

Who Is My Assigned Gillings School Academic Coordinator (AC)?

Your Academic Coordinator is the primary point of contact for your educational planning and progress, Gillings and University resources/offices, and can help address your specific concerns and situations.

- Please note that academic advising appointments at times may only be available online/remote via Zoom.
- To make an appointment with your AC:** Click on their “Meet with” link below to view all available appointment times/days to schedule your meeting. If there is an email address in that space, then please email them directly to schedule an appointment.
- Due to the ongoing nature of the pandemic, we may not always be offering in-person drop-ins for current or prospective students. If you drop-in in-person, please be advised that we may refer you to the instructions above to schedule an online appointment.
- During these extraordinary circumstances, we appreciate your patience and understanding, and please know that we are doing our very best to address your concerns/questions in a timely manner.
