

Curriculum Vita

DEBORAH E. BENDER, PhD, MPH

ADDRESS & CONTACT INFORMATION

1716 Allard Road
Chapel Hill, NC 27514

Tel: 919-967-6229
Email: dbender@email.unc.edu
Out-of-country: bender.deborah@gmail.com

ACADEMIC EDUCATION

Ph.D., 1980 American University, Washington, DC. Medical Anthropology and Sociology.

M.P.H., 1981 University of North Carolina, Chapel Hill, NC. School of Public Health, Health Policy and Administration.

B.A., 1969 Newton College (now merged with Boston College), Chestnut Hill, MA, Psychology.

1968 St. Xavier's College, Ahmadabad, India. Semester abroad program.

July 1991-
June 1993 Post-Doctoral Fellow, (half time) Early Childhood Intervention.
Frank Porter Graham Child Development Center, UNC.

WORK HISTORY

2010-present **Professor Emerita and Adjunct Professor**
Office of Global Health and Department of Health Policy and Management,
Gillings School of Global Public Health; University of North Carolina,
Chapel Hill, NC 2599-7411.

***(More Recent Professional Activities—as Emerita & Adjunct Professor –
summarized here, followed by complete academic CV)***

- Second Reader. Master's Thesis. Monitoring and Evaluation of Stop Hunger Now's Feeding Programs in Nicaragua. (Amy J. Handler). 2013.
- Technical Lead and Preceptor. Field Assessment and Implementation of M&E Program Development of Monitoring and Evaluation in Nicaragua, For: Stop Hunger Now. April 2012-August 2012.
- Reviewer. applicant for Fulbright-Fogarty Fellows and Scholars in Public Health. Invited second 2-year term, 2015-2016.

- Consultant and Technical Lead. Handler AJ. and Bender D. Field Report: Needs Assessment of Feeding Programs in Rural and Urban Nicaragua. Presented to Stop Hunger Now, Raleigh, NC. August 10, 2012.
- Technical Lead and Preceptor with Amy Handler. Field Assessment and Implementation of M&E Program Development of Monitoring and Evaluation in Nicaragua for Stop Hunger Now. April 2012-August 2012.
- Reviewer. Applications for Fulbright-Fogarty Fellows and Scholars in Public Health. Return invitation second 2-year term, 2012-2013.
- First Reader. Development of a Monitoring and Evaluation of a Child Feeding Program in Kampala, Uganda, (Alexander Paxton), Masters Paper. April 2012.
- Consultant and Technical Lead. Paxton A. and Bender D. Final Report: Monitoring And Evaluation Plan Design for Uganda School Sites. Presented to Stop Hunger Now, Raleigh, NC October 31, 2011.
- Consultant. Paxton A. and Bender D. Field Report: Qualitative Evaluation of Four School Sites in Kampala, Uganda. Presented to Stop Hunger Now, Raleigh, NC. June 30, 2011.
- Reviewer. "Psychosocial Factors Associated with Gestational Weight Gain in a Low-Income Cohort" For: *The Journal of Health Care for the Poor and Underserved*. November 2011.
- Reviewer. "Exploring the Effects of a Service-Learning International Program on Intercultural Competence of Participants." For: *New Horizons in Education*. (<http://www.hkta1934.org.hk/NewHorizon/index2.html>). November 2011.
- Reviewer. "Psychosocial Factors Associated with Gestational Weight Gain in a Low-Income Cohort" For: *The Journal of Health Care for the Poor and Underserved*. November 2011.
- Reviewer. "Exploring the Effects of a Service-Learning International Program on Intercultural Competence of Participants." For: *New Horizons in Education*. (<http://www.hkta1934.org.hk/NewHorizon/index2.html>). November 2011.
- Reviewer. "The Employed Latino Health Initiative: A community-based collaboration to improve employed immigrant health in Columbus, Ohio." For: *The Journal of Health Care for the Poor and Underserved*. May 2011.
- Reviewer, Applications for Fulbright-Fogarty Fellows and Scholars in Public Health. 2010-2011.
- Evaluator. Disparities Leadership Program, Disparities Solutions Center, Morgan Institute for Health Policy, Mass General Hospital, Boston, MA. Jan-May 2012.
- Evaluator. DSC Fellow Program, Disparities Solutions Center, Morgan Institute for Health Policy, Mass General Hospital, Boston, MA Jan-Mar 2011.
- Instructor. Zhejiang University, English Language Training Program for Rising Chinese College Students (planning to study in U.S. or U.K.), Hangzhou, China. August- October 2014, August-November 2013, 2012, July-September 2011.

