EDUCATION

2011 PhD University of North Carolina at Chapel Hill. Health Policy and Management.
Minor: Sociology/Organizational Behavior
2006 MSPH University of North Carolina at Chapel Hill. Health Policy and Management. *Delta Omega*
2002 BA University of California, Berkeley. Women's Studies. *Phi Beta Kappa*

PROFESSIONAL EXPERIENCE

Associate Professor, Department of Implementation Science, School of Medicine, Wake Forest University, July 2020 – present

Assistant Professor, Department of Health Policy and Management, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, July 2014 – July 2020

Director, Program on Implementation and Organization Research, Cecil G. Sheps Center for Health Services Research, University of North Carolina at Chapel Hill, September 2017 – July 2020

Associate Member, Lineberger Comprehensive Cancer Center, University of North Carolina at Chapel Hill, July 2015 – July 2020

Cancer Control Education Program Postdoctoral Fellow, Lineberger Comprehensive Cancer Center, University of North Carolina at Chapel Hill, June 2011 – July 2014

Teaching Fellow, Doctoral Seminar in Organizational Theory and Health Care Organizations, University of North Carolina at Chapel Hill, August 2010 – January 2011

Research Assistant, "Implementing Systemic Interventions to Close the Discovery-Delivery Gap" (PI: Bryan J. Weiner, PhD), University of North Carolina at Chapel Hill, January 2010 – May 2010

Evaluator, North Carolina Access to Care Initiative, Center for Health Policy at Duke University, April 2010 – July 2011

Research Assistant, Durham Veterans Affairs Medical Center – Health Services Research & Development, May 2007 – June 2008

Research Assistant, Managing Overweight and/or Obesity for Veterans Everywhere! Program, Veterans Affairs National Center for Health Promotion & Disease Prevention, December 2007 – January 2008

BIRKEN Curriculum Vita

Project Evaluator, Partnerships for Quality, Center for Health Care Quality – Cincinnati Children's Hospital, May 2006 – August 2006

Teaching Assistant, University of North Carolina at Chapel Hill, August 2004 – May 2007

HONORS

Recipient, University Award for the Advancement of Women. University of North Carolina at Chapel Hill. March 2019.

Emerging Scholar, Academy of Management Health Care Management Division's Emerging Scholars Consortium. Anaheim, CA. August 5, 2016.

Alumna Member, Delta Omega Theta Chapter. The Gillings School of Global Public Health, University of North Carolina at Chapel Hill. March 2015.

Outstanding Reviewer, *Healthcare Management Division*. 2014 and 2015 Annual Meetings of the Academy of Management.

Fellow, *Mentored Training for Dissemination and Implementation in Research in Cancer*. National Cancer Institute. St. Louis, MO. June 2014 – June 2016.

Fellow, *Training Institute for Dissemination and Implementation in Health*. National Cancer Institute. Chapel Hill, NC. June 2011.

Winner, *Health Care Management Division Best Paper Based on a Dissertation*: **Birken SA**. Where the rubber meets the road: Middle managers' role in innovation implementation in health care organizations. Presented at the 2010 Annual Meeting of the Academy of Management. Montreal.

Winner, *Best Graduate Student Poster in the Social Sciences and Humanities*: **Birken SA**, Mayer ML. An investment in health: Anticipating the cost of a usual source of care for children. Presented at the 2009 University of North Carolina at Chapel Hill Annual University Research Day. Chapel Hill, NC.

Doctoral Competitive Merit Scholarship, August 2006

Moulton-Wong Scholarship in Health Policy, May 2006

University Merit Assistantship, August 2004

National Society of Collegiate Scholars, May 2002

BOOKS AND BOOK CHAPTERS

Nilsen P & **Birken SA**, eds. *Handbook of Implementation Science*. Elgar Publishing. (In progress.)

Birken SA, Hahn EE. Case study: Survivorship care plans. In *Survivorship*. Eds. David A. Chambers, Cynthia Vinson, & Wynne E. Norton. *Optimizing the Cancer Control Continuum: Advancing Implementation Research*. Oxford University Press. 2018.

Alfano CM, Jefford M, Maher J, **Birken SA**, Mayer DK. Building Personalized Cancer Follow-up Care Pathways in the US: Lessons Learned from Implementation in England, Northern Ireland, and Australia. *American Society of Clinical Oncology Educational Book*, (in press).

