

June Stevens, MS, PhD
AICR Distinguished Professor

PROFESSIONAL EXPERIENCE 2006-present University of North Carolina at Chapel Hill
Distinguished Professor, American Institute for Cancer Research, World Cancer Research Fund AICR/WCRF

2013 June-December Cambridge University, Corpus Christi College
Sabbatical

2005-2013 University of North Carolina at Chapel Hill
Chair, Department of Nutrition

2001-present University of North Carolina at Chapel Hill
Professor, Departments of Nutrition and Epidemiology

1995-present University of North Carolina at Chapel Hill
Tenured, Department of Nutrition

1993-2001 University of North Carolina at Chapel Hill
Associate Professor, Departments of Nutrition and Epidemiology

1992-1993 Medical University of South Carolina, Charleston, SC
Associate Professor, Tenured, Department of Biometry and Epidemiology

1987-1992 Medical University of South Carolina, Charleston, SC
Assistant Professor, Department of Biometry and Epidemiology

1986-1987 Medical University of South Carolina, Charleston, SC
Fellow, Department of Biometry and Epidemiology

1979-1981 School of Medicine, University of Virginia, Charlottesville, VA
Instructor, Department of Medicine

1978-1980 School of Nursing, University of Virginia, Charlottesville, VA
Instructor, Department of Health Promotion

MEMBERSHIP IN PROFESSIONAL SOCIETIES
American Heart Association/Epidemiology Council
American Society for Nutrition
International Society for Behavioral Nutrition and Physical Activity
International Society for the Study of Obesity
The Obesity Society
Society for Epidemiologic Research

EDUCATION

1986-1987 Medical University of South Carolina, Charleston, SC
Postdoctoral Fellow, Department of Epidemiology

1987 New England Epidemiology Institute
Trainee in Epidemiology

1982-1986 Cornell University, Ithaca, NY
Doctor of Philosophy in Human Nutrition, Minor in Data Analysis

1976-1980 Pennsylvania State University, State College, PA
Masters of Science in Human Nutrition

1974-1975 Cleveland Metropolitan General Hospital, Cleveland, OH
Registered Dietitian, Clinical Dietetics

1970-1973 Virginia Polytechnic Institute & State University
Bachelor of Science, Human Nutrition

1969-1970 Wake Forest University, Winston-Salem, NC
Undergraduate, Liberal Arts

**AWARDS,
 HONORS,
 MEMBERSHIP IN
 HONORARY
 SOCIETIES**

Recipient of the 2018 Friends of Albert (Mickey) Stunkard Lifetime Achievement Award. The Obesity Society.
 Authored article Cited as a Top News Story of 2014 by The Obesity Society Affiliate of Corpus Christy College, Cambridge University 2013
 Recipient of the 2012 Centrum Center Award. American Society for Nutrition.
 American Institute for Cancer Research/World Cancer Research Fund Distinguished Professor, 2006
 Delta Omega Honorary Society
 Gift Harris Award for Academics and Leadership
 Phi Kappa Phi

**NATIONAL AND
 INTERNATIONAL
 SERVICE**

Served on the Kidney, Nutrition, Obesity and Diabetes Group's NIH Study Section, 2018, 2019

Invited speaker at the National Cancer Institute's Body Composition and Cancer Outcomes Workshop, "Body Composition Equations for the United States," Rockville, MD, September 25-26, 2017

Program Committee for The Obesity Society Annual Meeting, November 2014 to November 2017

Served on The Obesity Society Awards Committee 2010-2012

Elected to serve on the Nominating Committee of The Obesity Society October 2010-2012

Program Committee for American Institute for Cancer Research (AICR) Annual Research Conference, Washington, DC, 2009 -2015

Appointed to American Society for Nutrition Sub-Committee for Professional Nutrition Education, July 2008-2015

Appointed to American Society for Nutrition Sub-Committee for Professional Nutrition Education, July 2008-2014

Appointed to The Obesity Society Special Task Force January 2012 to 2014
Chair of NHLBI Questions Committee for the Obesity Panel to update the
Clinical Guidelines for primary care of cardiovascular disease, 2008 to 2013

Invited by the Chinese CDC to give workshops on the Design of Clinical Trials,
Suzhou and Shanghai, China, May 26–June 3, 2012

