellowship Selection Committee
- 2004-Present Member, Executive Committee, Health Policy and Management

- 2014-2015 Member, Fellowship Program Evaluation Committee, Department of Pediatrics
- 2013-2015 Member, Search Committee, Associate Dean for Research, School of Nursing
- 2013-2014 Chair, Search Committee, Director of BSPH Program, Department of Health Policy and Management

2013-2014 Member, Search Committee, Part-time Faculty in Implementation Science, Department of Health Policy and Management

2011 Member, Selection Committee, Boka W. Hadzija Award

2011 Member, Search Committee, Department of Pharmaceutical Outcomes and Policy

2010 Member, 5-Year Review Committee, Director, Sheps Center for Health Services Research

2010 Chair, Review Committee for the Department Chair, Nutrition

2008-2012 University Graduate Council

2007 Search Committee, Department Chair, Pharmaceutical Policy and Evaluative Sciences, School of Pharmacy

2005-2007 Chair, Search Committee, Humana Distinguished Professor of Health Informatics, Department of Health Policy and Management

2003-2005 Chair, Research Committee, Department of Health Policy and Management

2003-2013 Member, Search Committee, Department of Health Policy and Management

2001-2010 Advisory Committee, Multipurpose Clinical Research Center, Thurston Arthritis Research Center

2001-2005 Steering Committee, Program on Health Outcomes

2001-2005 School of Public Health Research Council

2004-2005 Chair, Search Committee, Department Chair, Health Behavior and Health Education

2004 Search Committee, Department Chair, Pharmaceutical Policy and Evaluative Sciences, School of Pharmacy

2003 Search Committee, Pharmaceutical Policy and Evaluative Sciences, School of Pharmacy

2003 Chair, Review Committee for the Department Chair, Health Behavior and Health Education

2002-2003 Search Committee, Department of Epidemiology

2002 Search Committee, Pharmaceutical Policy and Evaluative Sciences, School of Pharmacy

2001-2002 Search Committee, Chair, Department of Health Policy and Management

Indiana University/Regenstrief Institute/Wishard Memorial Hospital/Roudebush VAMC

2000-2001 External Advisory Committee, Center for Enhancing Quality of Life in Chronic Illness, Indiana University School of Nursing

1999 Clinical Variations Advisory Group, Indiana's Eye on Patients Project

1998 Executive Planning and Operations Committee, Roudebush VAMC

1998-2000 Enhanced Sharing Committee, Roudebush VAMC

1996-2000 Affiliation Partnership Council (Dean's Committee), Roudebush VAMC

1996-2001 Member, Expedited and Exempted Research Subcommittee, Institutional Review Board

1996 Co-Chairman, Regenstrief Institute for Health Care Conference: "Measuring Quality, Outcomes, and Cost of Care using Large Databases"

1995-1996 Review Committee, Division of Biostatistics, Department of Medicine, Indiana University

1995-2001 Secretary/Treasurer, Indiana Institute for Medical Research
 1995-1999 Medicine Clinics Research Committee, Indiana University
 1995-2001 Advisory Committee, Mary Margaret Walther Program for Cancer Care Research, Walther Cancer Institute
 1995-1998 Information Management Functional Team, Roudebush VAMC
 1994-1997 Research Committee, Roudebush VAMC
 1995 Size, Number and Location of Firms Committee, Wishard Memorial Hospital
 1994-1995 Primary Care/Managed Care Task Force, Roudebush VAMC

Duke University/Durham VAMC

2004-2013 Chair, Data Safety and Monitoring Board, Take Control of Your Blood Pressure (VA Investigator Initiated Research Grant)
 2004-2013 Member, Data Safety and Monitoring Board, Duke Center for Nicotine and Smoking Cessation Research
 2002 Chair, Search Committee, Epidemiologic Research and Information Center, Durham VAMC
 2001-2010 Steering Committee, Center of Excellence in Primary Care, Durham VAMC
 1989-1992 Human Subjects Committee, Durham VAMC
 1989-1994 Chair, Grant Review Committee, Center for Health Services Research in Primary Care, Durham VAMC