REFEREED ARTICLES (19 first author; 3 senior author)

1. Song, L., Guo, P.R., Tan, X.M., Chen, R., Nielsen, M.E., **Birken, SA**, Koontz, B., Northouse, L., & Mayer, D.K. (in press) Enhancing Survivorship Care Planning for Patients with Localized Prostate Cancer Using a Couple-focused Web-based, mHealth Program: The Results of A Pilot Feasibility Study. Accepted for publication in *Journal of Cancer Survivorship*.
2. Hwang SA*, **Birken SA**, Melvin CL, Rohweder CL, Smith JD. Designs and Methods for Implementation Research: Advancing the Mission of the CTSA Program. Accepted for publication in *Journal of Clinical and Translational Science*.
3. Nilsen P, Seing I, Ericsson C, **Birken SA**, Schildmeijer K. Characteristics of successful changes in health care organizations: an interview study with physicians, registered nurses and assistant nurses. Accepted for publication in *BMC Health Services Research*.
4. Kirk MA*, Rokoske F, Weinberger M, Powell BJ, Haines ER*, Hanson LC, **Birken SA**. A case study of a theory-based method for identifying and reporting evidence-based intervention core components. Accepted for publication in *Translational Behavioral Medicine*.
5. Bunker AC, **Birken SA**, Hoffman JA, MacDowell H, Choy-Brown M, Magier E. Elucidating the influence of supervisors' roles on implementation climate. Accepted for publication in *Implementation Science*.
6. Leeman J, Baquero B, Bender M, Choy Brown M, Ko L, Nilsen P, Wangen M, **Birken SA**. Advancing the Use of Organization Theory in Implementation Science. Accepted for publication in *Preventive Medicine*.
7. Weintraub J, **Birken SA**, Burgette J, Lewis TA, White BA. Use of the Consolidated Framework for Implementation Research to Assess Determinants of Silver Diamine Fluoride Implementation in Safety Net Dental Clinics. Accepted for publication in *Journal of Public Health Dentistry*.
8. Nilsen P, Schildmeijer K, Ericsson C, Seing I, **Birken SA**. Implementation of change in health care in Sweden: a qualitative study of professionals' change responses. Accepted for publication in *Implementation Science*.
9. Kirk MA*, Hanson LC, Weinberger M, Rokoske F, Haines ER*, Powell BJ, **Birken SA**. Pilot test of an Adapted Intervention to Improve Timeliness of Referrals to Hospice and Palliative Care for Eligible Home Health Patients. Accepted for publication in *Journal of Palliative Medicine*.

DiMartino LD*, **Birken SA**, Kirk MA*, Walker JS, Mayer DK. A meta-guideline for the use of survivorship care plans. A poster presented at the 2015 8th Annual Conference on the Science of Dissemination and Implementation. Washington, D.C.

Birken SA, Powell BJ, Presseau J. Toward criteria for selecting appropriate frameworks and theories in implementation research. A poster presented at the 2015 8th Annual Conference on the Science of Dissemination and Implementation. Washington, D.C.

Birken SA, Ellis SD, Walker JS, DiMartino LD*, Check DK*, Gerstel AA, Mayer DK. Guidelines for the use of survivorship care plans: A systematic quality appraisal using the AGREE II instrument. A poster presented at the 2015 Society for Implementation Research Collaboration conference. Seattle, WA.

Gould N, Lorencatto F, **Birken SA**, Powell BJ, Presseau J, Francis JJ. The Theoretical Domains Framework and the Consolidated Framework for Implementation Research: complementary approaches. An oral presentation at the 2015 British Psychological Society Division of Health Psychology Conference. London, UK.

River L, Nelson SK, Borelli J, Smiley P, **Birken S**, Moss-Racusin C. Life as a double shifter: Working parents' experiences of guilt. Abstract submitted as an oral presentation at the 2015 Society for Research in Child Development Meeting.

Evans TS, Halpern MT, Viswanathan M, **Birken SA**, Mayer DK, Basch E. Qualitative data use in evidence based practice: Models of cancer survivorship care. An oral presentation at the Global Congress for Qualitative Health Research. Yucatan, Mexico. March 2015.

Evans TS, Halpern MT, Viswanathan M, **Birken SA**, Mayer DK, Basch E. Identifying disparities in models of cancer survivorship care. A poster presentation at the Health Disparities Conference. New Orleans, LA. March 2015.

Birken SA, Chambers D, Bungler A. Conceptualizing healthcare innovation sustainment. A virtual presentation at the 7th Annual Conference on the Science of Dissemination and Implementation. Bethesda, MD. 2014.

Mayer DK, **Birken SA**, Check D, Chen R. An integrative review of survivorship care plans in adult cancer patients (2006-2013). Presented at the 7th Biennial Cancer Survivorship Research Conference. Atlanta, GA. 2014.

Risendal, B, Dwyer A, Callihan E, Patterson AK, Lipscomb J, **Birken SA**, Adams SA, Heiney S, Friedman D, Ory MG. Activities to promote and support survivorship care planning at the state level: A report from the CDC/NCI Cancer Prevention and Control Research Network. Presented at the 7th Biennial Cancer Survivorship Research Conference. Atlanta, GA. 2014.