Invited to Cambridge University, Cambridge, United Kingdom, March 5-6, 2012

Invited by the Foundation for the Institutes of Health to Biomarkers of Weight
Loss, Maintenance and Regain Symposium, Bethesda, MD, March 2012

Chaired Session – Track 4: Nutrition and Physical Activity The Obesity Society
Meeting, Orlando, FL, October 5, 2011

Chaired Symposium “Maybe Safe, Maybe Effective: Vitamin D, Calcium, and
Herbal Supplements. The Obesity Society Meeting, Orlando, FL, October 4,
2011

Hosted the UNC Department of Nutrition Alumni Mixer at The Obesity Society
Meeting, Orlando, FL, October 2, 2011

Program Director for Preconference Program: “Steps for Maximizing Study
Design in Obesity Prevention Research” at The Obesity Society Meeting,
Orlando, FL, October 1, 2011

*Service prior to
2010 available
upon request.*

Invited Speaker at the National Institutes of Health-sponsored workshop:
Translating Ideas into Interventions: The process of Developing Behavioral
Interventions. “Advances and Controversies in the Design of Obesity
Prevention Trials” Bethesda, MD, December 2010

Invited speaker at American Institute for Cancer Research Annual Research
Conference on Food, Nutrition, Physical Activity and Cancer, “Global
Epidemic of Obesity” Washington, DC, October 21-22, 2010

Guest reviewer for National Institutes of Health, Center for Scientific Review :
IAR for meeting 2010/08 ZRG1 EMNR-C (55) R - OD-10-005: Director's
Opportunity 5 Themes Basic Translational Endocrinology, Metabolism and
Digestive and Urological Systems

Invited Speaker at Nutrition Seminar Series, Harvard School of Public Health,
“Weight Maintenance” Boston, MA, April 19, 2010

**ACADEMIC
COMMITTEE
ACTIVITIES**

University of North Carolina
Information available upon request.

University of South Carolina
Information available upon request.

EXTRAMURAL
GRANTS

Awarded over \$25,000,000 in grants as Principal Investigator

Pending Grants 2019

National Heart, Lung and Blood Institute (2020-2025)

Position: Principal Investigator

Project: Disparities Elimination through Coordinated Interventions to Prevent and Control Heart and Lung Disease Risk (DECIPHeR)

Total amount of award: pending

Grants Active in 2019

Weight Watchers International (2018-2020)

Position: Co-Investigator (Coordinating Center Director)

Project: Randomized Controlled Trial of an International Commercial Program on Weight Loss and Health Outcomes

Total amount of award: \$1,730,237

National Heart, Lung and Blood Institute (2010-2019) – No Cost Extension

Position: Principal Investigator

Project: Childhood Obesity Prevention and Treatment Research Coordinating Unit (COPTR)

Total amount of award: \$5,107,975

National Heart, Lung and Blood Institute (2010-2019) –No Cost Extension

Position: Principal Investigator

Project: Measurements to enhance research in childhood obesity (PROPEL)

Total amount of award: \$1,750,000

National Institute for Health Research, UK (2015 -2020)

Position: Co-Investigator/mentor (Maria Bryant, PI)

Project: Implementation optimisation and pilot cluster randomized controlled trial of HENRY, a community based programme aimed at preventing obesity in pre-school children

Total amount of award: \$ 1,034,575

Previous Grants

National Heart, Lung and Blood Institute (2014-2017)

Position: Principal Investigator

Project: Minority Supplement to Childhood Obesity Prevention and Treatment Research Coordinating Unit (COPTR)

Total amount of award: \$138,299

National Institute of Diabetes and Digestive and Kidney Diseases (2010-2016)

Position: Principal Investigator

Project: A novel diet phenotype interaction affecting body weight

Total amount of award: \$780,324

National Institute of Diabetes and Digestive and Kidney Diseases (2014-2016)

Position: Principal Investigator

Project: Percent Body Fat Equations for the United States Population (Body Comp)

Total amount of award: \$324,651

National Institute of Diabetes and Digestive and Kidney Diseases (2006-2013)

Position: Principal Investigator

Project: Nutrition Training Grant

Total Amount of Award: \$1,541,740 (2008-2013)

National Heart, Lung and Blood Institute (2010-2012)

Position: Principal Investigator

Project: State-level policies, demographics and behaviors associated with youth obesity

Total amount of award: \$419,506

National Cancer Institute (2009-2013)

