<i>Updated June 2024</i>			

Students are expected to take 5 credits to obtain additional depth in a discipline. This allows the students flexibility to select courses within the discipline that aid their professional goals and interests. A list of potential courses that align with different interests are listed on the plan of study, any selected courses that are not listed here must be approved by the academic advisor or concentration lead.

Click [here](#) to see if your concentration has specific Practicum requirements. The Comprehensive Exam is embedded in SPHG 722 – click [here](#) for more Comp. Exam information. Reminder that electives must be 400+level for Gillings courses and 500+ level for any other UNC course. Please note that MPH@UNC students can only register for 973 sections and Place-Based Health (Asheville) can only register for 299 sections – this includes electives.
