Reviewer for:

1. Academic Medicine
2. American Journal of Public Health
3. Annals of Family Medicine
4. Archives of Internal Medicine
5. Clinical and Translational Science
6. Journal of the American Board of Family Medicine

Professional Awards and Recognitions:

Grand Decoration of Honor (Austrian Cross of Merit) for services to the Republic of Austria for merits in connection with the Open Medical Institute in Salzburg, 2016

Duncan Clark Award, Association for Prevention Teaching and Research, 2013

Alpha Omega Alpha, Duke School of Medicine, 2008

Who's Who in America, 1996-present

Who's Who in Medicine and Healthcare, 1996-present

Outstanding Teacher Recognition, Duke University Medical Center Students: 1984, 1985

Kellogg Family Medicine Faculty Fellowship, July 1981-June 1982

Mead Johnson Award for Graduate Education in Family Medicine, awarded by the American Academy of Family Physicians, 1980-1981

Phi Beta Kappa, Oberlin College, 1973

Organizations and Participation:

International

International Medical Workforce Collaborative, 2005-2018

American Austrian Foundation

Director, Salzburg-Duke Seminars in Family Medicine & Public Health, 1995-present

WONCA (International Organization of Family Physicians and General Practitioners)

Classification Committee, 1993-2008

National

U.S. Department of Health and Human Services

Agency for Healthcare Research and Quality

Advisor, Centers of Excellence in Clinical Preventive Services, 2012

Centers for Disease Control and Prevention

Visiting Professor; yearly 2005-2014

Community Prevention Grant Review Committee, 2002, 2014, 2020

Million Hearts (a joint program with CMS), consultant, 2013 - 2014

Board of Directors 1994-2017

Chairman 1995-2000

North Carolina Foundation for Healthcare Leadership and Innovation

Board of Directors, 2015-Present

Chairman 2018-present

North Carolina Institute of Medicine

New Models of Care Workgroup, 2010-2011

Member, 2012-2018

North Carolina Joint Conference Committee on Medical Care, Inc., 1992-1996

North Carolina Medical Society Foundation

Board of Directors, 1995-2002

Local

American Red Cross
Volunteer Medical Consultant, 1996-2007

Database, Inc.
Board of Directors, 1994-2006

Durham Community Health Network (Durham County Medicaid)
Board of Directors, 1999-present

Teaching Responsibilities:

Core Faculty, Duke-Johnson and Johnson Nurse Leadership Program, 2012-present

Director, Duke University Masters Program in Clinical Leadership (a joint program of Duke's School of Medicine in collaboration with the School of Nursing, Fuqua School of Business, School of Law, and Terry Sanford Institute for Public Policy) 2000-2017

PhD Advisory Committee Member, doctoral dissertation for Dan Pollard, Division of Medical Informatics. "Real Time Interaction with Electronic Medical Records", 1996-1999

Co-Director, Core Clerkship in Cost Effective Medicine, 1994-1996

Director, Fundamental Issues in Health Care, Duke Medical School; 1993-1994

Director, Duke Family Medicine Residency Program, 1991-1994

Chairman, Education Committee, Stedman Nutrition Center, Department of Medicine, Duke University Medical Center, 1990-1992

Chairman, Clinical Arts Committee, Duke Medical School, 1989-1990; Co-Chair 1990-1994

Director, Duke Family Medicine Fellowship, 1988-1990

Director, Predoctoral Education in Family Medicine, 1984-1988; 1990-1991

Area of Research Interest:

Prevention, diagnosis, and management of common problems, including interventions for students, faculty, patients, and communities.