Position: Co-Investigator (Dianne Ward, PI)

Project: Healthy Weight Through Improved Parent Practices and Environmental Change

Total Amount of award: \$3,175,650

National Heart, Lung and Blood Institute (2009-2011)

Position: Principal Investigator

Project: Weight-Related Measures and CVD in African American and White Adults

Total amount of award: \$246,122

National Institute of Diabetes and Digestive and Kidney Diseases (2009-2011)

Position: Co-Investigator (Dianne Ward, PI)

Project: Development of a Survey to Assess Diet and Activity Environments in the Home

Total Amount of award: \$405,625

National Heart, Lung and Blood Institute (2006-2013)

Position: Investigator (Lloyd Chambless, PI)

Project: Hispanic Community Health Study

Amount of award: \$15,961,568

National Cancer Institute (2006-2008)

Position: Principal Investigator

Project: Development of a tool to measure food availability in the home

Total Amount of Award: \$291,255

Sanofi-Aventis (2006-2008)

Position: Principal Investigator

Project: Obesity and Weight reduction in ARIC

Total Amount of award: \$694,000

National Heart Lung and Blood Institute (2005-2010)

Position: Co-Investigator (Alice Ammerman, PI)

Project: Primary Care and Communities Tackling Obesity in Kids

Total amount of Award: \$3,572,273

National Center for Chronic Disease Prevention and Health Promotion (2008-2010)

Position: Faculty Advisor to Jill McClain, PI

Project: Mediation and moderation of the effects of obesity on coronary heart disease in a bi-ethnic cohort: the Atherosclerosis Risk in Communities Study.

Amount of Award \$36,717 Annual Direct

National Heart, Lung and Blood Institute (2000-2007, extended to 2009)

Position: Principal Investigator

Project: Trial of Activity for Adolescent Girls (TAAG)

Total amount of award: \$9,009,981

National Institute of Diabetes and Digestive and Kidney Diseases (2004-2009)

Position: Principal Investigator

Project: Obesity in Asians

Total amount of award: \$432,994

National Center for Research Resources (2005-2008)

Position: Co-Investigator (Barry Popkin, PI)

Project: An Interdisciplinary Strategy for Obesity (I-DOC)

Total Amount of award: \$1,752,000

National Heart, Lung and Blood Institute (2004-2006)

Position: Principal Investigator

Project: Weight Loss and CVD Risk Factors

Amount of Award: \$177,962

National Institute on Aging (2003-2006)

Position: Principal Investigator

Project: Obesity in Early and Middle Adulthood and Retirement

Total Amount of Award: \$145,000

National Heart, Lung and Blood Institute (2002-2006)

Position: Principal Investigator

Project: Community Characteristics and Physical Activity for Adolescent Girls

Total amount of award: \$152,036

National Institute on Aging (2003-2006)

Position: Principal Investigator

Project: Obesity, Diet and Functional Health in African-Americans

Total amount of award: \$145,000

The Gatorade Company (2003-2007)

Position: Co-Investigator (Steven Zeisel, PI)

Project: Linking Families, Physicians and Communities for Children's Health (LINC)

Total Amount of Award: \$3,000,000

National Institutes of Health (2002-2007)

Position: Co Investigator (Anna Maria Siega-Riz, PI)

Project: Pregnancy Related Weight Gain: A Link to Obesity

Total amount of award: \$2,534,928

National Heart, Lung and Blood Institute (2002-2004)
Position: Principal Investigator
Project: Minority Supplement to TAAG Project
Total amount of award: \$81,107

Glaxo, Smith Kline (2003-2004)
Position: Principal Investigator
Project: Preliminary Studies of Weight History and CVD Risk Factors
Total Amount of Award: \$10,000

National Heart, Lung and Blood Institute (2002-2003)
Position: Mentor
Project: Benefits of Weight Maintenance on Metabolic Risk Factors
Total Amount of award: \$50,000

National Heart, Lung and Blood Institute (1996-2003)
Position: Principal Investigator
Project: Obesity Prevention in American Indians/Alaskan Natives: Coordinating Center (PATHWAYS)
Amount of award: \$4,139,870

Centers for Disease Control (2000-2002)
Position: Principal Investigator
Project: Fit or Fat
Total amount of award: \$200,000

