---

**EDUCATION**

- 2011      **PhD, Epidemiological Sciences**  
Concentration: Social epidemiology  
University of Michigan, Ann Arbor, MI  
*Dissertation:* Heterogeneity in the association between acculturation and adiposity among immigrants to the United States.
- 2004      **Master of Public Health, Epidemiology**  
Mailman School of Public Health, Columbia University, New York, NY  
*Thesis:* Predictors of non-adherence with nevirapine therapy for the prevention of mother to child transmission of HIV
- 1998      **Bachelor of Arts, Philosophy, Politics, and Economics**  
University of Pennsylvania, Philadelphia, PA

**PROFESSIONAL EXPERIENCE**

- July 2014 –    **Faculty Fellow**, Carolina Population Center  
University of North Carolina, Chapel Hill, NC
- April 2014 –   **Assistant Professor, Tenure Track**  
Department of Nutrition, Gillings School of Global Public Health  
University of North Carolina, Chapel Hill, NC
- 2011-2014    **Carolina Population Center (CPC) Postdoctoral Scholar**  
University of North Carolina, Chapel Hill, NC
- 2009          **NYC Summer Epidemiology Scholar**, Research Program in Health Disparities  
Bureau of Epidemiology Services  
NYC Department of Health and Mental Hygiene, New York, NY
- 2006-2007    **Oak Ridge Institute for Science & Education (ORISE) Fellow**  
Division of Reproductive Health – Women’s Health and Fertility Branch  
Centers for Disease Control and Prevention, Atlanta, GA
- 2004-2006    **Association of Schools of Public Health (ASPH) Research Fellow**

Division of Reproductive Health – Women’s Health and Fertility Branch  
Centers for Disease Control and Prevention, Atlanta, GA

- 2004        **Project Coordinator**, Hand Hygiene Study  
School of Nursing, Columbia University, New York, NY
- 2002-2004    **Graduate Research Assistant**, Zambian Exclusive Breast-feeding Study (ZEBS)  
Department of Epidemiology, Mailman School of Public Health, Columbia  
University, New York, NY and Lusaka, Zambia
- 1999-2002    **Research Coordinator**, Department of Pediatric Rheumatology  
Hospital for Special Surgery, New York, NY

### **HONORS, AWARDS, AND FELLOWSHIPS**

- 2012-2016    National Institutes of Health (NIH) Health Disparities Loan Repayment  
Program, National Institute on Minority Health and Health Disparities  
(NIMHD)
- 2013        The Obesity Society’s (TOS) Early Career Investigator Award
- 2012        Postdoctoral Award for Research Excellence, University of North Carolina at  
Chapel Hill
- 2011        Harburg Student Award for Excellence in Social Epidemiology,  
University of Michigan
- 2010        Epidemiology Section Student Abstract Award – 138<sup>th</sup> American Public  
Health Association (APHA) Annual Meeting
- 2007-2008    Rackham Merit Fellowship, University of Michigan
- 2004-2006    Association of Schools of Public Health (ASPH) Fellowship, Centers for Disease  
Control and Prevention
- 2002-2004    Initiative for Minority Student Development Fellowship, Mailman School of  
Public Health, Columbia University

## **PRESENTATIONS**

### Refereed

**Albrecht SS**, Mayer-Davis E, Popkin B. The association between BMI and diabetes in US adults: examination of secular and race/ethnic trends. Presented at the *Obesity Society's 32<sup>nd</sup> Annual Scientific Meeting*; Boston, MA, November 2014.

Le F, **Albrecht SS**, Osypuk TL, Sanchez BN, Diez Roux AV. Neighborhood immigrant composition and change in body mass index over time among Hispanics and Chinese immigrants: the Multi-Ethnic Study of Atherosclerosis. Presented at the *47<sup>th</sup> Annual Society for Epidemiologic Research (SER) Meeting*; Seattle, WA, June 2014.

Murillo R, **Albrecht SS**, Kershaw KN, Daviglius M. The role of activity behaviors in explaining the association between acculturation and obesity among Mexican-American adults. Presented at the *American Heart Association Epidemiology and Prevention/Nutrition, Physical Activity, and Metabolism Scientific Sessions (AHA EPI/NPAM)*; San Francisco, CA, March 2014.