Birken SA, Chambers D, Bungler A. Conceptualizing the sustainment of healthcare innovations. A Divisional Paper presentation at the 2014 Annual Meeting of the Academy of Management. Philadelphia.

Birken SA, Deal A, Weiner BJ, Mayer DK. Following through: The consistency of survivorship care plan use in United States cancer programs. Presented at the 7th Biennial Cancer Survivorship Research Conference. Atlanta, GA.

Birken SA, Deal A, Mayer D, Weiner BJ. Prevalence and barriers to survivorship care plan use in United States cancer programs. Presented at the 2013 American Society of Clinical Oncology Quality Matters Conference. San Diego, CA.

Birken SA, Jacobs S, Bunger A, Stover A, Weiner B. Changing theory to change practice: Improving the ability of behavior change theories to predict healthcare professionals' behavior. A Divisional Paper presented at the 2013 Annual Meeting of the Academy of Management. Orlando, FL.

Birken SA, Gregory S, Weech-Maldonado R. Job Search Strategies: Moving up the academic career ladder. A Professional Development Workshop presentation for the 2013 Annual Meeting of the Academy of Management. Orlando, FL.

Birken SA, Mayer D, Weiner BJ. Survivorship care plan use to date. Presented at the 2012 Biennial Cancer Survivorship Research Conference. Arlington, VA.

Birken SA, Mayer D, Weiner BJ. Survivorship care plan use to date. Presented at the 2012 UNC Lineberger Scientific Retreat. Chapel Hill, NC.

Birken SA. Where the rubber meets the road: Middle managers' role in innovation implementation in health care organizations. Presented at the 2010 Annual Meeting of the Academy of Management. Montreal.

Birken SA, Mayer ML. An investment in health: Anticipating the cost of a usual source of care for children. Presented at the 2009 University of North Carolina at Chapel Hill Annual University Research Day. Chapel Hill, NC.

Birken SA, Mayer ML. An investment in health: Anticipating the cost of a usual source of care for children. Presented at the 2008 AcademyHealth Annual Research Meeting. Washington, DC.

INVITED PRESENTATIONS

Birken SA. Discussant, Health Services Research and Quality Improvement Poster Discussion Session. "Implementation Issues in Screening: Do You See Me Now?" American Society of Clinical Oncology Conference. Virtual. May 2020.

Birken SA, Leeman J, Nilsen. Organizational Theory for Implementation Science: A rationale and guidance. An invited 75-minute workshop presented at the European Implementation Conference. Rotterdam, Netherlands. October 2020.

Birken SA. Discussant, "Uncovering the secret sauce of implementation with innovative analytic methods" panel session at the 12th Annual Conference on the Science of Dissemination and Implementation. Washington, D.C. December 2019.

Birken SA. Chair, “Advancing intervention implementation and effectiveness through adaptation” panel session at the 12th Annual Conference on the Science of Dissemination and Implementation. Washington, D.C. December 2019.

Birken SA. Human-centered design for implementation context. An invited talk at the University of Washington ALACRITY Center Society for Implementation Research Collaborative Pre-conference. Seattle, WA. September 11, 2019.

Birken SA. Developing and testing interventions to facilitate low-risk breast cancer survivors’ transitions from oncology to primary care. An invited talk at the Ohio State University James Comprehensive Cancer Center. Columbus, OH. September 10, 2019.

Nilsen, **Birken SA.** Core faculty. Selection and application of implementation science theories, models and frameworks. Implementation Science Masterclass, Kings College London, July 16-17, 2019.

Birken SA. Discussant, Realist and qualitative evaluation. 2nd UK Implementation Science Research Conference, Institute of Psychiatry, Psychology and Neuroscience, Kings College London, July 18, 2019.

Birken SA. Discussant, How Overlapping Innovations Challenge Organizations. An invited talk for the Organization Theory in Health Care Conference. May 23, 2019.

Birken SA. A primer on implementation science. An invited talk for the National Research Service Award (NRSA) Institutional Training Grant Fellows at the Cecil G. Sheps Center for Health Services Research. January 28, 2019.

Nilsen P & **Birken SA.** Individual and collective determinants of implementation: Conceptualization and a framework for organizational theories for implementation science. An invited talk for the Behavioural and Cognitive Theories for Knowledge Translation Course. University of Ottawa. Ottawa, Canada. June 6, 2019.

Birken SA, Leeman J, Charns M, Harrison MI. Organizational context in D&I: A rationale and guidance. An invited 90-minute workshop presented at the 11th Annual Conference on the Science of Dissemination and Implementation. Washington, D.C. December 2018.

