

A few words about transcripts...

Important: You will not be able to register for classes until The Graduate School receives all of your official transcripts. Therefore, you need to get your transcripts sent as soon as you can.

Delays in sending transcripts can put you at risk for classes (including required ones) being filled before you can register for them. ☹️ ☹️ ☹️

If you are not currently enrolled in classes, you should request official transcripts from **all** previous institutions you have attended be sent to The Graduate School as soon as possible.

If you are currently in enrolled in classes, you should go ahead and send transcripts from any previous institution(s) you have attended. **Once your grades and degree have posted at the end of this semester, you should request a transcript be sent as soon as possible.**

Important: You must provide transcripts from **all colleges, universities, community colleges, summer sessions, or extension programs you have attended since graduating from high school.**

Refer to the [Admitted Students](#) page of The Graduate School's website for detailed information on where and how to send official transcripts.

You should monitor the receipt of your official transcripts via the admissions checklist in your Student Center. To do so, login to your ConnectCarolina Student Center and click on "Admissions Items" in the right-hand column under To-Do List.
