TEACHING

Master's Level Courses

Social Work Research: SWO 441 – Online Section Instructor. Simmons College, School of Social Work, Boston, MA, 2015 to present.

Description: This course introduces students to the research process as it applies to the specialized interests and needs of social work. Illustrations are chosen from the studies of social work and health practices. The course is designed to enable students to be critical consumers of research, to understand the principles and process of research and the evaluation of practice, to become familiar with ethical considerations when designing and implementing a project, and to be capable of participating in practice related research.

Guest Lectures for Other Courses

Trauma-Informed Care within Women's Substance Use Disorder Treatment. Lecture for MCH 890, Gender-Based Violence, the University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Chapel Hill, NC, November 16, 2016.

Mixed Methods Approach to Program Evaluation. Lecture for MHCH 740, Qualitative Research Methods in Maternal and Child Health, the University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Chapel Hill, NC, March 2, 2016.

Dissemination and Implementation Research: Example in a Rural North Carolina Community. Lecture with Sherri L. Green for MHCH 713, Research Methods in Maternal and Child Health, the University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Chapel Hill, NC, November 25, 2014.

Qualitative Interviewing. Lecture for MHCH 740, Qualitative Research Methods in Maternal and Child Health, the University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Chapel Hill, NC, February 28, 2012.

Adverse Childhood Experiences and Childhood Exposure to Intimate Partner Violence. for MHCH 740, Integrating Public Health, Mental Health, and Addiction Prevention and Treatment for Women: A Life Course Perspective, the University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Chapel Hill, NC, March 17, 2011.