Birken SA. Lessons learned from doing implementation research: Results from an international survey. An invited talk for a Mentored Training in Dissemination and Implementation Research in Cancer webinar. October 19, 2018.

Birken SA. Conducting implementation science in collaboration with experts across the translational science spectrum. University of California, Irvine. September 27, 2018.

Birken, SA. Moderator, Debate: An intervention must operate through change at the individual level. An invited talk for the Advancing Implementation Science Call, Veterans Administration. January 10, 2018.

Birken SA. Discussant, The Impact of Survivorship Care Plans. An invited talk for the American Society of Clinical Oncology 2018 Cancer Survivorship Symposium. February 17, 2018.

Birken SA. Survivorship Care Plan Implementation: Are There Models of Success? An invited talk for the American Society of Clinical Oncology 2018 Cancer Survivorship Symposium. February 17, 2018.

Birken SA. Criteria for Selecting Implementation Frameworks and Theories among Implementation Researchers and Practitioners. An invited talk for the Advancing Implementation Science Call, Veterans Administration. May 10, 2017.

Birken SA. Survivorship Care Plans: Implementation Strategies and Relevant Outcomes. An invited talk for the American Society of Clinical Oncology Cancer Survivorship Committee. April 19, 2017.

Birken SA. Identifying Strategies for the Successful Implementation of Cancer Survivorship Care Plans. An invited talk for the Community Academic Resources for Engaged Scholarship Core of the North Carolina Translational and Clinical Sciences Institute. December 2016.

Birken SA. Implementing cancer survivorship care plans: The state of the science. An invited talk for the Alberta SPOR SUPPORT Knowledge Translation Platform Webinar Series. November 2016.

Birken SA. Implementing cancer survivorship care plans: The state of the science. An invited talk at the Lineberger Comprehensive Cancer Center Cancer Outcomes Breakfast at the University of North Carolina at Chapel Hill. Chapel Hill, NC. October 2016.

Birken SA, Powell BJ, Presseau J. Criteria for selecting theory for implementation research and practice. Department of Defense Deployment Health Clinical Center. Silver Spring, MD. June 1, 2016.

Birken SA. Implementing survivorship care plans. Keynote speaker for the South Carolina Cancer Alliance Evidence Academy. Columbia, SC. May 20, 2016.

Birken SA. Determinants of survivorship care plan use: Results from a national survey. An invited talk for the National Cancer Institute's Research to Reality Cyber Seminar. June 17, 2014.

Birken SA. Determinants of survivorship care plan use: Results from a national survey. An invited talk at the Department of Health Policy and Management at the University of North Carolina at Chapel Hill. Chapel Hill, NC. March 2014 and 2015.

Birken SA. Where the rubber meets the road: Middle managers' role in innovation implementation in health care organizations. An invited talk at the Cleveland Clinic Innovation Summit. Cleveland, OH. October 2014.

Birken SA. Determinants of survivorship care plan use: Results from a national survey. An invited talk at the Lineberger Comprehensive Cancer Center Cancer Outcomes Breakfast at the University of North Carolina at Chapel Hill. Chapel Hill, NC. October 2013.

Birken SA. By fits and starts: The implementation and institutionalization of innovations in cancer care. An invited talk at the Department of Health Policy and Management at the University of North Carolina at Chapel Hill. Chapel Hill, NC. March 2012.

Birken SA. By fits and starts: The implementation and institutionalization of innovations in cancer care. An invited talk at the Department of Health Policy and Administration at the Pennsylvania State University. State College, PA. March 2012.

Birken SA. Where the rubber meets the road: Middle managers' role in innovation implementation in health care organizations. An invited talk at the Department of Health Services Management and Policy at the Ohio State University. Columbus, OH. January 2011.

TECHNICAL REPORT AND UNREFEREED ARTICLES

Birken SA. How middle managers can influence innovation implementation. *Agency for Healthcare Research and Quality Health Care Innovations Exchange*. 2014. Available at <http://www.innovations.ahrq.gov/content.aspx?id=4173>.

COURSES TAUGHT

Faculty, Implementation Science Masterclass, King's College London, July 2019

Guest Faculty, Behavioural and Cognitive Theories for Knowledge Translation Short Course, University of Ottawa School of Public Health, June 2019 (50 students)

Doctoral Seminar in Organizational Theory and Health Care Organizations, University of North Carolina at Chapel Hill, Fall 2010, Spring 2015, Spring 2017 (6-10 students)

Doctoral Seminar in Health Services/Health Policy Research Methods II, University of North Carolina at Chapel Hill, Spring 2016 – present (12-15 students)

MENTORING

Postdoctoral Research Committee Member

1. Lisa Spees, PhD. R25T Cancer Care Quality Training Program (CCQTP), Health Policy and Management, University of North Carolina at Chapel Hill: “Determinants of Urologist’s Decision-Making to Order Imaging for Diverse Clinical Conditions.”

