

CURRICULUM VITAE

Melissa A. McDiarmid, MD, MPH, DABT

Professor of Medicine

Professor of Epidemiology and Public Health

Director, Division of Occupational and Environmental Medicine

Business Address University of Maryland School of Medicine
Division of Occupational and Environmental Medicine
11 S. Paca Street, 2nd Floor
Baltimore, Maryland 21201

Phone Number (410)-706-7464
Fax Number (410)-706-4078
E-mail mmediarm@medicine.umaryland.edu

Education

B.A., Biological Science, University of Maryland Baltimore County 1975
Baltimore, Maryland

M.D., Medicine, University of Maryland at Baltimore 1979
Baltimore, Maryland

M.P.H., Occupational Medicine/Toxicology, 1986
The Johns Hopkins School of Hygiene and Public Health
Baltimore, Maryland

Post Graduate Education and Training

Intern in Medicine 1979-1980
Thomas Jefferson University
Philadelphia, Pennsylvania

Resident in Medicine 1980-1982
Thomas Jefferson University
Philadelphia, Pennsylvania

Fellowship in Occupational & Preventive Medicine 1985-1987
The Johns Hopkins Medical Institutions
Baltimore, Maryland

Certifications

American Board of Internal Medicine 1982
American Board of Preventive and Occupational Medicine 1987
American Board of Toxicology 1988, 1993, 1998,
2003, 2008, 2013

Medical Licensure

State of Pennsylvania 1980
State of Maryland 1985
State of New Jersey 2009

Employment History

Instructor in Medicine 1982 - 1983
Jefferson Medical College of Thomas Jefferson University
Philadelphia, Pennsylvania

Clinical Assistant Professor of Medicine Division of Occupational and Environmental Medicine and Toxicology Director, Medical Student Clerkship Jefferson Medical College of Thomas Jefferson University Philadelphia, Pennsylvania	1983 - 1985
Assistant Professor of Environmental Health Science Joint Appointment w/Internal Medicine Director, Occupational Medicine Residency The Johns Hopkins Medical Institutions Baltimore, Maryland	1987-1991
Adjunct Assistant Professor The Johns Hopkins Medical Institutions Baltimore, Maryland	1991 - 1995
Director, Office of Occupational Medicine U.S. Occupational Safety & Health Administration (OSHA) Washington, D.C.	9/1991- 8/1996
Clinical Assistant Professor of Medicine University of Maryland School of Medicine Baltimore, Maryland	1992- 1996
Associate Professor of Medicine Associate Professor of Epidemiology and Public Health Occupational Health Program University of Maryland School of Medicine Baltimore, Maryland	9/1996-6/2000
Adjunct Associate Professor Department of Environmental Health Sciences The Johns Hopkins Bloomberg School of Public Health Baltimore, Maryland	1995 - 2007
Director, Division of Occupational and Environmental Medicine University of Maryland School of Medicine Baltimore, Maryland	2014-present
Professor of Medicine Professor of Epidemiology and Public Health Director, Occupational/Environmental Health Program University of Maryland School of Medicine Baltimore, Maryland	7/1999-2014
Adjunct Professor Department of Environmental Health Sciences The Johns Hopkins Bloomberg School of Public Health Baltimore, Maryland	2007 - Present

Adjunct Professor 2013 - Present
 The University of North Carolina at North Carolina
 Chapel Hill, North Carolina

Professional Memberships

Fellow, American College of Physicians 1991 - Present
 Fellow, American College of Occupational and Environmental Medicine 1991 - Present
 Fellow, Collegium Ramazzini 1991 - Present
 Member, American Public Health Association 1985 – Present
 Member, Society of Toxicology 1998 – Present

Honors and Awards

State of Maryland Scholarship, University of Maryland at Baltimore 1975
 Dean’s Scholarship, University of Maryland at Baltimore 1975
 NIOSH Fellow in Occupational Medicine 1987
 The Johns Hopkins School of Public Health
 Chair, Directors of Occupational Medicine Residency Programs 1991
 Elected Member, Collegium Ramazzini 1991
 Elected Member - Delta Omega - Public Health Honor Society 1998
 Elected to Governing Council - American Public Health Association 1998
 Elected Councilor, Society of Occupational & Environmental Health 1998
 Appointed Member, National Board of Medical Examiners, Step 3, Behavioral & Occupational Medicine Test Committee 1998
 Appointed Member, Board of Scientific Councilors, Agency for Toxic Substances and Disease Registry (ATSDR) – CDC 1998 - 2004
 Awarded Vice President Gore's "Hammer Award" for promoting Healthcare Workers' Safety through partnership between Occupational Safety & Health Administration (OSHA) and Joint Commission on Accreditation of Healthcare Organizations (JCAHO) 1998
 Appointed Member, Safety & Occupational Health Study Section, NIH 1999 - 2001
 Prevention Workgroup Chair, CDC National Meeting on Health Effects of Gulf War Service 1999
 Elected member, Delta Omega, Public Health Honor Society 2003
 Chair, Board of Scientific Councilors, Agency for Toxic Substances and Disease Registry (ATSDR) – CDC 2003
 Member, Board of Advisors to Director, Centers for Disease Control (CDC) 2003
 National Academy of Sciences/Institute of Medicine Committee on Evaluation of Presumptive Disability Decision Making for Veterans 2005-2007
 National Academy of Sciences/Institute of Medicine 2007- 2013
 Standing Committee on NIOSH National Personal Protective Technology Laboratory (NPPTL)
 Director, WHO/PAHO Collaborating Center for Occupational Health at University of Maryland School of Medicine 2009-Present
 Member, Board of Scientific Counselors, National Toxicology Program (NTP) 2009-2013
 Member, Advisory Board – Maryland Occupational Safety and Health (MOSH) 2009-2013

Clinical Publication of the Year Award – University of Maryland Department of Medicine: “Chromosome 5 & 7 Abnormalities in Oncology Workers Handling Anticancer Drugs”	2011
USP (U.S. Pharmacopeia) Expert Panel on Hazardous Drugs Handling Appointed Chair, Board of Scientific Counselors, National Toxicology Program (NTP)	2012-Present 2013
Appointed Honorary Member of the Oncology Nursing Society	2015

Administrative Service

Institutional Service - University of Maryland School of Medicine

Medical Director, Depleted Uranium Follow-Up Program Baltimore Veterans Affairs Medical Center Baltimore, Maryland	9/1996-Present
Department of Medicine Intern Selection Committee Interviewer	1996-Present
School of Medicine Council Department of Medicine Alternate	1998-1999
Preventive Medicine Residency Advisory Committee	1999-Present
Member, Department of Medicine Appointment, Promotions and Tenure Committee	2003-Present
Department of Medicine Promotion and Tenure Committee Appointed Chair	2004-Present 2008-Present

Administrative Service

Institutional Service - Johns Hopkins University

<u>Division</u>	
Residency Selection Committee	1987-1991
Director, Occupational Medicine Residency The Johns Hopkins Medical Institutions Baltimore, Maryland	1987-1991
Strategic Planning Committee	1989-1991
<u>Department</u>	
Retreat Preparation Committee	1987
Professional Practice Committee	1988-1991
<u>School</u>	
University Environmental Health Committee	1987-1991
Committee on Preventive Medicine Residencies	1989-1991
<u>Local and National Service</u>	
<u>Government Service</u>	
Director, Office of Occupational Medicine	1991-9/1996

U.S. Occupational Safety and Health Administration, Washington, D.C.

