

## **CURRICULUM VITAE:**

**David Jay Weber, M.D., M.P.H.**

Business Address: Division of Infectious Diseases  
2163 Bioinformatics Building  
Campus box 7030  
UNC at Chapel Hill  
Chapel Hill, NC 27599-7030  
Phone: (919) 966-2536  
FAX: (919) 966-1451  
E-mail: [dweber@unch.unc.edu](mailto:dweber@unch.unc.edu)

Date of Birth: April 14, 1951

Place of Birth: New York, New York

Wife: Sharon Wallman Weber

Children: Jessica Michelle Weber  
Elyssa Brienne Weber  
Rachel Lauren-Holly Weber

Education:

1973	B.A. (biology and political science), Wesleyan University, Middletown, Connecticut (magna cum laude)
1977	M.D., University of California at San Diego, La Jolla, California
1985	M.P.H. (Epidemiology), School of Public Health, Harvard University, Brookline, Massachusetts

Postdoctoral Training:

Residencies:

1977-78	First year resident in Medicine, Massachusetts General Hospital, Boston, Massachusetts
1978-79	Second year resident in Medicine, Massachusetts General Hospital, Boston, Massachusetts
1979-80	Third year resident in Medicine, Massachusetts General Hospital, Boston, Massachusetts

Fellowships:

1980-81	Ambulatory Care Fellow, Massachusetts General Hospital, Boston, Massachusetts
1981-85	Clinical and Research Fellow in Medicine, Infectious Disease Unit, Massachusetts General Hospital, Boston, Massachusetts

Licensure and Certification:

1977	Diplomate, National Board of Medical Examiners
1980	Licensure, Commonwealth of Massachusetts (MA 44929)
1980	Diplomate, American Board of Internal Medicine
1983	American Heart Association, Advanced Cardiac Life Support
1985	American Heart Association, Advanced Cardiac Life Support, Instructor
1985-	Licensure, State of North Carolina (NC 29186)
1988	Diplomate, Infectious Disease Boards, American Board of Internal Medicine
1991	Diplomate, Critical Care Medicine Boards, American Board of Internal Medicine
1992	Diplomate, Preventive Medicine Boards, American Academy of Preventive Medicine

Academic Appointments:

1981-85	Research Fellow in Medicine, Harvard Medical School
1984-85	Instructor, Infectious Disease Unit, Department of Pediatrics, Massachusetts General Hospital
1985-91	Assistant Professor of Medicine, School of Medicine, University of North Carolina at Chapel Hill
1985-91	Assistant Professor of Pediatrics, School of Medicine, University of North Carolina at Chapel Hill
1985-91	Assistant Professor of Epidemiology, School of Public Health, University of North Carolina at Chapel Hill
1991-99	Associate Professor of Medicine, School of Medicine, University of North Carolina at Chapel Hill
1991-99	Associate Professor of Pediatrics, School of Medicine, University of North Carolina at Chapel Hill
1991-99	Associate Professor of Epidemiology, School of Public Health, University of North Carolina at Chapel Hill
1995-	Associate Director, UNC School of Medicine M.D./Ph.D. Program.
1998-99	Assistant Dean, UNC School of Medicine, university of North Carolina at Chapel Hill
1999-	Professor of Medicine, School of Medicine, University of North Carolina at Chapel Hill
1999-	Professor of Pediatrics, School of Medicine, University of North Carolina at Chapel Hill
1999-	Professor of Epidemiology, School of Public Health, University of North Carolina at Chapel Hill

Hospital Appointments:

1984	Clinical Assistant in Infectious Diseases, Pediatric Service, Massachusetts General Hospital
1985-	Medical Director, Department of Hospital Epidemiology, University of North Carolina Hospitals
1990-91	Service Chief, Infectious Disease Inpatient Ward, UNC Hospitals
1994-	Medical Director, Occupational Health Service, UNC Hospitals
1998-99	Associate Chief of Staff, UNC Hospitals
2007-	Associate Chief Medical Officer, UNC Health Care

State of North Carolina Professional Services:

1985-91	Infectious Disease Consultant: Statewide Tuberculosis Management and Infection Control Program in Community Hospital
1991-	Associate Director: Statewide Tuberculosis Management and Infection Control Program in Community Hospitals
1998-2001	Chair, AARR-VI Study Section, AIDS Epidemiology and Clinical Trials, NIAID, NIH
1999-	Member, NC State TB Advisory Committee
2009-	Chair, NC State TB Medical Advisory Committee
2004-present	Member, Public Health Institution Best Practices Task Force

Other UNC Professional Activities:

1991-2008	Epidemiologist, General Clinical Research Center, UNC School of Medicine
1996-99	Associate Director, MD/PHD Program, UNC School of Medicine
1999-	Chair, M.D., with Honors Committee
2007-present	Co-Chair Biomedical IRB
2008-2017	Director, Regulatory Core, CTSA grant