Doctoral Dissertation Research Committee Chair

1. Burcu Bozkurt, PhD Dissertation, Department of Health Policy and Management, University of North Carolina at Chapel Hill: TBD
2. Soohyun Hwang, PhD Dissertation, Department of Health Policy and Management, University of North Carolina at Chapel Hill: “Multilevel determinants of guideline-concordant active surveillance follow-up care for low-risk prostate cancer patients” (in progress)
3. Emily Haines, PhD Dissertation, Department of Health Policy and Management, University of North Carolina at Chapel Hill: “Improving care coordination for adolescents and young adults with cancer: the development of building a bridge between needs and services” (Defended March 2020)
4. Mohamed Ismail, MD. DrPH Dissertation, Department of Health Policy and Management, University of North Carolina at Chapel Hill: “Interventions to promote diabetes care quality in a free clinic” (Defended February 2020)
5. Alexis Kirk. PhD Dissertation. Department of Health Policy and Management, University of North Carolina at Chapel Hill: “The Adaptation of an Intervention to Increase Referrals to Hospice” (Defended August 2017)

Doctoral Dissertation Research Committee Member

1. Meghan O’Leary. PhD Dissertation. Department of Health Policy and Management, University of North Carolina at Chapel Hill: “Using systems science tools to inform the selection and implementation of colorectal cancer screening interventions” (in progress)
2. Lisa Rogers. PhD Dissertation. School of Nursing, Midwifery and Health Systems, University College Dublin: “An evaluation of the implementation of a collective leadership intervention within the Irish health service” (in progress)

3. Ida Jane Griesemer. PhD Dissertation. Department of Health Behavior, University of North Carolina at Chapel Hill: "A systems change intervention to address racial disparity in care completion among breast and lung cancer patients" (in progress)
4. Darcy Anderson. PhD Dissertation. Department of Environmental Health and Engineering, University of North Carolina at Chapel Hill: "Assessing adoption of quality improvement innovations in the WASH sector" (in progress)
5. Danielle Mohabir. MD/PhD Dissertation. Department of Health Policy and Management, University of North Carolina at Chapel Hill: "Interventions and outcomes of pediatric psychiatric care in North Carolina emergency departments" (in progress)
6. Lindsey Yates. PhD Dissertation. Department of Health Policy and Management, University of North Carolina at Chapel Hill: "Racial Disparities in Access to Long-Acting Reversible Contraception Immediately Postpartum in North Carolina" (in progress)
7. Jessica Link Reeve. DrPH Dissertation. Department of Health Policy and Management, University of North Carolina at Chapel Hill: "BE FAST Bella Stroke Awareness Campaign: A Qualitative Study of Implementation Factors" (Defended March 2020)
8. Rebecca Whitaker. PhD Dissertation. Department of Health Policy and Management, University of North Carolina at Chapel Hill: "Mechanisms of Quality in Federally Qualified Health Centers" (Defended March 2019)
9. Amir Alishahi Tabriz, MD. PhD Dissertation. Department of Health Policy and Management, University of North Carolina at Chapel Hill: "The Implementation and Effectiveness of Full Capacity Protocols in Emergency Departments" (Defended August 2017)
10. Lisa DiMartino, MPH. PhD Dissertation. Department of Health Policy and Management, University of North Carolina at Chapel Hill: "Implementation and Effectiveness of Triggered Palliative Care Consults in Oncology" (Defended April 2017)
11. Janell Wright. DrPH Dissertation. Department of Health Policy and Management, University of North Carolina at Chapel Hill: "Impact of HIV Project ECHO (Extensions for Community Health Outcomes) in Kazakhstan" (Defended March 2018)
12. Sherry Leviner. PhD Dissertation. School of Nursing, University of North Carolina at Chapel Hill: "Going with the flow: Left without being seen in the emergency department" (Defended November 2014)

Master's Paper Research Reader

1. Carrie Martin Blanchard, PhD. Department of Health Policy and Management, University of North Carolina at Chapel Hill: "Establishing a Common Language for Comprehensive Medication Management: Applying the Practice Profile Methodology to the Pharmacists' Patient Care Process" (Defended August 2017).