American Heart Association (2000-2002)
Position: Principal Investigator
Project: The Impact of Changes in Body Weight and Abdominal Obesity on Changes in Carotid Artery Wall Thickness.
Amount of award: \$96,544

National Institutes of Health, NIDCR (1999-2000)
Position: Co-investigator (Pat Flood, PI of Center Grant).
Project: Diet, Inflammation, and Periodontal Disease
Amount of award: \$30,759

National Heart, Lung and Blood Institute (1999-2001)
Position: Principal Investigator
Project: Research supplement for underrepresented minority GRA: Obesity Prevention in American Indians/Alaskan Natives: Coordinating Center (PATHWAYS)
Amount of award: \$73,910

National Heart, Lung and Blood Institute (1985-1999)
Position: Co-investigator (Lloyd Chambless, PI)
Project: Atherosclerosis Risk in Communities (ARIC): Coordinating Center

Amount of award: \$18,327,000

National Institute of Diabetes and Digestive and Kidney Diseases (1996-1999)
Position: Principal Investigator
Project: The Impact of Age on the BMI-Mortality Relationship
Amount of Award: \$259,070

American Heart Association (1996-1998)
Position: Principal Investigator
Project: The Optimal Weight Study
Amount of Award: \$87,890
Declined because of overlap

National Heart, Lung and Blood Institute (1993-1996)
Position: Co-principal Investigator
Project: Obesity Feasibility Study of Obesity Prevention in American Indians/Alaskan Natives:
Coordinating Center
Amount of award: \$1,700,000

American Heart Association (1993-1995)
Position: Principal Investigator
Project: Cardiovascular Disease Mortality as a Function of Obesity in African Americans
Amount of award: \$80,960

National Heart, Lung and Blood Institute (1990-1995)
Position: Co-investigator (C.E. Davis, PI)
Project: International Programs Component for the Collaborative Studies Coordinating Center
Amount of award: \$3,062,000

National Heart, Lung and Blood Institute (1989-1993)
Position: Principal Investigator
Project: Adiposity and Fat Patterning in Black Americans
Amount of award: \$196,965

National Heart, Lung and Blood Institute (1987-1992)
Position: Co-investigator (P. Gazes, PI)
Project: Predictors of Coronary Disease in Blacks
Amount of award: \$300,000 per year (approximate)

American Heart Association (1989)
Position: Principal Investigator
Project: Fat Patterning in Black Americans
Amount of award: \$81,360

National Institute of Aging (1987-1989)
Position: Project Manager (P. Gazes, PI)
Project: Functional Health of Elderly Blacks
Amount of award: \$100,000

**INTRAMURAL
GRANTS**

- Pogue Award (2013)
Position: Principal Investigator
Project: Scholarly leave University of Cambridge, UK
Amount of award: \$60,000
- Cambridge/UNC collaboration (2013)
Position: Co-Principal Investigator
Project: Information to inform obesity policy
Amount of award: \$17,000
- Institute of Nutrition (1999-2000)
Position: Principal Investigator
Project: Changes in Body Weight and Changes in Carotid Artery Wall Thickness
Amount of award: \$5,000
- Institute of Nutrition (1998-1999)
Position: Principal investigator
Project: Quantification of the Impact of Obesity on Mortality in Old Versus Young Adults
Amount of award: \$4,900
- Institute of Nutrition (1996-1997)
Position: Principal investigator
Project: The Feasibility of Obtaining 35-years of Mortality Follow-up for a Study to Determine the Impact of Age on Optimal Body Weight
Amount of award: \$4,500
- Institute of Nutrition (1995-1996)
Position: Principal investigator
Project: The Impact of Age on Optimal Weight in African American Women
Amount of award: \$4,979
- Medical University of South Carolina Research and Development Award (1991-1992)
Position: Principal investigator
Project: Resting Metabolic Rate and Body Composition in Black and White Women
Amount of award: \$18,920
- Medical University of South Carolina Research and Development Award (1989-1990)
Position: Principal investigator
Project: Epidemiology of Fat Patterning: Preliminary Work
Amount of award: \$10,221

CHAIR OF DOCTORAL COMMITTEE

Gabrielle Jenkins, Department of Epidemiology
Kamika Reynolds, Department of Epidemiology

DOCTORAL STUDENTS MENTORED

Sydney Thai, Department of Epidemiology

GRADUATE STUDENTS MENTORED

Kerry Jones, MPH-RD Program (2019)

UNDERGRADUATE STUDENTS MENTORED

Adesh Ranganna, Department of Nutrition (2019)
Kylie Fultineer, Department of Biostatistics (2018)
Madeline White, Department of Nutrition (2018)
Alana Zeitany, Department of Nutrition (2016)
Sainath Asokan, Department of Biostatistics (2016)

MEMBER OF DOCTORAL COMMITTEE

STUDENTS GRADUATED (CHAIR OF RESEARCH COMMITTEE)

Margaret M. Harris, Department of Epidemiology, PhD 1998, *Associations of obesity and fat distribution with cardiovascular risk factors in a bi-ethnic population*.
Prior Degree: 1994 MS, University of Virginia.
Post-doctoral Fellowship: 2001 University of Arizona.
Current Position: Associate Professor, University of Colorado Colorado Springs.

Juhaeri Juhaeri, Department of Epidemiology, PhD 1999, *Weight change, dieting, and hypertension: Atherosclerosis Risk in Communities (ARIC) Study*.
Prior Degrees: 1990 Sarjana (MS equivalent), Cum Laude, Bogor Agricultural University, Bogor, Indonesia; 1996 MS Wake Forest University.
Post-doctoral Fellowship: 1999-2001, University of North Carolina at Chapel Hill.
Current Position: Vice President and Head, Global Safety Sciences, Sanofi; Adjust Assistant Professor, University of North Carolina at Chapel Hill.

Denise K. Houston, Department of Nutrition, PhD 2004, *Associations of nutritional exposures with functional limitations and disability in a bi-ethnic population*.
Prior Degree: 1998 MS University of Georgia.
Current Position: Associate Professor with Tenure, Department of Gerontology and Geriatric Medicine and Department of Epidemiology and Prevention, Wake Forest University.

Olivia Affuso, Department of Nutrition, PhD 2005, *Causes and consequences of weight change*.
Prior Degree: 1998 MS University of Florida.
Post-doctoral Fellowship: University of Miami.
Current Position: Associate Professor with Tenure, Department of Epidemiology, University of Alabama at Birmingham.

Jacqueline D. Wright, Department of Epidemiology, DrPH 2008, *Understanding the decline in prevalence of hypertension in US adults between 1976-80 and 1999-02.*

Prior Degree: 1990 MPH University of Michigan.

Current Position: Epidemiologist, Division of Cardiovascular Sciences, National Heart, Lung, and Blood Institute.

Christopher D. Baggett, Department of Epidemiology, PhD 2008, *Studies of the “activitystat” hypothesis.*

Prior Degree: 1999 MS University of Massachusetts.

Current Position: Assistant Professor, Department of Epidemiology, University of North Carolina at Chapel Hill; Faculty Director of the Cancer Information and Population Health Resource, University of North Carolina at Chapel Hill.

Whitney R. Robinson, Department of Epidemiology, PhD 2008, *Under the same roof: understanding the gender disparity in obesity prevalence in U.S. Black young adults.*

Prior Degree: 2004 MSPH University of North Carolina at Chapel Hill.

Post-doctoral Fellowship: Robert Wood Johnson Health & Society Scholar, University of Michigan.

Current Position: Associate Professor, Department of Epidemiology, University of North Carolina at Chapel Hill.

Lauren Abbate, Department of Epidemiology, PhD 2009, *Associations of obesity and weight change with onset and progression of radiographic knee osteoarthritis.*

Prior Degree: 2005 MPH University of North Carolina at Chapel Hill.

Current Position: Assistant Clinical Professor, Emergency Medicine, University of Colorado Anschutz Medical Campus.

Jill McClain, Department of Nutrition, Doctoral Student, PhD 2009.

Royster Fellow. *Mediation of the effects of obesity on coronary heart disease in a bi-ethnic cohort: the Atherosclerosis Risk in Communities (ARIC) Study.*

Prior Degree: 2001 MA Georgetown University.

Post-doctoral Fellowship: Wake Forest University.

Current Position: Homemaker.

Daniel R. Taber, Department of Epidemiology, PhD 2010. Royster Fellow, *Predictors of differences in adolescent adiposity trends and weight-related behaviors among states in the United States.*

Prior Degree: 2005 MPH University of Washington.

