GILLINGS SCHOOL OF
GLOBAL PUBLIC HEALTH

Master of Public Health Applied Epidemiology New Student Orientation Fall 2022 Schedule

Orientation is an exciting and important start to your experience as a new student at Gillings. All new students are expected to attend and actively participate in all sessions. During orientation you will get the information you need regarding your degree requirements and resources to support and connect you with the people at Gillings who can help you succeed throughout your entire academic journey. Please note that these are the only time these orientation sessions will occur, and you are highly encouraged to attend all in-person and online synchronous sessions. ****Denotes required sessions.**