2. Jordyn Farrell, Department of Health Policy and Management, University of North Carolina at Chapel Hill: "Barriers and Facilitators to Transitions from Pediatric to Adult Cancer Survivorship Care" (Defended May 2017)
3. Sarai Narvaez, Department of Health Policy and Management, University of North Carolina at Chapel Hill: "I'm waiting for the man: An analysis of opioid detoxification wait time interventions for substance abuse treatment programs in New York" (Defended March 2015)
4. Alexis Kirk, Department of Health Policy and Management, University of North Carolina at Chapel Hill: "A qualitative study of the implementation of the Hospice Item Set (HIS)" (Defended March 2015)

Academic Advisor

Sarah Asad, PhD student, Department of Health Policy and Management, University of North Carolina at Chapel Hill (in progress)

Burcu Bozkurt, PhD student, Department of Health Policy and Management, University of North Carolina at Chapel Hill (in progress)

Soohyun Hwang, PhD student, Department of Health Policy and Management, University of North Carolina at Chapel Hill (in progress)

Emily Haines, PhD student, Department of Health Policy and Management, University of North Carolina at Chapel Hill (in progress)

Lauren Richardson, MSPH-MBA student, Department of Health Policy and Management, University of North Carolina at Chapel Hill (in progress)

Michelle Ballasiotes, BSPH student, Department of Health Policy and Management, University of North Carolina at Chapel Hill (in progress)

Tamara Huson, MSPH student, Department of Health Policy and Management, University of North Carolina at Chapel Hill (graduated May 2019)

Elizabeth Singletary, BSPH student, Department of Health Policy and Management, University of North Carolina at Chapel Hill

Nadine Igdal, BSPH student, Department of Health Policy and Management, University of North Carolina at Chapel Hill

Pooja Joshi, BSPH student, Department of Health Policy and Management, University of North Carolina at Chapel Hill

Practicum Preceptor

Aisha Essuman-Mensah, MPH student, Public Health Leadership Program, University of North Carolina at Chapel Hill (Completed May 2017)

Yan Yu, MD. Health services research elective in family medicine residency. Family Medicine & Dentistry, University of Alberta (Completed October 2016)

Other

Mentor, Society for Implementation Research Collaborative Network of Expertise student Mimi Choy-Brown, doctoral student in the Silver School of Social Work program at New York University. (2016)

Qualitative methods consultant, dissertation committee of Dio Kavalieratos, Department of Health Policy and Management, University of North Carolina at Chapel Hill: “Not the ‘grim reaper service’: An assessment of provider knowledge, attitudes, and perceptions regarding palliative care referral barriers in heart failure.” (Defended March 2012)

CONTRACTS AND GRANTS

Analyzing the role of social networks in promoting effective implementation of the Triple P Positive Parenting Program

Role: Co-Investigator/Faculty Mentor

North Carolina Translational and Clinical Sciences Institute

Award: \$2,000

Family cancer caregiving in rural North Carolina: A multi-stakeholder study to inform the development and adaptation of cancer caregiving interventions

Role: Co-Investigator

North Carolina Translational and Clinical Sciences Institute

Award: \$50,000

The GEneral Medicine INpatient Initiative (GEMINI): Exploring methods to optimize audit and feedback: Personalizing delivery according to team differences

Role: Co-Investigator

Canadian Institute for Health Research

Award: \$669,160

Hybrid implementation-effectiveness study of START (Supporting Transitions After Treatment) intervention to facilitate low risk breast cancer survivors transitions from Oncology Providers to Primary Care Providers

Role: PI

National Cancer Institute

Award: Not discussed after June 2019 submission; submitting to new mechanism February 2020

Screening and Management of Unhealthy Alcohol Use in Primary Care: Dissemination and Implementation of PCOR Evidence

Role: Co-Investigator

R18

Agency for Healthcare Research and Quality

Award: Just-in-time requested

Addressing Cancer-Related Financial Toxicity in Rural Oncology Care Settings

Role: Co-Investigator

R01

National Cancer Institute

Award: Just-in-time requested

Partnering to develop and test a tailored, theory-based intervention delivered via the web to improve parents' symptoms and quality of life by coping with pediatric cancer-induced financial distress

Role: Co-Investigator

National Institute of Nursing Research

Award: Not discussed

AcaDames: A service project to stimulate dynamic conversations and community around women in academia

03/01/2019 – 02/28/2020

Carolina Women's Center

Role: Principal Investigator

Award: \$9,996

Kansas Institute of Precision Medicine. Implementing Precision Medicine: Determinants of Adoption in Community Oncology

1P20GM130423-01(8881)

Godwin, Andrew (PI)

02/15/2019 – 01/31/2022

National Institute of General Medical Sciences

Study to assess determinants of precision medicine adoption among community oncologists and innovation adoption among cancer specialists more broadly.

Role: Consultant

Award: \$688,500

Risk stratification model for cancer survivors

12/01/2018 – 11/30/2019

Wheeler, Stephanie (PI)

American Cancer Society

Role: Co-Investigator

Study to develop a model to stratify breast cancer survivors by risk along several key dimensions using several national datasets.

