

Permission to Schedule a Defense Form: Master’s Degrees (MS, MSPH, MPH, MSEE)

A committee for a master’s degree should consist of at least three individuals. A majority of the committee should consist of regular graduate faculty or special appointed graduate faculty, as listed on the UNC Graduate School’s website. Exceptions may be requested. Students should check with the Student Services Office whether committee members who do not fall into these categories have a fixed-term appointment with the Graduate School. If not, one will be requested. Typically, a CV is all that is required.

A committee should be established well in advance of a defense: a couple of months is typical. This form should be submitted to the Student Services Office **at least two weeks prior to a defense.**
