

Who Is My Assigned Gillings School Academic Coordinator (AC)?

Your Academic Coordinator is the primary point of contact for your educational planning and progress, course registration, Gillings and University resources/offices/forms, and can help address your specific concerns and situations.

For current students, to make an appointment with your AC: Visit [Gillings Navigate](#), under Appointments, select the Upcoming tab, then select Schedule an Appointment. Choose appointment reason, location, date/time, and include the details and your questions related to why you are scheduling this appointment in the comments text box. Select Confirm Appointment to complete the scheduling steps and accept the appointment.