Award: \$100,000

Improving studies of complex interventions by accounting for their implementation

Role: Co-Principal Investigator

PCORI

Invited for full proposal based on letter of intent

\$342,901

Visiting Scholar to Linköping University, Sweden

Role: Co-Principal Investigator

Prisma Research Sweden

Award: \$29,500

Developing an intervention to promote comprehensive survivorship care plan implementation

Role: Principal Investigator

Lineberger Comprehensive Cancer Center Developmental Grant

August 2018 – July 2019

Award: \$50,000

Identifying strategies for comprehensive survivorship care plan implementation

Role: Principal Investigator

Alliance for Clinical Trials in Oncology, Cancer Care Delivery Research Committee

August 2018 – July 2019

Award: \$200,000

Comprehensive Cancer Control Collaborative of North Carolina (4CNC)

Role: Co-Investigator; Organizational Theory for Implementation Science workgroup lead

Centers for Disease Control and Prevention (3 U48 DP005017-01S8)

September 2014 – September 2019

Implementing toothbrushing protocol in North Carolina Head Start Programs

Role: Co-Principal Investigator

Blue Cross and Blue Shield of North Carolina Foundation

November 2017 – October 2018

Award: \$100,000

Leveraging stakeholders' perspectives to optimize survivorship care plan delivery systems

North Carolina Translational & Clinical Sciences Institute (KL2TR002490)

Role: Principal Investigator

June 2017 – May 2020

Award: \$297,250

Training Safety Net Dental Clinics (SNDC) in New Restorative Methods for Children's Teeth

Role: Co-Investigator

Blue Cross and Blue Shield of North Carolina Foundation

June 2016 – June 2017

Award: \$100,000

Enhancing Survivorship Care Planning for Patients with Localized Prostate Cancer Using A Couple-focused Web-based Tailored Symptom Self-management Program

Role: Co-Investigator

National Cancer Institute (R21 CA212516-01)

December 2016 – November 2018

Award: \$363,660

Developing a Tool to Promote the Selection of Appropriate Implementation Frameworks and Theories

Role: Principal Investigator

North Carolina Translational & Clinical Sciences Institute

June 2016 – June 2017

Award: \$49,999

Addressing Stakeholders' Perspectives on Survivorship Care Plan Implementation

Role: Principal Investigator

Cancer Research Network (CRN15014)

March 2016 – February 2017

Award: \$40,000

Evaluation of the National Cancer Survivorship Resource Center

Role: Co-Investigator

PI: John Rose

Center for Disease Control and Prevention APHIR 56 to Battelle - Contract 200-2015-F-88143

October 2015 – September 2017

Award: \$385,000

A Qualitative Study of Challenges Experienced by Fixed-term Faculty at the University of North Carolina at Chapel Hill

Role: Co-Investigator

PI: Nancy Fisher

February 2015 – January 2016

University of North Carolina at Chapel Hill Office of the Provost

Award: \$10,000

The Attrition of Women Faculty from Science, Technology, Engineering and Mathematics (STEM)

Disciplines: Identifying Targets for Intervention

Role: Co-Investigator

PI: Susan Girdler

University of North Carolina at Chapel Hill Office of the Provost

May 2015 – April 2016

Award: \$80,000

Identifying Strategies for the Successful Implementation of Cancer Survivorship Care Plans

Role: Principal Investigator

Co-Principal Investigator: Sara Jacobs

Co-Investigators: Deborah Mayer, Ethan Basch

North Carolina Translational & Clinical Sciences Institute

August 2016 – July 2017

Award: \$50,000

Implementing Survivorship Care Plans

Role: Co-Investigator

PI: Deborah Mayer

North Carolina Institute for Healthcare Quality Improvement

July 2014 – June 2015

Award: \$50,000

Models of Survivorship Care Technical Brief

Role: Co-Investigator

PI: Meera Viswanathan

Agency for Healthcare Research and Quality Health Services Research (HHS29020120000)

December 2012 – December 2013

Award: \$225,000

Where the Rubber Meets the Road: Middle Managers' Role in Innovation Implementation in Health Care

Role: Principal Investigator

Agency for Healthcare Research and Quality Health Services Research (1 R36 HS019107-01)

June 2010 – June 2011

Award: \$39,726

Selected for summary in the Agency for Healthcare Research and Quality Research Activities Publication

SERVICE

Board member, Center for Food Equity in Medicine, June 2020 – present

Faculty, Multilevel Intervention Training Institute, National Cancer Institute, April 2020 – present

Alliance American College of Surgeons Cancer Care Standards Development Committee, August 2019 – present.