Womack VY, de Chavez P, Siddique J, Loucks EB, Puterman E, **Albrecht SS**, Redmond N, Durant N, Williams D, Carnethon MR. Associations of depressive symptoms with metabolic syndrome: the Coronary Artery Risk Development in Young Adults Study (CARDIA). Presented at the *American Heart Association (AHA) Scientific Sessions*; Dallas, TX, November 2013.

**Albrecht SS**, Barquera S, Popkin BM. Secular changes in the BMI-waist circumference relationship in Mexican and Mexican-American women. Presented at the *Obesity Society's 31<sup>th</sup> Annual Scientific Meeting*; Atlanta, GA, November 2013

**Albrecht SS**, Gordon-Larsen P. Socioeconomic Gradients in Overweight/Obesity in Young Immigrants: Exploring the Roles of Parental Status and Inter-Generational Social Mobility. Presented at the *Population Association of America Annual Meeting*; New Orleans, LA, April 2013

**Albrecht SS**, Gordon-Larsen P. Ethnic differences in body mass index trajectories from adolescence to adulthood: a focus on Hispanic and Asian subgroups. Presented at the *Obesity Society's 30<sup>th</sup> Annual Scientific Meeting*; San Antonio, TX, September 2012.

Hajat A, Diez Roux AV, **Albrecht SS**, Gallo LC, Rodriguez C, Shrager S, Seeman T. Perceived discrimination and diurnal cortisol patterns among Blacks and Hispanics: The Multi-Ethnic Study of Atherosclerosis. Presented at the *45<sup>th</sup> Annual Society for Epidemiologic Research Meeting*; Minneapolis, MN, June 2012.

**Albrecht SS**, Diez Roux AV, Gallo LC, Kandula NR, Osypuk TL, Ni H, Shrager S. Influence of the neighborhood environment on waist size over time among immigrants to the U.S.: The Multi-ethnic Study of Atherosclerosis. Presented at the *19<sup>th</sup> International Epidemiological Association's World Congress of Epidemiology Conference*; Edinburgh, Scotland, UK, August 2011.

**Albrecht SS**, Diez Roux AV, Gallo LC, Kandula NR, Osypuk TL, Ni H, Shrager S. Influence of the neighborhood environment on waist size over time among immigrants to the U.S.: The Multi-ethnic Study of Atherosclerosis. Presented at the *3rd North American Congress of Epidemiology Conference*; Montreal, Quebec, Canada, June 2011.

Kershaw KN, **Albrecht SS**. Examining variation in body mass index among Hispanics: The role of race and residential segregation. Presented at the *3rd North American Congress of Epidemiology Conference*; Montreal, Quebec, Canada, June 2011.

**Albrecht SS**, Diez Roux AV, Kandula NR, Osypuk TL, Ni H, Shrager S. Immigrant assimilation and weight gain: A longitudinal examination. Presented at the *18th Annual National Heart, Lung, and Blood Institute (NHLBI) Cardiovascular Diversity Research Supplement Awardee Session*; Chicago, IL, November 2010.

**Albrecht SS**, Diez Roux AV, Kandula NR, Osypuk TL, Ni H, Shrager S. Heterogeneity in the association of acculturation with body mass index and waist circumference among Hispanic and Chinese participants in the Multi-ethnic Study of Atherosclerosis (MESA). Presented at the

*138th American Public Health Association (APHA) Annual Meeting*; Denver, CO, November 2010.

**Albrecht SS**, McVeigh KH. Investigation of the disparity between NYC and national prevalence of non-specific psychological distress among Hispanics. Presented at the *43<sup>rd</sup> Annual Society for Epidemiologic Research Meeting*; Seattle, WA, June 2010.

**Albrecht S**, Kuklina EV, Jamieson DJ, Whiteman MK, Kourtis AP, Posner SF, Callaghan WM. Diabetes trends among delivery hospitalizations in the United States, 1994-2004. Presented at the *41<sup>st</sup> Annual Society for Epidemiologic Research Meeting*; Chicago, IL, June 2008.

Ferguson YO, Bentley M, Piwoz E, Zulu C, Chasela C, Bramson B, Soko A, Tembo M, Chilongozi D, Martinson F, **Albrecht S**, Tohill BC, Ahmed Y, Kazembe P, Jamieson D, van der Horst C for the BAN Study Team. An evaluation of study nurses' implementation of an infant feeding counseling protocol for HIV-infected mothers: the BAN study in Lilongwe, Malawi. Presented at the *XVI International AIDS Conference*; Toronto, Canada, August 2006.