Editorial Tasks

Manuscript Reviewer

Journal of Occupational and Environmental Medicine	Health Physics
Journal of Clinical Epidemiology	Toxicology Letters
American Journal of Epidemiology	Lancet
Southern Medical Journal	Leukemia
American Journal of Industrial Medicine	Journal of Patient Safety
American Journal of Public Health	International Journal of Occupational Health & Public Health Nursing
Environmental Research	Journal of Hazardous Materials
Cancer Causes and Control	
Journal of Occupational and Environmental Hygiene	

Major Consultantships

Johns Hopkins Hospital Employee Health Service	1987-1991
Cumberland Area Health Education Center	1987
International Association of Fire Fighters	1987-present
Caterpillar Corporation, Peoria, Illinois	1987
Tumor Registry, Thomas Jefferson University Hospital Philadelphia, Pennsylvania	1987
National Fire Protection Association Subcommittee for Medical Surveillance of Fire Fighters	1988
U.S. Army Occupational Medicine Residency/Environmental Hygiene Agency NOVA Pharmaceuticals, Baltimore, Maryland	1989-1996
Ontario, Canada Ministry of Labor, Occupational Disease Panel	1992
Pan American Health Organization	1995-present
Mine Safety & Health Administration (MSHA)	1996-1999
Joint Commission on the Accreditation of Healthcare Organizations (JCAHO), Healthcare Safety & Health	1996-present
Occupational Safety & Health Administration (OSHA)	1996-present
U.S. Senate Committee on Veterans' Affairs	1997
Department of Energy, Idaho Falls, Idaho	2001
CH2M Hill, Redmond, Washington	2005 – 2007
C8 Medical Panel	2012 – present

Advisory Panels

Occupational Cancer Study Section, National Cancer Institute	1984
Philadelphia Health Commissioner's Panel on Asbestos Exposed Municipal Workers	1984-1985
Invited Participant, Region III Women's Health Conferences	1985
Testimony before the New Hampshire Legislature on Cancer in Fire Fighters	
Testimony before the Massachusetts Legislature on Cancer in Fire Fighters	1987, 1990
Consultant to City of Baltimore Occupational Medicine Department	1990
Healthy People 2000: Committee on Occupational Health	1990-1996
Federal CDC Task Force on Tuberculosis Department	1992-1996
British Columbia Worker Compensation Board Advisor on	1993

Hazardous Drugs	
White House Office of Science and Technology Policy, Health Promotion, Disease and Injury Prevention Sub-Committee	1994
U.S. Navy Reproductive Hazards Review Board	1994
NIOSH National Occupational Research Agenda (NORA) Subcommittee: Fertility and Pregnancy Abnormalities	1997-2005
NIOSH National Occupational Research Agenda (NORA) Team on Health Care Hazards	2006-Present
American Institute of Architecture (AIA) – Committee on Healthcare Facility Design	1999-2000
State of Maryland Legionella Task Force	1999-2000
NIOSH Workgroup on Hazardous Drug Safe Handling, Co-Chair	2000-2004
US Presidential Advisory Board in Science, Engineering/Health Ana G. Mendez University System, Puerto Rico	2008-2009
U.S. Advisory Board Member	
State of Maryland Occupational Safety and Health Administration (MOSH) Advisory Board	2009-Present
Member, Board of Scientific Counselors, National Toxicology Program (NTP)	2009-2012
Appointed Chair, Board of Scientific Counselors, National Toxicology Program (NTP)	2013
USP 800 – Pharmacopeia Chapter 800: Hazardous Drugs – Handling in Healthcare Settings; Compounding with Hazardous Drugs Expert Panel	2013-Present

Major Research Interests

Healthcare Worker Occupational Health
 Heavy Metal Intoxication/Uranium Exposure
 Reproductive Hazards
 Occupational Cancer
 Hazardous Drugs
 Fire Fighter Exposures
 Veterans Exposure to Environmental Agents

Teaching Responsibilities

Plato (medical educational programmed learning system) 1976 - 1977
 computer author for the Department of Medical Education

University of Maryland School of Medicine

Clinical Teaching 1988 - 2000
 Year II Program in Occupational Health
 Small Group Leader approx. 2- 2 hr sessions/yr; approx 15 students/session;

Visiting Lecturer 1992-1996
 Preventive Medicine
 Patho Physiology 560 & Therapeutics
 Occupational Medicine Section
 1-2 lectures annually, 150 students/lecture

Lecturer and Co-Course Master – see below for description 1996
 Preventive Medicine 668
 Introduction to Environmental & Occupational Health

Course Master 1997-2000
 Epidemiology 668 - 3 hours/wk in classroom;
 3 hours prep/wk x 16 weeks semester; course enrollment from 8 to 20/yr
 Graduate School - UMAB

Outside the University: Johns Hopkins University

Pre- And Post Doctoral Trainees
 Supervision of Occupational Medicine Residents 1987-1991
 Johns Hopkins Occupational Medicine
 Consult and Out-patient Services
 Thesis Reader - Mr. Herman Gibb 1989
 Department of Epidemiology

Teaching Responsibilities (Continued)

Environmental Health Department Comprehensive Examinations

Iman Nuwayid 1987
 Cheryl Zlotnik 1989
 Examiner - Kellogg Trainees 1989
 Jude Van Buren 1991

Clinical Teaching

Supervision of Residents in Occupational Medicine Clinic - weekly 1987-1991
 Johns Hopkins Hospital and Center for Occupational and
 Environmental Health
 12 residents/year; 3-6 hours/weekly
 Supervision of Residents in Medicine and Family Medicine in the 1996-Present
 Occupational Medicine Practice (FPO) – Two Sessions Weekly
 1-2 residents per month; 12-20 residents per year, Primarily Family
 Medicine (requirement), Preventive Medicine and Internal Medicine.

