EDUCATION

MSPH - PhD in Health Behavior

MSPH Conferred - May 2014

PhD Conferred- May 2018

Dissertation title: "Living undocumented: An ethnographic study of the mental health and wellbeing of undocumented Mexican migrant men."

Department of Health Behavior

UNC Gillings School of Global Public Health

UNC Chapel Hill

Bachelor's Degree in Sociology, 1999-2004

Universidad Autónoma Metropolitana, Unidad Xochimilco (UAM-X), México.

Thesis title: "The urban woman facing an abortion: mobilization of social networks in search of social support."

Post-graduate course: Introduction to Bioethics and Ethics Committees, 2006 (80 hours)

Facultad Latinoamericana de Ciencias Sociales (FLACSO), Argentina

Diploma: Youth Cultures, Theory and Research, 2002 (80 hours)

Universidad Autónoma Metropolitana, Unidad Iztapalapa (UAM-I), México

Summer course: Gender Studies, 2005 (200 hours)

El Colegio de México (COLMEX)

PROFESSIONAL EXPERIENCE

Inclusive Science Program Manager

January 2021- Present

The North Carolina Translational and Clinical Sciences Institute

University of North Carolina at Chapel Hill

- Provide consultation services to research teams related to inclusion and diversity during the research process, research methods to conduct research with underrepresented communities, including community-based participatory research methods and qualitative methods, and strategize on how to build sustainable community-academic partnerships and engagement opportunities for research.
- Design education and training opportunities on the areas of Health Equity and Inclusive Science for research teams, with an emphasis on diversifying the research workforce at all levels.
- Develop and implement strategies to create a more inclusive research culture at UNC.
- Develop resources and provide consultations and direct services to research teams to culturally and linguistically adapt research materials for Latinxs Spanish-speaking populations in the United States.
- Support investigators during planning and grant writing proposals related to Inclusive Translation Research.

Postdoctoral Research Associate

January 2018-January 2019

Center for Health Equity Research

University of North Carolina at Chapel Hill

- Lead data collection and analysis for project “Surviving After Hurricane Matthew”, a mixed-methods study on the effects of Hurricane Matthew on the self-management of cardiovascular disease among African American in East North Carolina.
- Lead a pilot replication of “Amigas Motivando el Alma”, a 6-session intervention adapted to use art therapy to enhance Latina Women social support and emotional wellbeing.
- Coordinate the implementation and evaluation of a pilot study, “Cajas”, a project focused on providing fresh produce boxes and diabetes education for Latin American migrant farmworkers living with uncontrolled diabetes.
- Supervise and mentor research rotations of medical students at CHER.

Bilingual Outreach Assistant

June 2015 – August 2017

The Latino Migration Project. Building Integrated Communities Program & New Roots/ Nuevas Raices, Oral Histories Archive.

- Coordinate outreach activities with K-12 teachers, community organizations, museums and academia to promote the use of New Roots, an oral history archive that documents the experiences of Latinos/as in North Carolina.
- Collaborate with the process of archival of oral histories, including classification and translation of archival material.
- Coordinate the evaluation of a public transportation project for Latino/a communities in Sanford, North Carolina.

Graduate Research Assistant

May 2015 – August 2017

The Transfer Project. Carolina Population Center.

- Develop training for fieldwork teams in Malawi to conduct a Photovoice project.
- Conduct qualitative analysis on understanding community members understanding of resilience and vulnerability and their ability to rebound from community and individual level shocks.

Graduate Research Assistant

January 2013 – December 2015

Project ENLACES por la Salud / Transnationalism and Migrant health.

- Conduct in-depth qualitative interviews and closed-ended questionnaires with HIV positive Latino men and men at risk of HIV infection in North Carolina about their testing practices and their social networks.
- Perform rapid HIV tests with Latino men at risk of HIV in North Carolina.
- Translate health navigators’ manual from English to Spanish.
- Conduct qualitative analysis.

Graduate Research Assistant

January – December 2012

Peers for progress, Department of Health Behavior, University of North Carolina-Chapel Hill.

- Assist in the implementation of a peer support project for Latino/as living with diabetes.

Graduate Research Assistant

August – December 2011

The North Carolina Translational and Clinical Sciences Institute Chapel Hill, NC

- Assist with administrative tasks

Youth Program Associate, Global

November, 2007 – July 2011

Ipas, Headquarters, Chapel Hill, North Carolina

- Coordinate the development of a global youth program for the organization.
- Participate in global advocacy activities to advance adolescent and young people's sexual and reproductive health and rights. Activities included participating at global meetings in the United Nations, including the Commission on the Status of Women (CSW) and Commission on Population and Development (CPD), and international conferences, such as Women Deliver.
- Train staff, partners, youth activists, medical students, and health providers and other key stakeholders on issues relevant to the sexual and reproductive health and rights of young people and abortion access for young people, globally, regionally and in specific Ipas Program Countries, including Kenya (Africa Regional), Nigeria, Zambia, South Africa, Nicaragua (Regional Central America), Brazil, and Mexico.

