PROFESSIONAL EXPERIENCE

VERTEX PHARMACEUTICALS, Cambridge, MA 2011-2012

Community Liaison, Detroit, MI

Government Affairs and Public Policy Division, Community Outreach Department

- Advanced community-based objectives to raise disease awareness, screening, and diagnosis of persons infected with hepatitis C and provided appropriate linkage to care and support services
- Engaged key stakeholders within the hepatitis C community to build and sustain meaningful networks, collaborations and programs to support the needs of patients, inform public policy objectives, achieve meaningful partnerships and bring disease awareness to patients
- Organized, coordinated, and supported local education efforts;
- Facilitated the creation of strategic partnerships to achieve community-based screening, diagnosis and linkage to care objectives

WAYNE COUNTY GOVERNMENT, Detroit, MI 2005-2011

Director, Health Promotion and Disease Prevention

Department of Health and Human Services, Jail Health Division

- Secured over \$1.3 M in multi-year, federal- and state-funding for HIV prevention services
- Designed, implemented, and evaluated HIV/STD/Infectious Disease programs including: assessing access to, acceptability of, and effectiveness of prevention services; program implementation, quality assurance, data collection and analysis, development and presentation of summary reports, and strategic planning
- Coordinated all ID related services, including testing and counseling, contact tracing, partner counseling, case management referrals, treatment, and primary care services
- Laboratory Director; managed laboratory and ensured compliance with CLIA regulations
- Supervised a team of Disease Intervention Specialists
- Precepted MPH and MD graduate students

MASSACHUSETTS PUBLIC HEALTH ASSOCIATION, Jamaica Plain, MA 2004-2005

Correctional Healthcare Coordinator/Graduate Intern

- Served as the MPHA representative on the Massachusetts Health and Mental Health Review Panel to assess health services delivered to individuals incarcerated by the Massachusetts Department of Corrections
- Provided leadership and staff support to the Corrections Advisory Committee
- Acted as the legislative liaison on correctional health issues, including conducted policy analysis, tracked legislative bills, and provided content expertise to legislators for bill drafting

WAYNE COUNTY GOVERNMENT, Detroit, MI 2000-2004

Manager, Infection Control, 2001-2004

Department of Health and Human Services, Jail Health Division

- Managed the Infection Control department, including effective outbreak investigations and interventions; Chaired the Infection Control Committee
- Provided leadership, resources, tools and analytics to reduce/eliminate preventable infections, manage outbreaks/exposures, and improve clinical practice
- Served as liaison between local/regional/state/federal departments of public health and corrections agencies
- Developed curriculum and instructed Infectious Disease and Bloodborne Pathogens training course for all new employees (Sheriff and civilian)

Environmentalist, 2000-2001

Department of Public Health, Environmental Health Division

- Evaluated and enforced environmental health laws based on the Michigan Public Health Code to licensed facilities (food service facilities, private water supplies, solid and hazardous waste management, rodent control, school and institutional facilities, and public swimming pools)
- Conducted foodborne illness investigations and nuisance complaint investigations

UNIVERSITY OF MICHIGAN HEALTH SYSTEM, Ann Arbor, MI 1999-2000

Clinical Research Associate

Division of Cardiology, Echocardiographic Research and Education Division

- Conducted clinical and in vivo contrast echocardiography research
- Prepared Institutional Review Board documents and Clinical Review Forms
- Planned and coordinated pre-clinical trials, including studies of novel gene delivery
- Prepared and administered investigational drugs in human and animal models

PROFESSIONAL ORGANIZATIONS