Lecturer In Other Courses

Clinical Preventive Medicine 1990-1991
 1-2 lectures/year and 15 residents/class

 Occupational Health Nursing 1990-1991
 1-2 lectures/year and 6 students/class

 Clinical Occupation Medicine/Toxicology 1990 – Present
 1-2 lectures/year and 15-20 students/class

Continuing Education Lecturer

Toxicology Update, 250 attendees 1989
 Control of Biohazards in the Research Laboratory, 75 attendees 1989-1992

Courses Directed - Outside University of Maryland

Core Curriculum in Occupational Medicine, 30 attendees; 1983-1985
 5-6 classes/year
 Jefferson Medical College, Philadelphia, PA

Assistant Director Clinical, Occupational Medicine Course 15 classes/quarter, 20-25 students Johns Hopkins School of Hygiene and Public Health (188.684)	1987
Director Clinical Occupational Medicine Course 15 classes/quarter, 20-25 students Johns Hopkins School of Hygiene and Public Health (188.684)	1988-1991

Previous Experience in Medical Education

Instructor, School for "Barefoot Doctors", Cambodian Refugee Camp, Khao I-Dang, Thailand, July-September, 1980.	1980
Coordinator, Internal Medicine Clerkship, Jefferson Medical College, Involved curriculum development formal classroom and bedside teaching, counseling of students and student evaluation.	1982-85

Work in Global Health

Member of the Cornell Medical Team providing health care for Cambodian Refugees on the Thai-Cambodian border, July - September, 1980.	1980
PAHO Mission Assignment Technical Assistance to Guyana Ministry of Health H, N, Pandemic Preparation for the Health Sector June 16-18, 2009	2009
International Training Course on Occupational & Environmental Medicine Chulabhorn Research Institute Bangkok, Thailand January 24-28, 2011 July 22-27, 2013 August 12-20, 2015	2011, 2013, 2015
University of Baltimore (UMB) Inter Professional Education Program "Health System Strengthening in the Gambia" June 1-14, 2014	2014
"Health System Strengthening Through Worker Protection" May 29 – June 10, 2016	2016

Grant Support

Active Accounts

Source of Support:	Department of Veterans Affairs
Project Title:	"Depleted Uranium Follow-up Program" (DU)
Principal Investigator:	Melissa McDiarmid, M.D., M.P.H.
Percent Effort:	45%
Annual Direct Cost:	FY14: \$1,639,489 Renews Annually
Total Period of Support:	1996-present

Source of Support: Department of Veterans Affairs
Project Title: "Toxic Embedded Fragment Surveillance Center"
Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 45% effort - combined with DU (see above)
Annual Direct Cost: FY14: \$1,546,014 Renews Annually
Total Period of Support: 2009 – present

Source of Support: CDC (Centers for Disease Control and Prevention)
Project Title: "Respirator Selection Factors and User Acceptance
in Healthcare Workers: What Elastomeric Users are
Saying"
Principal Investigator: Stella Hines, M.D., M.S.P.H.
Co-Investigator: Melissa McDiarmid, M.D., M.P.H., D.A.B.T.
Percent Effort: 10%
Annual Direct Cost: FY14: \$499,569
Total Period of Support: 09/01/2014 – 08/31/2016

Source of Support: Department of Defense Congressionally Directed Medical
Research Program (DOD CDMRP)
Project Title: "Assessing Health Effects of Blast Injuries and Embedded
Metal Fragments."
Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 20%
Annual Direct Cost: \$7,800,000
Total Period of Support: 09/01/2016 – 08/31/2021

Grant Support - In-Active Accounts

Source of Support: State of Pennsylvania
State Health Data Center
Project Title: "Enhancement of Occupational and Industry Items
for the Pennsylvania Cancer Registry"
Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Identifying Number: RFP # 1983-07-24
Annual Direct Cost: \$25,000 (two year award)
Total Direct Costs: \$50,000
Total Period of Support: 1983-1985

Program Project Title: "Biological Monitoring of Antineoplastic Drug
Handlers, Biomedical Research Support Grant
Program Director: P.I. Alan Goldberg Ph.D.
Institutional Program Award
Project Investigator: Melissa McDiarmid, M.D., M.P.H.
Annual Direct Cost: \$10,000
Total Direct Costs: \$10,000
Total Period of Support: 1987-1988

Source of Support: NIOSH
Identifying Number: OH 07090
Program Project Title: "Occupational Health Resources/Center"

Program Director: M. Corn
Subproject Title: Occupational Medicine Residency Program
-Research Training

Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort/Portion of Support: 20%
Annual Direct Cost: \$41,000 (Subproject)
Total Direct Costs: \$549,000
Total Period of Support: 07/01/87-06/30/90

Source of Support: National Institute for Environmental Health Sciences
(NIEHS) & International Association of Fire Fighters
Project Title: "Superfund Training Grant for Fire Fighters"
Project Director: Melissa McDiarmid, M.D., M.P.H.
Percent Effort/Portion of Support: 40%
Total Direct Cost: \$79,102
Total Period of Support: 09/30/87-08/31/92

Source of Support: Heinz Family Foundation
Program Project Title: "Musculo-Skeletal Disorders: A Women's Health
Issue"
Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 5%
Annual Direct Cost: \$57,854
Total Direct Costs: \$57,854
Total Period of Support: 07/01/98-06/30/99

Source of Support: Heinz Family Foundation
Project Title: "Measures of Quality in Long-Term Care"
Principle Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 10%
Total Direct Costs: \$74,700 (for entire period)
Total Period of Support: 09/01/99-08/31/00

Source of Support: Department of Labor
Program Project Title: "Evaluating Outcomes of the OSHA/Joint Commission
Partnership"
Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 7%
Annual Direct Cost: \$25,000
Total Direct Costs: \$75,000
Total Period of Support: 08/01/97-07/31/99; 9/22/00-3/01/01

Source of Support: International Association of Fire Fighters
Program Project Title: "The Fire Fighting Environment: Risks for Breast Cancer,
Gynecologic Malignancies and Lymphoma"
Principle Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 10%
Annual Direct Cost: \$35,000
Total Direct Costs: \$35,000

Total Period of Support: 01/01/99-10/01/99

Source of Support: NIOSH
Identifying Number: 2001-N-08006
Program Project Title: Antineoplastic Drug Exposure:
Effectiveness of Guidelines

Principle Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: Variable
Annual Direct Cost: \$300,000
Total Direct Costs: \$1,500,000 + Supplement
Total Period of Support: 10/1/01- 07/01/08

Source of Support: The Commonwealth Fund
Project Title: "Improving Practices for Lifting Nursing Home Residents"

Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 10%
Total Direct Costs: \$191,392
Total Period of Support: 01/01/07- 03/31/09

Source of Support: The Jacob and Valeria Langeloth
Foundation/Leonard and Helen R. Stulman
Charitable Foundation, Inc.