Awards and Honors:

1972	Phi Beta Kappa
1991	Faculty Teaching Award, UNC Department of Medicine
1995	Teaching Scholar, UNC School of Medicine
1999	Chair, Section L (Nosocomial Infections), American Society of Microbiology
2006	H. Fleming Fuller award (outstanding clinician of the year), UNC Health Care System
2011	Margaret Jenkins Lectureship, Medical University of South Carolina
2011	Division L (Nosocomial Infections) Keynote speaker, American Society of Microbiology, Annual Meeting, New Orleans, LA, 2011
2012	Publication Award, American Journal of Infection Control, Association of Professionals in Infection Control, Annual Meeting, San Antonio, TX, 2011
2014	Greenberg Award (excellence in research, teaching and service), UNC Gillings School of Global Public Health
2018	Publication Award, American Journal of Infection Control, Association of Professionals in Infection Control, Annual Meeting, Minneapolis, MN, 2018
2018	Senior Scholars Award, Society for Healthcare Epidemiology of America, to be presented at IDweek, San Francisco, October, 2018

Memberships:

1984	American Society of Microbiology
1985	Fellow, Society of Hospital Epidemiologists
1991	Fellow, Infectious Disease Society of America
1991	Member, American College of Physicians
2017	Fellow, Royal Society of Medicine, London

Editorships:

1993-2007	Subsection Editor, Topics In Occupational Health. Infection Control & Hospital Epidemiology
2000-2002	Editor, Seminars in Infection Control, W.B. Saunders
2006-2011	Editor-In-Chief, Advances in Vaccinology
2007-present	Associate Editor, Infection Control and Hospital Epidemiology
2016-present	Editorial Board, Infection, Disease & Health, Sydney, Australia
2015-present	Editorial Board, Journal of Infection and Public Health

Visiting Professorship

1992-93	Visiting Scientist, Vaccine Trials and Epidemiology Branch, Division of AIDS, National Institute of Allergy and Infectious Diseases, NIH
2000 (summer)	Institute of Epidemiology & Medical Biometry, Ulm University, Ulm Germany, 1 week course "Epidemiology of Infectious Diseases"
2002 (summer)	Institute of Epidemiology & Medical Biometry, Ulm University, Ulm Germany, 1 week course "Epidemiology of Infectious Diseases"
2005 (summer)	Institute of Epidemiology & Medical Biometry, Ulm University, Ulm Germany, 1 week course "Epidemiology of Infectious Diseases"
2010 (summer)	Institute of Epidemiology & Medical Biometry, Ulm University, Ulm Germany, 1 week course "Epidemiology of Infectious Diseases"
2017 (summer)	Institute of Epidemiology & Medical Biometry, Ulm University, Ulm Germany, 1 week course "New and Emerging Infectious Diseases"
2018	26 July 2018, Royal Melbourne Hospital, Parkville, Victoria, Australia

## Other Activities for Professional Societies:

2007-2010	Member, Annual Meeting Committee, Infectious Disease Society of America
2008-2010	Member, Annual Planning Committee, Society for Healthcare Epidemiology of America
2008-2009	Member, Awards Committee, Society for Healthcare Epidemiology of America
2010-2015	Member, Education Committee, Society for Healthcare Epidemiology of America
2011-2014	Member, Guidelines Committee, Society for Healthcare Epidemiology of America
2012-2017	Member, Awards Committee, Society for Healthcare Epidemiology of America
2013-2017	Member, Immunization Committee, American College of Physicians
2015-present	Reviewer, IDweek abstracts
2015-2016	Chair, Awards Committee, Society for Healthcare Epidemiology of America
2016-2018	Board Liaison, Awards Committee, Society for Healthcare Epidemiology of America
2015-present	Member, Guidelines Committee, Infectious Disease Society of America
2017-2018	Member, Board of the Society for Healthcare Epidemiology of America
2017-2018	Member, Conflicts of Interest Committee, Society for Healthcare Epidemiology of America
2020-2022	Member, Education and Research Committee, Society for Healthcare Epidemiology of America
2020-2022	Secretary (Board Member), Society for Healthcare Epidemiology of America
2020-2022	Guidelines Committee, Society for Healthcare Epidemiology of America
2020-2020	SHEA Board Liaison, Guideline Committee

