#### **BIOSKETCH**

##### **Kathryn Andersen, Senior Research and Evaluation Advisor/ Manager (Ipas US)**

*MS in Biostatistics, Ph.D. in Maternal and Child Health, University of North Carolina at Chapel Hill.*

Dr. Andersen provides technical support to the Research and Evaluation Unit, including identifying and implementing appropriate research methodologies (both quantitative and qualitative); supporting data management and statistical analysis; and participating in analysis and dissemination of findings. Her focus countries include India, Myanmar, and Nepal. Dr. Andersen's professional interests include understanding and reducing abortion-related maternal mortality; eliminating violence against women; improving reproductive health care access and understanding associated costs; and translating research into policy and practice. Her work has been published in *Violence against Women, Women and Health, Studies in Family Planning, International Federation of Gynecology and Obstetrics, Contraception* and the *American Journal of Preventive Medicine*, among others. Dr. Andersen also serves as an adjunct assistant professor in the Department of Maternal and Child Health at the School of Public Health at the University of North Carolina at Chapel Hill and as Consulting Editor for Research Methods for the *Journal of Midwifery and Women's Health*.

#### **EDUCATION**

##### **DEGREES**

##### **University of North Carolina, Chapel Hill, NC**

*Ph.D., Maternal and Child Health, August 2002*

Minor: Health Economics

Substantive Area: Violence Against Women

Dissertation Topic: *Service Use and Intimate Partner Violence during Pregnancy*

##### **University of North Carolina, Chapel Hill, NC**

*M.S., Biostatistics, August 1995*

Master's paper topic: *Application Of Ordinal Logistic Regression To Assess The Relationship Between Physical Abuse And Patterns Of Substance Use Before And During Pregnancy*

##### **Miami University, Oxford, Ohio**

*A.B. Mathematics & Statistics, December 1992, Magna cum Laude*

Related Area: Chemistry Minor: French

Miami University, John E. Dolibois European Center Study Abroad Program in Luxembourg, Sept 1992 - Feb 1993

##### **SCHOLASTIC AWARDS**

|             |  |
|-------------|--|
| 1999 – 2001 | Cecil G. Sheps Center for Health Services Research NRSA/AHRQ Pre-doctoral Fellowship     |
| 2000        | UNC Injury Prevention Research Center's 2000 Susan P. Baker Student Research Paper Award |
| 1998 – 2000 | Bryant Scholarship for Violence Against Women Recipient                                  |
| 1997 – 1999 | Maternal and Child Health Doctoral Training with a Focus on Health Economics Grant       |
| 1994 – 1995 | NIH Federal Training Grant   |
| 1994 – 1995 | Governor's Institute on Alcohol and Substance Use Grant: Public Policy Scholars Workshop |
| 1993 – 1993 | Graduate School Fellowship   |
| 1993        | Phi Beta Kappa   |

---

**CURRICULUM VITAE**  
**KATHRYN ANDERSEN CLARK**

---

**APPOINTMENTS**

Adjunct Faculty, Department of Maternal & Child Health, University of North Carolina at Chapel Hill, January 2002 – Present.

Adjunct Faculty, Department of Biostatistics, University of North Carolina at Chapel Hill, January 2003 – 2005.

**PROFESSIONAL ORGANIZATIONS**

American Public Health Association (APHA)

Association for Health Services Research and Health Policy (AHSRHP)

American Statistical Association (ASA)

Population Association of America (PAA)

**RESEARCH AND PROFESSIONAL EXPERIENCE**

January 2007 – Present

**Senior Research Advisor/Manager, Ipas**  
Chapel Hill, NC

- Assist with research study design and development of monitoring systems
- Provide statistical analysis and expertise
- Prepare reports and presentations to disseminate findings
- Offer research and evaluation technical assistance to Ipas offices in Nepal, India, Pakistan and Bangladesh, and previously Ghana and South Africa
- Participate in writing program proposals and study proposals
- Review manuscripts to provide technical and writing guidance

2005 - 2007

**Statistical Project Manager, Preventing Firearm Violence Among Victims of Intimate Partner Violence: An Evaluation of a New North Carolina Law**

Pacific Institute for Research and Evaluation, Chapel Hill, North Carolina

- Assist with study design, in particular, data collection and tracking systems
- Clean and analyze study data
- Provide statistical analysis and expertise
- Prepare reports and presentations to disseminate findings

2001 – 2006

**Consultant**

Clients include Ipas, Chapel Hill, North Carolina; National Abortion Federation, Washington, DC; Preschool Arts Lab, Charlotte, NC; Cyzner Institute, Charlotte, NC.

