

Academic Enrichment Program – Fall 2022

Program begins August 15, 2022: The Academic Enrichment Program strives to provide quality academic support in a group setting for students experiencing academic difficulty in EPID 600, BIOS 600, SPHG 711 & SPHG 712 courses. Tutors are available by appointment only and tutor using Zoom.

Cost: Students do not pay for this service - **FREE**. The Gillings School of Global Public Health assumes the cost of tutoring.

What will be covered: Content of the sessions will be determined by the tutors from questions received 72 hours in advance of the session. Other questions may be addressed as time permits. Students are asked to submit their questions via email to an assigned tutor. Please email a tutor below to attend a session.