Indiana University/Regenstrief Institute/Wishard Memorial Hospital

1987 Planning Committee, Regenstrief Institute for Health Care National Conference
 1986 Task Force on the Prevention of Handicapping Conditions, Adult Subcommittee, Indiana State Board of Health
 1985 Planning Committee, Regenstrief Institute for Health Care National Conference
 1984-1988 Institutional Review Board, Wishard Memorial Hospital and Indiana University School of Medicine
 1984 Medical Professionalism Topics Committee, Indiana University School of Medicine
 1984 Ambulatory Care Curriculum Committee, Indiana University School of Medicine
 1984-1988 Community Advisory Committee, Multipurpose Arthritis Center, Indiana University School of Medicine
 1984-1988 Internal Advisory Committee, Multipurpose Arthritis Center, Indiana University School of Medicine
 1983 Section Organizer, Applied Sociology in Health Care, Applied Sociology Symposium, Indiana University at Indianapolis
 1982-1988 Institutional Review Board, Wishard Memorial Hospital and Indiana University School of Medicine

OTHER ACTIVITIES

1999-Present School of Arts and Sciences Advisory Council, State University of New York at Cortland
1998-2002 Parents' Board of Directors, Bradley University

GRANTS (Approximate Direct Costs)

CURRENT GRANTS

Principal Investigator: North Carolina Translational and Clinical Science Institute (NC TraCS) KL2. NIH/NCATS, 2018-2023, \$10,365,595.

Co-Director (John Buse, PI): Workforce Development, North Carolina Translational and Clinical Science Institute (NC TraCS). NIH/NCATS, 2018-2023, \$43,537,781.

Investigator (Mark Toles, PI): Testing the efficacy of transitional care of patients and caregivers during transitions from skilled nursing facilities to home. NIH/NINR, 2018-2022.

Investigator (Timothy Platts-Mills, PI): Reducing the transition from acute to chronic musculoskeletal pain among older adults. NIH/NIA, 2019-2023.

Principal Investigator/Co-Principal Investigator: Pre-doctoral fellowship. Bristol-Myers-Squibb, 2011-Present, ~\$175,000/year.

Investigator (Michael Kappelman, PI): Anti-TNF monotherapy versus combination therapy with low dose methotrexate in pediatric Crohn's disease. PCORI, 2013-2018, \$7,885,900.

Core Faculty (Tim Carey, PI): National Research Service Award (NRSA) Pre-doctoral and post-doctoral program in health services research. Agency for Healthcare Quality and Research. 2013-2018.

PAST FUNDING

*Indicates grants on which my role changed from investigator to consultant when leaving Indiana University/Roudebush VAMC

Co-Director: Education, Training and Career Development Core, UNC Clinical Translation Science Award (John Buse, PI). NIH/NCATS, 2014-2019, \$54,600,000.

Investigator (Nicole Hastings, PI): Discharge information and support for patients receiving outpatient care in the ED, 2013-2017, \$1,099,908.

Investigator (Courtney Van Houtven, PI): Helping Invested Families Improve Veterans Experiences (HI-FIVES), 2013-2017, \$1,099,779.

Faculty, Building Interdisciplinary Research Careers in Women's Health (BIRCWH) KL2 Program (Eugene Orringer, PI). NIH, 2010-2015, \$2,314,815

Investigator (George Jackson, PI): Randomized trial of titrated disease management for patients with hypertension. Department of Veterans Affairs (HSR&D Service), 2011-2015, \$1,100,000.

Principal Investigator: UNC Mentored Career Development Program in Comparative Effectiveness, \$2,000,000 (Approximate)

Co-Director, Education, Training and Career Development Core, UNC Clinical Translation Science Award (Marschall Runge, PI). NIH/NCRR, 2008-2013, \$11,409,302.

Investigator (Christopher Shea, PI): Effort to evaluate the implementation of meaningful use within UNC Health Care. UNC Health Care, 2011-2013, \$210,000 (Approximate).

Investigator (Amy Rosen, PI): Validating and classifying VA readmissions for quality. Department of Veterans Affairs (HSR&D Service), 2010-2014, \$936,800.

Investigator (Michael Pignone, PI): Health Literacy and Self-Management in Heart Failure. National Heart, Lung, and Blood Institute. 2006-2011, \$3,697,201.

Investigator (Corrine Voils, PI): A Patient-Spouse Intervention for Self-Managing High Cholesterol. Department of Veterans Affairs (HSR&D Service), 2006-2010, \$884,801.

Investigator (Virginia Wang, PI): Demand and provider payment for ESRD dialysis in the VHA system: A pilot. Department of Veterans Affairs (HSR&D Service), 2010-2011, \$97,076.

Investigator (Cristina Hendrix, PI): Training informal caregivers of frail older veterans before hospital discharge. Department of Veterans Affairs (HSR&D Service), 2010-2011, \$98,900.

