

## Academic Enrichment Tutor Program Summer 2024 – MPH@UNC

The Academic Enrichment Tutoring Program strives to provide quality academic support in an individual and group setting for students enrolled in SPHG 711 & SPHG 712 courses. Tutors are available for individual and group tutoring appointments. All sessions are 1 hour and conducted via Zoom.

**Cost: FREE!** Students do not pay for this service. The GSGPH assumes the cost of tutoring.

**What will be covered:** Content of the sessions will be determined by the students' needs. Questions and content will be addressed as time permits. Assistance is only available in the form of conceptual guidance and explanation of similar problems/examples. Students will be expected to work through the homework problems themselves with limited direct guidance from the tutors.

**How to Request an Appointment:** Students should submit their individual tutoring requests via email to the respective course tutor email address (below) and an assigned tutor will respond within 48 business hours. In your email, please include your name, the course, section and instructor, any content topics you need assistance with, and your availability.

**SPHG 711:** [SPHG711Tutors@email.unc.edu](mailto:SPHG711Tutors@email.unc.edu)

**SPHG 712:** [SPHG712Tutors@email.unc.edu](mailto:SPHG712Tutors@email.unc.edu)

**Open/Group Tutoring Sessions:** Tutors hold weekly “open” group tutoring sessions for anyone to attend. You do not have to schedule in advance to attend. Questions about these group sessions should be sent to the respective course email address.

SPHG 711	Open/Group Session Time	Zoom Link
Elizabeth Payne	Sunday, 9-10PM	<a href="#">Elizabeth's Zoom Room</a>