Producer and Co-host, *AcaDames*, a podcast about women in academia, December 2017 – present

Reviewer, Lineberger Comprehensive Cancer Center Population Sciences Developmental Awards, The University of North Carolina at Chapel Hill, June 2019.

Reviewer, North Carolina Translational and Clinical Sciences Institute \$5-50K and Promoting Health Equity by Including Underrepresented Participants in Research Pilot Grants, The University of North Carolina at Chapel Hill, May 2019.

Reviewer, Creativity Hubs Pilot Program, The University of North Carolina at Chapel Hill, May 2019.

Reviewer, Veterans Affairs Health Services Research & Development Scientific Merit Review Board, March 2019 – June 2023.

Discussant, "Examining the comparative effectiveness of different implementation strategies." Annual Conference on the Science of Dissemination and Implementation, December 2018.

Continuing Guest Academic Editor, PLOS One, 2018 – present.

Reviewer, Society for Implementation Research Conference submitted abstracts, 2017.

Reviewer, AcademyHealth Research Meeting Organizational Behavior and Management submitted abstracts, 2017.

Core Faculty, Dissemination and Implementation Science Methods Unit, Community Academic Resources for Engaged Scholarship, North Carolina Translational and Clinical Sciences Institute, University of North Carolina at Chapel Hill, April 2017 – present.

Alliance American College of Surgeons Clinical Research Program Dissemination and Implementation Committee Liaison to Cancer Care Delivery Research Committee, February 2017 – present.

Early Career Reviewer, Center for Scientific Review. National Institutes of Health. July 2016 – present.

Co-Chair, Survivorship Special Interest Group, George Washington Cancer Institute's PCORI-funded Generation and Translation of Evidence: An Oncology Community of Practice, February 2016 – February 2018.

Member, Faculty Track Task Force, Department of Health Policy and Management, University of North Carolina at Chapel Hill, November 2015 – present.

Expert speaker, National Cancer Survivorship Resource Center's Ask the Expert Webinar on *Community of Practice: Generation and Translation of Evidence GATE Project*. December 14, 2015.

Reviewer, Annual Conference on the Science of Dissemination and Implementation, 2015 – present.

Panel member, WISDOM (Women in Science Deserve Opportunities and Mentoring) Women's Leadership and Career Development Discussion, University of North Carolina at Chapel Hill, May 2015.

Member, Social and Behavioral Health Subcommittee, Protocol Review Committee, Lineberger Comprehensive Cancer Center, January 2015 – present.

Expert speaker, National Cancer Survivorship Resource Center's Ask the Expert Webinar on *Conducting the Survivorship Care Plan Use Survey* for the Center for Disease Prevention and Control's National Comprehensive Cancer Control Program Directors. December 10, 2014.

Member, Committee on the Status of Women, University of North Carolina at Chapel Hill, October 2014 – present.

Member, Committee on Diversity and Inclusion, Department of Health Policy and Management, University of North Carolina at Chapel Hill, October 2014 – December 2016.

Expert panel member, Clarity out of Chaos: Synthesizing Implementation Findings. Veterans Affairs Center for Clinical Management Research, Ann Arbor VA HSR&D Center of Excellence, September 2014.

Member, Commission on the Accreditation of Healthcare Management Education Steering Committee, Department of Health Policy and Management, University of North Carolina at Chapel Hill, August 2014 – November 2016.

Chair, Health Policy and Healthcare Reform Impacts on Healthcare Management session at the 2014 Annual Meeting of the Academy of Management.

Participant, RAND/UCLA study on principles of ethics in stakeholder-engaged research, April 2014.

Invited member of American Society of Clinical Oncology's Survivorship Care Plan Consensus Conference. September 27, 2013. Alexandria, VA.

Survivorship Care Planning and Dissemination & Implementation Champion, National Cancer Institute's Grid-Enabled Measures Survivorship Care Plan team, February 2012 – February 2013: Selected as an established leader in the field to build consensus on target measures for use in studies of survivorship and dissemination and implementation.

Reviewer, Applications to participate in Training Institute for Dissemination and Implementation in Health, a National Institutes of Health initiative to train investigators in the science of dissemination and implementation, 2012 – present

Reviewer, Annual Meeting of the Academy of Management, 2012 – present

New Implementation Research Investigator and Founding Member, Society for Implementation Research Collaboration Network of Expertise, May 2015 – present

Member, Cancer Research Network Communication and Dissemination Research Scientific Working Group, October 2013 – December 2016

Member, Cancer Prevention and Control Research Network Survivorship Group, May 2012 – present

Project Manager, Council on Education for Public Health Self-study, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, June 2008 – December 2009: Coordinated evidence from faculty throughout the School to support reaccreditation; compiled self-study document to demonstrate the School's excellence; facilitated peer reviewers' validation site visit.