- Teacher. ESL/ELL, East Chapel Hill High School, Chapel Hill Carrboro City Schools. Spring 2016, Fall 2016, Spring 2015.
- Teacher. ESL/ELL, Hope Valley Elementary School, Durham Public Schools, Spring 2013.
- Tutor/Mentor. ESL for non-native English-speaking students in Chapel Hill/Carrboro Middle and High Schools. 2011-present.

2001- 2010

Clinical Professor

Department of Health Policy and Management; Gillings School of Global Public Health; University of North Carolina, Chapel Hill, NC 2599-7411.

Director; BSPH Program in Health Policy and Administration. September 1994-2007.

Faculty Fellow; APPLES Global Service-Learning Program. University of North Carolina. May 2006-2008.

Fellow; Carolina Population Center. March 1996-2010.

Adjunct Professor; Curriculum in International and Areas Studies. July 2007- 2010.

1990 - 2000

Clinical Associate Professor

Department of Health Policy and Administration

Director; BSPH Program in Health Policy and Administration. September 1994-2007.

Coordinator; UNC-CH SPH Peace Corps/Masters International Program 1998-2001.

Faculty Liaison; North Carolina Community Based Public Health Initiative (NC-CBPHI). September 1995-2000.

Faculty Associate; Department of Anthropology; University of North Carolina. April 1987-June 2000.

Director; Social Science Program; International Clinical Epidemiology Network (INCLIN); Department of Medicine; University of North Carolina. July 1989-June 1991.

Faculty Associate; Department of Preventive Medicine, University of North Carolina. July 1989-June 1991.

1986 - 1990

Clinical Assistant Professor

Department of Maternal & Child Health

School of Public Health, University of North Carolina; Chapel Hill, NC.

Visiting Assistant/Adjunct Professor; Department of Anthropology;
University of North Carolina.

Taught course on Comparative Perspectives on Women and Health.
July 1986 - December 1986.

1982 - 1986

Assistant Professor

Department of Community and Family Medicine; Duke University
Medical Center; Durham, NC 27710.

Senior Health Officer; Health Services Research and Clinical
Epidemiology Unit, Veterans' Administration Medical Center; Durham,
NC 27710.

Fellow; Center for International Studies; Duke University, College of
Arts and Sciences; Durham, NC 27710.
Chaired Committee on Third World Health Care and member of the
Center for International Studies Advisory Board; Sept. 1983-June 1986.

Associate Director; Andean Rural Health Project (ARHP); Department of
Community and Family Medicine; Duke University Medical Center;
Durham, NC 27710.

Directed home office of Bolivian-based community health project; May
1981 - May 1984.

1976 - 1981

Clinical Instructor and **Assistant Professor**

Department of Health Policy and Administration; University of North
Carolina; Chapel Hill, NC 27599-7400.

Director (1979-81); Assistant Director (1976-79); Off-Campus Master's
Degree Program.

1975 - 1976

Director

Learning Program Facilitation Division; Washington International
College; Washington, DC.

1975

Lecturer

Division of Social Sciences; Northern Virginia Community College;
Alexandria, VA.

1974 - 1975

Coordinator

The Wide Horizons Program for Transfer Students; The American
University; Washington, DC.

1972 - 1974

Educational Specialist/Research Assistant

Museum of Natural History; Departments of Museum Education and
Anthropology; The Smithsonian Institution; Washington, DC.

1969 - 1971

Teacher

St. James School; Arlington, MA; grades 5-8, Social Studies,
Mathematics, English and Art.

COURSES TAUGHT

HPM 351: U.S. and Global Health Policy Issues
INTS 290: Connections: Passport to Global Citizenship (service-learning & global citizenship)
HPAA 600/960: Overview of the United States Health Care System (taught both on-line & residential formats)
HPM 660 (02) Global Health: Policy and Practice Challenges (HuaXi School of Public Health, Sichuan Province, China)
HPM 600 (04) U.S. and Comparative Health Care Policy (HuaXi School of Public Health, Sichuan Province, China)
HPAA 660 (01) Global Health and Community Solutions (University of Cape Town, SA)
HPAA 99/100: Honors Research Seminar (2 semesters)
HPAA 230: Strategic Human Resources Management
HPAA 83: Introduction to Organizational Theory, Structure and Behavior
HPAA 120: *Políticas y Prácticas de Salud en Poblaciones Latinas*
(Health Policy and Practice in Latino Populations)
HPAA 245: Health Program Evaluation
HPAA 246: Public Health Program Planning and Evaluation
HPAA 282: International and Comparative Health
MHCH 118: Women, Health, and Development Policy
SCIMP: Social and Cultural Issues in Medical Practice (for Medical Students)
MHCH 207: Evaluation & Planning of Primary Care Interventions in Developing Countries