Program Associate

April, 2001 – October, 2007

Ipas, Mexico City, Mexico

- Coordinate trainings for medical providers on comprehensive care for victims of sexual violence and access to safe and legal abortion.
- Conduct trainings for healthcare providers on gender and the sexual and reproductive health needs of young people.
- Coordinate research projects on gender and sexual and reproductive health topics.

Consultant

June, 2003-April 2004

National Institute of Public Health, Cuernavaca, Mexico

- Conduct evaluation of an initiative focused on HIV and women in Mexico.

Public Social Service

September, 2003 – February, 2004

Ministry of Health, National Centre for Infant and Adolescents Health, Mexico

- Conduct literature and legal review to inform the development of the healthcare services' national guidelines for the adolescent population in Mexico.

TEACHING EXPERIENCE

Instructor:

UNC Gillings School of Global Public Health, HBEH 815. Theoretical Foundations of Health Behavior and Health Education (13 Doctoral Students)	Fall 2021
UNC Gillings School of Global Public Health, HBEH 815. Theoretical Foundations of Health Behavior and Health Education. (9 Doctoral Students)	Fall 2020
UNC Gillings School of Global Public Health, HBEH 815. Theoretical Foundations of Health Behavior and Health Education, Global Health Module (8 doctoral students)	Fall 2019
UNC Gillings School of Global Public Health, HBEH 815. Theoretical Foundations of Health Behavior and Health Education, Global Health Module (10 doctoral students)	Fall 2018
UNC Gillings School of Global Public Health. HBEH 753, Qualitative Research Methods (50 master students) (Co-instructor)	Spring 2017
UNC Latin American Studies Major, 390, special topics: Migration, Intersectionality and Health across the Americas. Class taught in Spanish. (11 undergraduate students)	Fall 2016

Teaching assistant:

Spring, UNC Global Studies 382: APPLES Global Course Guanajuato. Service Learning Course with alternative Spring Break travel to Guanajuato, Mexico. (10 undergraduate students)	Spring 2016
Spring, UNC Gillings School of Global Public Health. HBEH 816. Theoretical Foundations of Health Behavior and Health Education. Teaching Assistant. (16 doctoral students)	Spring 2015
Fall, UNC Gillings School of Global Public Health. HBEH 815. Theoretical Foundations of Health Behavior and Health Education. Teaching Assistant. (16 doctoral students)	Fall 2014

Guest lecturer:

UNC Global Studies. (703 Global Migration). Migration and Health I & II.	Fall 2015
UNC Gillings School of Global Public Health. (MHCH 740). Global Sexual and Reproductive Health. Reproductive Health versus Population Control Policies Lecture.	Spring 2014 2015, 2016
UNC School of Geography. (GEOG458). Urban Latin America. Latino Migrants in North Carolina.	Fall 2014
UNC Gillings School of Global Public Health. (PUBH 510). Interdisciplinary Perspectives in Global Health. Latino Health Panel.	Fall 2014

SERVICEUniversity of North Carolina at Chapel Hill

Working group on Migration, Gender and Health (Funded by UNC-Duke consortium on Latin American Studies) Member 2013-present; Co-coordinator, 2011-2013, 2015-2016.

Carolina Center for Public Service Advisory Board, 2015 - 2016, 2016 -2017, 2019-2020

Doctoral Student Advisory Committee, Health Behavior Department, UNC Gillings School of Global Public Health, 2014 - 2015

UNC Institutional Review Board (IRB), Ad Hoc Reviewer.

Ad Hoc Peer-Reviewer

Plos One

Journal of Health Disparities Research and Practice

Journal of Health Care for the Poor and Underserved

Children and Youth Services Review

BMC Medical Education

Global Journal of Health Science
Social Science and Medicine

Non-Profit Organizations

Balance, Promoción para el Desarrollo y Juventud (Mexico) Board Member and President, 2007 – 2018
Youth Coalition for Sexual and Reproductive Rights (International), Member 2005 – 2009
Decidir, Coalición de Jóvenes por una Ciudadanía Sexual (Mexico) Member 2003 – 2006.

Probono community work

El Pueblo, Inc. Trainer for community health promoters on different sexual and reproductive health-related topics. Facilitator of logic framework and strategic planning sessions.
El Centro Hispano and Center for Employment and Leadership (CEL). Facilitator and consultant for developing logic framework and implementing workplan for CEL, a workers' center serving mainly underserved populations, to achieve economic justice.

ADDITIONAL SKILLS

Methodological expertise:

Qualitative methods: Photovoice, ethnography, phenomenology, oral history and grounded theory
Quantitative methods: Descriptive statistics, linear and logistic regression, mediation and moderation, scale development and factor analysis, and structural equation modeling.

Software

Office programs: Word, Excel, PowerPoint, Publisher, Access, Outlook, One Drive, and Sharepoint
Qualitative analysis software: Atlas.ti & Dedoose
Quantitative analysis software: Stata & Mplus
Other software: EndNote, Qualtrics, REDCap

Languages

Spanish, Native
English, Bilingual Proficiency
Portuguese, Professional Working Proficiency
French, Basic