## Teaching Experience:

1979-83	Preceptor, Third Year Medical Students, Harvard Medical School
1982-84	Lecturer, Emergency Medicine Workshops, Massachusetts General Hospital
1984-85	Attending Physician, Pediatric Infectious Disease Unit, Massachusetts General Hospital
1985-	Attending Physician, Medical Service, University of North Carolina Hospitals
1985-	Attending Physician, Pediatric Service, University of North Carolina Hospitals
1985-present	Co-Director, Hospital Acquired Infections, sponsored 2x/year by the Statewide Program in Infection Control and Epidemiology (SPICE), Part 1 and Part II
1985-2007	Course Director, Epidemiology 218 (now 752) "Introduction to Infectious Disease Epidemiology", Department of Epidemiology, School of Public Health, UNC at Chapel Hill
1985-90, 94, 96	Instructor, "Clinical Epidemiology and Preventative Medicine", Department of Social and Administrative Medicine, School of Medicine, UNC at Chapel Hill
1986-88	Co-Director, Epidemiology 141-D "Sexually Transmitted Diseases", Department of Epidemiology, School of Public Health, UNC at Chapel Hill
1988-present	Course Director, Epidemiology 280 (now 764) "Epidemiology of Hospital Acquired Infections", Department of Epidemiology, School of Public Health, UNC at Chapel Hill
1988-1992	Co-Director, Epidemiology 141 "Epidemiology of Immunizations", Department of Epidemiology, School of Public Health, UNC at Chapel Hill
1991-2013	Course Director, "Methods in Clinical Research", School of Medicine, UNC at Chapel Hill
1992-2016	Course Director, "Ethics in Scientific Research", School of Medicine, UNC at Chapel Hill
1995-96, 2000	Course Director, "Graduate Seminar Series - Infectious Diseases", School of Public Health, UNC at Chapel Hill
1996-2005	Course Co-Director, "Seminar in Critical Appraisal of the Literature in Epidemiology and Medicine", School of Public Health, UNC at Chapel Hill
2006-2010	Co-Director, Epidemiology 141 "Epidemiology of Zoonotic Diseases" {taught in alternate years}
2008-2015	Co-Director, Epidemiology 754 "Prevention and Control of Infectious Diseases at the Level of the Community"
2008-2011	Co-Director, Epidemiology 889 "Vaccines"

## Master's Students And Thesis Topics:

1986	Robert Brawley, M.D. Multiple nosocomial infections. UNC School of Public Health, Department of Epidemiology - M.P.H.
1986	Susan Saviteer, M.D. Nosocomial infections in the elderly: Increased risk per hospital day. UNC School of Public Health, Department of Epidemiology - M.P.H.
1987	Brenda Gant. Secular trends in the incidence of nosocomial infections. UNC School of Public Health, Department of Epidemiology -M.S.P.H.
1987	Harold Martin. The Epidemiology of nontuberculous mycobacterial colonization in North Carolina from 1970 to 1985. UNC School of Public Health, Department of Epidemiology - M.P.H.
1988	Dennis Clements, M.D. The pertussis immunization status of eight-month-old children in North Carolina. UNC School of Public Health, Department of Epidemiology - M.P.H.
1988	Phyliss Sholinsky. Cervical <i>Chlamydia trachomatis</i> infections as a university student health service. UNC School of Public Health, Department of Epidemiology - M.P.H.
1989	Laura Hanson, M.D. Risk factors for nosocomial pneumonia in the elderly. UNC School of Public Health, Department of Epidemiology - M.P.H.
1990	Duanping Liao, M.D. Risk factors for nosocomial sepsis in the prematures at a NICU in Shanghai. UNC School of Public Health, Department of Epidemiology - M.P.H.
1991	Paul Becherer, M.D. Hepatitis D in hemophiliacs. UNC School of Medicine, Department of Epidemiology -M.P.H.
1991	Stuart Cooper, M.D. Epidemiology of tuberculosis in North Carolina children. UNC School of Public Health, Department of Epidemiology - M.P.H.
1991	Theresa Klimko, D.V.M. Lack of serologic evidence of human ehrlichiosis in central North Carolina, 1989. UNC School of Public Health, Department of Epidemiology - M.P.H.
1991	Laura Hanson, M.D. Risk factors for nosocomial pneumonia in elderly patients. UNC School of Public Health, Department of Epidemiology - M.P.H.
1992	Susan Cohn, M.D. Migration of HIV-infected patients to North Carolina: An emerging rural phenomenon. UNC School of Public Health, Department of Epidemiology - M.P.H.
1992	Kenji Cunnion, M.D. Risk factors for nosocomial pneumonia: Comparing surgical and medical critical care. UNC School of Public Health, Department of Epidemiology - M.P.H.
1992	Emmanual Walter. UNC School of Public Health, Department of Epidemiology - M.P.H.
1993	Ada Adimora, M.D. Clinical testing of a gonococcal vaccine. UNC at Chapel Hill, Department of Epidemiology - M.P.H.
1993	Paul Becherer, M.D. Hepatitis C infection: Transmission and clinical impact. UNC at Chapel Hill, Department of Epidemiology - M.P.H.
1994	Ken Olivier, M.D. - Multicenter investigation of nontuberculous mycobacteria in persons with cystic fibrosis. UNC School of Public Health, Department of Epidemiology - M.P.H.
1994	Manual Mah, M.D. Epidemiology of bloodborne virus infection in a U.S. hemophiliac population. UNC School of Public Health, Department of Epidemiology - M.P.H.
1994	Daughn Charles. Lyme disease in North Carolina, 1991-1993. UNC School of Public Health, Department of Epidemiology - M.P.H.