HONORS AND AWARDS

Village Pride Award, HomeTown Hero. WCHL Radio, 2013, 2014, 2016
<<http://chapelboro.com/wchl/features/village-pride-awards/village-pride-award-deborah-bender-may-22-2013/>>
Honorary Professorship. HuaXi School of Public Health, Sichuan University, Chengdu, China.
Awarded December 15, 2008
Fulbright Scholar Award, China. HuaXi School of Public Health, Sichuan University, Chengdu, China. August 25, 2008-January 12, 2009
Chapman Family Faculty Fellowship. Awarded December 2007
Faculty Director, Cape Town Honors Study Abroad Program, fall 2007
Global Service-Learning Faculty Fellow, APPLES, 2006-20007
Faculty Excellence Award, APPLES Service-Learning Program, 2006
Who's Who Among American Teachers, 2004
(*student making nomination must have been cited for academic excellence in The National Dean's List & may nominate only one teacher from entire academic experience*).
Ueltschi Service Learning Course Development Grant, 1998
Center for Teaching & Learning Award for Curriculum Innovation, 1999, 1997
Delta Omega Honorary Society in Public Health, 1992
Fulbright Research Award, 1985
Fulbright Senior Scholar Lecturer Award, Colombia, S.A., 1984
International Fellowship in Technical Assistance, Center for Women in Development, Southeast Consortium for International Development (SECID), 1981
Outstanding Young Women for America, 1977
Pi Gamma Mu (National Social Science Honor Society), 1975
The Smithsonian Institution Program Development Award, 1973
National Science Foundation Fellowship, 1971-1972

GRANTS AND CONTRACTS

Bender D. Technical Lead and Preceptor. Field Assessment and Testing of Data Entry Forms (previously developed) of Nutritional Feeding Programs in Managua (urban) and Jinotepe (rural) Nicaragua. Sites visited are those supported by ORPHANetwork and Stop Hunger Now. Contract from Stop Hunger Now. March 2012 - August 2012.

Bender D. Technical Lead and Preceptor. Development of Protocol and Development and Testing of Data Entry Forms for a Monitoring and Evaluation of a Child Feeding Program. Contract from Stop Hunger Now. April 2011 - April 2012.

Bender D. Consultant. Design of Impact Evaluation of the national Disparities Leadership Program. Contract from Disparities Solutions Center. Massachusetts General Hospital. January-May 2012.

Bender D. Consultant and Lecturer. SAT and TOEFL Preparation Program, Zhe Jiang University, Hangzhou, China. July 7 – September 30, 2011.

Bender D. Consultant. Qualitative Evaluation of the DSC Fellows Program, Boston, MA. Contract from Disparities Solutions Center. Massachusetts General Hospital. January – March, 2011.

Bender D. Chapman Family Faculty Fellowship, Spring 2009. (\$20,000 salary support).

Fulbright Senior Scholar Award. Health Policy in China. Full funding for fall 2008 semester.

Spranca M, Wasserman M, Bender D. Building the culturally competent decision environment for breast cancer care. An R21 application; submitted to NCI; primed by ABT Associates; funder specifically required inclusion of a cultural anthropologist with expertise in access to care among Latina women. Completed proposal-writing consultation, 2008.

Wasserman M, Clark M, Allen SM, Bender D. "Older Latina Women, Marital Status and Cancer Screening". (NIA grant # 1-R03-AG027870-01A1). Bender provided consultation on the development and use of photonarrative prompts for in-depth interviews about cancer screening utilization among middle-aged and older Latina Women. Assisted with the analysis of data and writing of final report, 2008.

Co-Investigator with Claire Lorch (PI) and Elizabeth Tolman, Linda Carl, and Bob Henshaw and counterparts at Elon University, Wake Tech, Office of Minority Health and Health Disparities, ECU and Truth Function Video Productions and N.C. Association of Local Health Directors (Colleen Bridger). ¡A su salud! Introductory Spanish for Health Professionals. GlaxoSmithKline Foundation. \$722,266 (ECU is fiscal agent on the grant); May 2006 - November 2008.

