
Education

MPH. Department of Health Behavior and Health Education, School of Public Health, The University of North Carolina at Chapel Hill, 1998.

BA. Psychology. The University of North Carolina at Chapel Hill, 1986.

Experience

Department of Health Behavior, UNC Gillings School of Global Public Health, The University of North Carolina at Chapel Hill

- Research Associate, 1999-present.

Develop intervention strategies and evaluation methods to improve systems, policies, and built environments in support of healthy communities. Conduct policy research to inform intervention strategy development. Co-develop national training curriculum and year-long Fellowship Program for Indian Health Service Injury Prevention Program. Provide instruction and technical assistance to federal, state and local government agencies, foundation, non-profits, and community groups on intervention strategies and evaluation methods. Content areas include: opioid overdose, obesity, nutrition and physical activity, heart disease and stroke, diabetes, tobacco, childhood injury and violence, special healthcare needs, disabilities, industrial safety systems, and systems of care. Emphasis on action-oriented research to translate evidence into policy, systems and practical interventions. Lead author and master trainer for nationally-distributed *Systems Change for Health™* competency-based policy curriculum (6 courses) for public health professionals and partners, including the accompanying Training-of-Trainers program. *Systems Change for Health™* has been delivered in over 40 states and to most CDC policy staff. Co-author for statewide childhood injury and violence public health competency training program (SKIPP). Lead author and trainer for tailored trainings and workshops focused on: childhood injury and violence prevention, Health Impact Assessment, personality assessments, and dynamics of multiple generations in the workplace. Researched and developed an audit methodology to assess the walkability and bikeability of urban streets.

Department of Epidemiology, School of Public Health, The University of North Carolina at Chapel Hill

- Research Assistant, 1994-1999.

Designed and co-managed database systems for environmental impact health data. Collaborated with computer system programmers to integrate platforms and database systems. Helped design data collection instruments and methods on several research projects. Developed interview guides and conducted interviews with community subjects. Helped write and edit submitted journal articles and technical reports. Designed presentations, workshops, and co-facilitated workshop activities.

AIDS Community Residence Association, Durham (NC)

- Supervisor, 1992

Managed daily operations of group residence for people living with HIV/AIDS. Negotiated service agreements to match clients with appropriate providers. Trained and supervised volunteers. Administered medications and updated medical records.

Experience (Continued)

National AIDS Hotline, American Social Health Association, Research Triangle Park (NC)

- Supervisor, 1990-1991.

Interviewed, hired, and trained telephone Information Specialists to educate the general public on HIV/AIDS. Supervised ten employees and routinely co-supervised shift of thirty employees. Evaluated staff performance and facilitated staff development. Developed and implemented new training materials and methods. Researched expanded referral package for HIV+ clients. Drafted portions of funding renewal application. Collected and managed client data.

Self-Employed

- Computer Systems Consultant, 1986-1989.

Maintained and operated a computer database and processing system for a tax and finance firm. Created client data archival system. Wrote user manuals for new database and archival system. Developed and implemented office policies and procedures.

Honors and Awards

Elected to Phi Beta Kappa (1985)

Recipient of US Public Health Traineeship (1996-97)

Recipient of North Carolina Schweitzer Fellowship (1997-98)

Recipient of Lucy Morgan Fellowship (1997-98)

Member of American Public Health Association (1997)

Elected to Theta Chapter, Delta Omega, National Public Health Honorary Society, The University of North Carolina at Chapel Hill (1998)

Member of Society of Health Educators (2000)

UNC Highway Safety Research Center Fellow (2003 –present)

US DHHS Secretary's Award for Interdisciplinary Project by SHAC Outreach (2004)

Courses Taught

HBEH 775: Introduction to Public Health Policy and the Policy-Making Process. Spring 2017-2022 (co-instructor).

HBHE 703 and 704: Professional Development. Fall-Spring, 2009-2010 (co-instructor).