Project Title: "Sustaining Long-Term Caregivers in Safer Jobs"
Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 10%
Total Direct Costs: \$450,000
Total Period of Support: 07/01/07- 08/03/2010 – No cost extension through
2012

Source of Support: UMB Global Inter professional Education Program
Project Title: "Health System Strengthening in the Gambia"
Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 5%
Total Direct Costs: \$10,000
Total Period of Support: 06/01/14 - 06/14/2014

Source of Support: UMB Global Inter professional Education Program
Project Title: "Health System Strengthening through Worker Protection"
Principal Investigator: Melissa McDiarmid, M.D., M.P.H.
Percent Effort: 5%
Total Direct Costs: \$6,000
Total Period of Support: 05/29/16 - 06/10/2016

26. **McDiarmid MA**, McPhaul K, Hooper F, Keogh JP. "Biologic Monitoring of Depleted Uranium Exposed Gulf War Veterans", American Occupational Health Conference, April 1998, Boston, Massachusetts.
27. Surveillance of Depleted Uranium Exposed Gulf War Veterans: Assessment of an Under-characterized Toxicant. **Melissa A. McDiarmid, MD, MPH**; Kathleen M. McPhaul, RN, MPH; Frank J. Hooper, MPH, ScD; James P. Keogh, MD. Presented at the Collegium Ramazzini in Carpi, Italy in October 1998.

28. **McDiarmid MA**, McPhaul K, Hooper F, Burrows B, Walsh M. “Biologic Monitoring Results of Depleted Uranium Exposed Gulf War Veterans”, American Public Health Assn., November 1998, Washington, DC.
29. **McDiarmid MA**. “The OSHA - Joint Commission Partnership: Performance Harmonization”, American Public Health Assn., November 1998, Washington, DC.
30. Kane, R.L., DiPino, R.K., Kabat, M.H., Kaup, B., Hooper, F., Keogh, J., & **McDiarmid, MA**. (February, 1999). Neuropsychological findings of gulf war veterans wounded with depleted uranium. Paper presented at the 27th annual meeting of the International Neuropsychological Society, Boston, MA.
31. **McDiarmid MA**, Squibb K, Hooper FJ. Long-Term Follow-Up of Urinary Determinations in Depleted Uranium (DU) Exposed Gulf War Veterans. Poster display for the Department of Medicine, University of Maryland School of Medicine, November 1999.
32. **McDiarmid MA**, Hooper FJ, Squibb K, Kane R, DiPino, R, Kabat M, Hamilton M. Health Effects and Biologic Monitoring Results of Depleted Uranium Exposed Gulf War Veterans at the International Conference on Low-Level Radiation Injury and Medical Countermeasures from November 8-10, 1999 at the Armed Forces Radiobiology Research Institute in Bethesda, Maryland. This was published as part of the Proceedings of Conference on Low Level Radiation Injury and Medical Countermeasures (LLR-99)
33. Squibb K, Hooper FJ, **McDiarmid MA**. Mobilization and Possible Health Effects of Depleted Uranium Fragments in Gulf War Veterans. Presented at 6th International Symposium on Metal Ions in Biology and Medicine, May 7-10, 2000, in San Juan, Puerto Rico-USA.
34. Hodge SJ, Ejnik JW, Squibb K, **McDiarmid MA**, Morris ER. Concentration and Isotopic Composition of Uranium in Blood, Urine and Semen. Presented at 6th International Symposium on Metal Ions in Biology and Medicine, May 7-10, 2000, in San Juan, Puerto Rico-USA.
35. Squibb KS, Leggett RW and **McDiarmid, MA**. Predicting Long Term Kidney Effects of Depleted Uranium (DU) Exposure in Gulf War Vets with Embedded DU Shrapnel . Presented at Society of Toxicology Conference, March 2001, in San Francisco.
36. **McDiarmid MA**, Squibb K, Engelhardt SE, Oliver M. The Ten Year Follow-Up of Depleted Uranium Exposed Gulf War Veterans. Presented at Scientific Session of Fellows-Collegium Ramazzini, October 2001 in Carpi, Italy.
37. Ejnik JW, Squibb K, **McDiarmid MA**, Centeno JA. Determination of Occupational Exposure to Depleted Uranium by Isotopic Analysis of Uranium in Urine. **November 2001**.
38. Gwiazda RH, Squibb K, **McDiarmid MA**, Smith DR. An ICP-MS Method for the Detection of Depleted Uranium in Biological Fluids. Presented at Society of Toxicology Conference, March 2002 in Nashville, TN.
39. **McDiarmid MA**, Alebrtini RJ, Jacobson-Kram D, Sullivan LM, Gucer P. Assessment of Depleted Uranium (DU) Mutagenicity at the HPRT Locus in Gulf War Veterans. Presented at the Environmental Mutagen Society Meeting, April 2002 in Anchorage, Alaska.
40. **Oliver M**, Gucer P, McDiarmid, M. Factors in the Success of Safe Lift Programs: Stress, Safety Climate and Management Support Delivered at American Public Health Association meeting, Philadelphia, PA October 2002.
41. **McDiarmid MA**. Health Effects of Depleted Uranium on Exposed Gulf War Veterans: A Ten year Follow-up, March 2003 in Salt Lake City, Utah.
42. Gwiazda RH, SquibbK, **McDiarmid MA**, Smith D. Detection of depleted uranium in urine’s of Gulf War veterans. *Tox. Sci.* 72 (S-1), 280, 2003.
43. **McDiarmid MA**, Engelhardt S, Oliver M, Gucer P, Thorne CD, Squibb, KS. Assessment of Depleted Uranium Health Effects in Exposed Gulf War Veterans. Presented at the VA Maryland Health Care System Research Day, May 2004 in Baltimore, MD.