Master's Students And Thesis Topics:

- 1995 George Beatty. Gender differences in immunosuppression among HIV-infected patients seeking care at a southern infectious disease clinic. UNC School of Public Health, Department of Epidemiology - M.P.H.
- 1995 Janet Alexander. Tularemia in the United States, 1985-1992. UNC School of Public Health, Department of Epidemiology - M.P.H.
- 1995 Shiela Kinty. Epidemiology of tuberculosis in North Carolina, 1989-1993. UNC School of Public Health, Department of Epidemiology - M.P.H.
- 1995 Scott Woods. Collegial networking and faculty vitality: A case-control study. UNC School of Public Health, Department of Epidemiology - M.P.H.
- 1996 Brian Sebastian. The Epidemiology of nontuberculous mycobacteria in North Carolina, 1970 to 1995. UNC School of Public Health, Department of Epidemiology - M.P.H.
- 1996 Kimberly Fox, M.D. Antimicrobial resistance in *Neisseria gonorrhoeae* in the United States, 1988-1994: The emergence of reduced susceptibility to the fluoroquinolones. UNC School of Public Health, Department of Epidemiology - M.P.H.
- 1996 Holli Hamilton, M.D. A cost minimization analysis of varicella vaccine in health care workers. UNC School of Public Health, Department of Epidemiology - M.P.H.
- 1998 Allison Aiello. Detection and occurrence of enteric viruses in oysters and clams from sites impacted by point and non-point fecal contamination by using cell culture infectivity and RT-PCR. UNC School of Public Health, Department of Epidemiology - M.P.H.
- 2010 Joseph Everette Hatch. Methicillin-resistant *Staphylococcus aureus* in gyms. UNC School of Public Health, Department of Environmental Sciences, MSPH.
- 2012 Rebekah Moehring, MD. Gram negative infections in community hospitals (DIKON network). UNC School of Public Health, Department of Epidemiology - M.P.H.
- 2018 Jessica Seidelman, MD. Prevalence and risk factors for *Candida* endophthalmitis: A multicenter retrospective cohort study. UNC School of Public Health, Department of Epidemiology - M.P.H.

Doctoral Committees (Chair):

1997-2004	Gayle Shimokura, PhD: Risk factors for hepatitis C transmission in hemodialysis units. Dept. of Epidemiology, UNC School of Public Health.
2006-2010	Emily Sickbert-Bennett, PhD: Sensitivity and specificity of communicable disease reporting. Dept. of Epidemiology, UNC School of Public Health.
2008-2010	Mary Beth Richey, PhD: Device infection rates as a function of device duration. Dept. of Epidemiology, UNC School of Public Health.
2010-2013	Sarah Rhea, DVM: Epidemiology of animal bites in North Carolina. Dept. of Epidemiology, UNC School of Public Health.
2010-2013	Eric Lofgren, MSPH: Modeling of transmission of <i>Clostridium difficile</i> in hospitals. Dept. of Epidemiology, UNC School of Public Health.
2016-2018	Paula Strassle, MSPH, Analysis of risk factors for non-device related healthcare-associated infections. Dept. of Epidemiology, UNC School of Public Health.

## Doctoral Committees:

1990	Peter Margolis, M.D: Respiratory illness in children. Department of Epidemiology, UNC School of Public Health
1991	Danielle LaBorde: Infections in daycare centers. Department of Epidemiology, UNC School of Public Health
1991	Grey Davis: Strategies to prevent neonatal herpes infections. Department of Health Policy, UNC School of Public Health
1995	Peter Millard: Tuberculosis. Department of Epidemiology, UNC.
1995	Francis Martinson: Risk factors for horizontal transmission of hepatitis B virus in a rural district in Ghana. Department of Epidemiology, UNC.School of Public Health
1995	Antionio J. Cunha: Acute lower respiratory infections (ALRI) in children in Northeast Brazil; implications for prevention and control. Department of Epidemiology, UNC.School of Public Health
1998	Diane Catellier. Inference for the general linear multivariate model with missing data in small samples. Dept of Biostatistics, UNC.School of Public Health
2000	Laura Moorhead, White plague in black L.A.: Tuberculosis among African Americans in Los Angeles, 1930-1950. Dept. of Geography, UNC
2010	“Ku” Lanakila McMahan: Evaluation of the H2S test as an indicator of waterborne fecal contamination. Department of Environmental Sciences, UNC School of Public Health
2012	Emily Bratton: Influenza vaccine efficacy in hemodialysis patients. Department of Epidemiology, UNC School of Public Health
2013	JaHyun Kang, RN. Analyses of healthcare associated infections. UNC School of Nursing.
2014	Meagan Vaughn. Effectiveness of permethrin impregnated uniforms for the prevention of tick bites among outdoor workers. Dept. of Epidemiology, UNC School of Public Health
2016	Ruth Link-Gelles. Role of socioeconomic status in the internal and external validity of estimated effectiveness of 13-valent pneumococcal conjugate vaccine in the United States. Dept. of Epidemiology, UNC School of Public Health
2016	Melanie Denise Napier. Exposure to human source-associated fecal indicators and self-reported illness among swimmers. Dept. of Epidemiology, UNC School of Public Health.
2018	Melissa Arvay. Improving detection and treatment of infections in neonates: secondary analyses of the Aetiology of Neonatal Infection in South Asia (ANISA) study. Dept. of Epidemiology, UNC School of Public Health.
2019	Alessandra Bassalobre Garcia Reeves. Antimicrobial stewardship programs: Implications for resistance rates & quality of care hospitals. Dept. of Health Policy and Management, UNC Gillings School of Global Public Health.
2018	Paul Zivich. To be determined.