Post-doctoral Fellowship: 2010-12 University of Illinois at Chicago.

Current Position: Assistant Professor, University of Texas at Austin.

Eva G. Katz, Department of Nutrition, PhD 2010. *The association of body weight and circumferences with metabolic risk factors in Chinese men and women.*

Prior Degree: 1997 MPH/RD University of California at Berkeley.

Current Position: Associate Director, Benefit-risk Assessment, Department of Epidemiology, Janssen Pharmaceutical Companies of Johnson & Johnson.

Eva E. Oakkar, Department of Nutrition, PhD 2014. *Acculturation, body mass index and type 2 diabetes risk in Asian Americans.*

Prior Degrees: 2008 MS, University of Hawaii at Manoa; 2006 Dipl Ing (FH; MS equivalent), IMC University of Applied Sciences, Krems, Austria.
Current Position: Senior epidemiologist, IQVUIA; Lecturer, Johns Hopkins University.

Amy Roberts, Department of Nutrition, PhD 2014. *Measuring the healthfulness of children's diets and the role of the home food environment*
Prior Degree: 2008 MS, Columbia University.
Current position: Founder of "Healthy Bytes"
<http://www.healthybytesapp.com/>.

Madison N. LeCroy, Department of Nutrition, PhD, 2018. *Targeting the home food environment for obesity prevention in immigrant ethnic minorities.*
Prior Degree: 2014 BS, Wake Forest University.
Post-doctoral Fellowship: 2019, University of North Carolina at Chapel Hill.

**POST-DOCTORAL
FELLOWS
MENTORED**

Juhaeri Juhaeri, Department of Epidemiology, Post-doctoral Fellow 1999-2001, *Obesity, cardiovascular disease, and antidepressant use in large prospective cohort studies.*
Prior Degrees: 1990 Sarjana (MS equivalent), Cum Laude, Bogor Agricultural University, Bogor, Indonesia; 1996 MS Wake Forest University, 1999 PhD Epidemiology, University of North Carolina at Chapel Hill.
Current Position: Vice President and Head, Global Safety Sciences, Sanofi; Adjunct Assistant Professor, University of North Carolina at Chapel Hill.

Claire Zizza, Department of Nutrition, Post-doctoral Fellow, 2002-2005, *Obesity and hospitalization.*
Prior Degrees: 1990 MS University of Arizona; 2002 PhD Nutrition, University of North Carolina at Chapel Hill.
Current Position: Associate Professor, Department of Nutrition, Dietetics, and Hospital Management, College of Human Sciences, Auburn University.

Kimberly P. Truesdale, Department of Epidemiology, 2001-2005, Post-doctoral Fellow, *Causes and consequences of weight change.*
Prior Degrees: 1997 MSPH, University of North Carolina at Chapel Hill; 2000 PhD Epidemiology, University of North Carolina at Chapel Hill.
Current Position: Research Associate Professor, Department of Nutrition, University of North Carolina at Chapel Hill.

Maria Bryant, Department of Nutrition, 2004-2006, Post-doctoral Fellow, *Measurement of food availability in the home.*
Prior Degrees: 2004 PhD Nutrition and Psychology, University of Leeds, United Kingdom.
Current Position: Senior Research Fellow, University Academic Fellow, Leeds Institute of Clinical Trials Research, University of Leeds.

Euna Han, Department of Nutrition, 2006-2007, Post-doctoral Fellow
Obesity, Depression and hospitalization.
Prior Degrees: 2006 PhD, University of North Carolina at Chapel Hill.
Current Position: Senior Research Scientist, College of Pharmacy, Yonsei Institute of Pharmaceutical Sciences, Yonsei University, Seoul, Korea.

Rebecca Cleveland, Department of Nutrition, 2007-2009 Marilyn Gentry Fellow and Research Assistant Professor, *Insulin-like Growth Factor-I polymorphisms and breast cancer.*

Prior Degrees: 1997 MPH, Tulane University; 2003 PhD Epidemiology, University of North Carolina at Chapel Hill.
 Current Position: Research Assistant Professor of Medicine, Thurston Arthritis Center, University of North Carolina at Chapel Hill.