44. Squibb K, Oliver M, Gucer P, Engelhardt S, **McDiarmid M**. Utility of Patient Mailed Urine Specimens for Renal Biomarker Analysis in Depleted Uranium (DU) Exposed 1991 Gulf War Veterans. Presented at the Society of Toxicology Annual Meeting In New Orleans, Louisiana 2005.
45. **McDiarmid MA**, Squibb K. Renal Biomarker Results in Depleted Uranium (DU) Exposed Gulf War Veterans. Presented at the Society of Toxicology Annual Meeting In New Orleans, Louisiana 2005.
46. **McDiarmid MA**. Chemical hazards in healthcare: high hazard, high risk but low protection. Presented at the Collegium Ramazzini – Framing the Future in Light of the Past: Living in a Chemical World Conference in Bologna, Italy 2005.
47. Squibb KS, Todorov T, Centeno J, Engelhardt S, **McDiarmid MA**. Blood Uranium Concentration as a Biomarker of Human Exposure to Depleted Uranium (DU) in Gulf War I Veterans with Embedded Fragments. Presented at the 45th Annual Society of Toxicology Meeting in San Diego, California 2006.
48. **McDiarmid MA**, Engelhardt S, Squibb KS. Indications for Surgical Removal of Depleted Uranium (DU) Shrapnel in Gulf War I Veterans. Presented at the 45th Annual Society of Toxicology Meeting in San Diego, California 2006.
49. **McDiarmid MA**, Ardell SK, Albertini R, Squibb KS. Genotoxic Effects at the HPRT Locus and in Metaphase Chromosomes Analyzed by FISH in Depleted Uranium (DU) Exposed Gulf War Veterans. EMS 37th Annual Meeting in Vancouver, British Columbia, Canada 2006.
50. Squibb KS, Oliver M, Gucer P, Engelhardt S and **McDiarmid MA**. Cumulative Exposure Assessment in DU Exposed Gulf War Soldiers: Relationship to Health Effects. Presented at the 46th Annual Society of Toxicology Meeting in Charlotte, North Carolina, 2007.
51. **McDiarmid MA**. Surveillance of Gulf War I Veterans exposed to Depleted Uranium: 15 years of follow-up. Presented at meeting of Collegium Ramazzini, Capri, Italy October, 2007.
52. Squibb KS, Todorov T, Centeno J, **McDiarmid MA**. Blood Uranium (U) Isotopic Analysis as a Measure of DU Exposure in U.S. Soldiers. Presented at the 47th Annual Society of Toxicology Meeting in Seattle, Washington 2008.
53. **McDiarmid MA**. Environmental Contributions to Perinatal Outcomes. Presented at the 7th Annual Tarrant County Infant Mortality Summit in Fort Worth, Texas 2008.
54. **McDiarmid MA**, Gucer P, Oliver M, Engelhardt SM, Squibb KS, Dorsey C, Vacek PM, Ardell SK, Albertini RJ. Genotoxic exposure assessment in depleted uranium (DU) exposed Gulf War I veterans: Sixteen years of follow up. *Environmental Molecular Mutagenesis*. 49: P59, 2008.
55. Bakhmutsky MV, **McDiarmid MA**, Squibb K and Tucker JD. Long term depleted uranium exposure in Gulf War veterans does not cause elevated numbers of micronuclei in peripheral blood lymphocytes. 40th Annual meeting of the Environmental Mutagen Society meeting, St. Louis, MO. October 24-28, 2009.
56. Squibb KS, Gaitens J, Dorsey C, Centeno J and **McDiarmid MA**. Surveillance for systemic effects of metals and toher materials released from retained embedded fragments in U.S. Soldiers. Presented at the 49th Annual Society of Toxicology Meeting in Salt Lake City, Utah, 2010.
57. Squibb, KS, Gaitens, J., Dorsey, C., Centeno, JA, Xu, H., Guandalini, GS., **McDiarmid, MA**. 2010. “Systemic Effects of Metals and Other Materials Released from Retained Embedded Fragments in U.S. Soldiers” poster presented at Society of Toxicology Conference, Salt Lake City, UT.
58. Gaitens, J., Dorsey, C., Squibb, KS., Oliver, M., Roth, T., **McDiarmid, MA**. 2010. “Early Findings from the VA’s Toxic Embedded Fragment Surveillance Center and Registry” poster presented at Force Health Protection Conference, Phoenix, AZ on 8/10/10.
59. Gaitens, J., Dorsey, C., Squibb, K., **McDiarmid, M**. “Public Health Registry Development in the Age of the Electronic Medical Record: The Case of Injured Veterans with Embedded Fragments” presented at American Public Health Association Conference in Denver, CO on 11/10/10.
60. **McDiarmid, MA**, Albertini, R, Oliver, M, Squibb, K. 03/6/2011 “Genotoxic effects of depleted uranium in exposed gulf war veterans with embedded fragments” poster presented at Society of Toxicology Conference, Washington, DC.

61. Squibb, KS, Shvartsbeyn, M, Tuchinda, P, Hines, S, Gaines, J, **McDiarmid, MA**, Gaspari, A. 03/11/2012. "Chronic Exposure to hexavalent chromium induces chromosome instability in primary human urothelial cells" poster presented Society of Toxicology Conference (SOT), San Francisco, CA.
62. **McDiarmid, MA**, Gaitens, J., Squibb, K., 04/2012 "Biomonitoring results of gulf war veterans wounded with toxic embedded fragments" presented at the American Occupational Health Conference, of the American College of Occupational and Environmental Medicine (ACOEM), Los Angeles, CA
63. Gaitens, J, Squibb, K, Centeno, J, Condon, M, **McDiarmid, MA**. 03/2013. "Metal mobilization from retained embedded fragments in a US veteran: Biomonitoring correlates with fragment content", poster presented at Society of Toxicology Conference (SOT), San Antonio, TX
64. Gaitens, J., Squibb, K., Condon, M., **McDiarmid, MA**. 08/25/2013. Assessing exposure from retained embedded metal fragments: Findings from the VA's toxic embedded fragment registry. Presented at the 2013 Conference of the International Medical Geology Association.
65. Squibb, K., Gaitens, J., Centeno, JA, Xu, H., Rogers, D., **McDiarmid, MA**. 08/25/2013 Health effects of unique metal exposures: Depleted Uranium (DU) embedded fragments in gulf war I veterans. Presented at the 2013 Conference of the International Medical Geology Association.
66. Squibb K, Hoover D, Hines S, Gucer P, Todorov T, Centeno J, Oliver M, Gaitens J, McDiarmid M. 2014. "Semen Uranium Concentrations in Gulf War I Depleted Uranium-Exposed Veterans" presented at the Society of Toxicology Conference, Phoenix AZ in March 2014.
67. Squibb, K., Condon, M., Centeno, J., **McDiarmid, MA**. 03/2015. "Mobilization of Metals from Embedded Fragments in a Cohort of US Veterans presented at the 54th Society of Toxicology Conference, San Diego, CA in March 2015.
68. Gucer, P., Kaup, B., Langenberg, P., Squibb, KS, **McDiarmid, MA**. Gulf War 1 Veterans Exposed to Depleted uranium (DU): 22 Years of Follow-up presented at the 54th Society of Toxicology Conference in San Diego, CA in March 2015
69. Lucchini, Roberto G., Landrigan, Philip J., **McDiarmid, Melissa A.**, Nowak, Dennis, Radon, Katja, Ruchirawa, Khunying M., Suk, William A., The urgent need for expanded training in Global Occupational & Environmental Health. Presented Collegium Ramazzini – Living in a Chemical World Conference in Bologna, Italy 2015.
70. Lee, Pearlene, **McDiarmid, Melissa**, Hines, Stella. Initial Clinical Screening for Lung Cancer using Low-Dose Chest CT in Insulation Workers. Presented at the 55th Society of Toxicology Conference in New Orleans, Louisiana, March 2016.

