Position title: Scaling Up Nutrition-Learning and Evaluation data analysis fellow

Number of positions: 1

Short project description: Scaling Up Nutrition Learning and Evaluation (SUN LE) is a USAID/Zambia-funded project that provides survey, research, evaluation, and dissemination services to the Government of Zambia’s Scaling Up Nutrition (SUN) program, which aims to reduce childhood stunting in Zambia. As part of SUN-LE, UNC is leading a study to assess the readiness of government health facilities and communities to implement nutrition interventions. This study includes facility-based inventories of nutrition supplies and equipment, interviews with health care providers, and exit interviews with pregnant women and children under two years of age from over 120 health facilities throughout the country.

Roles and responsibilities of student:
- Conducting statistical analyses using STATA or other statistical software
- Maintaining documentation of datasets and analyses
- Reviewing related research literature

Expected outputs:
- Data analysis
- Report summarizing preliminary findings

Skills and experience required:
- Current MPH student with interests in nutrition, health systems, health policy, or implementation research
- Proficiency with Stata or similar statistical program
- Coursework in quantitative methods, with regression analysis
- Must be organized, self-motivated, and able to work independently

Supervisor: Stephanie Martin, PhD, Department of Nutrition

Minimum duration: 8 weeks

How to apply:

If you are applying to multiple positions, please do not apply until you have ALL cover letters written and ready to upload for each position.

1. Fill-out the [online application form](#) and upload the materials below to the form:
• Cover letter for each position you are applying (If applying to multiple positions, please write a cover letter for each position)
• CV/Resume (If applying to multiple positions, only upload it once)

2. Faculty Evaluation: Please identify a UNC Gillings faculty member who is able to evaluate you on the specific skills listed in the position description(s) you are applying for. Please tell the faculty member which position(s) you are applying for. If applying to multiple positions, the faculty member only needs to complete one evaluation form (they will evaluate you for all your positions on one form).

• Send the Faculty Evaluation Form link to the faculty member:
