Physicians' Stress and Work-Related Wellbeing During COVID-19: Qualitative Insights From Four U.S. Cities

Mara Buchbinder, PhD

Professor and Vice Chair, Department of Social Medicine, UNC-Chapel Hill

February 17, 2023 | 12:00pm to 1:00pm EST

[Register Here!](#)

Mara Buchbinder, PhD is Professor and Vice Chair of the Department of Social Medicine at UNC-Chapel Hill. She is a medical anthropologist and the Principal Investigator of the Study to Examine Physicians' Pandemic Stress (STEPPS), a NIOSH and Greenwall Foundation funded study of occupational stress and wellbeing among frontline physicians caring for hospitalized COVID-19 patients in 4 US cities.

Fireside Chat with Elizabeth H. Maples, PhD, CIH National Institute for Occupational Safety and Health (NIOSH) Scientific Program Official

April 21, 2023 | 12:00pm to 1:00pm EST

[Register Here!](#)

In her role as a Scientific Program Official with NIOSH, Dr. Maples provides critical guidance on occupational health and safety based academic training, and stakeholder outreach and continuing education to NIOSH funded Education and Research Centers (including NC OSHERC) and training project grantees across the United States. During this fireside chat, Dr. Maples will discuss current initiatives within NIOSH regarding the future of work, occupational health and safety in the southeastern United States, and vulnerable workers.