Co-Investigator with Jenny Huq. Developing a plan for sustainability of the APPLES International Service-Learning Program. A Center for Teaching and Learning Seed Grant Proposal. \$2500, Awarded April 2006.

Co-Investigator with Claire Lorch (PI), Chris Harlan, Karen Levitan, Charlotte Blackwell (Wake Tech), and consultant from Wake AHCE and TruthFunction Video Production. ¡A su salud! Introductory Spanish and Culture for Health Professionals. Aetna Foundation, \$35,000, October 1, 2005 - September 30, 2006.

Co-investigator with Jenny Huq. Development and directing Reflections Seminar and Applications experience. Awarded by the University Center for International Studies. \$5500. September 2005.

Co-Investigator, with Claire Lorch, MSW. Principal Investigator et al. *¡A su salud!: Beginning Spanish for Health Profession Students*. Awarded by the Office of the Provost Fund for Distance Education. \$100,000, April 2005.

Co-investigator with Jenny Huq. Development and directing global/local reflections seminar and Applications experience for the APPLES Service-Learning Program. Awarded by the University Center for International Studies. \$5500. September 2005.

Co-Investigator, with Claire Lorch, MSW. Principal Investigator et al. *¡A su salud!: Spanish for Health Profession Students*. Awarded by F.I.P.S.E. (Fund for the Improvement of Post-Secondary Education). \$599,000. October 2001 - September 2004.

Co-Investigator, with Shoou-Yi Daniel Lee, Ph.D., Principal Investigator. Development of a Spanish Health Literacy Assessment Tool. Awarded by Agency for Healthcare Research and Quality, \$99,781. October 2002 - September 2003.

Co-Principal Investigator, with Suzanne Gullledge, Jim Peacock, Lucila Vargas, Marie Weil. Reimagining Civil Society in an Era of Globalization: The American South in Applied Humanistic Perspectives. Rockefeller Foundation, Humanities Fellowships, Creativity and Culture Program, \$325,000. August 2001 - August 2005.

Co-Investigator, with Tom Bacon Ph.D., Principal Investigator and Christina Harlan, MPH et al. The North Carolina Immigrant Health Care Coalition. A renewal grant. Awarded by the Duke Endowment, \$218,585. January 2002 - December 2004.

Co-Investigator, with Tom Bacon, Ph.D., Principal Investigator and Christina Harlan, MPH, Andrea Bazan Manson, MPH, Bess Kennedy, MA and Marvin Schwartz, MD, MPH, Co-Investigators. Spanish and Cultural Competency for Health Professionals: Improving Access and Quality of Care for *Latinos* in North Carolina. Awarded by the Duke Endowment, \$1,386,492; July 1998- June 2001.

Principal Investigator. Ueltschi Service-Learning Course Development Grant, to develop and add a service-learning component to the experimental course taught in Spanish related to *Latino* Populations. \$8,000. 1998-2001.

Principal Investigator, with Catherine Harbour, MSPH. Perceptions of Quality of Reproductive Health Care among Mexican Migrant Women in North Carolina. Funding awarded by the Carolina Population Center, \$14,000; 1998-1999.

Principal Investigator, with Ana Santander, MD, MPH. Perceptions of Quality of Reproductive Health Care among Migrant Women in Periurban, Bolivia. Funding for 1998 from the UNC Institute for Latin American Studies (\$1,350) and the International Health Committee (\$4,200); UNC Department of Health Policy and Administration; \$5,750; 1998.

Principal Investigator, with Fiorella Horna-Guerra, M.P.H., and Lucy Savitz, Ph.D., M.B.A. The Community-Based Public Health Practice Model: Trainer's Manual. Funding from CBPHI Technical Assistance Grant; \$4,130; 1997.

Principal Investigator. BSPH Alumni-Student Mentorship Conference. Award for Curriculum Innovation from UNC Center for Teaching and Learning; \$750; January - June 1997.

Principal Investigator. Patterns of Use and Perceptions of Quality of Reproductive and Child Health Services among Latino population; awarded by the Carolina Population Center, UNC; \$14,424; 1996-1997.

Principal Investigator, with Dina Castro, MPH, Ph.D., and Karen O'Donnell, Ph.D. (Duke University). Reproductive Health Related Resilience and Risk Factors in Latina Migrant Women in North Carolina; awarded by the Duke/UNC Institute for Latin American Studies; \$6,500; 1995-1996.