**Albrecht S**, Semrau K, Kasonde P, Sinkala M, Kankasa C, Aldrovandi G, Thea D, Kuhn L. Predictors of non-adherence with nevirapine therapy for the prevention of mother to child transmission of HIV. Presented at the *18<sup>th</sup> Annual Meeting of the Society for Pediatric and Perinatal Epidemiologic Research*; Toronto, Canada, June 2005.

Onel KB, **Albrecht SS**, Lehman TJA. Cyclophosphamide for pediatric SLE and nephritis – continued success. Presented at the *American College of Rheumatology Annual Scientific Meeting*; San Francisco, CA, 2001.

### Invited

**Albrecht, SS.** (April 26, 2016). Intersections of poverty, race, and health. Flourish - Community Nutrition Program training session. University of North Carolina at Chapel Hill.

**Albrecht, SS.** (March 18, 2016). Navigating Faculty Career Path. Center for Integrative Approaches to Health Disparities – Jackson Heart Study (CIAHD-JHS) 6th Annual Junior Investigator Symposium. Jackson, MS.

**Albrecht, SS.** (May 20, 2015). Diabetes disparities in Hispanic/Latino populations. Lunch with the Dean Series. University of North Carolina at Chapel Hill.

**Albrecht, SS.** (March 20, 2015). Obesity and Cardiovascular Risk in U.S. Immigrants. UNC Program on Ethnicity, Culture and Health Outcomes (ECHO) Spring 2015 Health Disparities Seminar Series, University of North Carolina at Chapel Hill.

**Albrecht, SS.** (June 29-July 18, 2013). Obesity, Diabetes and Cardiovascular Risk in Hispanic populations. Academic workshop: Investing in Ecuadorian Human Capital, Quito and Guayaquil, Ecuador.

**Albrecht, SS.** (Feb 21, 2012). Heterogeneity in the Association between Acculturation and Adiposity among Immigrants to the United States. Cardiovascular Disease Epidemiology Seminar Series, University of North Carolina at Chapel Hill.

**Albrecht, SS.** (Oct 27, 2010). Immigrant assimilation and adiposity: A longitudinal examination among Hispanic and Chinese participants in the Multi-Ethnic Study of Atherosclerosis (MESA). Center for Social Epidemiology & Population Health Research Seminar Series, University of Michigan, Ann Arbor, MI.

## **TEACHING**

**Co-Instructor**, Graduate program in Nutrition, University of North Carolina at Chapel Hill. *Nutritional Epidemiology (NUTR 813)*. Spring 2015, 2016. Required course for master's and doctoral students in department of nutrition. (46 students).

**Guest Lecturer**, Doctoral program in Nutrition, University of North Carolina at Chapel Hill. *Introduction to Obesity: From Cell to Society (NUTR 812)*. Spring 2012 and 2013. Cultural perspectives and obesity issues specific to Latino and African-American populations. (~15 students).

**Guest Lecturer**, Doctoral program in Epidemiology, University of North Carolina at Chapel Hill. *Social Epidemiology: Analysis and Interpretation (EPID 827)*. Spring 2012, 2014, 2016. Causal inference in neighborhood research. (~20 students)

**Graduate Student Instructor**, Graduate Summer Session in Epidemiology, University of Michigan. *Fundamentals of Epidemiology*. Summer 2010. Responsible for leading review sessions, grading problem sets and exams, and providing guidance to students in office hours. (~20 students)

## **ADVISING/MENTORING**

### Doctoral Students

Luis Maldonado, Department of Nutrition, University of North Carolina at Chapel Hill; Fall 2015 – present. (Role: primary mentor)

Deshira Wallace, Department of Health Behavior, University of North Carolina at Chapel Hill; Summer 2016 – present. (Role: dissertation committee member; chair: Leslie Lytle)

Erline Miller, Department of Epidemiology, University of North Carolina at Chapel Hill; Spring 2016 – present. (Role: dissertation committee member; chair: Allison Aiello)

Julia Ward, Department of Epidemiology, University of North Carolina at Chapel Hill; Spring 2016 – present. (Role: dissertation committee member; chair: Allison Aiello)

Masters Students

Alberto Vargas, Department of Nutrition, University of North Carolina at Chapel Hill; Summer 2015 – present. (Role: lead/organized summer independent study; thesis reader).