External Support:AmountDuration

“The Practical Playbook for Integrating Public Health and Primary Care”, The deBeaumont Foundation, Principal Investigator	\$5,765,975	2014-2020

“One Year Feasibility Study on the Prevention of Hypertension and Treatment of Obesity in School Children,” The Fullerton Foundation. Co-Principal Investigator	\$81,409	1991-1992
“Grant for Faculty Development in Family Medicine,” US Department of Health and Human Services. Principal Investigator	\$782,911	1990-1993
“A Proposal for a Nutrition Education Program,” The Fullerton Foundation Inc. Principal Investigator	\$597,349	1988-1992

“Grant for Predoctoral Education in Family Medicine,” US Department of Health and Human Services, Principal Investigator \$125,000 1985-1986

Clinical Activity:

Five percent direct patient care, plus level one attending staff in Family Medicine, Duke University Medical Center

Participation in Academic and Administrative Activities of the University and Medical Center:

Executive Committee of the Medical Center, 1994-2017

Private Diagnostic Clinic Administrative Board, 1994-2017
 Managed Care Committee, 1999-2007, 2014 - 2017
 Pay for Performance Committee, 2007-2009

Centurion, Davison Club, 1986-present

Duke University School of Medicine Research Foundation (Ardais)
 Board of Directors, 2001-2007

Physician Executive Leadership Program
 Founder and Advisory Board Chair, 1998-2004

Primary Care QI/Scope of Practice Committee; Chairman, 1996-2002

Duke University Affiliated Physicians (DUAP)
 Board of Trustees; 1995-2000

Medical Center Policy Advisory Committee; 1994-2000

Managed Care Committee; 1994-1998

Primary Care Committee; Chairman, 1994-1998

Primary Care Planning Committee; 1992-1994

Health Care Oversight Committee; 1989-1990

Outpatient Planning Committee; 1986-1991

Duke University School of Medicine Curriculum Committees:
 School of Medicine Curriculum Committee, 1982-2010
 Fourth Year Curriculum Committee; 1982-1984

Dean's Office Liaison; 1986-1987
 Subcommittee on Teaching; Chairman, 1987
 Planning and Implementation Committee; 1989-1991
 Curriculum Committee for Current Policy; 1990-1994
 Task Force on Preventive Medicine; Chairman, 1991
 Curriculum Committee-Planning; 1992-1994
 Subcommittee on Professionalism; Chair, 2001
 Subcommittee on Patient Safety; Chair, 2002-2004

Selected Presentations:

International

Course Director and faculty for The Salzburg-Duke Seminars for Family Medicine and Public Health, a project of the American Austrian Foundation: October 31: November 5, 1999; December 10-15, 2000; July 1-7, 2001; May 10-17, 2002; August 24-30, 2003; May 14-20, 2006; July 1-7, 2007; May 2-9, 2009; July 3-9, 2011; May 13-19, 2012, September 1-7, 2013; March 16-22, 2014, August 30-September 5, 2015, September 15, 2016, September 3-9, 2017, March 11-17, 2018

Course Director, Romania-Duke Seminars/Primary Care; Cluj, Romania, "Organization of U.S. Health Care System", June 30-July 1, 1996

"Improving Population Health", Board of Governors, The Ottawa Hospital, Ottawa, Canada, May 3, 2013

"The Medical Home at Duke", Humes Professorship Lecture, University of Vienna, Austria, June 7, 2010

"Improving the Health of Communities", Duke/National University of Singapore, Graduate Medical School, Singapore, July 2008

"Medical Home", Family Medicine Residents, Department of Family Medicine and Continuing Care, Singapore General Hospital, Singapore, July 2008

Course Director, Open Medical Institute, Brasov, Romania, "Satellite Symposium in Family Medicine", July 9-10, 2007

"Weaving Together Medical Care and Public Health", Society of Teachers of Family Medicine, Toronto, Canada; May 2004

"Chronic Disease Management with Multiple Learners", Society of Teachers of Family Medicine, Toronto, Canada; May 2004

"Developing and Teaching in Nontraditional Community Settings", Society of Teachers of Family Medicine, Toronto, Canada; May 2004

Invited Key Notes and Plenaries

“Partnerships for Health” Northwest Regional Primary Care Association, Seattle, WA. June 3, 2020. Zoom session in lieu of invited plenary.

“Partnerships for Health” American Medical Association/ Association of State Health Officers joint session, May 8, 2020. Invited webinar

“Community-Practice Partnerships for Health” Society of Teachers of Family Medicine Practice Transformation Conference, Phoenix, AZ, December 8, 2019. Invited plenary.