- Assist with study design and questionnaire development
- Create data entry systems; enter, clean, and analyze study data
- Prepare final reports and presentations to disseminate findings

2005 - 2006

**Statistical Project Manager, Department of Maternal and Child Health**

University of North Carolina at Chapel Hill, Chapel Hill, North Carolina

- Assist with secondary data collection and statistical analysis
- Participate in report and manuscript writing
- Project concerning measures of state capacity and service use and other outcomes for children with special health care needs

2004 - 2006

**Second/Third Grade Assistant Teacher, Children's Community School**

Davidson, NC

- Part-time position at a NC Charter School focused on Basic School philosophy

**CURRICULUM VITAE**  
**KATHRYN ANDERSEN CLARK**

---

- 2001 - 2006  
**Director of Early Childhood Ministries**  
Myers Park Baptist Church, Charlotte, North Carolina
- Provide training for classroom teachers regarding health and safety and curriculum issues
  - Plan and organize educational programming for parents of children ages birth to five years
  - Recruit, schedule and supervise childcare workers and volunteers
  - Coordinate educational and social programs for parents of the church and the preschool
- 2002 - 2004  
**Statistical Project Manager, Cecil G. Sheps Center for Health Services Research**  
University of North Carolina at Chapel Hill, Chapel Hill, North Carolina
- Assist with study design, questionnaire development, and data tracking systems
  - Provide statistical analysis and expertise
  - Participate in manuscript preparation and grant writing
  - Projects include: Focus groups concerning the needs of intimate partner violence victims, the effect of state Medicaid policies on smoking cessation during pregnancy, and an intervention promoting prevention of pregnancy and STDs/HIV
- 1999 – 2002  
**Consultant**  
Ipas, Chapel Hill, North Carolina
- Assist with study design and questionnaire development for various studies
  - Create data entry systems; enter, clean, and analyze study data
  - Prepare final reports and presentations to disseminate findings
  - Create annotated bibliography using standardized abstraction forms
- 1999 – 2000  
**Methods Reviewer**  
Sheps Center for Health Services Research, University of North Carolina
- Read studies on preterm birth and extract relevant methodological information
  - Review Ethics Codes of professional health-related organizations
  - Reconcile reviews with clinician reviewer and provide summary and comments
  - Create evidence tables to summarize reviews
- 1997 – 1999  
**Project Manager**  
Department of Maternal and Child Health, University of North Carolina  
Transitions In Pregnancy Study (TIPS)
- Create assessment tools based in relevant literature
  - Develop administrative processes through collaboration with clinicians and study personnel
  - Conduct interviewer training and provide ongoing support to interviewers
  - Oversee data entry and analysis
- 1995 – 1998  
**Statistician II**  
Duke Clinical Research Institute, Duke University.
- Clinical Trials Statistician - (SPICE) developed forms and randomization schemes; prepared analysis plans; wrote statistical methods; conducted interim and final analysis and reporting
  - Assisted in teaching the introductory statistics course in Duke's Biometry Training Program - developed homework sets and exams incorporating medically relevant problems & research, lectured on statistical topics
  - Conducted data analysis and reporting for manuscripts using data from large clinical trials in cardiology
- 1996 – 1997  
**Project Consultant**  
Department of Maternal and Child Health, University of North Carolina  
MCH Violence and Substance Abuse Research Lab
- Assisted in organization and documentation of current system
  - Performed short-term analysis on violence and substance using women
- 1995 - 1996  
**Research Assistant**  
Dr. Laura Svetkey, Duke University.
- Edited and checked data; conducted analysis and created presentation of final results

**CURRICULUM VITAE**  
**KATHRYN ANDERSEN CLARK**

---

- Explored reliability among measures of salt sensitivity and ethnic variations within these measures in hypertension research
- 1993 – 1995      **Research Assistant**  
UNC-CH, Department of Maternal and Child Health: Evaluation of the Step by Step Program
- Worked as a Data Manager/Programmer using primarily SAS, Splus
  - Developed questionnaires; Wrote technical reports
  - Conducted in-person interviews with women in physically abusive relationships for the Relationships and Health Study
  - Supervised work study students