Methodist Hospital
Philadelphia, Pennsylvania
- "Occupational Cancers" 05/24/85
Family Medicine Residents Teaching Conference
Rolling Hill Hospital
Philadelphia, Pennsylvania
- "Chromium Pulmonary Fibrosis in a Welder" 12/13/85
Medical Grand Rounds
Thomas Jefferson University Hospital
Philadelphia, Pennsylvania
- "Occupational Cancer Epidemiology" 05/15/86
Pennsylvania State Tumor Registrars' Local Meeting
Jefferson Medical College
Philadelphia, Pennsylvania
- "Occupational Cancer Epidemiology" 07/15/86
Pennsylvania State Tumor Registrars' Local Meeting
Harrisburg Hospital
Harrisburg, Pennsylvania

- "Biological Monitoring for Carcinogen Exposure" 04/25/87
American Public Health Association, Eastern Regional Meeting
Philadelphia, Pennsylvania
- "Occupational Hazards of Antineoplastic Drugs" 05/14/87
Occupational Medicine Division Seminar
The Johns Hopkins Medical Institutions
Baltimore, Maryland
- "Biological Monitoring for Carcinogen Exposure" 11/03/87
Preventive Medicine Residency Seminar
University of Maryland School of Medicine
Baltimore, Maryland
- "DNA Adduct Technology in Monitoring Hazardous Waste Workers" 11/04/87
Robert Wood Johnson Medical School
Piscataway, New Jersey
- "Biologic Monitoring and Medical Surveillance of
High Risk Populations" 01/27/88
Philadelphia Occupational Medicine Association
Philadelphia, Pennsylvania
- "Rationale for Requiring Medical Surveillance for
Antineoplastic Drug Handlers" 03/24/88
Controversies in Oncology Seminar Series
The Johns Hopkins Hospital Division of Oncology
Baltimore, Maryland
- "Occupational Health Program Issues in the Semiconductor Industry" 04/08/88
Semiconductor Safety Association Meeting
Phoenix, Arizona
- "Occupational Cancer in Fire Fighters" 05/25/88
Symposium on Occupational Safety and Health
Hazards Uniformed Fire Officers Association
Swan Lake, New York
- "Reproductive Hazards in Antineoplastic Handlers" 06/08/88
Toxicology Update
Johns Hopkins University School of Hygiene and Public Health
Department of Environmental Health Sciences
Baltimore, Maryland
- "Biologic Monitoring of Antineoplastic Drug Handlers" 06/08/88
American Hospital Pharmacy Association Meeting
San Francisco, California

- "Occupational Cancer" 10/27/88
U.S. Army Occupational Medicine Residency,
Aberdeen, Maryland
- "Lack of Agreement in Occupational Data Between Two
Data Sources: Record
Review and Personal Interview"
American Public Health Association Meetings
Boston, Massachusetts 11/17/88
- "Clinical Industrial Toxicology" 03/10/89
Emergency Medicine Grand Rounds - Johns Hopkins Hospital
Baltimore, Maryland
- "Biological Monitoring and Medical Surveillance", 04/05/89
"Surveillance for Reproductive Hazards in the Workplace"
Advanced Course In Occupational Health - U.S. Army
Baltimore, Maryland
- "Practical Applications of Biologic Monitoring for Genotoxicants" 04/27/89
Seminar for Microbiological Associates
Washington, DC
- "Reproductive Hazards in the Fire Fighting Environment" 05/11/89
Women in Fire Suppression Conventions
Asheville, North Carolina
- "Medical Surveillance for Antineoplastic Drug Handlers" 05/16/89
University of Washington Educational Resource Center
Seattle, Washington
- "Medical Surveillance of Hospital Workers" 07/21/89
Johns Hopkins University Biohazards Symposium
Baltimore, Maryland
- "Reproductive Hazards in the Fire Fighting Environment" 09/28/89
Redmond Symposium
International Association of Fire Fighters
New Orleans, Louisiana
- "Occupational Health Services in Industry in the U.S." 10/09/89

Basking Ridge, NJ

- “Chemical Hazards in Healthcare: High Hazard, Hazard High Risk but Low Protection”
Framing the Future in Light of the Past: Living in a Chemical World
Collegium Ramazzini’s International Conference
Bologna, Italy 09/18-21/05
- “Antineoplastic Drugs and Medical Surveillance in Healthcare Facilities” Healthcare Employee Health Nurses Association of New England (HEHNA) Annual Meeting
Portsmouth, NH 09/30/05
- “The NIOSH Alert on Preventing Occupational Exposure to Antineoplastic and other Hazardous Drugs”
2005 Annual Conference – The Evolving Occupational Health Nurse
California State Association of Occupational Health Nurses, Inc. (CSAOHN)
San Francisco, CA 11/05/05
- “Safe Handling of Hazardous Drugs”
Oncology Nursing Society (ONS) 6th Annual Institutes Of Learning
Phoenix, AZ 11/12/05
- “Reproductive Hazards in the Workplace: Managing the Risk”
International Conference: Occupational and Environmental Health: Emergencies in Developing Countries”
Quito, Ecuador 03/6-10/06
- “Cytotoxic Handling – Assessing the Real Risks and Medical Surveillance Issues” 04/3-6/06
- “NIOSH Alert on Reducing Occupational Exposures to Hazardous Drugs in Healthcare – Converting Theory into Practice”
The Tenth International Symposium on
Kuala Lumpur, Malaysia
- “Medical Surveillance Considerations for Healthcare Workers Handling Hazardous Drugs
American College of Occupational and Environmental Medicine Health Conference (AOHC)
Los Angeles, CA 05/7-10/06
- “Reproductive Hazards in the Lab”
Drug Enforcement Administration (DEA)
Laboratory Safety and Health Conference
Sterling, VA 05/23/06

- “Metrics of Healthcare as a High Hazard Industry” 06/11-16/06
International Commission on Occupational Health
28TH International Congress on Occupational Health
ICOH 2006
Milan, Italy
- “Reproductive Hazards in the Lab” 09/28/06
Drug Enforcement Administration (DEA)
New York, NY
- “Reproductive Hazards in the Lab” 02/6/07
Seminar for MDs at the Drug Enforcement
Administration (DEA)
Drug Enforcement Administration Laboratories
Arlington, VA
- “Reproductive Hazards in the Workplace” 02/16/07
Clinical Environmental and Occupational Toxicology Lecture
Johns Hopkins University
Baltimore, MD
- “Depleted Uranium (DU) Follow-Up Program Update” 04/11/07
Seminar
Northern Arizona University
Flagstaff, AZ
- “Metal Fragment Management: Lessons Learned from the 04/12/07
Depleted Uranium (DU) Cohort
Evolving Paradigms Conference: Providing Healthcare to
Transitioning Combat Veterans
Department of Veterans Affairs
Las Vegas, NV
- Presentation for Committee on “DU Exposure and 06/28/07
Health Effects in Gulf War Veterans”
Gulf War and Health: Updated Literature Review
of Depleted Uranium”
Institute of Medicine
Washington, DC
- “Data Collection for Medical Surveillance in the 10/07
Fire Service and Cancer Registry for the Fire Service”
IAFF Nineteenth Biennial Symposium on the
Occupational Health and Hazards of the Fire Service
Chicago, Ill

