SUBJECT: Welcome

On behalf of the faculty, staff and continuing students, I would like to welcome you to the Department's graduate program. The choice of graduate schools is important, and often difficult, but I believe that you have made the best decision in choosing UNC. Our training program is among the most respected in the country, as reflected by the high quality of our applicants and enrolled students and the outstanding accomplishments of our graduates.

All of us in the department are excited about the upcoming year, and we look forward to working with you. As you make plans for the upcoming semester, please feel free to contact us if you have any questions. I am pleased that you'll be attending the University of North Carolina and look forward to working with you to make your graduate studies challenging, productive and enjoyable.