NIH/CDC/FDA Review Panels:

1988-91	Ad Hoc Reviewer: AIDS & Related Research Study Section 2 (Epidemiology and Biostatistics), National Institutes of Health
1991-1996	Reviewer: AIDS & Related Research Study Section 2, National Institutes of Health
1994-1996	Chair: AIDS & Related Research Study Section 2 (Epidemiology and Biostatistics), National Institutes of Health
1995-1996	Reviewer: FDA Panel to review VAERS System
1997-1998	Member Review Panel For HIV Postexposure Prophylaxis Registry
1997-99	Chair: AIDS Related Research Study Section 6 (Epidemiology and Biostatistics), National Institutes of Health
2004-2008	Member, Recombinant DNA Advisory Committee, National Institutes of Health
2007-present	Member, Ad Hoc Working Group on Clinical Trial Design, NIH
2014-	SHEA liaison to CDC Advisory Committee on Immunization Practices
2010-2011	Advisory Committee on Immunization Practices, Centers for Disease Control and Prevention, Working Group on immunization requirements for healthcare personnel
2010-2011	Advisory Committee on Immunization Practices, Centers for Disease Control and Prevention, Working Group on hepatitis B vaccine for diabetics
2011-2012	Advisory Committee on Immunization Practices, Centers for Disease Control and Prevention, Working Group on screening healthcare personnel for hepatitis B immunity on initial employment
2016	Member, Review Committee, Emerging Infections Programs, 31 August-1 September, 2016

**Invited National and International Lectures:**

1. 1987, "Hospital Acquired Fungal Infections", Karolinska Institute, Stockholm, Sweden
2. 1989, "Risk Factors Associated with Ingestion of Raw Shellfish", National Academy of Sciences, Woodshole, Massachusetts
3. 1989, "Tuberculosis in North Carolina", North Carolina Association of Public Health, Charlotte, North Carolina
4. 1990, "Natural History of HIV-1 Infection", University of Uhm, West Germany
5. 1991, "Contact Tracing As A Strategy for Controlling HIV Transmission", National Institutes of Health, Washington D.C.
6. 1992, "Current Issues in the Prevention of Nosocomial Infections", Medical Grand Rounds, Medical College of Georgia
7. 1993, "Design of Clinical Trials", Critical Care Conference, Clinical Center, National Institutes of Health
8. 1993, "Statistics for the Clinician", Critical Care Conference, Clinical Center, National Institutes of Health
9. 1993, "Design of Clinical Trials", Infectious Disease Conference, Clinical Center, National Institutes of Health
10. 1995, "Outbreak Investigations", CDC/SHEA Infection Control Course, San Francisco, May 6-9, 1995
11. 1995, "Update of Occupational Medicine", North Carolina APIC Convention, Ashville, NC Oct. 18-20, 1995.
12. 1997, "Monitoring and Management of Occupational Injuries", Society for Healthcare Epidemiology of America, St. Louis, April 27-29, 1997
13. 1997, "Airborne Fungal Infections", American Society for Microbiology, Miami, May 4-8, 1997
14. 1997, "Toxicities Associated With Germicides and Disinfectants", Association of Practitioners In Infection Control, New Orleans, May 11-13, 1997
15. 1997, "Infectious Disease Epidemiology", University of Ulm, Ulm, West Germany, July 9-13, 1997
16. 1997, Methods in Infectious Disease Epidemiology (series of 4 lectures), University of Utah, August 10-12, 1997
17. 1998, "Adult Vaccines", Medical Grand Rounds, University of Tennessee, Knoxville, March 24, 1998
18. 1998, Varicella vaccine: Use in the US.
19. 1999, "Nosocomial Pneumonia", Lecture, Infectious Disease Course, Massachusetts General Hospital, Boston, April
20. 1999, "Infection Control Update", Lecture, Infectious Disease Course, Massachusetts General Hospital, Boston, April

