

RA/TA APPOINTMENTS

Instructions for hiring faculty:

- (1) Initiate and complete the [RA/TA appointment form](#) (editable PDF). [See below for minimum eligibility requirements for tuition awards.] You need to sign in the tuition block as well as in the job description area unless you have told the student that this position cannot cover tuition (These should be very rare cases, such as a funding agency that explicitly forbids it. In that case, every effort should be made to identify an alternate funding source for the tuition.) [Exception: State-funded TA positions do not require a signature.]

Whenever possible, the Fiscal Office asks that students be appointed for a full academic year using the dates August 21, 2018 through May 13, 2019 (or, alternatively, August 21 through August 20). [NOTE: Positions can still be terminated after a semester if necessary for any reason]. If the position must be on a semester-by-semester basis, the preferred dates are August 21, 2018 through December 31, 2018 for the fall term and January 1, 2019 through May 13, 2019 for the spring term. **Any exceptions should be approved by Vicki Moore** (victoria_moore@unc.edu; 919-966-7470).
- (2) Give the completed (*description of duties is required*), signed form directly to **Lena Hudock** in the EPID Fiscal Office. [PDF documents **with signatures** can be emailed to her at lhudock@email.unc.edu or faxed to 919-966-1658.]
- (3) If the funding source is **not housed in EPID**, the tuition block **must** be signed off on by the relevant business manager. Ask the student to have this done and then s/he can submit the form to Lena.
- (4) Students who are still completing required coursework (typically first 2 years for PhD and MPH, first 3 years for MSPH/PhD students) **may not exceed 15 hours per week** without special permission from the Student Services Office (vhudock@unc.edu or jenjoyce@email.unc.edu).
- (5) The health insurance rate for 2018-19 is approximately **\$333** per month.

Instructions for students being hired as RAs or TAs:

- (1) Check with your hiring faculty member to be sure that the steps above have been followed.
- (2) Check with the EPID Fiscal Office (2107 McGavran-Greenberg) to complete any required paperwork.

At the Fiscal Office, new appointees will have to complete, in person, additional paperwork and provide identity documentation. Information about [acceptable documentation](#) is online. If you have previously been on payroll, ask the Fiscal Office whether or not new paperwork is required. Paperwork must be completed by first of the month to receive paycheck at end of month. For Direct Deposit, bring a check or copy of a check (unless you were set up for Direct Deposit previously).
- (3) Student Services must also have a copy of the ePar form from the fiscal office. [Our fiscal office will give us copies when ready.]. **If tuition is to be paid, it is the student's responsibility to make sure we have all of the relevant paperwork by the announced deadline.**

For tuition awards, a checklist will be posted outside Jennifer's door. Please check here to be sure we have ALL paperwork by the deadline. Check early so that you'll have time to follow up on problems, if any. **ALL paperwork is due to Student Services Office NO LATER THAN AUGUST 31 for the fall term and NO LATER THAN JANUARY 15 for the spring term.**
