# North Carolina

Partnership for Excellence in

# APPLIED EPIDEMIOLOGY

**Research.**

**Education.**

**Practice.**

The North Carolina Partnership for Excellence in Applied Epidemiology was established in 2018. This partnership is an applied public health research, educational and practice collaboration between the North Carolina Division of Public Health, Communicable Disease Branch and the University of North Carolina at Chapel Hill (The Department of Epidemiology and the North Carolina Institute for Public Health in the Gillings School of Global Public Health, and the School of Medicine).