- “Occupational Reproductive Hazards” 11/30-12/01/07
International Conference on Occupational and
Environmental Health in the
Asia/Pacific Region”
Collegium Ramazzini Satellite Workshop
Bangkok, Thailand
- “The Job Modification Prescription in Preconception and
Pregnancy” 12/04-06/07
Second National Summit on Preconception Care
Centers for Disease Control and Prevention (CDC)/
March of Dimes
Oakland, CA
- “Occupational Exposure Surrounding Conception:
When Might it Matter?” 04/14-15/08
National Institutes of Health
U.S. Department of Health and Human Services
Preconception Care Research: Improving Birth Outcomes
and Reproductive Health Workshop
Potomac, MD
- “Collaborative Partnerships and Products of the NIOSH
Hazardous Drug Working Group” 07/29/08
NIOSH NORA Symposium 2008
Denver, CO
- “Improving Perinatal Outcomes: Science to Action in Our
Current Environment” 09/25/08
7th Annual Tarrant County Infant Mortality Summit
Tarrant County Infant Mortality Network
Fort Worth, TX
- “Depleted Uranium (DU): Update of the Cohort” 12/17/08
Istituto Superiore di Sanite
Rome, Italy
- “Environmental Contributions to Perinatal Outcomes” 04/21/09
For Environmentally Literate Healthcare Providers
Magee-Women’s Hospital of UPMC Workshop
University of Pittsburgh Medical Center
Pittsburgh, PA
- “Respiratory Protection for Healthcare Workers” 06/16-19/09
“Overview of the Healthcare Sector: Principles of
Health & Safety for Healthcare Workers”
Workshop on Occupational Health and Safety for
Healthcare Workers
Sponsored by the Guyana Ministry of Health and PAHO
Georgetown, Guyana

- “Vigilancia Medica Y Monitoreo Biologico para trabajadores
De alto riesgo” 08/1-5/09
- “Efectos genotoxicos en enfermeras y personed de farmacia
Que maneja agentes quimico terapeuticos”
International Course in Occupational Cancer
National Cancer Institute
Bogota, Colombia
- “VA Toxic Embedded Fragment Center: Health Surveillance
And Fragment Management Guidelines” 08/17-20/09
Annual Force Health Protection Conference
Albuquerque, NM
- “Cancer in the Fire Service” 11/8/09
John P. Redmond 19th Symposium
Occupational Health and Hazards of the Fire Service
Los Angeles, CA
- “Mission of the University of Maryland Collaborating Center” 11/15-18/09
Pan American Health Organization/World Health Organization
(PAHO/WHO) Collaborating Centers (CC) Meeting
Sao Paulo, Brazil
- “NIOSH Study of Healthcare Workers Handling Anti-Cancer
Agents: Chromosomal Effects” 12/6-10/09
American Society of Health-System Pharmacists
44th ASHP Midyear Clinical Meeting/Exhibition
“Guiding Change”
Las Vegas, NV
- “Parental Occupation and Risk to Children’s Health” and 12/17-19/09
“Hazards in Healthcare: Strategies for Risk Reduction
International Conference for Preventing Emerging Occupational
and Environmental Risks In South Asia and Beyond
Maulana Azad Medical College (MAMC)
New Delhi, India
- “Chromosome 5 and 7 Abnormalities in Oncology Personnel
Handling Anti-Cancer Drugs” 03/31/2010
University of Maryland School of Medicine
Medical Grand Rounds
Baltimore, Maryland
- “Chromosome 5 and 7 Abnormalities in Healthcare Workers
Handling Anti-Neoplastic Drugs” 05/5-8/2010
12th Symposium of the International Society of Oncology
Pharmacy Practitioners (ISOPP)
Prague, Czech Republic

- “Chromosome 5 and 7 Abnormalities in Oncology Personnel”
Collegium Ramazzini International Conference
Carpi, Italy 10/22-24/2010
- “Chromosome 5 and 7 Abnormalities in Oncology Personnel”
Handling Anti-Cancer Drugs”
International Conference of Preventive Medicine and
Public Health, Symposium of Pecs
Pecs, Hungary 11/19/20/2010
- “Chromosome 5 and 7 Abnormalities in Healthcare Workers
Handling Anti-Neoplastic Drugs”
American Society of Health-System Pharmacists
ASHP Midyear Clinical Meeting/Exhibition
Los Angeles, CA 12/07/2010
- “Women Work”
Institute of Medicine
Committee on Preventive Services for Women
Washington, DC 03/09/2011
- “Overview of the Department of Veterans Affairs
Depleted Uranium Surveillance Program”
Annual Force Health Protection Conference
Hampton, VA 03/21-25/2011
- “Chromosome 5 and 7 Abnormalities in Healthcare Workers
Handling Anti-Cancer Drugs”
Oncology Nursing Society
36th Annual Oncology Nursing Society Congress
Boston, MA 04/30/2011
- “Depleted Uranium (DU) and Toxic Embedded Fragments:
What the Clinician needs to know”
War Related Illness and Injury Conference
Ann Arbor, MI 05/12/2011
- “Occupational Disease in the Fire Service”
“The Wellness-Fitness Registry: What’s in it for Dept.”
The IAFF Redmond Symposium/EMS Conference
Crossroads: Health, Safety and EMS
New York, NY 08/14-18/11
- “Depleted Uranium (DU) and Toxic Embedded Fragments”
OEF/OIF Conference
St. Louis Employee Education System (EES)
Brookfield, WI 09/14-15/11

- “Chromosome 5 and 7 Abnormalities in Healthcare Workers Handling Anti-Neoplastic Drugs” 10/02/2011
21st Annual Meeting of the Japanese Society of Pharmaceutical Health Care and Sciences
Kobe, Japan
- “Medical Surveillance for Occupational Cohorts: The Care of Gulf War Veterans” 10/14/2011
Johns Hopkins School of Public Health
Live Talk – Current Issues in Public Health (Distance Learning)
Baltimore, MD
- “Chromosome 5 and 7 Abnormalities in Healthcare Workers Handling Anti-Neoplastic Drugs” 11/07/2011
Johns Hopkins School of Public Health
Education and Resource (ERC) Seminar
Baltimore, MD
- “Chromosome 5 and 7 Abnormalities in Healthcare Workers Handling Anti-Neoplastic Drugs” 01/09/2012
Johns Hopkins Medical Institutions
Hematology Grand Rounds
Baltimore, MD
- “Chromosome 5 and 7 Abnormalities in Healthcare Workers Handling Anti-Neoplastic Drugs” 02/01/2012
JHMI, Oncology Nursing Research Journal Club
Baltimore, MD
- “Environmental Exposures through the Age Span” 03/20/2012
University of Buenos Aires
Buenos Aires, Argentina
- “Occupational and Environmental Exposures to Pharmaceuticals” and 03/22-24/2012
“Parental Exposures as Determinants of Child Health”
Environmental Health and the Political Agenda” an
Universidad de la Republica
Montevideo, Uruguay
- “Update of Activities with Hazardous Drug Safe Handling” 05/03/2012
NIOSH, Health Care & Social Assistance Sector Council Meeting
Washington, DC
- “Chromosome 5 and 7 Abnormalities in Healthcare Workers Handling Anti-Neoplastic Drugs” 05/10/2012
International Society of Oncology Pharmacy Practice
Melbourne, Australia