Xuesong Han, Department of Nutrition, 2010-2012 Marilyn Gentry Fellow and Research Assistant Professor, *Nutrition and cancer risk, nutrition and cancer prognosis and survival, and gene-environment interaction.*
 Prior Degrees: 2004 MS, Tsinghua University, Beijing, China; 2010 PhD Epidemiology & Public Health, Yale University.
 Current Position: Strategic Director, Health Policy & Healthcare Delivery Research, American Cancer Society; Adjunct Professor, Emory University, Emory Winship Cancer Institute.

Patrick T. Bradshaw, Department of Epidemiology, 2009-2010 Post-doctoral Fellow, 2010-2011 Susan G. Komen for the Cure Post-doctoral Fellow *Nutrition and cancer, Metabolically healthy obese.*
 Prior Degrees: 1996 and 2001 MS, Florida State University; 2009 PhD Epidemiology, University of North Carolina at Chapel Hill.
 Current Position: Assistant Professor, Division of Epidemiology, University of California, Berkeley.

Zhaohui Cui, Department of Nutrition, 2012-2015 Post-doctoral Fellow, *Obesity in children.*
 Prior Degrees: 2004 MS; 2012 PhD International Public Health, University of Sydney, Australia.
 Current Position: Epidemiologist, Centers for Disease Control.

Joana Araujo, Department of Nutrition, 2017-2019 Post-doctoral Fellow, *Cardiometabolic health.*
 Prior degrees: 2010 MPH, University of Porto Medical School, Portugal; 2016 PhD Public Health, University of Porto Medical School, Portugal.

Madison N. LeCroy, Department of Nutrition, 2019 Post-doctoral Fellow, *Diet and obesity in immigrant ethnic minorities.*
 2018 PhD Nutrition, University of North Carolina at Chapel Hill
 Current Position: Albert Einstein, New York, New York .

COMMITTEE AND
POST-DOCTORAL
FELLOWS
MENTORED)**

Lauren Abbate, PhD

2004-2005. American College of Rheumatology Research and Education Foundation Medical/Graduate Student Achievement Award for abstract entitled, *“Do Body Composition and Body Fat Distribution Explain Ethnic Differences in Radiographic Knee OA Outcomes in African-American and Caucasian Women?”*

2004-2005. Young Investigator Award from the Osteoarthritis Research Society International for the abstract, *“Comparing Body Mass Index, Body Composition, And Body Fat Distribution As Predictors Of Radiographic Knee Osteoarthritis In Women And Men”*

Eva Erber, PhD

April 2011. Nutrition Epidemiology Research Interest Section of the American Society for Nutrition Student Poster Award, Washington, DC.

Denise Houston, PhD

2004-2005. Outstanding Student Award from the Department of Nutrition. (Class of 2004)

April 2003. American Society for Nutritional Sciences Award for Excellence in Predoctoral Research Proposal sponsored by Kraft Foods

Gabrielle Jenkins, PhD Candidate

November 2015. Special Recognition award for Diversity from The Obesity Society for abstract entitled, *“Cardiovascular disease risk factor correlates of physical activity and sedentary behavior patterns in U.S. youth.”*

November 2015. Special Recognition award for Epidemiology & Population Health from The Obesity Society for abstract entitled, *“Cardiovascular disease risk factor correlates of physical activity and sedentary behavior patterns in U.S. youth.”*

Madison LeCroy, PhD

November 2015. Abstract of Distinction for Epidemiology and Population Health Section from The Obesity Society for abstract entitled, *“Validation of the snack and sugar-sweetened beverage categories of a home food availability checklist among White British and Pakistani homes in the UK.”*

Kamika Reynolds, PhD Candidate

November 2015. 1st place winner of the 3rd Annual Epidemiology Poster Award for Excellence in Science with a Focus in Epidemiology from The Obesity Society for abstract entitled, *“External Validation of Equations to Predict Percentage Body Fat Using Demographic and Anthropometric Measurements: NHANES 1999-2006 and CARDI 1995-1996.”*

Whitney Robinson, PhD

2005. Invited to attend the SER (Society for Epidemiologic Research) Student Workshop held on Monday, June 27, 2005 in Toronto, Canada.

July 17-24, 2005. Invited to attend the Edward A. Smuckler Memorial Workshop: Pathobiology of Cancer sponsored by the National Cancer Institute, in Snowmass Village, CO.

Kimberly Truesdale, PhD

February 2002. Finalist for North American Association for the Study of Obesity Ethan Sims Young Investigator Award.
