

Small Business Webinar Series

Airborne Transmissible Disease (ATD) Prevention “Moving the Needle Forward”

Thursday, June 10 | 1:00PM-2:00PM ET

Please join the North Carolina Occupational Safety and Health Education and Research Center and the WisCon On-Site Safety and Health Consultation Program for the first in a series of 1-hour webinars designed to help small businesses as they plan to move forward and beyond the COVID-19 pandemic.

We will cover:

- ✓ The latest information on the progression of the pandemic
- ✓ Planning for airborne disease prevention going forward
- ✓ Resources available for small businesses