- “A Healthy Workforce: Lessons from the Fire Fighter Wellness and Fitness Initiative” 05/21/2012
Inova Occupational Health for Public Safety Program
Inova Alexandria Hospital
Alexandria, VA
- “Environmental Exposures Surrounding Conception as Determinants Of Child Health” 10/25/2012
Istituto Superiore di Sanita
Rome, Italy
- “Hazards of Environmental Drug Contamination” 12/3-4/2012
“Chemotherapy Handling: Recent Changes and Future Challenges”
The 7th Princess Chulabhorn International Science Congress
Joint Conference of the Chulabhorn Hospital and
The Asia-Pacific Oncology Pharmacy Society
Bangkok, Thailand
- “When the Diagnosis is Occupational” 01/14/2013
Ambulatory Care Conference
University of Maryland
Baltimore, Maryland
- “Hazards of Occupational Exposure to Hazardous Anti-Cancer Drugs” and 02/07/2013
“Chromosome 5 and 7 Abnormalities in Oncology Personnel Handling Anti-Cancer Drugs”
OM Grand Rounds, NW Center for Occupational Health & Safety
Seattle, Washington
- “Chromosome 5 & 7 Abnormalities in Oncology Personnel Handling Anti-Cancer Drugs” 03/07/2013
Cancer Prevention Grand Rounds
The University of Texas
MD Anderson Cancer Center
San Antonio, TX
- “Surveillance of Gulf War I Veterans Exposed to Depleted Uranium: 20 Years of Follow-Up” 04/01/2013
Seminar
The University of Iowa, College of Public Health
Cedar Rapids, IA
- “Chromosome 5 & 7 Abnormalities in Oncology Personnel Handling Anti-Cancer Drugs” 04/03/2013
NORA Interdisciplinary Seminar Series
North Carolina Occupational Safety and Health
Education and Research Center
Chapel Hill, NC

- “Protecting Health Workers” 05/09/2013
International Physicians Exchange Program (IPEP) Lecture
University of Maryland School of Medicine
Institute of Human Virology
Baltimore, MD
- “Safe Handling of Hazardous Anti-Cancer Drugs in Low Resource Settings” 09/22-25/2013
ICOH Joint Conference 2013
Sao Paulo, Brazil
- “Environmental Agent Exposure and Toxicology in Recent Military Conflicts (and the Case of Depleted Uranium)” 09/25-10/1/13
Western Occupational and Environmental Medical Assoc.
Western Occupational Health Conference
Honolulu, Hawaii
- “Occupational Health in Health Care Workers in the U.S.: The Case Of Workplace Violence” 10/18/2013
University of Belgrade School of Medicine
Serbian Nurses Association
Belgrade, SRB
- “Technology Applications in Cancer Care: Opportunities for Safety Synergies” 01/23/2014
2014 Cancer Technology & Epidemiology Symposium
University of Maryland, College Park
College Park, MD
- “Protecting Health Workers” 04/04/2014
International Physicians Exchange Program (IPEP) Lecture
University of Maryland School of Medicine
Institute of Human Virology
Baltimore, MD
- “Safe Handling of Hazardous Anti-Cancer Drugs in Low Resource Settings” 04/28/2014
World Day for Safety and Health at Work Webinar
Pan American Health Organization (PAHO)
Washington, DC
- “Protecting Health Workers” 05/08/2014
International Physicians Exchange Program (IPEP) Lecture
University of Maryland School of Medicine
Institute of Human Virology
Baltimore, MD
- “Protecting Health Workers” 06/12/2014
University of the Gambia School of Medicine
Edward Francis Small Teaching Hospital
Banjul, The Gambia

- “Exposure to Hazardous Drugs: Clinical Evaluation and Medical Surveillance” 09/05/2014
- “Overview of the Health Risks and Medical Surveillance of Hazardous Drugs”
Course entitled: Guidance for Safe Handling of Hazardous Drugs
University of Washington School of Public Health
Seattle, WA
- “Chemical Hazards in Health Care: Medical Surveillance and Intervention Strategies for a High Hazard Employment Sector” 09/10/2014
AOHP 2014 National Conference
New Orleans, LA
- “Reproductive Health and Chromosomal Effects of Occupational Exposure To Hazardous Drugs” 09/24/2014
BD Pharmacy Symposium
Brussels, Belgium
- “Chromosome Effects in Oncology Workers Handling Chemotherapy Agents and Implications for Safe Handling” 10/18/2014
2014 Regional Occupational Health Conference
Johns Hopkins Education and Research Center for Occupational Safety and Health
Laurel, MD
- “Occupational Health in the Ebola Outbreak” 11/18/2014
University of Maryland, Baltimore
Ebola Symposium
Baltimore, MD
- “Medical Surveillance” 02/16/2015
Oncology Nursing Society
Association Stakeholder Meeting
Washington, DC
- “Medical Surveillance for Healthcare Workers Exposed to HD” 04/09/2015
Annual Emerging Issues in Occupational Health & Safety Conference
Auburn Marriott Opelika Hotel & Conference Center Grand National
Opelika, AL
- “Hazardous Drugs in Oncology Practice: Evidence of Exposure and Origins of Safe Handling Guidelines” 07/16-18/2015
The Japanese Society of Medical Oncology
2015 Annual Meeting (JSMO 2015)
Sapporo, Japan

- “Safe Handling of Hazardous Drugs Anti-Cancer Drugs in
Low Resource Settings and Healthcare Worker
Considerations” 09/15/2015
NCI Center for Global Health
Rockville, MD
- “Medical Surveillance for Hazardous Drug Handler” 09/26/2015
Pharmacology Updates in Oncology Practice
Oncology Nursing Society
Memphis, TN
- “Chemical Hazards in the Hospital Environment” 10/26/2015
University of Modena
Modena, Italy
- “Chemical Hazard of Sterilants and Germicidal Agents
In Healthcare: from Ebola to the Everyday” 02/22-26/2016
“Hazardous Drugs Safe Handling”
The National VA Council 2016 National Safety & Health Conference
Las Vegas, Nevada
- “Hazardous Drug in the Healthcare Sector” 04/01/2016
The New York/New Jersey Educational Resource Centers
37th Annual Scientific Meeting
Occupational Safety and Health for Healthcare Workers
New York, NY
- “Occupational Reproductive and Developmental Hazards: An Overview” 04/10-13/2016
American College of Occupational and Environmental Medicine (ACOEM)
Annual 2016 American Occupational Health Conference
Chicago, IL
- “The We* Dimension” A stage for the evolution of hospital pharmacy 09/01-02/2016
APOTECA Community
International Meeting
Ancona, Italy