Investigator (S. Nicki Hastings, PI): Measuring the quality of emergency department discharge medications. Department of Veterans Affairs (HSR&D Service), 2010-2011, \$88,176.

Investigator (Peggy Leatt, PI): Cancer Care Quality. National Cancer Institute. 2008-2013, \$1,922,480.

Co-Principal Investigator (David Edelman, PI): Can group visits improve diabetes outcomes? Department of Veterans Affairs (HSR&D Service), 2006-2009, \$900,000.

Co-Director (Eugene Orringer, PI): UNC Multidisciplinary Clinical Research Career Development Award, NICHD, 2005-2010.

Investigator (Kelli Allen, PI): Osteoarthritis self-management: A telephone-based intervention. Department of Veterans Affairs (HSR&D Service), 2006-2009, \$876,070.

Investigator (Leigh Callahan, Project PI; Joanne Jordan PI): Multidisciplinary Clinical Research Center in Rheumatic Diseases (Project 2): Individual and Community Social Determinants of Arthritis Outcomes. National Institute of Arthritis and Musculoskeletal and Skin Diseases. 2003-2008, \$747,932.

Investigator (Betsy Sleath, Site PI): Older adults and drug decisions: Collaborations and outcomes. National Institute on Aging. 2002-2006, \$1,682,642.

Co-Director: Clinical Scholars Program (Jeffrey Houpt, Principal Investigator). Robert Wood Johnson Foundation. 2002-2006, \$1,798,113.

Investigator (Robert Sandler, PI): Cancer care outcomes research and surveillance consortium (CanCORS). National Cancer Institute. 2001-2006, \$2,618,596.

Principal Investigator: Evaluation of the Senior Prescription Drug Assistance Program: Senior Cares (Morris Weinberger, PI). Health and Wellness Trust. 2002-2005, \$265,000

Investigator (David G. Marrero, PI): Translational Research Centers for Diabetes Control within Managed Care Settings. Centers for Disease Control and Prevention, 1998-2006, \$1,700,000 (approximate).

Investigator (John D. Piette, PI): Automated telephone assessment and patient education to improve the quality of diabetes care. Department of Veterans Affairs (HSR&D Service). 1999-2003, \$749,300.

Investigator (James A. Tulsy, PI): Can interactive voice response improve patient-centered outcomes? Department of Veterans Affairs (HSR&D Service). 2000-2003, \$707,600.

*Consultant (Linda S. William, PI): A randomized trial for the treatment of post-stroke depression. National Institute on Neurological Disorders and Stroke, 2000-2004, \$1,567,121.

*Consultant (Michael D. Murray, PI): Improving drug use for elderly heart failure patients. National Institute on Aging, 2000-2004, \$1,400,000.

Principal Investigator: Psychosocial intervention for acute low back pain. National Institutes of Health, 1997-2001, \$410,000.

Principal Investigator: Community-based pharmaceutical care: A controlled trial. Agency for Healthcare Research and Quality, 1996-2001, \$1,473,519.

Co-Investigator (William M. Tierney, PI): Computerized guidelines enhanced by symptoms and history: clinical effects. Department of Veterans Affairs (HSR&D Service), 1997-2001, \$1,283,189

Co-Principal Investigator: An integrated model of primary care in mental health. Department of Veterans Affairs (HSR&D Service), 1997-2000, \$600,000.

Investigator (Linda S. Williams, PI): Prevalence of mental health and pain diagnoses in outpatient neurology clinics. Eli Lilly, 2000-2001, \$164,505.

Investigator (Sarah Krein, PI): Proactive diabetes care management. Department of Veterans Affairs (HSR&D Service), 1998-2002, \$750,000.

Investigator (Daniel O. Clark, PI): NIDDM, exercise referral in older, African-American women. National Institute on Aging, 1998-2002, \$696,000.

Investigator (Kurt Kroenke, PI): Randomized clinical trial comparing selective serotonin reuptake inhibitors in the treatment of depression in primary care, Eli Lilly, 1998-2000, \$1,700,000.
Director: Program of excellence in patient-centered outcomes research. Strategic Directions Charter Initiative (Indiana University), 1998-2000, \$280,000.

Principal Investigator: Health services utilization and costs among veterans with cardiovascular events. Bristol-Myers-Squibb, 1998-1999, \$60,000.

Co-Investigator (Kurt Kroenke, PI): Grants for general internal medicine/pediatrics faculty development. HRSA, 1997-2000, \$420,000.

