Updated June 2024			

Click [here](#) to see if your concentration has specific Practicum requirements. The Comprehensive Exam is embedded in SPHG 722 – click [here](#) for more Comp. Exam information. Reminder that electives must be 400+ level for Gillings courses and 500+ level for any other UNC course. Please note that MPH@UNC students can only register for 973 sections and Place-Based Health (Asheville) can only register for 299 sections – this includes electives. For more details on Gillings MPH policies and procedures visit the [MPH Student Handbook](#)