**Invited National and International Lectures:**

21. 2000, Thai Infectious Disease Society, "Impact and Control of Drug Resistant Pathogens", Bangkok, September
22. 2000, Infectious Disease Society of America, "Review of Occupational Health Issues", New Orleans, September
23. 2001, National Institutes of Health, Critical Care Grand Rounds, "Challenges in Infection Control for the 21<sup>st</sup> Century", Bethesda, MD, January
24. 2001, Society for Healthcare Epidemiology of America, "Infection Control for
25. 2001, Harvard Medical School, Infectious Diseases of Adults, "New Challenges in Infection Control," "Healthcare-Associated Pneumonia," Boston, Massachusetts, April.
26. 2001, American Society of Microbiology, "Outbreaks Associated With the Environment", Orlando, May.
27. 2001, North Carolina Chapter of American Family Practice Association, "Recognition and Management of Bioterrorist Agents," August.
28. 2001, Interscience Conference on Antimicrobial Agents and Chemotherapy, "Non-Fermenting Gram Negative Rods," December 2001, San Diego, CA
29. 2001, Trauma Grand Rounds UCS, Prevention and Management of Nosocomial Airborne Fungal Infections, December.
30. 2004, University of East Tennessee, Surgery Grand Rounds, Cincinnati, OH, "Skin and Soft Tissue Infections," January 2004
31. 2004, University of Kentucky, Medicine Grand Rounds, "SARS," February 2004
32. 2004, Hong Kong Infectious Disease Society, Hong Kong, "Managing Drug Resistant Pathogens," March 2004
33. 2004, Hospital (Number 1), Shanghai, China, "Healthcare-Associated Infections," March 2004
34. 2004, Terri Lee Memorial Symposium, Asheville, N.C., " Rabies," March 2004
35. 2004, European Congress of Clinical Microbiology and Infectious Diseases (ECCMID), Prague, "Current Options For the Treatment Of Bacterial Infections," May 1-4
36. 2004, Infectious Disease Rounds, Medical College of South Carolina (Visiting Professor), Charleston, SC, "Management of Neutropenic Fever", September
37. 2005, Grand Rounds, Internal Medicine, Womack Army Hospital, Fort Bragg, Fayetteville, NC, "Advances in the Diagnosis and Treatment of Community Acquired Pneumonia", February 2005
38. 2005, Association of Clinical Research Professionals, RTP, NC Chapter, "Data Safety and Monitoring", February 2005
39. 2005, Grand Rounds, Family Practice, Womack Army Hospital, Fort Bragg, Fayetteville, NC, "Changing Nature of *Staphylococcus aureus* Infection", April 2005

**Invited National and International Lectures:**

40. 2005, Grand Rounds, Internal Medicine, Walter Reed Army Hospital, Washington, D.C., "Managing Drug Resistant Pathogens", April 2005
41. 2005, Pandemic Influenza Planning: The Reality of Implementation in the Southeast, "Local Pandemic Preparedness", Emory University, November 2005
42. 2005, Grand Rounds, Internal Medicine, Christ Hospital, Cincinnati, OH, "The Growing Threat of Antibiotic Resistant Pathogens", November 2005
43. 2005, 5<sup>th</sup> International Symposium on Antimicrobial Agents and Resistance, "Treatment Options For Polymicrobial Infections: Is Monotherapy a Thing of the Past?" Seoul, Korea, April 29, 2005
44. 2006, Charlotte Infectious Disease Society, "Changing Nature of Staphylococcus aureus Infections", Charlotte, NC, February 2006
45. 2006, ID Division Rounds, University of Virginia School of Medicine, "Herpes Zoster Epidemiology," February 2006
46. 2006, Annual Meeting, Society for Healthcare Epidemiology of America (SHEA), "Transmission of Bloodborne Pathogens From Provider-to-Patient", March 2006
47. 2006, Annual Meeting, European Clinical Microbiology and Infectious Diseases (ECCMID), Nice, France, "Health Care Associated ICU Infections: Focus on Collateral Damage From Antibiotics", April 2006
48. 2006, German Congress on Anesthesiology, Leipzig, Germany, "Antibiotic Resistant Pathogens and New Therapies: The American Experience", May 2006
49. 2006, "Bad Bugs" Infectious Disease Update For Nurses, Chapel Hill, NC, "Prevention and Treatment of Infections Associated with Travel", May 2006
50. 2006, NC Colleges, Planning for Epidemic Influenza, Raleigh, NC, "Primer on Influenza and Local Preparedness for Epidemic Influenza", June 2006
51. 2006, Annual Meeting, Association of Practitioners in Infection Control (APIC), Tampa, FL, "Nosocomial Pneumonia, 2006: Epidemiology, Therapy, and Prevention", June 2006
52. 2006, Annual Meeting, Association of Practitioners in Infection Control (APIC), Tampa, FL, "Efficacy of Antiseptic or Antibiotic Impregnated Medical Devices In Preventing Nosocomial Infections", June 2006
53. 2006, Annual Meeting, Association of Practitioners in Infection Control (APIC), Tampa, FL,, "Outbreaks Associated With Sterilants and Disinfectants", June 2006
54. 2006 12<sup>th</sup> International Congress on Infectious Disease, Lisbon, Portugal, "Use of Broad Spectrum Antibiotics To Treat Complicated Skin and Soft Tissue Infections and Complicated Intra-abdominal ", June 2006
55. 2006, Keynote Speaker, Randolph Hospital Sports Medicine Symposium, "Infections Related to Sports: Focus on Community-Associated Methicillin-Resistant *Staphylococcus aureus*", August 2006