“It Takes a Village: Practical Strategies for Improving the Health of Communities” University of California, Davis. November 21, 2019. Invited keynote.

“The Evolution of Population Health”, Furman University, Greenville, SC, November 16, 2018. Invited keynote.

“The Evolution of Population Health” Iowa Healthcare Collaborative, Des Moines, IA, November 6, 2018. Invited plenary.

“The Evolving Role of Public Health in Population Health”, Connecticut State Health Forum, University of Connecticut, Farmington, CT September 14, 2018. Invited plenary.

“Why are States Paying Attention to GME?” MACY Regional Innovations in GME Conference, Nashville, Tennessee, February 26, 2017. Invited keynote.

“Improving Health: New Support, New Tools and New Research Questions for a Historic Goal”, NYC RING Convocation Keynote Address, Bronx, NY, October 18, 2016. Invited plenary.

“Improving Population Health: The Reinforcing Roles of Public Health Systems, and the Community, Invited Speaker for Martison Lecture, University of Minnesota School of Public Health, Minneapolis, MN, October 14, 2016

“Family Medicine – Public Health “Now and Forever”, Invited Visiting Professor Guest Lecturer at the School of Medicine & Health Sciences at University of North Dakota, March 24, 2016

“Primary Care-Public Health Integration and the Role of Data and Epidemiology”, Council for State and Territorial Epidemiologists Annual Conference, Nashville, TN; June 23, 2014

“Bringing it all Together – Primary Care and Public Health, Exploring Integration to Improve Population Health”, Advances in Public Health and Primary Care Integration through Policy, Practice, and Partnership, Chicago, IL; April 4, 2013. Invited keynote.

“Durham and Duke: A Story of One Community’s Journey Towards Health”, Institute of Medicine Forum, Washington, DC; November 30, 2012. Invited talk.

“The Principles of Community Engagement”, Association for the Behavioral Sciences and Medical Education. Savannah, GA; October 15, 2010. Invited Plenary

“Patient Centered Medical Home”, US Department of Veterans Affairs Annual Meeting, Las Vegas, NV;
April 14, 2010. Invited Keynote

“Changing Health Care Delivery Systems-Implications for Medical Education”, American Association of Colleges of Osteopathic Medicine, Bethesda, MD; April 9, 2010. Invited Keynote

“Team Based Models of Care”, Health Resources and Services Administration (HRSA), Washington, DC; August 11, 2009. Invited Keynote

National

“Training for Population Health”, America’s Essential Hospitals VITAL2017, Chicago, IL, June 21, 2017

“Improving Community Health through Community Engagement and Data – an Opportunity for Academic Health Centers”, College of Public Health and Health Professions, College of Medicine, University of Florida, Gainesville, FL, May 4, 2017

“Communities Working Together to Improve Health and Reduce Disparities”, Starfield Summit, Portland, Oregon, April 22-25, 2017

“Opportunities for Transformational Change in State GME”, 2017 GME States Initiatives Summit, Albuquerque, NM, January 23, 2017

“Integration of Primary Care and Public Health”, AAFP 2016 State Legislative Conference, Phoenix, AZ, October 29, 2016

“Public Health, Health Care Integration”, NACCHO Project SHINE, Washington, DC, October 26, 2016

“Integrating Population Health Into Primary Care Training”, NYC RING Faculty Session, Bronx, NY, October 18, 2016

“Addressing Social Determinants to Improve Health Outcomes: Strategies to Achieve Rapid Results. Integrating Care Redesign in the Office and the Community”, NYC RING Workshop, Bronx, NY, October 18, 2016

“The Practical Playbook-Integrating Primary Care and Public Health”, University of Minnesota, Minneapolis, MN, October 13, 2016

“Public Health/Health Care Integration; Large Scale Data Aggregation and Discovery of Unexpected Patterns”, National Institute of Environmental and Health Sciences; September 16, 2016

“Public Health/Health Care Partnerships – An Overview of the Landscape”, Denver Invitational Chronic Disease Academy; August 31, 2016