Undergraduate Students

Corinne O'Brien, Carolina Population Center 2015 Summer Internship Program, University of North Carolina at Chapel Hill; Summer 2015. (Role: primary mentor)

Outside UNC

Yamelith Aguilar, National Mentorship Program for Hispanic Health Research - Hispanic-Serving Health Professions Schools (HSHPS); Spring/Summer 2015. (Role: secondary mentor)

**GRANTS AND FELLOWSHIPS**

Submitted/pending

NIH/NIDDK Mentored Research Scientist Development Award (K01). Diabetes disparities in Latino subpopulations: linking biology to social epidemiology. Role: PI.

NIH/NIDDK Epigenetic and Gene Expression Changes and Type 2 Diabetes in Latinos: An intergenerational view (R01). PI: Aiello, Fry, and North. Role: Co-I.

NIH/NHLBI Ruth L. Kirschstein National Research Service Award Individual Predoctoral Fellowship to Promote Diversity in Health-Related Research (Parent F31 – Diversity). Intergenerational acculturation, sleep, and cognitive function in US Latinos. Student trainee: Erlene Miller (UNC Epidemiology). Role: Consultant.

Submitted/not funded

UNC Center for Diabetes Translation Research to Reduce Health Disparities (CDTR) Pilot Grant. Produce in Primary Care: Is Medical Nutrition Therapy (MNT) and subsidized produce a feasible approach to a sustainable diabetes intervention? Submitted Nov 2015. Role: PI.

American Diabetes Association (ADA) Junior Faculty Career Development Award. Diabetes disparities in Latino subgroups: linking biology to social epidemiology. Submitted Feb 2015. Role: PI.

The Obesity Society Early Career Research Grant. Understanding why Hispanics are at high risk for insulin resistance at low BMI: The Hispanic Community Health Study/The Study of Latinos. Submitted April 2014. Role: PI.

Robert Wood Johnson Foundation (RWJF) Healthy Eating Research Round 8 Grants. Disparities in household food purchasing behaviors: The role of race-ethnicity, socioeconomic status, and local area food resource characteristics. Submitted Sept 2013. Role: Co-I.

## Completed

NIH/NICHD Postdoctoral Ruth L. Kirschstein National Research Service Award through the Carolina Population Center (CPC), UNC-CH (T32 HD07168).

The purpose of the CPC postdoctoral fellowship program is to further the development of skills in population research in an interdisciplinary setting.

10/01/2011 – 09/30/2013

PI: Carolyn Halpern

Role: Postdoctoral researcher

NIH/NHLBI Research Supplement to Promote Diversity in Health-Related Research.

Supplement to grant “Neighborhoods and Cardiovascular Risk in a Multi-ethnic cohort” (R01 HL071759 05A1).

This award is made to Principal Investigators with NIH-supported research grants. Supplemental funding is provided to support research training for an individual from an underrepresented group during the academic year and summer.

09/01/2009 – 05/31/2011

PI: Ana Diez Roux

Role: Predoctoral trainee

NIH/NIHMS Initiative for Minority Student Development (IMSD). (R25 GM062454-01A1).

Purpose of the IMSD at Columbia University is to increase the number of underrepresented ethnic minority students who receive graduate research training in Sociomedical Sciences and Epidemiology. The primary goal is to strengthen students' research skills and to facilitate their transition into doctoral programs.

09/01/2002 – 05/31/2004

PI: Ana Abraido-Lanza

Role: Master's trainee

## **PROFESSIONAL SERVICE**

### **Service to the Department, School, University**

#### Nutrition

Diversity committee, 2015-2016

Faculty search committee, 2015

Doctoral comprehensive exams (question formation, grading, oral exam), 2015, 2016

Doctoral program curriculum revision sub-committee, 2014

#### Carolina Population Center

Co-organizer, facilitator, speaker, Academic workshop: Investing in Ecuadorian Human Capital, Quito and Guayaquil, Ecuador; Carolina Population Center, University of North Carolina at Chapel Hill, 2013.