**Invited National and International Lectures (continued):**

56. 2006, Terry Lee Memorial Symposium, Asheville, NC., "Infectious Diseases in the Movies: Fact or Fiction", November 2006.
57. 2007, Internal Medicine Grand Rounds, Medical University of South Carolina (MUSC), SC, "Vaccine Update", March 2007
58. 2007, "Bad Bugs" Infectious Disease Update for Nurses, Chapel Hill, NC, "Emerging Agents Causing Gastroenteritis: *E. coli* O157:H7, norovirus, *Clostridium difficile*", May 2007
59. 2007, Camp LaJeune Marine Base, "Changing nature of *S. aureus* Infections, May 2007
60. 2007, American Society of Gene Therapy Annual Meeting, "Ethical and Safety Issues To Be Considered in Gene Transfer Research" (part of an NIH sponsored symposium), Seattle WA, June 2007

Using lean/six sigma quality improvement methodologies to reduce central line-associated bloodstream infections (CLABSI) in a pediatric hospital. 37th Annual Educational Conference and International Meeting of APIC. Abstract 12-141. p71. July 2010.
63. Rowe EC, Savage SW, Rutala WA, **Weber DJ**, Gergen-Teague M, Eckel SF. Evaluating USP chapter 797 Beyond use date extension with antineoplastics and monoclonal antibodies. American Society of Health System Pharmacist. Anaheim, CA. December 2010.
64. Rowe EC, Savage SW, Rutala WA, **Weber DJ**, Gergen-Teague M, Eckel SF. Evaluating microbial growth in various antineoplastics and monoclonal antibodies. American Society of Health System Pharmacist. Anaheim, CA. December 2010.
65. Kang J, Sickbert-Bennett EE, Brown VM, **Weber DJ**, Rutala WA. Incidence of healthcare-associated infections by pathogen at a University hospital from 2005 to 2011. 39th Annual Education Conference and International Meeting of APIC. June 2012.
66. Kanamori H, **Weber DJ**, Sickbert-Bennett EE, Brown V, Kaku M, Rutala WA. Descriptive analysis of healthcare-associated infections other than bloodstream, respiratory, urinary tract or surgical site. ID Week, October 2012.
67. Rutala WA, Gergen MF, **Weber DJ**. Efficacy of different “cleaning/disinfection” methods against *Clostridium difficile* spores: Importance of physical removal versus sporicidal inactivation. ID Week, October 2012.
68. Anderson D, Gergen MF, **Weber DJ**, Rutala WA. Effectiveness of ultraviolet (UV)-C light against *C. difficile*, *Acinetobacter* and vancomycin-resistant enterococci in the hospital environment. ID Week, October 2012.
69. Anderson DJ, Rutala WA, Knelson LP, Moehring RW, Chen LF, **Weber DJ**, Sexton DJ and the CDC Epicenter Prevention Program. Inter-hospital variation in time required for hospital room ultraviolet (UV)-C Irradiation. ID Week, October 2013.
70. Knelson LP, Williams DA, Gergen M, Rutala WA, **Weber DJ**, Sexton DJ, Anderson DJ and the CDC Epicenter Prevention Program. Environmental contamination by patients infected or colonized with MRSA or VRE: A multicenter study. ID Week, October 2013.
71. Chen L, Knelson LP, Gergen-Teague M, Better MO, Nicholson B, Lewis SS, Woods CW, Rutala WA, **Weber DJ**, Moehring RW, Sexton DJ, Anderson DJ. A prospective longitudinal study of transmission of multi-drug resistant organisms (MDROs) between environmental sites and hospitalized patients-Interim analysis of the TransFer study. ID Week.
72. Teal L, Sickbert-Bennett E, DiBiase L, Rutala WA, Brooks B, Williams D, Walters E, Bringhurst J, **Weber DJ**. A team approach to reducing catheter-associated urinary tract infections. APIC. Anaheim, CA. June 2013.

