DEI Training

Equity Advocacy in a Wholistic Admissions Process. 11/19/2020, sponsored by Gillings. 2 hours, online. I didn't learn much, I thought the training was poorly done.

Equity Series - Mind the Gap: Let's Talk Innovation in COVID-19 Education, Engagement and Outreach 2/22/20, sponsored by Gillings. 1 hour, online. I learned about the "not a host" campaign, with efforts to communicate in ways that people will understand, given that COVID disparities are due to racism.

NC DHHS training A Conscious Discussion of Unconscious Bias, Dr Eboni Baugh. 7/2/21, online. 45 minutes.

Working with international students. Gillings staff, online, 11/17/21 1.5 hours.