Student Advising/Mentoring

Reader for Master's Papers

1. Inclusionary Housing in North Carolina: An Exploratory Case Study of Four Communities in North Carolina, Joella Schipean, 2008.
2. The Siting of Potentially Hazardous Land Uses: The Role of Health and Planning Boards and Staff. Danielle Spurlock 2005. (*Dual degree program MPH & MCRP*).
3. A Descriptive Study of the Needs and Methods for Assessing School Policies and Environments that Influence Physical Activity. Susan W. Haws, 2001.
4. The Walking and Bicycling Suitability Assessment Project: An Example of the Emerging Partnership Between Public Health and Planning. Allison Frankel, 2001.
5. Dissemination of a Program to Assess the Suitability of Sidewalks and Streets for Walking and Bicycling: A Preliminary Evaluation. Rebecca L. Gordon, 2000.

Advisor for Projects and Practicum

2014 – Advisor for UNC Department of Health Behavior student practicum

2004 – Advisor for UNC Bryan Fellow from UNC Department of Nutrition

2002 – 2005 Advisor for UNC Department of Health Behavior and Health Education student practicum

Funded Projects

November 6, 2021 – November 5, 2022. Academic Advisor Services for I.H.S. Injury Prevention Programs. Option Year 3 and Contract Amendment Request. Indian Health Service.

Sept. 30, 2021 – Sept 29, 2022. Technical Assistance to Community & Clinical Connections for Prevention Branch, NC DPH.

November 6, 2020 – November 5, 2021. Academic Advisor Services for I.H.S. Injury Prevention Programs. Option Year 2 Contract Amendment Request. Indian Health Service.

Sept. 30, 2020 – Sept 29, 2021. Technical Assistance to Community & Clinical Connections for Prevention Branch, NC DPH.

July 1, 2020 –December 31, 2020. Deliver two System Change for Health courses. Crater Health District, Virginia.

Sept. 30, 2019 – Sept 29, 2020. Technical Assistance to Community & Clinical Connections for Prevention Branch, NC DPH.

September 17-19, 2019. Mississippi. Deliver Systems Change for Health Introductory and Assessing and Defining the Problem Courses.

March 25, 2019. Mississippi Health Department. Epilepsy Foundation. Deliver Systems Change for Health Introductory Course.

Jan 1, 2019 to August 3, 2019. Develop and deliver policy brief workshop session for RWJ Clinical Scholars Program. UNC GSGPH Maternal and Child Health Department.

Nov. 7, 2018 to Nov. 6, 2023. Academic Support Services to Indian Health Service Injury Prevention Program. Indian Health Service.

Nov 1, 2018 – December 31, 2020. Deliver Systems Change for Health Courses April 11, 2019 and Course 4 July 1-2, 2019 and Prepare Two Issue Briefs. National Association of Chronic Disease Directors (NACDD).

Oct. 1, 2018 – June 30, 2019. Deliver two Systems Change for Health Course Three. November 2018 and April 30-May 1, 2019. Rocky Mountain Public Health Training Center, Center for Public Health Practice, Colorado School of Public Health.

Funded Projects (Continued)

Oct. 1, 2018 to Nov. 30, 201. Deliver Course 3 September 2018. Mississippi Health Department.

Sept. 1, 2018 – August 30, 2019. Quality Assessment of the NC Injury Free Academy. NC Dept. of Public Health, Injury and Violence Prevention Branch.

July 1, 2018 – Sept 30, 2018. Technical Assistance to Community & Clinical Connections for Prevention Branch, NC DPH.

June 1, 2018 – May 31, 2019. Individual contracts with five Local Health Departments (i.e., Albemarle Regional Health Services, Appalachian Health District, Cabarrus County Health Dept., Granville/Vance County Health Dept., Robeson County Health Dept.). Innovative Approaches Program supported by NC DPH Children and Youth Branch.

May 1, 2018 – September 30, 2018. Deliver Systems Change for Health Course 3 July 25-26, 2018. National Association of Chronic Disease Directors (NACDD).

May 1, 2018 – September 30, 2018. Review and crosswalk of National Association of Chronic Disease Directors (NACDD) training needs and competency sets. National Association of Chronic Disease Directors (NACDD).

April 1, 2018 – August 31, 2018. Deliver Systems Change for Health Introductory Course August 1, 2018. Midwestern Public Health Training Center.

March 1 – June 30, 2018. Deliver Systems Change for Health Course 1 May 7-8 and Course 2 June 11-12. Rocky Mountain Public Health Training Center, Center for Public Health Practice, Colorado School of Public Health.