Principal Instructor. Award of a L.A.C. (Languages Across the Curriculum) Grant for development of a Spanish language course titled *Políticas y Prácticas en Salud de Poblaciones Latinas* (Health Policy and Practices in Latino Populations), 1995-1996. Awarded by the Duke-UNC Institute for Latin American Studies; \$3,000; 1995-1996.

Principal Investigator, with Robert Baker, M.D., M.P.H.; Peter Body, M.D., M.P.H. (Nur University, Santa Cruz, Bolivia); and Margaret F. McCann, Ph.D., (UNC SPH). Infant Feeding and Child Spacing in Lowland Bolivia. Awarded by EarthWatch; \$21,600; 1994.

Principal Investigator, with Luis Morales, M.D., (UMSS); James E. Veney, Ph.D., (UNC); and Margaret McCann, Ph.D., (UNC). Promotion of Appropriate Utilization of Health Services; Improving Maternal Health in Rural Bolivia. Awarded by WHO Safe Motherhood Committee; \$86,500; 1991-1994.

Principal Investigator, with Luis Morales, M.D., (University of San Simon (UMSS), Cochabamba, Bolivia). Water Source and Water Quality in Quintanilla Area. Awarded by EarthWatch; \$25,600; 1993.

Principal Investigator, with Luis Morales, M.D., (University of San Simon (UMSS), Cochabamba, Bolivia). Improving Reproductive Health Outcomes: Defining a Baseline. Awarded by EarthWatch; \$23,800; 1992.

Principal Investigator, with Ana Langer, M.D., (National Institute of Public Health (INSP), Cuernavaca, Mexico). Differences in Developmental Status of Low and Normal Birthweight Infants as Perceived by Mothers and Health Professionals in Mexico City. Awarded by the UNC Institute for Latin American Studies, Title VI Faculty Research Travel Awards; \$1,500; 1992.

Principal Investigator, with Margaret McCann, Ph.D., (UNC); Ruben Arandia, M.D., (UMSS); and Luis Morales, M.D., (UMSS). Infant Feeding Practices and Fertility in Periurban Bolivia; contract No. 90056. Awarded by WHO-Special Programs of Research Development and Research Training in Human Reproduction; \$25,855; 1991-1992.

Principal Investigator, with James E. Veney, Ph.D., (UNC); Tirsa Rivera, M.D., (UMSS); and Luis Morales, M.D., (UMSS). Access to Health Services, Maternal Health and Birth Outcomes in a Rural Bolivian Population. Contract No. 511-0000-0-00-0017. Awarded by USAID; \$25,000; 1989-1990.

Principal Investigator, Award for Innovation in Curriculum Development. Awarded by Women's Studies Center; UNC; \$3,500; 1989.

Investigator, International Clinical Epidemiology Program; Director, Social Sciences Component. Awarded by Rockefeller Foundation; \$100,000/yr; 1989-1992.

Co-Investigator, with Rose Macauley, M.D., M.P.H. Family Health Division, Ministry of Health and Social Welfare, (MHSW), Liberia. Evaluation of a Community-Level Intervention to Increase Vaccination Completion Rates in two counties in Liberia. Awarded by Centers for Disease Control; \$15,422; 1989.

Principal Investigator. Access to Care and Birth Outcomes in a Bolivian Population. Awarded by International Health Programs Office; UNC-SPH; \$12,700; 1989.

Principal Investigator, with Rose Macauley, M.D., M.P.H. (MHSW), Liberia. Evaluation of Reasons for Immunization Drop-outs in two counties in Liberia. Awarded by UNC Biomedical Sciences Research Fund; \$1,917; and Centers for Disease Control; \$17,349; 1988.

Co-Investigator, with Kristen Weigle, M.D., and Margaret McCann, Ph.D. Effect of Day Care Center attendance on Access to and Use of Child Survival Strategies and Infant Health. Awarded by the Program for Health Promotion and Disease Prevention; \$3,100; 1988.

Principal Investigator with Amy Tsui, Ph.D. and Tirsia Rivera, M.D. Impact of Women's Productive Roles on Child Survival. Awarded by International Health Program Office; UNC-SPH; \$15,000; 1988.

Co-Investigator, with Kristen Weigle, M.D. and Margaret McCann, Ph.D. Effect of Day Care Center Attendance on Access to and Use of Child Survival Strategies and Infant Health. Awarded by the International Health Program Office; \$16,635; 1987.