Mentor: Unconventional therapies in arthritis: the patients' perspective. Picker/Commonwealth Foundation, 1996-1998, \$100,000.

Mentor: Impact of lumbar spine MRI on management and outcome of low back pain. Department of Veterans Affairs (Career Development Award), 1997-2002, \$550,000.

Co-Investigator (Lisa E. Harris, PI): Patient-centered, computer-assisted, quality improvement. Agency for Health Care Policy and Research, 1997-1998, \$400,000.

Co-Investigator (John D. Piette, PI): Automated calls with nurse follow-up to improve diabetes ambulatory care. Department of Veterans Affairs (HSR&D Service), 1997-1999, \$600,000.

Site Principal Investigator: A multi-site randomized trial of team-managed hospital-based home care. Department of Veterans Affairs (HSR&D Service), 1993-1998, \$380,000.

Principal Investigator: Examining racial differences in cardiac care. Department of Veterans Affairs (HSR&D Service), 1994-1995, \$95,500.

Co-Director, Research: Post-doctoral fellowship program in medical informatics. Department of Veterans Affairs, 1995-1998.

Director: Post-doctoral fellowship program in health services research. Department of Veterans Affairs (HSR&D Service), 1993-1995, \$300,000.

Principal Investigator: A randomized trial to improve glycemic control in elderly veterans. Department of Veterans Affairs (HSR&D Service), 1991-94, \$356,000.

Principal Investigator: Can improving the quality of primary care reduce hospital readmissions? Department of Veterans Affairs (Cooperative Studies Program), 1991-95, \$3.1 million.

Investigator (Harvey J. Cohen and John R. Feussner, co-PI): Evaluation of geriatric evaluation and management (GEM) units and geriatric specialty clinic (GSC) follow-up. Department of Veterans Affairs (Cooperative Studies Program), 1994-2000, \$5.7 million.

Investigator (David B. Matchar, PI): Second and tertiary prevention of stroke: patient outcome research team. Association for Health Care Policy and Research, 1991-96, \$4.7 million.

Co-Director: Health services research fellowship program. Department of Veterans Affairs (HSR&D Service), 1991-94, \$256,200.

Associate Director (John R. Feussner, Director): Health Services Research and Development Field Program. Department of Veterans Affairs (HSR&D Service), 1989-94, \$1,917,000.

Investigator (Harvey J. Cohen, PI): Older Americans Independence Center/Geriatric Research and Training Center. National Institutes of Health, 1991-97, \$5,643,585.

Co-principal Investigator: Pharmacy interventions for polypharmacy in the elderly. National Institutes of Health, 1990-93, \$394,721.

Principal Investigator: Evaluating an intervention for caregivers of Alzheimer's patients. Biomedical Research Support Grant, 1990-91, \$5,000.

Principal Investigator: The effect of providing social support to patients with osteoarthritis: a randomized, controlled, clinical trial. National Institutes of Health. 1986-90, \$157,908.

Director: Interview Core. National Institutes of Health, 1986-89, \$153,423.

Principal Investigator: Cost-benefit of easing burden of Alzheimer's caregivers. National Institutes of Health, 1988-90, \$48,750.

Investigator (Amy Saunders, PI): Physician-related barriers to breast cancer screening in elderly women. Mellon Foundation, 1989-90, \$10,000.

Investigator (Amy Saunders, PI): Improving physician compliance with ACS breast cancer screening recommendations. American Cancer Society, 1989-90, \$10,000.

Investigator (Eleanor Kinney, PI): The impact of the Indiana Medical Malpractice Act on the availability of health care services in Indiana. Robert Wood Johnson Foundation, 1987-89, \$260,093.

Investigator (Charles M. Clark, PI): Diabetes Research and Training Center. National Institutes of Health, 1986-89, \$6 million.

Co-principal Investigator: Cost-effectiveness of increasing ambulatory care to reduce hospitalizations. Robert Wood Johnson Foundation, 1986-87, \$22,985.

Co-Principal Investigator: Prevention of nonelective hospital readmissions. National Center for Health Services Research, 1984-86, \$178,925.

Principal Investigator: Stress, social support and health among osteoarthritis patients. National Institutes of Health, 1983-86, \$86,695.

Investigator (Charles M. Clark, PI): Diabetes Research and Training Center. National Institutes of Health, 1979-82, \$2.4 million.

Investigator (Clement J. McDonald, PI): Variance in physicians' decisions: causes and cures. National Center for Health Services Research, 1981-84, \$600,000.