**TEACHING EXPERIENCE**

- Fall 2004      **Lecturer**  
Spring 2004      Department of Biostatistics, University of North Carolina, BIOS 110 Principles of Statistical Inference
- Fall 2007      **Co-Facilitator: Three Day Technical Writing Workshop**  
Global Research and Evaluation Meeting, Ipas, Chapel Hill, NC
- Spring 2003      **Lecturer**  
Department of Maternal and Child Health, University of North Carolina, MHCH 246 Program Planning and Evaluation
- Spring 2000      **Teaching Assistant**  
Spring 1999      Department of Maternal and Child Health, University of North Carolina, MHCH 213 Research  
Spring 1995      Methods in Maternal and Child Health
- Compiled materials and lectured for "hands-on" lab in statistical methods (including univariate, multivariate, and categorical data analysis)
  - Assisted with lectures on data collection and management using EpiInfo
  - Consulted with students in determining questionnaire design and coding, appropriate statistical methods for their data, and presentation techniques
- Fall 1999      **Teaching Assistant**  
Department of Maternal and Child Health, University of North Carolina, MHCH 209 Maternal and Child Health Policy and Program Development
- Assisted in choosing and gathering readings and other course materials
  - Lectured on economic analysis of Maternal and Child Health Policy
  - Facilitated course discussion and course evaluation
- Fall 1999      **Teaching Assistant**  
Department of Maternal and Child Health, University of North Carolina, MHCH 259 Conceptualization, Design, and Measurement
- Conducted literature searches on social science theories and interdisciplinary research
  - Assisted in determining course readings and other class materials
- Fall 1998 - Spring 1999      **Noontime Seminars on Economic Analysis in Maternal and Child Health**  
Co-lead with Judy Labiner.
- Provided overview on methods in economic analysis
  - Chose articles and created activities to demonstrate topics
  - Led discussions on issues unique to the field of Maternal and Child Health

**CURRICULUM VITAE**  
**KATHRYN ANDERSEN CLARK**

---

- Fall 1998 - Spring 1999      **Teaching Assistant**  
Department of Maternal and Child Health, University of North Carolina, MHCH 253 Violence Against Women, Distance Learning Course
- Compiled readings and created discussion and synthesizing activities for course on a public health perspective on violence against women.
  - Created web page for course syllabus and weekly overheads, facilitated online discussion groups.
  - Prepared Powerpoint presentations for use in distance learning broadcasts.
- Fall 1998      **Departmental Tutor**  
Department of Maternal and Child Health, University of North Carolina, BIOS 110 Principles of Statistical Inference
- Conducted weekly two hour sessions to answer theoretical questions, as well as address specific homework problems for a group of 10-15 students
- Spring 1998  
Spring 1996      **Teaching Assistant**  
Department of Maternal and Child Health, University of North Carolina, MHCH 261 Secondary Data Analysis
- Prepared handouts and lectures on various statistical methods and programming
  - Provided individual guidance and feedback to students on their own research topics
- Fall 1997  
Fall 1996  
Fall 1995      **Teaching Assistant**  
Biometry Training Program, Duke University
- Developed and graded homework assignments and exams
  - Prepared notes and lectures on various statistical topics
- Spring 1994      **Teaching Assistant**  
Department of Epidemiology, University of North Carolina, EPID 160 Principles of Epidemiology
- Facilitated class discussions
  - Held office hours to answer questions
  - Graded papers and presentations
- GUEST LECTURES**
- Fall 2009, Fall 2008,  
Spring 2008, Fall 2007      **Intimate Partner Violence: An Overview**  
LBST 2214 Health and Quality of Life  
Department of Health and Human Services, University of North Carolina – Charlotte
- Fall 2008, Fall 2007      **Intimate Partner Violence in NC: Prevalence, Risk Factors, and Policy Response**  
HADM 6142 Health Policy Development  
Department of Health and Human Services, University of North Carolina - Charlotte
- Fall 2003, Fall 2002      **Quality and Managed Care**  
MHCH 209 Maternal and Child Health Policy  
Department of Maternal and Child Health, University of North Carolina – Chapel Hill
- Spring 2003, Spring 2002, Spring 2001      **Identification, Measurement, and Analysis of the Cost of Violence Against Women**  
MHCH 253 Violence Against Women  
Department of Maternal and Child Health, University of North Carolina – Chapel Hill
- Spring 1999      **Prevalence, Risk Factors, and Health and Economic Outcomes of Violence Against Women**  
MHCH 253 Violence Against Women  
Department of Maternal and Child Health, University of North Carolina – Chapel Hill

**CURRICULUM VITAE**  
**KATHRYN ANDERSEN CLARK**

---

Fall 1998                    **Power and Sample Size in Public Health Research**  
MHCH 260 Conceptualization, Design and Measurement  
Department of Maternal and Child Health, University of North Carolina – Chapel Hill

**GRADUATE STUDENT COMMITTEES**

Deborah L. Dee            Department of Maternal and Child Health, UNC-Chapel Hill, PhD, 2007  
Francie L. Likis            Department of Maternal and Child Health, UNC-Chapel Hill, DrPH, 2006  
Allison George            Department of Health Behavior and Education, UNC-Chapel Hill, MPH, 2009