**ABSTRACTS (continued):**

73. Kanamori H, Sickbert-Bennett EE, DiBiase L, Willis TS, Walters E, Williams D, Bringhurst J, Teal L, Brooks R, Goldbach S, **Weber DJ**, Rutala WA. "Clean in, clean out" initiative: Improving hand hygiene compliance among frontline healthcare personnel by observations of each other with immediate feedback. ID Week, Philadelphia, PA. October 2014
74. Knelson LP, Chen LF, **Weber DJ**, Rutala WA, Moehring RW, Lewis SS, Sexton DJ, Anderson DJ and the CDC Prevention Epicenters Program. Enhance terminal room disinfection: A qualitative summary of perspectives from environmental services and nurse managers. ID Week. Philadelphia, PA. October 2014.
75. Willis TS, Sickbert-Bennett EE, Rutala WA, **Weber DJ**. Successful frontline multidisciplinary design and ownership of a hand hygiene compliance program in an academic hospital. Institute for Healthcare Improvement. 20th Institute for Healthcare Improvement Scientific Symposium, Orlando, Florida. December 2014.
76. Sickbert-Bennett EE, DiBiase LM, Sanza MM, Miller MB, Rutala WA, **Weber DJ**. Validation of HAI Surveillance Data-Where Do We Begin? SHEA, May 2015
77. Sickbert-Bennett EE, DiBiase LM, Willis TS, Wolak ES, **Weber DJ**, Spears TG, Rutala WA. Reducing Healthcare-Associated Infections Via a Novel "All Hands on Deck" Approach for Hand Hygiene Compliance. SHEA, May 2015
78. Brooks R, Langston M, Koruda M, **Weber DJ**, DiBiase LM, Rutala WA, Sickbert-Bennett EE. Selecting appropriate bundle elements for surgical site infection prevention: An evidence-based approach. APIC 42nd Annual Conference. Am J Infect Control 2015. 43:S59-60.
79. Knelson LP, Ramadanovic GK, Chen LF, Moehring RW, Lewis SS, Rutala WA, **Weber DJ**, Sexton DJ, Anderson DJ, CDC Prevention Epicenter Program. Self-monitoring of hospital room cleanliness by environmental services may not accurately measure cleanliness. ID Week. San Diego. October 2015.
80. Kanamori H, Parobek CM, **Weber DJ**, Rutala WA, Juliano JJ. Application of whole-genome sequencing to investigation of a prolonged outbreak caused by multidrug-resistant *Acinetobacter baumannii* at a large academic burn center. ID Week. San Diego. October 2015.
81. Chen LF, Knelson LP, Gergen-Teague M, Better MO, Nicholson B, Lewis SS, Woods CW, Rutala WA, **Weber DJ**, Moehring RW, Sexton DJ, Anderson DJ, CDC Prevention Epicenter Program. A prospective study of transmission of multi-drug-resistant organisms (MDRO) between environmental sites and hospitalized patients-the TransFER study. ID Week. San Diego. October 2015.
82. Anderson D, Chen LF, **Weber DJ**, Moehring RW, Lewis SS, Triplett P, Blocker M, Becherer P, Schwab JC, Knelson LP, Lokhnygina Y, Rutala WA, Sexton DJ, and CDC Prevention Epicenter Program. The benefits of enhanced terminal room (BETR) disinfection study: A cluster randomized, multicenter crossover study with 2x2 factorial design to evaluate the impact of enhanced terminal room disinfection on acquisition and infection caused by multidrug-resistant organisms (MDROs). ID Week. San Diego. October 2015.
83. Kanamori H, Parobek CM, Juliano JJ, van Duin D, *Weber DJ*, Rutala WA. Next-generation sequencing analysis of prolonged transmission caused by KPC-3-producing *Enterobacter cloacae* and *Klebsiella pneumoniae* at a large academic burn center in North Carolina. SHEA, Atlanta. May 2016.

**ABSTRACTS (continued):**

84. Sickbert-Bennett EE, DiBiase LM, **Weber DJ**, Teal L, Walters E, Brooks R, Bringham J, Schultz K, Goldbach S, Rutala WA. Real-time feedback between job classes as an intervention for hand hygiene compliance. SHEA, Atlanta., May 2016
85. Casanova LM, Teal LJ, Sickbert-Bennett EE, Anderson DJ, Sexton DJ, Rutala WA, **Weber DJ**. Assessment of self-contamination during removal of personal protective equipment for Ebola patient care. SHEA, Atlanta. May 2016
86. DiBiase LM, **Weber DJ**, Miller MB, Kanamori H, Sickbert-Bennett EE, Rutala WA. Crude mortality in patients hospitalized for viral respiratory infections. SHEA, Atlanta. May 2016.