July 1, 2017 – June 30, 2018. Technical Assistance to Community & Clinical Connections for Prevention Branch, NC DPH.

June 1, 2017 – May 31, 2018. Individual contracts with five Local Health Departments (i.e., Albemarle Regional Health Services, Appalachian Health District, Cabarrus County Health Dept., Granville/Vance County Health Dept., Robeson County Health Dept.). Innovative Approaches Program supported by NC DPH Children and Youth Branch.

July 1, 2016 – June 30, 2017. Technical Assistance to Community & Clinical Connections for Prevention Branch, NC DPH.

June 1, 2016 – May 31, 2017. Individual contracts with five Local Health Departments (i.e., Albemarle Regional Health Services, Appalachian Health District, Cabarrus County Health Dept., Granville/Vance County Health Dept., Robeson County Health Dept.).

July 1, 2015 – June 30, 2017. Assessing the Bureau of Reclamation PNRO Safety Culture. Funded by the U.S. Bureau of Reclamation (Department of Interior).

July 1, 2015 – September 30, 2018. Community & Clinical Connections for Prevention and Health (CCCPH) Technical Support Project. Funded by the NC Division of Public Health (DHHS).

June 1, 2015 – May 31, 2016. NCDPH Worksite Wellness Collaborative Referral Network Project. Funded by the North Carolina State Health Plan for Teachers and State Employers.

October 1, 2013 – September 30, 2014. Technical Assistance to the Community Transformation Grant Project. Funded by the NC Division of Public Health.

Oct. 1, 2012 – Sept. 30, 2015. Curriculum Development and Training to Support Shaping Policy for Health (aka, Systems Change for Health). Funded by Directors of Health Promotion and Education.

Oct. 1, 2012 – September 30, 2014. Technical Assistance, Training, and Capacity Building to Support the NC Community Transformation Grant Project. Funded by NC Division of Public Health.

Funded Projects (Continued)

Sept. 1, 2012 – March 31, 2014. Technical Assistance and Facilitation to Develop the NC Coordinated Chronic Disease and Injury Prevention State Plan. Funded by NC Division of Public Health.

Feb 1, 2012 – Dec. 30 2012. Provide orientation, technical assistance, and 2-day Health Impact Assessment Workshop to staff and partners of the Winter Park Health Foundation, Winter Park, FL.

May 1, 2010 – January 31, 2012. Shaping State Health Department Policies to Support Healthy, Active Living. NC Division of Public Health, Physical Activity and Nutrition (PAN) Branch.

August 2009 – July 2010. Health Policy and Environmental Change Training and Train the Trainer Project. Funded by Directors of Health Promotion and Education (DHPE).

August 2008 – July 2009. Health Policy and Environmental Change Curriculum Development Project. Funded by Directors of Health Promotion and Education (DHPE).

August 2007 – July 2008. Health Policy and Environmental Change Curriculum Development Project. Funded by Directors of Health Promotion and Education (DHPE).

January 2006 – June 2007. Health Policy and Environmental Change Curriculum Development Project. Funded by Directors of Health Promotion and Education (DHPE).

February 2004 – June 2004. AARP Active for Life Program Technical Assistance and Development, Phase 3. Funded by AARP.

December 2003 – July 2004. Training Plan/Curriculum Development Project. Funded by Directors of Health Promotion and Education (DHPE).

January 2003 – December 2003. AARP Active for Life Program Technical Assistance and Development, Phase 2. Funded by AARP.

June 2002 – Dec. 2002. AARP Active for Life Program Technical Assistance and Development, Phase 1. Funded by AARP.

July 2001 – June 2002. Heartwise. Funded by Mary Black Foundation in Spartanburg, SC.

July 2000 – June 2001. Development of master training plan. Funded by NC DHHS.

July 2000 – June 2001. Develop capacity building workshop. Funded by NC DHHS.

July 2000 – June 2001. Consultation for Cardiovascular Health (CVH) Program Evaluation. Funded by NC DHHS.

July 2000 – June 2001. Workshop development, program implementation, and evaluation. Funded by NC DHHS.
